OFFERING SUMMARY

As used in this prospectus, references to "SoftEx", the "Company," "we," "our" or "us" refer to SoftEx Consulting, Inc., unless the context otherwise indicates.

The following summary highlights selected information contained in this prospectus. Before making an investment decision, you should read the entire prospectus carefully, including the "Risk Factors" section and the financial statements.

SoftEx was incorporated under the laws of the State of California in October of 2003. We are a development stage company. From our inception to date, we have not generated any revenues, and our operations have been limited to organizational, start-up, and capital formation activities. We currently have no employees other than our CEO and one key employee.

This offering is being done on a best-efforts basis, through the direct participation of the Company's officer and key employee. The Company has just begun to conduct operations and intends to use all proceeds, regardless of minimum or maximum reached, for the purpose of advancing payroll to its temporary employees.

Our business strategy is to offer our administrative services to employment agencies for the price of a payroll company, while simultaneously offering competitive staffing services. Since the staff/leasing industry customarily bills its clients Net 30, it is necessary to have liquid capital to fund payroll or use the services of an accounts receivable lender or "factoring" company. This offering is intended to reduce the Company's dependency upon "factoring" or Accounts Receivable financing, as well as increasing the potential for horizontal (purchase of competitor firms in other geographic regions) integration. Revenue from operations is expected to cover all other expenses.

RISK FACTORS

An investment in our common stock involves a high degree of risk. You should carefully consider the following factors and other information in this prospectus before deciding to invest in our company. If any of the following risks actually occur, our business, financial condition, results of operations and prospects for growth would likely suffer. As a result, you could lose all or part of your investment.

Risk Factors Relating to Our Company

1. We are a development stage company and may never be able to effectuate our business plan or achieve any revenues or profitability. Therefore, at this stage of our business, potential investors have a high probability of losing their entire investment.

We were established in October 2003 and have no operating history. We are in the development stage and are subject to all of the risks inherent in the establishment of a new business enterprise. We have had no revenues to date. Our operations to date have been focused on organizational, start-up, and capital formation activities. As a development stage company, we are a highly speculative venture involving significant financial risk. It is uncertain as to when we will become profitable, if ever.

There is nothing at this time on which to base an assumption that business operations will prove to be successful or that we will ever achieve profitability. There can be no assurance we will ever achieve any revenues or

profitability. The revenue and income potential of the proposed business and operations plan is unproven as the lack of operating history makes it difficult to evaluate the future prospects of the business.

2. We expect losses in the future because we have no revenue.

We are expecting losses over the next twelve months because we do not yet have any revenues to offset the expenses associated with our business development. We cannot guarantee that we will ever be successful in generating revenues in the future. We recognize that if we are unable to generate revenues, we will not be able to earn profits or continue operations. There is no history upon which to base any assumption as to the likelihood that we will prove successful, and we can provide investors with no assurance that we will generate any operating revenues or ever achieve profitable operations.

3. If our business strategy is not successful, we may not be able to continue operations as a going concern and our stockholders may lose their entire investment in us.

Although we expect revenue from our services to cover operational expenses, we have not yet established any source of revenues to cover those operating costs. These factors raise substantial doubt that we will be able to continue operations as a going concern. Our ability to continue as a going concern is dependent upon our generating cash flow sufficient to fund operations and reducing operating expenses. Our business strategy may not be successful in addressing these issues. If we cannot continue as a going concern, our stockholders may lose their entire investment in us.

4. We are heavily dependent upon our officer and key employee, and their marketing expertise, vision, and leadership. The loss of either Ms. Nelson or Dr. Zabasky would harm our ability to execute our business plan.

We are dependent on the continued contributions of Sharon R. Nelson, our CEO, and Director, and Dr. John Zabasky, our Operations Manager, whose marketing expertise, vision, and leadership would be difficult to replace. If we were to lose either of their services, or if either of them is not available to us when we need him, our ability to execute our business plan would be harmed and we may be forced to cease operations until such time as we could hire a suitable replacement.

5. Venturcorp Worldwide Holdings, Inc. owns a controlling interest in our voting stock, and investors will not have any voice in our management, which could result in decisions adverse to our general stockholders.

