Report of Independent Accountants

To the Board of Directors and Stockholder of
SWS Financial Services, Inc.

In our opinion, the accompanying statement of financial condition and the related statements of operations, stockholder's equity and cash flows present fairly, in all material respects, the financial position of SWS Financial Services, Inc. (the "Company") (a wholly owned subsidiary of SWS Group, Inc.) at June 28, 2002, and the results of its operations and its cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SWS FINANCIAL SERVICES, INC.
(A WHOLLY OWNED SUBSIDIARY OF SWS GROUP, INC.)

NOTES TO FINANCIAL STATEMENTS

1. ORGANIZATION

General

SWS Financial Services, Inc. ("Company") is a wholly owned subsidiary of SWS Group, Inc. ("Parent"). The Company is a registered broker/dealer in securities under the Securities Exchange Act of 1934 ("Act").

The annual financial statements are prepared as of the close of business on the last Friday of June. Accordingly, the fiscal year for 2002 ended on June 28, 2002.

The Company contracts with individual licensed registered representatives who conduct their securities business through the Company. These contract-registered representatives are responsible for their own direct expenses. All customer transactions are cleared through an affiliate broker/dealer, SWS Securities, Inc. ("SWS"), on a fully disclosed basis. Accordingly, the Company is exempt from Rule 15c3-3 of the Act under Section (k)(2)(ii) of this rule. SWS also provides accounting, administrative services, management services and office facilities to the Company. Based on an agreement between SWS and the Company, the Company pays a clearing fee to SWS for handling all trades for the Company. Additionally, SWS collects revenues and pays expenses on behalf of the Company. SWS has the right to charge customer losses back to the Company. The net effects of these transactions are recorded in accounts receivable from affiliate on the statement of financial condition. The amount of clearing fees paid to SWS for the Company's trades for the fiscal year ended June 28, 2002 was \$1,297,298.

The Company received commission income from an affiliate of \$3,857,816 for the fiscal year ended June 28, 2002.

The financial statements do not include a statement of changes in liabilities subordinated to the claims of general creditors as required under Rule 17a-5 of the Act, since no such liabilities existed as of or during the fiscal year ended June 28, 2002.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash flow reporting

For purposes of the statement of cash flows, the Company considers cash to include cash on hand and in depository accounts.

Fair value of financial instruments

Substantially all of the Company's financial assets and liabilities are carried at market value or at amounts which, because of their short-term nature, approximate current fair value.

SWS FINANCIAL SERVICES, INC.
(A WHOLLY OWNED SUBSIDIARY OF SWS GROUP, INC.)

NOTES TO FINANCIAL STATEMENTS

Fixed assets

Fixed assets are made up of furniture and fixtures which are stated at cost and depreciated using the straight-line method over the estimated useful life of five or seven years.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital. At June 28, 2002 the Company had net capital of \$319,352 which is \$69,352 in excess of its minimum net capital requirement of \$250,000 at that date. At June 28, 2002, the Company had no aggregate indebtedness.

4. INCOME TAXES

The Company files a consolidated Federal income tax return with the Parent. For purposes of these financial statements, current income taxes are computed as if the Company filed a separate entity income tax return. The income tax benefit is included in accounts receivable from affiliate. The amount of tax benefit included in accounts receivable from affiliate at June 28, 2002 is approximately \$89,600.

Income tax benefit for the fiscal year ended June 28, 2002, (effective rate of 33.8% in 2002) differs from the amount that would otherwise have been calculated by applying the U.S. Federal corporate tax rate (35% in 2002) to loss before income taxes and is comprised of the following:

Income tax benefit at the statutory rate	\$ 33,403
Nondeductible expenses	(1,189)
	<u>\$ 32,214</u>

Income taxes as set forth in the statement of operations consist of the following components:

Current	\$ 23,740
Deferred	8,474
Income tax benefit	<u>\$ 32,214</u>

SWS FINANCIAL SERVICES, INC.
(A WHOLLY OWNED SUBSIDIARY OF SWS GROUP, INC.)

NOTES TO FINANCIAL STATEMENTS

The tax effects of temporary differences for depreciation at rates different for tax than financial reporting gave rise to a significant portion of the deferred tax asset. The deferred tax asset, which is included in accounts receivable from affiliate, was \$13,218 at June 28, 2002.

As a result of the Parent's history of taxable income and the nature of the items from which deferred tax assets are derived, management believes that it is more likely than not that the Company will realize the benefit of the deferred tax assets.

SWS FINANCIAL SERVICES, INC.
(A Wholly Owned Subsidiary of SWS Group, Inc.)

**SCHEDULE I – COMPUTATION OF NET CAPITAL PURSUANT TO
RULE 15c3-1 OF THE SECURITIES EXCHANGE ACT OF 1934
JUNE 28, 2002**

Total stockholder's equity from the statement of financial condition		\$	2,965,945
Deductions and/or charges - nonallowable assets			
Investment in NASDAQ	\$	(109,900)	
Receivable from affiliate		(2,488,471)	
Furniture and fixtures, net		(47,950)	(2,646,321)
Net capital before haircuts			319,624
Haircuts on securities positions			(272)
Net capital			319,352
Net capital requirement (larger of 1/15 of aggregate indebtedness or \$250,000)			250,000
Excess net capital		\$	69,352
Aggregate indebtedness		\$	-

Note: The above computation does not differ materially from the computation of net capital under Rule 15c3-1 as of June 28, 2002 filed by the Company with the National Association of Securities Dealers, Inc. on July 24, 2002.

SWS FINANCIAL SERVICES, INC.
(A Wholly Owned Subsidiary of SWS Group, Inc.)

**SCHEDULE II – COMPUTATION FOR DETERMINATION OF RESERVE
REQUIREMENTS UNDER SEC RULE 15c3-3
JUNE 28, 2002**

The Company is exempt from SEC Rule 15c3-3 under paragraph (k)(2)(ii) of that Rule.

Independent Accountants Report on Internal Control Required By SEC Rule 17a-5

To the Board of Directors of
SWS Financial Services, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of SWS Financial Services, Inc. (the "Company") (a wholly owned subsidiary of SWS Group, Inc.) for the fiscal year ended June 28, 2002, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including tests of compliance with such practices and procedures, that we considered relevant to the objectives stated in Rule 17a-5(g), in the following:

1. Making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11); and
2. Determining compliance with the exemptive provisions of Rule 15c3-3.

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13;
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System; and
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

PRICEWATERHOUSECOOPERS

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of internal control to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 28, 2002 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
