RE: Jeffrey A. Joslin, dba StockTraders

Dear Ms. Johnson:

I have reviewed the section titled SEC Rules & Regulation T and have revised my Report on Internal Accounting Control Required by SEC Rule 17a-5. My Supplemental Schedule #5 is enclosed to comply with your request dated September 16, 2003.

If you require any additional information, please contact me at the number or address listed above.

Very truly yours,

LINDA Y. COX

**StockTraders
Supplemental Schedule #5
December 31, 2002**

**REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5**

In planning and performing my audit of the financial statements and supplemental schedules of StockTraders (the Company), for the year ended December 31, 2002, I considered its internal control, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on internal control. The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected.

Periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c-3-3 were performed to determine compliance with Rule 17a-5(g). Because the Company does not carry securities accounts for its customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company with regard to (1) the quarterly securities count rule, (2) Regulation T requirements for prompt payment of securities, and (3) the daily computations of the segregation and foreign set-aside requirements of the Commodity Exchange Act.

It is understood that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.