Approximately 90% of our outstanding common stock is owned by Venturcorp Worldwide Holdings, Inc. (VCWW). As a result, VCWW has the ability to control substantially all matters submitted to our stockholders for approval including:

- election of our board of directors;
- removal of any of our directors;
- amendment of our Articles of Incorporation or bylaws; and
- adoption of measures that could delay or prevent a change in control or impede a merger, takeover or other business combination involving us.

As a result of its ownership and positions, VCWW is able to influence all matters requiring stockholder approval, including the election of directors and approval of significant corporate transactions.

6. Venturcorp Worldwide Holdings, Inc. owns a significant percentage of our issued and outstanding shares of common stock, and any future sales of its shares may result in a decrease in the price of our common stock and the value of your investment.

VCWW has control of 90% of the issued and outstanding shares of our common stock. The future prospect of sales of significant amounts of shares held by VCWW could affect the market price of our common stock if the marketplace does not orderly adjust to the increase in shares in the market and the value of your investment in the company may decrease. VCWW's stock ownership may discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of us, which in turn could reduce our stock price or prevent our stockholders from realizing a premium over our stock price.

7. Because we do not have an audit or compensation committee, stockholders will have to rely on our directors, who are not independent, to perform these functions.

We do not have an audit or compensation committee comprised of independent directors. Indeed, we do not have any audit or compensation committee. These functions are performed by our CEO and one key employee. Thus, there is a potential conflict of interest in that our director has the authority to determine issues concerning management compensation and audit issues that may affect management decisions.

Risks Relating To Our Common Shares

8. We may, in the future, issue additional common shares, which would reduce investors' percent of ownership and may dilute our share value.

The future issuance of shares of common stock which we are authorized to issue may result in substantial dilution in the percentage of our common stock held by our then existing stockholders. We may value any common stock issued in the future on an arbitrary basis. The issuance of common stock for future services or acquisitions or other corporate actions may have the effect of diluting the value of the shares held by our investors, and might have an adverse effect on any trading market for our common stock.

9. There is no current trading market for our securities and if a trading market does not develop, purchasers of our securities may have difficulty selling their shares.

There is currently no established public trading market for our securities and an active trading market in our securities may not develop or, if developed, may not be sustained. We intend to have a market maker apply for admission to quotation of our securities on the "Pink Sheets" after the registration statement relating to this prospectus is declared effective by the SEC. We do not yet have a market maker who has agreed to file such application. If for any reason our common stock is not quoted on the "Pink Sheets" or a public trading market does not otherwise develop, purchasers of the shares may have difficulty selling their common stock should they desire to do so. No market makers have committed to becoming market makers for our common stock and none may do so.

10. State securities laws may limit secondary trading, which may restrict the states in which and conditions under which you can sell the shares offered by this prospectus.

Secondary trading in common stock sold in this offering will not be possible in any state until the common stock is qualified for sale under the applicable securities laws of the state or there is confirmation that an exemption, such as listing in certain recognized securities manuals, is available for secondary trading in the state. If we fail to register or qualify, or to obtain or verify an exemption for the secondary trading of, the common stock in any particular state, the common stock could not be offered or sold to, or purchased by, a resident of that state. In the event that a significant number of states refuse to permit secondary trading in our common stock, the liquidity for the common stock could be significantly impacted thus causing you to realize a loss on your investment.

The success of SoftEx is, to a great extent, dependent upon the current management's ability to effectively guide SoftEx operations and growth.

11. Because we do not intend to pay any cash dividends on our common stock, our stockholders will not be able to receive a return on their shares unless they sell them.

We intend to retain any future earnings to finance the development and expansion of our business. We do not anticipate paying any cash dividends on our common stock in the foreseeable future. Unless we pay dividends, our stockholders will not be able to receive a return on their shares unless the value of such shares appreciates and they sell them. There is no assurance that stockholders will be able to sell shares when desired.

12. We may issue shares of preferred stock in the future that may adversely impact your rights as holders of our common stock.

Our Articles of Incorporation authorizes us to issue preferred stock. Accordingly, our board of directors will have the authority to fix and determine the relative rights and preferences of preferred shares, as well as the authority to issue such shares, without further stockholder approval. As a result, our board of directors could authorize the issuance of a series of preferred stock that would grant to holders preferred rights to our assets upon liquidation, the right to receive dividends before dividends are declared to holders of our common stock, and the right to the redemption of such preferred shares, together with a premium, prior to the redemption of the common stock. To the extent that we do issue such additional shares of preferred stock, your rights as holders of common stock could be impaired thereby, including, without limitation, dilution of your ownership interests in us. In addition, shares of preferred stock could be issued with terms calculated to delay or prevent a change in control or make removal of management more difficult, which may not be in your interest as holders of common stock.

