NOTE 1. ORGANIZATION AND OPERATIONS

Velocity Trading, LLC (D/B/A EVelocity) (the "Company") is a New York Limited Liability Company formed on August 7, 2002. The Company changed its name from International Madison Investment, LLC to Velocity Trading, LLC in December 2003. The Company is a securities broker-dealer, registered with the Securities and Exchange Commission ("SEC") and is a member of the National Association of Security Dealers, Inc. ("NASD").

These financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which require the use of estimates by the managing member.

No provision for federal and state income taxes has been made since the Company is not a taxable entity. The member is individually liable for the taxes on the Company's income or loss.

The member has adequate resources independent of the Company to pay these expenses, and the Company has no additional obligation, either direct or indirect, to compensate a third party for these expenses.

NOTE 3. NET CAPITAL REQUIREMENT

The company is a registered broker-dealer subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1. (continued)

NOTE 4. SIGNIFICANT GROUP CONCENTRATION OF RISK

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in the market (market risk) or failures of the other parties to the transaction to perform (credit risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to the market and counterparty risk through the use of a variety of financial, position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the customers and/or other counterparties with which it conducts business.

As of December 31, 2004, there were no customer accounts having debit balances which presented any risks nor was there any exposure with any other transaction conducted with any other broker.
