NOTES TO FINANCIAL STATEMENTS

NOTE 1- ORGANIZATION AND NATURE OF BUSINESS

Organization

The Company was incorporated on January 10, 1989 under the name Lawrence Field Distributors, Inc. On May 25, 1990, as a result of a change in ownership, the Company's name was changed to Ridgewood Capital Funding, Inc. On June 30, 2004 the Company was sold to Kingsdale Capital Markets Inc., a member of the Investment Dealers Association of Canada ("IDA"), and its name was changed to Kingsdale Capital Markets (USA) Inc. Additionally, the Company changed its year end from June 30 to October 31.

Nature of Business

The Company is a member of the National Association of Securities Dealers and conducts a securities business limited to private placements of securities.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents

All short-term investments with an original maturity of three months or less are considered to be cash equivalents.

Revenue Recognition

Securities transactions and related income and expenses are recorded on a trade date basis. Commission revenues are recorded on a settlement date basis.

Use of Estimates

Note 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Company applies the policies of Statement of Financial Accounting Standards No. 109, Accounting for Income Taxes, which requires use of the asset and liability method of accounting for income taxes. Under this method, deferred income taxes are recognized for the tax consequences of temporary differences by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities.

Concentration of Credit Risk

The Company is engaged in various investment and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Investment in Securities at Fair Value

Investments in securities are recorded at fair value as determined by management of the Company.

Comprehensive Income

Effective July 1, 1999 the Company adopted Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income" ("SFAS No.130"). SFAS No.130 requires an entity to report comprehensive income and its components and increases financial reporting disclosures. This standard has no impact on the Company's statement of financial condition, operations, changes in stockholders' equity and cash flows since the Company's comprehensive income is the same as its reported net income for the period July 1, 2004 through October 31, 2005.

Related Party Transactions

The Parent Company, Kingsdale Capital Markets Inc., since the acquisition in June, 2005 has agreed to pay office and administrative expenses including accounting, rent, telephone and secretarial fees for the Company. The Company is dependent upon the parent for continued financial support.

NOTE 3- COMMITMENTS AND CONTINGENCIES

Office Space

Office space is provided by the Company's parent which charged rent of \$3,500 for the period June to October, 2005. Prior to the acquisition office space was provided on a month to month basis by a Company owned by its former shareholder. Rent paid to that company during the fiscal period was \$11,178 for total rent of \$14,678.

NOTE 4- NET CAPITAL REQUIREMENTS:

As a registered broker-dealer and member of the National Association of Securities Dealers, Inc., the Company is subject to Rule 15c3-1 of the Securities and Exchange Commission which requires that net capital, as defined, be at least the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined, so long as the Company continues to be an Introducing Broker. Net capital changes from day to day, but as of October 31, 2005, the Company had net capital of \$22,964 which exceeded requirements by \$17,964. The Company's aggregate indebtedness to net capital ratio was 0.5 to 1.

NOTE 5- EXEMPTION FROM RULE 15c3-3

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

State income tax-net of federal benefit	12%
Valuation allowance	-27%

NOTE 6- INCOME TAXES (continued)

The components of deferred tax assets and liabilities are as follows:

Deferred tax assets:

Total deferred tax assets		<u>34,000</u>
Valuation allowance		<u>(34,000)</u>
Net deferred tax assets	\$	<u><u>-</u></u>

SFAS No. 109 requires a valuation allowance to be recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. At October 31, 2005, a valuation allowance for the full amount of the net deferred tax asset was recorded because of continuing losses and uncertainties as to the amount of taxable income that would be generated in future years. As a result of the change in ownership the net operating loss carry forwards may be disallowed.

The Company has available at October 31, 2005, capital loss and operating loss carryforwards, which may provide future tax benefits, expiring as follows:

In addition the agreement provides for payments of \$350 per month for occupancy, administrative and record keeping expenses. Reimbursements totaled \$3,500 in 2005. Additionally, the Parent charged the Company \$334,878 in commission, \$20,000 for officers compensation and \$82,351 in allocated Parent Company expenses.

SUPPLEMENTARY REPORT OF INDEPENDENT PUBLIC ACCOUNTANT

CERTIFIED PUBLIC ACCOUNTANTS, P.C.

15 MAIDEN LANE - SUITE 1003 - NEW YORK, NY 10038 - TEL (212) 406-7272 - FAX (212) 513-1930

The Stockholder of
Kingsdale Capital Markets (USA) Inc.

In planning and performing our audit of the financial statements of Kingsdale Capital Markets (USA) Inc. formerly Ridgewood Capital Funding, Inc. (the "Company") for the period July 1, 2004 through October 31, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a) (11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Kingsdale Capital Markets (USA) Inc.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at October 31, 2005 to meet the SEC's objectives.

This report recognizes that it is not practicable in an organization the size of Kingsdale Capital Markets (USA) Inc. to achieve all the divisions of duties and cross-checks generally included in an internal control and that, alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, NASD Regulation, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