13. This Offering is on a Best-Efforts Basis

The Company is making this offering on a best-efforts basis, with no assurance that it will be able to sell any minimum amount of the offered securities. Even if the Company is unable to sell a substantial part of the offering, because SoftEx is an entity already conducting business, and has shown substantial profits during each year of operations, there are no arrangements for the return of funds to subscribers. Thus, regardless of the number of securities sold, subscribers will be able to retain all securities purchased.

14. CEO Has No Industry Experience

The CEO of SoftEx has no experience in the filed of Staff/Leasing or Employment Agencies and there is the risk that this could be detrimental to the Company and the value of its stock.

In addition to the above risks, businesses are often subject to risks not foreseen or fully appreciated by management. In reviewing this Offering Circular potential investors should keep in mind other possible risks that could be important.

DILUTION

As the company has not yet begun to conduct operations, and considering that no inventory is carried, the book value is based on stated book value. At the time of this offering, the stated book value of the Company is \$0.01 per share, while actual EPS is \$0.00.

The Company will implicitly attribute a post-offering value based on minimum and maximum shares sold:

If minimum sold: \$105,000

If maximum sold: \$5,100,000

Also relevant is the percentage of the outstanding shares of the Company the investors will have after the offering:

If minimum sold: .01%

If maximum sold: 10%

After reviewing the above, potential investors should consider whether or not the offering price for the securities is appropriate at the present stage of the Company's development.

PLAN OF DISTRIBUTION

SoftEx is acting as its own general selling agent with respect to all securities offered pursuant to this Offering Circular, and said securities will be sold to the public at a price of \$5.00 per share until all securities are sold, or until the termination date of July 30th 2008. Certain officers, directors, and employees of the SoftEx Corporation will sell the shares offered hereby to persons they believe may be interested in purchasing shares of common stock, however, they will receive no remuneration in connection with the shares they sell. The Company may also utilize electronic means in its offering, such as email or posting the offering circular on a website such as the NASDAQ PORTAL.

We are managing this offering without an underwriter. The shares will be offered and sold by our officers and directors. These officers and directors will not receive a sales commission or any other form of compensation for this offering. In connection with their efforts, our officers and directors will rely on the safe harbor provisions of Rule 3a4-1 of the Securities and Exchange Act of 1934. No one has made any commitment to purchase any or all of the shares being offered. Rather, the officers and directors will use their best efforts to find purchasers for the shares. We cannot predict how many shares, if any, will successfully be sold.

Sharon Rene Nelson, our CEO, and Dr. John T. Zabasky, our Operations Manager, are responsible for the sale of the securities on behalf of SoftEx. They shall not be compensated in connection with this participation by the payment of commissions or other remuneration based either directly or indirectly on transactions in our securities. Neither is considered associated persons of any broker or dealer.

They meet all of the following conditions:

* They primarily perform, or intend to primarily perform at the end of the offering, substantial duties for or on behalf of Execute Sports

otherwise than in connection with the sale and distribution of the shares;

* They were not a broker or dealer, or an associated person of a broker or dealer, within the preceding twelve months;

* They do not participate in selling and offering of securities for any issuer more than once every twelve months other than in reliance certain exemptions provided for under Rule 3a4-1(a)(4)(i) and (a)(4)(iii), except that for securities issued pursuant to Rule 415 under the Securities Act 1933, the twelve months shall begin with the last sale of any security included within one Rule 415 registration.

USE OF PROCEEDS AND CAPITALIZATION

The net proceeds to SoftEx from the sale of 1,000,000 shares of the common stock offered hereby, are expected to be between \$5,000 and \$5,000,000. Since the staff/leasing industry customarily bills its clients Net 30, it is necessary to have liquid capital to fund payroll or use the services of an accounts receivable lender or "factoring" company. The principal purpose of the offering proceeds is intended to reduce the company's dependency upon "factoring" or Accounts Receivable financing, as well as increasing the potential for horizontal integration, which is a marketing term that refers to the organization of small departments in other geographic regions for the purpose of increasing market coverage. This can be accomplished either by opening new offices or by acquiring other small staff/leasing companies. It is emphasized, however, that at this time, SoftEx is not negotiating with any particular firm or firms for the purpose of acquisition.

