INDEPENDENT AUDITORS' REPORT

Cincinnati Financial Corporation Tax-Qualified Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the Cincinnati Financial Corporation Tax-Qualified Savings Plan (the "Plan") as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as whole. The supplemental schedule listed in the Table of Contents is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. The schedule has been subjected to the auditing procedures applied in our audit of the basic 2001 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

CINCINNATI FINANCIAL CORPORATION TAX-QUALIFIED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF THE PLAN

The following brief description of the Cincinnati Financial Corporation Tax-Qualified Savings Plan (Savings Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General - The Savings Plan is a defined contribution plan covering substantially all employees of Cincinnati Financial Corporation (Company) who have attained age 21. The Savings Plan commenced January 1, 1996 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions and Vesting - Participant contributions to the Savings Plan may be made on a pre-tax basis from 1% to 20% of the participant's earnings. Participants are fully vested at all times in their elective contributions plus earnings thereon. There is no Company match on participant contributions to the Savings Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distributions - The Savings Plan provides for benefits to be paid upon retirement, disability, death or separation other than retirement as defined by the Savings Plan document. Savings Plan benefits may be made in a lump sum of cash or shares of Company common stock.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Savings Plan to terminate the Savings Plan subject to the provisions of ERISA.

Loans - The Savings Plan has a loan feature under which active participants may borrow up to 50% of the current value of their account values (up to a maximum of \$50,000) at a rate equal to the prime rate plus 1%. Loans are repayable via payroll deductions over a period of up to five years, except for loans used to purchase a primary residence which are repaid via payroll deduction within a reasonable period as defined by the Savings Plan. Principal and interest paid is credited to applicable funds in the borrower's account. Upon participant termination or retirement, the outstanding loan balance is treated as a distribution to the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are recorded at fair value. The Plan's investment in Company common stock (117,722 and 107,323 shares at December 31, 2001 and 2000, respectively) is valued at the closing price on an established security exchange. The Plan's mutual funds (funds) are valued by the fund manager, The Fifth Third Bank (the "Trustee"), based upon the fair value of the funds' underlying investments. Income from investments is recognized when earned and is allocated to each participating plan and participant's account by the Trustee.

Expenses of the Plan - Trustee fees and other expenses of the Savings Plan are paid by the Company.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassification - Certain 2000 financial statement amounts have been reclassified to conform with the 2001 presentation.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 16, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan's sponsor believes the Plan is being operated in a manner that does not jeopardize the tax status and therefore, no provision for income taxes is recorded in the accompanying financial statements.

4. INVESTMENTS

The Plan provides for investments in various investment securities and these investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Investments with market values representing 5% or more of the Plan's net asset available for benefits are as follows at December 31:

	2001	2000
Fountain Square Mid Cap Fund	\$4,320,729	\$3,680,335
Fountain Square Quality Growth Fund	7,466,389	7,213,202
Fountain Square Balanced Fund	2,661,032	2,351,707
Cincinnati Financial Corporation common stock	4,544,076	4,246,020

The net appreciation (depreciation) in fair value of investments by investment category is as follows for the years ending December 31:

	2001	2000
Mutual Funds	\$(2,033,376)	\$ (1,911,043)
Cincinnati Financial Corporation common stock	<u>(91,876)</u>	<u>867,328</u>
Net depreciation in fair value of investments	<u><u>\$(2,125,252)</u></u>	<u><u>\$ (1,043,715)</u></u>

5. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Plan's trustee or common stock of the Plan Sponsor. Therefore these transactions qualify as party-in-interest transactions.
