To the Stockholders of
The Windmill Group, Inc.
253 Route 202
Somers, New York 10589

I have audited the accompanying balance sheet of The Windmill Group, Inc., as of December 31, 2004 and the related statements of operation, accumulated deficit, and cash flows for the year ended December 31, 2004. These financial statements are the responsibility of company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Windmill Group, Inc. as of December 31, 2004 and the results of their operations and cash flows for the year ended December 31, 2004 in conformity with accounting principles generally accepted in the United States of America.