DESCRIPTION OF BUSINESS

SoftEx falls under the Standard Industrial Classification of Employment Staffing and leasing (SIC 7361). SoftEx was incorporated under the laws of the State of California in October of 2003. We are a development stage company. From our inception to date, we have not generated any revenues, and our operations have been limited to organizational, start-up, and capital formation activities. We currently have no employees other than our CEO and one key employee.

Our business strategy is to offer our Human Resource administrative services to businesses for the price of a payroll company, while simultaneously offering employment staffing and employee leasing services at reduced fees. The Company is able to do this because of a proprietary internet software system which automates business-critical Human Resource functions, such as policy creation, benefits administration, job descriptions, and payroll.

The number of competitors is extremely large and may make it difficult to generate revenue. Competition in the industry is based upon both service and price. To be successful, the Company must develop a competitive advantage within the industry based upon these two core components.

Because this Offering Circular focuses primarily on details concerning the Company rather than the industry in which the Company operates or will operate, potential investors may wish to conduct their own separate investigation of the Company's industry to obtain broader insight in assessing the Company's prospects.

BYLAWS
OF
SOFTEX CONSULTING, INC.
A CALIFORNIA CORPORATION

ARTICLE I
STOCKHOLDERS

Section 1. Annual Meeting. Annual meetings of the Stockholders, shall be held on the Twentieth day of October each year if not a legal holiday and, if a legal holiday, then on the next secular day following, or at such other time as may be set by the Board of Directors from time to time, at which the Stockholders shall elect by vote a Board of Directors and transact such other business as may properly be brought before the meeting.

Section 2. Special Meetings. Special meetings of the Stockholders, for any purpose or purposes, unless otherwise prescribed by statute or by the Articles of Incorporation, may be called by the President or the Secretary by resolution of the Board of Directors or at the request in writing of Stockholders owning a majority in amount of the entire capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose of the proposed meeting.

Section 3. Place of Meetings. All annual meetings of the Stockholders shall be held at the registered office of the Corporation or at such other place within or without the State of Incorporation as the Directors shall determine. Special meetings of the Stockholders may be held at such time and place within or without the State of Incorporation as shall be stated in the notice of the meeting, or in a duly executed waiver of notice thereof. Business transacted at any special meeting of Stockholders shall be limited to the purposes stated in the notice.

Section 4. Quorum; Adjourned Meetings. The holders of a majority of the Stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the Stockholders for the transaction of business except as otherwise provided by statute or by the Articles of Incorporation. If, however, such quorum shall not be present or represented at any meeting of the Stockholders, the Stockholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

Section 5. Voting. Each Stockholder of record of the Corporation holding Stock which is entitled to vote at this meeting shall be entitled at each meeting of Stockholders to one vote for each share of Stock standing in his name on the books of the Corporation. Upon the demand of any Stockholder, the vote for Directors and the vote upon any question before the meeting shall be by ballot.

When a quorum is present or represented at any meeting, the vote of the holders of a majority of the Stock having voting power present in person or represented by proxy shall be sufficient to elect Directors or to decide any question brought before such meeting, unless the question is one upon which by express provision of the statutes or of the Articles of Incorporation, a different vote is required in which case such express provision shall govern and control the decision of such question.

Section 6. Proxies. At any meeting of the Stockholders any Stockholder may be represented and vote by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two or more persons to act as proxies, a majority of such persons present at the meeting, or, if only one shall be present, then that one shall have and may exercise all of the powers conferred by such written instrument upon all of the persons so designated unless the instrument shall otherwise provide. No proxy or power of attorney to vote shall be used to vote at a meeting of the Stockholders unless it shall have been filed with the secretary of the meeting. All questions regarding the qualification of voters, the validity of proxies and the acceptance or rejection of votes shall be decided by the inspectors of election who shall be appointed by the Board of Directors, or if not so appointed, then by the presiding Officer of the meeting.

Section 7. Action Without Meeting. Any action which may be taken by the vote of the Stockholders at a meeting may be taken without a meeting if authorized by the written consent of Stockholders holding at least a majority of the voting power, unless the provisions of the statutes or of the Articles of Incorporation require a greater proportion of voting power to authorize such action in which case such greater proportion of written consents shall be required.

