## Atlas Copco completes the divestment of the equipment rental business

**Stockholm, Sweden, November 28, 2006:** The Atlas Copco Group has completed the divestment of Rental Service Corporation, USA, and Rental Service Corporation of Canada Ltd., its North American construction equipment rental business, to affiliates of private equity firms Ripplewood Holdings L.L.C. and Oak Hill Capital Management, LLC.

The financial effects of the divestment are in line with the estimates in the third quarter 2006 press release: BSEK 24 cash proceeds, an estimated BSEK 8 gain net of taxes, 14.5% minority stake in the new company and rights to interest-bearing notes of up to BSEK 3. Issuance of the notes is contingent upon the profit development of the business until the end of 2008.

An adjustment of the closing payment may take place after the closing balance sheet as of Nov. 27, 2006 has been finalized.
