## INDEPENDENT AUDITOR'S REPORT

---

To the Members  
**SVA Financial Services, LLC**  
Middleton, Wisconsin

We have audited the accompanying balance sheets of **SVA Financial Services, LLC** as of May 31, 2003 and 2002, and the related statements of operations, changes in member's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **SVA Financial Services, LLC** as of May 31, 2003 and 2002, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**SVA FINANCIAL SERVICES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED MAY 31, 2003 AND 2002**

---

**NOTE 1 - ORGANIZATION**

SVA Financial Services, LLC, (the Company), is registered as a limited broker-dealer with the U.S. Securities and Exchange Commission and a member of the National Association of Securities Dealers Regulation, Inc. (NASD). The Company was established in October of 1999; however, the Company did not commence its principal operations until June 16, 2000, when the Company received NASD approval.

The Company is a wholly owned subsidiary of SVA Diversified Services of Wisconsin, Inc. (formerly SVA Consulting, Inc.). The Company's principal business is in the referral of prospective life, disability, malpractice and other variable and annuity clients to other licensed NASD firms in exchange for a portion of the commission earned from the sale of variable life insurance and annuity contracts to those clients. The Company is currently licensed to conduct business in the states of Wisconsin, Iowa, Illinois, Florida and Arizona.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Cash*

For purposes of the statements of cash flows, cash is defined as demand deposits and certificates of deposit with an original maturity of three months or less.

*Revenue Recognition*

Commission revenue from the sale of variable life insurance and annuity contracts to referred clients is recognized in the period in which the commission is received.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 3 - NET CAPITAL REQUIREMENT**

The Company, as a registered broker and dealer in securities, is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1).

Under the computation provided by the Uniform Net Capital Rule, the Company is required to maintain net capital equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness. At May 31, 2003, the Company had net capital, as computed under the rule, of \$51,130 and its ratio of aggregate indebtedness to net capital was 0.04 to 1.

## NOTES TO FINANCIAL STATEMENTS

---

### NOTE 4 – INCOME TAXES

The Company is a Limited Liability Company whose member is taxed on its share of the Company's earnings. Therefore, no provision or liability for Federal or state income taxes related to the LLC is included in these financial statements.

### NOTE 5 – SERVICE AGREEMENT

On February 7, 2000, the Company entered into a service agreement with Buchholz Planning Corporation (BPC), a licensed NASD firm. The terms of the agreement are for the Company to refer prospective life, disability, malpractice and other insurance clients to BPC and, to a limited extent, assist BPC representatives in the offer and sale of insurance to those clients. In return, BPC will provide securities services to those clients and will compensate the Company for use of its client base and for its limited insurance sales assistance functions. Expenses incurred from the sale of these insurance contracts will be split equally if approved by both parties.

Commissions received from BPC represented approximately 79% and 77% of the total commissions earned for the years ended May 31, 2003 and 2002, respectively. Expenses paid to BPC for services performed represented approximately 44% and 57% of the total expenses incurred by the Company for the years ended May 31, 2003 and 2002, respectively.

### NOTE 6 – RELATED PARTY

The Company entered into an administrative and support services agreement with its parent company, SVA Diversified Services of Wisconsin, Inc. on October 13, 1999. The agreement states that SVA Diversified Services of Wisconsin, Inc. agrees to provide the Company with all customary and appropriate administration and support services and benefits, including internal bookkeeping services, administrative staff, payroll services, office space, utilities, and office equipment. SVA Diversified Services of Wisconsin, Inc. will not apportion any of these expenses back to the Company at any time. SVA Diversified Services of Wisconsin, Inc. also agrees to pay for all monthly fixed expenses incurred by the Company other than registration and licensing fees, legal and audit expenses and shared expenses with BPC. The results of the Company's operations could significantly differ from the amounts reported if the Company had incurred the costs assumed by its parent company.

During the year ended May 31, 2002, the parent company authorized distributions of previously contributed member capital totaling \$60,000.

**INDEPENDENT AUDITOR'S SUPPLEMENTARY REPORT ON  
INTERNAL CONTROL STRUCTURE REQUIRED BY SECURITIES AND  
EXCHANGE COMMISSION RULE 17a-5**

---

To the Members  
**SVA Financial Services LLC**  
Middleton, Wisconsin

In planning and performing our audit of the financial statements of **SVA Financial Services LLC** (the Company) for the year ended May 31, 2003, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be

material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we considered to be a material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at May 31, 2003, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
