NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2003

NOTE 1- ORGANIZATION AND NATURE OF BUSINESS

Organization

The Company was incorporated on January 10, 1989 under the name Lawrence Field Distributors, Inc. On May 25, 1990, as a result of a change in ownership, the Company's name was changed to Ridgewood Capital Funding, Inc.

Nature of Business

The Company is a member of the National Association of Securities Dealers and conducts a securities business limited to participating in underwritings, including private placements and limited partnerships, on a best efforts basis.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

Securities transactions and related income and expenses are recorded on a trade date basis. Commission revenues are recorded on a settlement date basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company applies the policies of Statement of Financial Accounting Standards No. 109, Accounting for Income Taxes, which requires use of the asset and liability method of accounting for income taxes. Under this method, deferred income taxes are recognized for the tax consequences of temporary differences by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities.

RIDGEWOOD CAPITAL FUNDING, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Credit Risk

The Company is engaged in various investment and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Comprehensive Income

Effective July 1, 1999 the Company adopted Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income" ("SFAS No. 130"). SFAS No. 130 requires an entity to report comprehensive income and its components and increases financial reporting disclosures. This standard has no impact on the Company's statement of financial condition, operations, changes in stockholders' equity and cash flows since the Company's comprehensive income is the same as its reported net income for the period July 1, 2002 through June 30, 2003.

Related Party Transactions

An affiliate owned by the President of the Company has agreed to pay office and administrative expenses including audit, accounting, rent, telephone and secretarial fees for the Company for the year ending June 30, 2003. The Company is dependent upon this affiliate for continued financial support.

NOTE 3- COMMITMENTS AND CONTINGENCIES

Litigation - Subsequent Event

In September, 2003 the Company, its president and an affiliate owned by its President became defendants in a complaint relating to non-payment of legal fees. Management of the Company believes that due to its current financial condition any unfavorable outcome in this case may have a material adverse effect on the financial condition, results of operations or cash flows and may require the Company to obtain additional capital to remain in compliance with minimum net capital requirements.

RIDGEWOOD CAPITAL FUNDING, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2003

NOTE 3- COMMITMENTS AND CONTINGENCIES (continued)

Office Space

Office space is currently provided by a Company owned by the President of the Company at no charge to the Company.

NOTE 4- NET CAPITAL REQUIREMENTS:

As a registered broker-dealer and member of the National Association of Securities Dealers, Inc., the Company is subject to Rule 15c3-1 of the Securities and Exchange Commission which requires that net capital, as defined, be at least the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined, so long as the Company continues to be an Introducing Broker. Net capital changes from day to day, but as of June 30, 2003, the Company had net capital of \$6,205 which exceeded requirements by \$1,205. The Company's aggregate indebtedness to net capital ratio was 1.37 to 1.

NOTE 5- EXEMPTION FROM RULE 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

Note 6- INCOME TAXES

The provision (benefit) for income taxes consisted of the following:

Current:		
Federal	\$	(2,000)
State		-
Deferred:		
Federal		2,000
State		-
	\$	<u>-</u>

A reconciliation of differences between the statutory U.S. federal income tax rate and the Company's effective tax rate follows:

Statutory federal income tax	34%
State income tax-net of federal benefit	-
Valuation allowance	-34%
	<u>0%</u>

RIDGEWOOD CAPITAL FUNDING, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2003

Note 6- INCOME TAXES (continued)

The components of deferred tax assets and liabilities were as follows (in thousands):

Deferred tax assets:

Net operating loss carryforward	\$ <u>16,000</u>
Total deferred tax assets	16,000
Valuation allowance	<u>(16,000)</u>
Net deferred tax assets	\$ <u><u>-</u></u>

SFAS No. 109 requires a valuation allowance to be recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. At June 30, 2003, a valuation allowance for the full amount of the net deferred tax asset was recorded because of continuing losses and uncertainties as to the amount of taxable income that would be generated in future years.

The Company has available at June 30, 2003, capital loss and operating loss carryforwards, which may provide future tax benefits, expiring as follows:

	<u>Capital loss</u>	<u>Operating loss</u>

SUPPLEMENTARY REPORT OF INDEPENDENT PUBLIC ACCOUNTANT

CERTIFIED PUBLIC ACCOUNTANTS, P.C.

15 MAIDEN LANE - SUITE 1003 - NEW YORK, NY 10038 - TEL (212) 406-7272 - FAX (212) 513-1930

The Stockholders of
Ridgewood Capital Funding, Inc.

In planning and performing our audit of the financial statements of Ridgewood Capital Funding, Inc. (the "Company") for the year ended June 30, 2003, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a) (11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Ridgewood Capital Funding, Inc.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2003 to meet the Commission's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, NASD Regulation, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
