**PRESS RELEASE**

**NICKEL OFFSETS PROJECT - UPDATE**

United Reef Limited (URP-TSX-V, URPL-CNQ) ("United Reef") said today that it has concluded an agreement with International CHS Resource Corporation ("CHS") to amend the timing of certain obligations of CHS under an option agreement dated December 29, 2004. Pursuant to the option agreement CHS may earn a 50% working interest in United Reef's wholly-owned Nickel Offsets property in the Sudbury Mining District, Ontario (see press release dated January 4, 2005). CHS fulfilled all of its first year exploration expenditure and payment obligations, prior to October 31, 2005, as required by the option agreement.

The amending agreement entered into with CHS effective January 31, 2006 provides for an immediate cash payment of \$10,000 (received), the issuance of 100,000 common shares of CHS to United Reef (received) and for exploration expenditures on the Nickel Offsets property of \$75,000 prior to October 31, 2006. The amending agreement further provides for the deferral of \$15,000 in cash payments and \$425,000 in exploration expenditures to future operating periods under the option agreement, which end on October 31, 2007 and October 31, 2008.
