MEDIA RELEASE

17 APRIL 2003

**GREENWICH COUNCIL UNANIMOUSLY RESOLVES TO GRANT
PLANNING CONSENT FOR GREENWICH PENINSULA**

Meridian Delta Limited ("MDL") is delighted to announce that the London Borough of Greenwich last night unanimously resolved to grant planning consent, subject to reserved matters, to Meridian Delta Limited, English Partnerships and Anschutz Entertainment Group Europe ("AEG") for the comprehensive regeneration of the Greenwich Peninsula.

This decision paves the way for further detailed discussion on planning obligations relating to the development intended to benefit the community (Section 106 agreements). In addition, the application will shortly be reviewed by the Greater London Authority.

MDL currently estimates that these negotiations will continue for some months.

The planning application submitted by MDL, English Partnerships and AEG in December 2002 incorporates proposals to create a new urban community for Greenwich and London covering 190 acres of the Greenwich Peninsula.

The proposals include a new 26,000 capacity Arena within the Dome (which will provide London with a new world-class entertainment and sporting facility); 10,000 new homes; 340,000 square metres of commercial space; 33,000 square metres of retail space; new areas of public open space covering a quarter of the site; infrastructure improvements and new community facilities.

Commenting on the decision, Bert Martin, Development Director of Lend Lease Europe, said: "This is an important first step towards obtaining outline planning permission for the creation of a new urban community in Greenwich. There remains a great deal of work to be done in concluding associated legal agreements to allow the development to proceed, and we look forward to taking those negotiations forward with the London Borough of Greenwich."
