## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Securities Corporation of America  
844 Pierce Avenue, Suite 205  
Marinette, WI 54143

I have audited the statements as listed in the table of contents of Securities Corporation of America as of June 30, 2003, and for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the table of contents present fairly, in all material respects, the financial position of Securities Corporation of America at June 30, 2003, and the results of its operations and changes in financial condition for the year then ended, in conformity with generally accepted accounting principles.

Computation of Reserve Requirements  
For the Year Ended  
June 30, 2003

An exemption from Rule 15c 3-3 is claimed based upon Section (K)(2)(B) - all customer transactions are cleared through another broker-dealer on a fully disclosed basis. The name of the clearing firm is Southwest Securities of Dallas, Texas.

SECURITIES CORPORATION OF AMERICA  
Notes to Financial Statements  
June 30, 2003

**NOTE 1      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of Securities Corporation of America is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Business Activity

The Company is a securities dealer servicing stocks, mutual funds, annuities, and other financial instruments.

Concentrations of Credit Risk

The Company maintains their cash balances in two banks in Wisconsin and a money market account with SWS Securities. The balances are insured by the Federal Deposit Insurance Corporation up to \$100,000. As of June 30, 2003, all balances were fully insured.

Cash

For purposes of changes in financial condition, the Company considers all securities with a maturity of a year or less to be cash equivalent.

**NOTE 2      INCOME TAXES**

The Company had no tax liability for the current year as a result of the net operating loss. A carry forward loss of \$1,572 remains for future periods.

**NOTE 3      RELATED PARTY TRANSACTIONS**

Related party transactions consist of the use of office equipment owned by the major shareholders. No rent was paid for the use of this equipment during the year.

**NOTE 4      COMMITMENTS**

The Company leases its office space under a monthly operating lease.

Board of Directors  
Securities Corporation of America  
844 Pierce Avenue, Suite 205  
Marinette, WI 54143

I have audited the financial statements of Securities Corporation of America for the year ended June 30, 2003, and have issued my report thereon dated July 14, 2003. As part of my examination I made a study and evaluation of the Company's system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of my study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the Company's financial statements. My study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of Securities Corporation of America is responsible for establishing and maintaining a system of internal accounting control. In fulfilling that responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with procedures may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, I do not express an opinion on the system of internal accounting control of Securities Corporation of America taken as a whole. However, my study and evaluation disclosed no conditions that I believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of Securities Corporation of America.

This report is intended solely for the use of management and should not be used for any other purpose.

*Carl R. Freeman*
