INDEPENDENT AUDITORS' REPORT

Board of Directors
Fairbridge Securities Corporation
Milwaukee, Wisconsin

We have audited the accompanying balance sheets of Fairbridge Securities Corporation as of December 31, 2002 and 2001 and the related statements of income and retained earnings and cash flows for the years then ended. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fairbridge Securities Corporation as of December 31, 2002 and 2001 and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
December 31, 2002 and 2001

NOTE 1 - Summary of Significant Accounting Policies

Nature of Operations

Fairbridge Securities Corporation is a Wisconsin corporation formed on March 2, 1977 for the purposes of conducting business as a broker/dealer in securities.

Cash and Cash Equivalents

The company defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less.

Reserves and Custody of Securities

For transactions in mutual fund shares and variable annuity products, the Company operates under the provisions of paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission. Among other items, (k)(2)(i) requires that the Company carry no margin accounts, that it promptly transmits all customers funds and securities and does not otherwise hold customer funds or securities or perform custodial services for customers, and that it effectuates all such transactions through a special bank account for the exclusive benefit of its customers.

With respect to all other securities transactions, the Company operates under the provisions of paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission. Essentially, the requirements of paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully-disclosed basis with a clearing broker-dealer and will receive, but not hold customer securities for delivery. The clearing broker-dealer carries all of the accounts of the customers, or maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Because the Company operates under the above rules, it is exempt from the remaining provisions of Rule 15c3-3.

Commission Revenue

The Company recognizes revenue at the time applications are completed and submitted. Transactions involving registered traded securities are processed through a clearing broker-dealer and commissions are recorded on a trade date basis.

Income Taxes

The Company is included in the consolidated federal income tax return of its parent company. The parent company allocates the consolidated provision for federal income taxes on a separate return equivalent basis.

NOTES TO FINANCIAL STATEMENTS
December 31, 2002 and 2001

NOTE 1 - Summary of Significant Accounting Policies (cont.)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - Related Party Transactions

The Company has a management agreement with the parent company's sole shareholder. Under this agreement, the Company is provided certain management and administrative services by personnel of the holding company. There were no management fees for the years ended December 31, 2002 and 2001.

At December 31, 2002, the Company has accounts payable to entities related by common ownership of \$34,331. At December 31, 2001, the Company has accounts payable of \$2,185 to entities related by common ownership.

NOTE 3 - Pension Plan

The Company's parent, BJK Management, Inc. has adopted a Money Purchase Pension Plan and Trust for the benefit of its employees and the employees of the Fairbridge Securities Corporation. The Plan covers all employees who have attained twenty-one years of age and have completed one year of service. Contributions are made by the employer annually equal to 6% of eligible employee compensation. Employer contributions for the year ended December 31, 2002 were \$6,032. There were no contributions for the year ended December 31, 2001.

NOTE 4 - Income Taxes

The provision for income taxes consists of the following components:

	<u>2002</u>	<u>2001</u>
Current expense	\$ 4,764	\$ 18,314
Total Provision for Income Taxes	<u>\$ 4,764</u>	<u>\$ 18,314</u>

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTAL FINANCIAL INFORMATION

To the Board of Directors
Fairbridge Securities Corporation
Milwaukee, Wisconsin

We have audited the accompanying financial statements of Fairbridge Securities Corporation (a wholly-owned subsidiary of BJG Management, Inc.), as of and for the years ended December 31, 2002 and 2001, and have issued our reports thereon dated January 30, 2003 and February 1, 2002, respectively. Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental financial information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subject to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING
CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors
Fairbridge Securities Corporation
Milwaukee, Wisconsin

In planning and performing our audits of the financial statements and supplemental schedule of Fairbridge Securities Corporation (the Company), for the years ended December 31, 2002 and 2001, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2002 and 2001, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
