PRESS RELEASE

Hagemeyer acquires lighting specialist in Sweden

With the objective of further increasing the value-added for its customers, Hagemeyer has acquired Cardi Belysningspecialisten AB, active in the accent lighting business in Sweden.

Cardi is based in Umeå in the north of Sweden and has offices in both Stockholm and Gothenburg. The company was established in 1974 and specialises in accent lighting. Revenues were approximately € 7 million (just over SEK 60 million) in 2005. The purchase of Cardi will give Hagemeyer's Elektroskandia operations in the Nordics region a broader entry into the attractive accent lighting market.

Cardi's customer base is mostly in the larger retail chains. The accent lighting market has a positive growth trend and more and more retail companies are focusing on accent lighting as a tool in their own marketing strategies. In this market segment, Cardi is the number two player in Sweden.

Hagemeyer's CEO Rudi de Becker comments: "The acquisition of Cardi fits perfectly into our longer term strategy. It will help our continuous development of value-added services in this important area. We look forward to expanding this business further, including into the other countries in the Nordics region."

PERSBERICHT

Hagemeyer neemt lichtspecialist in Zweden over

Gericht op het verder verhogen van de toegevoegde waarde voor haar klanten heeft Hagemeyer het Zweedse Cardi Belysningspecialisten AB, actief op het gebied van accentverlichting, overgenomen.

Cardi is gevestigd in Umeå in Noord-Zweden en heeft vestigingen in zowel Stockholm als Gotenburg. Het bedrijf is in 1974 opgericht en heeft zich gespecialiseerd in accentverlichting. In 2005 bedroeg Cardi's omzet circa € 7 miljoen (ruim SEK 60 miljoen). De aankoop van Cardi geeft Hagemeyers Elektroskandia bedrijven in de Nordics regio een bredere toegang tot de aantrekkelijke markt voor accentverlichting.

Cardi's klantenbasis bevindt zich vooral bij de grotere retailketens. De markt voor accentverlichting kent een positieve groeitrend en meer en meer retailbedrijven richten zich op accentverlichting als instrument in hun eigen marketingstrategieën. In dit marktsegment is Cardi is de nummer twee speler in Zweden.

Hagemeyers CEO Rudi de Becker stelt: "De acquisitie van Cardi past perfect in onze lange termijn strategie. Het draagt bij aan onze continue ontwikkeling van toegevoegde waarde diensten op dit belangrijke gebied. Wij zien er naar uit om deze activiteiten verder uit te breiden, ook in de andere landen van de Nordics regio."
