INDEPENDENT AUDITORS' REPORT

Board of Directors
Alzaid Financial Services, Inc.

We have audited the accompanying statement of financial condition of Alzaid Financial Services, Inc. as of March 31, 2005 that you are filing pursuant to rule 17a-5 under the Securities and Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

We were unable to obtain a discussion or evaluation from the Company's outside legal counsel of pending or threatened litigation described in Note 6.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to obtain a discussion or evaluation of pending or threatened litigation from the Company's outside legal counsel as discussed in the preceding paragraph, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Alzaid Financial Services, Inc. as of March 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

Actual results could differ from those estimates.

NOTE 2 - NET CAPITAL REQUIREMENTS

As a registered broker/dealer and member of the National Association of Securities Dealers, Inc., the Company is subject to the Uniform Net Capital Rule, which requires the maintenance of minimum net capital and requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 1500%. The Parent provides office space and pays substantially all overhead and operating expenses incurred by the Company. Pursuant to a written agreement, the Company paid management fees to the Parent totaling \$23,800 during the year ended March 31, 2005. These fees covered the following expenses:

<u>Expense</u>	<u>Amount</u>

In order to facilitate securities transactions on behalf of its customers, the Company has entered into an agreement with another broker/dealer (Primary Introducing Broker/dealer) and the Primary Introducing Broker/dealer's clearing broker/dealer (Clearing Broker/dealer) whereby the Company forwards (introduces) customer securities transactions to the Clearing Broker/dealer, through the Primary Introducing Broker/dealer, fully disclosing the customer name and other information. The processing and, if applicable, any financing pertaining to the introduced securities transactions is performed by the Clearing Broker/dealer. other charges of the Primary Introducing Broker/dealer and the Clearing Broker/dealer. As part of the terms of these agreements, the Company is held responsible for any losses arising when the customers introduced by the Company to the Clearing Broker/dealer fail to meet their contractual commitments pertaining to the purchase, sale and possible financing of securities transactions. The Company may therefore be exposed to off-balance-sheet risk in the event the customer is unable to fulfill its contracted obligations and it is necessary for the Clearing Broker/dealer to purchase or sell the securities at a loss. The Company's exposure to risk would consist of the amount of the loss realized on the purchase or sale and any additional expenses incurred pertaining to the transaction or other customer activity.
