MOTION FOR ENTRY OF SCHEDULING ORDER

Plaintiffs Delores Berdat, et al., Fernando PapiA, et al. and Ronald Kondracki file this motion for entry of a scheduling order governing these consolidated cases, and respectfully show the court as follows:

1. The Court conducted a status conference in this case on April 8, 2005. At that time, the Court and counsel for the parties discussed certain scheduling matters, and the parties advised the Court they would attempt to agree to a scheduling order governing pretrial matters and a trial setting. The Court expressed its desire to set this case for trial during the summer months of 2006.

2. Counsel for the parties have agreed to most, but not all, dates for the completion of pretrial matters, as well as a trial setting of September 19, 2006. However, the parties cannot agree to the non-expert witness discovery cutoff date. Counsel for Plaintiffs have proposed that the cutoff date for non-expert discovery be January 13, 2006. Counsel for Defendants want the discovery cutoff date to be December 16, 2005. Plaintiffs do not believe that all discovery necessary in this case can be completed by December 16, 2005 and, further, do not believe such an early discovery cutoff date is necessary in light of the proposed September 19, 2006 trial setting.

3. Plaintiffs respectfully request the Court's resolution of the parties disagreement concerning the cutoff date for the non-expert discovery. Plaintiffs submit with this Motion a proposed Scheduling Order and request entry of the Order, by the Court, providing for the dates agreed to by the parties and for the non-expert witness discovery cutoff date of January 13, 2006. Plaintiffs also request the Court to enter a date for filing a joint pretrial order.

Dated June 13, 2005.
