Addendum 1 to Form D, Regarding Questions B.2. - B.3.:

In response to Question B.2. of Form D, the issuer has stated \$90,000.00, which is the amount of the smallest direct investment by any individual in the acquisition of membership interests in the subject offering. Similarly, in response to Question B.3. of Form D, the issuer noted that there is no joint direct ownership of any membership interests of issuer.

The issuer is informed, however, that three of the purchasers of this offering are limited liability companies that have a membership consisting of both accredited and non-accredited investors as defined by Regulation D. For the limited purpose of counting the number of investors under Regulation D, these owners of interests in the purchasing companies may be considered as separate investors in the offering.

The issuer does not believe, however, that membership of multiple individuals in the purchasing companies should be deemed "joint ownership" for purposes of Question B.2. or that investments by the owners of interests in purchasing companies should be considered an "investment" in the issuer responsive to Question B.3. Nevertheless, the issuer notes that, based upon information supplied by the purchasing entities, the smallest investment by any individual in any of the purchasing entities is \$5,000.00.
