## III. Federal Information Law and Requirements.

SEC's Collection of Information: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. Under Sections 17, 17A(c) and 23(a) of the Act and the rules and regulations thereunder, the SEC is authorized to solicit from registered transfer agents the information required to be supplied on Form TA-2. The filing of this Form is mandatory for all registered transfer agents. The information will be used for the principal purpose of regulating registered transfer agents but may be used for all routine uses of the SEC or of the ARAs. Information supplied on this Form will be included routinely in the public files of the ARAs and will be available for inspection by any interested person. Any member of the public may direct to the SEC any comments concerning the accuracy of the burden estimate on the application facing page of this Form, and any suggestions for reducing this burden. The Office of Management and Budget has reviewed this collection of information in accordance with the clearance requirements of 44 U.S.C. 3507. The applicable Privacy Act system of records is SEC-2. Form TA-2 is subject to the routine uses set forth at 40 FR 39255 (Aug. 27, 1975) and 41 FR 5318 (Feb. 5, 1976).
