INDEPENDENT AUDITOR'S REPORT

Board of Directors
Whitehall Parker Securities, Inc.
San Francisco, California

I have audited the accompanying statement of financial condition of Whitehall Parker Securities, Inc. (a California corporation) as of August 31, 2003 and the related statements of revenue and expenses, changes in cash flows, and changes in stockholders' equity for the year then ended. These financial statements are being filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934 and include the supplemental schedule of the net capital computation required by Rule 15c3-1. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Whitehall Parker Securities, Inc. as of August 31, 2003, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. The above-mentioned supplemental schedule, when considered in relation to the financial statements, presents fairly, in all material respects the information included therein in conformity with the rules under the Securities Exchange Act of 1934.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL CONTROL STRUCTURE

August 31, 2003

ROBERT STEPHENSON

Board of Directors
Whitehall Parker Securities, Inc.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL CONTROL STRUCTURE

I have examined management's assertion, included in its representation letter dated October 17, 2003, that Whitehall Parker Securities, Inc. maintained an effective internal control structure over financial reporting as of August 31, 2003.

My examination was made in accordance with standards established by the American Institute of Certified Public Accountants and, accordingly, included obtaining an understanding of the internal control structure over financial reporting, testing and evaluating the design and operating effectiveness of the internal control structure, and such other procedures as I considered necessary in the circumstances. I believe that my examination provides a reasonable basis for my opinion.

Because of inherent limitations in any internal control structure, errors or irregularities may occur and not be detected. Also, projections of any evaluation of the internal control structure over financial reporting to future periods are subject to the risk that the internal control structure may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In my opinion, management's assertion that Whitehall Parker Securities, Inc. maintained an effective internal control structure over financial reporting as of August 31, 2003, is fairly stated, in all material respects, based on criteria established in "Internal Control - Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission.

This report is intended solely for the information and use of the Board of Directors, management of Whitehall Parker Securities, Inc., and the Securities and Exchange Commission and should not be used for any other purpose.