Section 8. The total number of shares of stock which this corporation is authorized to issue is ten million (10,000,000) shares of common stock with no par value.

ARTICLE II

DIRECTORS

Section 1. Management of Corporation. The business of the Corporation shall be managed by its Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Articles of Incorporation or by these Bylaws directed or required to be exercised or done by the Stockholders.

Section 2. Number, Tenure, and Qualifications. The number of Directors which shall constitute the whole board shall be at least one. The number of Directors may from time to time be increased or decreased to not less than one nor more than fifteen. The Directors shall be elected at the annual meeting of the Stockholders and except as provided in Section 2 of this Article, each Director elected shall hold office until his successor is elected and qualified. Directors need not be Stockholders.

Section 3. Vacancies. Vacancies in the Board of Directors including those caused by an increase in the number of Directors, may be filled by a majority of the remaining Directors, though less than a quorum, or by a sole remaining Director, and each Director so elected shall hold office until his successor is elected at an annual or a special meeting of the Stockholders. The holders of two-thirds of the outstanding shares of Stock entitled to vote may at any time peremptorily terminate the term of office of all or any of the Directors by vote at a meeting called for such purpose or by a written statement filed with the secretary or, in his absence, with any other Officer. Such removal shall be effective immediately, even if successors are not elected simultaneously.

A vacancy or vacancies in the Board of Directors shall be deemed to exist in case of the death, resignation or removal of any Directors, or if the authorized number of Directors be increased, or if the Stockholders fail at any annual or special meeting of Stockholders at which any Director or Directors are elected to elect the full authorized number of Directors to be voted for at that meeting.

If the Board of Directors accepts the resignation of a Director tendered to take effect at a future time, the Board or the Stockholders shall have power to elect a successor to take office when the resignation is to become effective.

No reduction of the authorized number of Directors shall have the effect of removing any Director prior to the expiration of his term of office.

Section 4. Annual and Regular Meetings. Regular meetings of the Board of Directors shall be held at any place within or without the State which has been designated from time to time by resolution of the Board or by written consent of all members of the Board. In the absence of such designation regular meetings shall be held at the registered office of the Corporation. Special meetings of the Board may be held either at a place so designated or at the registered office.

Regular meetings of the Board of Directors may be held without call or notice at such time and at such place as shall from time to time be fixed and determined by the Board of Directors.

Section 5. First Meeting. The first meeting of each newly elected Board of Directors shall be held immediately following the adjournment of the meeting of Stockholders and at the place thereof. No notice of such meeting shall be necessary to the Directors in order legally to constitute the meeting, provided a quorum be present. In the event such meeting is not so held, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors.

Section 6. Special Meetings. Special meetings of the Board of Directors may be called by the Chairman or the President or by any Vice President or by any two Directors.

Written notice of the time and place of special meetings shall be delivered personally to each Director, or sent to each Director by mail or by other form of written communication, charges prepaid, addressed to him at his address as it is shown upon the records or if such address is not readily ascertainable, at the place in which the meetings of the Directors are regularly held. In case such notice is mailed or telegraphed, it shall be deposited in the United States mail or delivered to the telegraph company at least three (3) days prior to the time of the holding of the meeting. In case such notice is hand delivered as above provided, it shall be so delivered at least twenty-four (24) hours prior to the time of the holding of the meeting. Such mailing, telegraphing or delivery as above provided shall be due, legal and personal notice to such Director.

Section 7. Business of Meetings. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present, and if, either before or after the meeting, each of the Directors not present signs a written waiver of notice, or a consent to holding such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 8. Quorum; Adjourned Meetings. A majority of the authorized number of Directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number be required by law or by the Articles of Incorporation. Any action of a majority, although not at a regularly called meeting, and the record thereof, if assented to in writing by all of the other members of the Board shall be as valid and effective in all respects as if passed by the Board in regular meeting.

A quorum of the Directors may adjourn any Directors meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the Directors present at any Directors meeting, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board.

Notice of the time and place of holding an adjourned meeting need not be given to the absent Directors if the time and place be fixed at the meeting adjourned.

Section 9. Committees. The Board of Directors may, by resolution adopted by a majority of the whole Board, designate one or more committees of the Board of Directors, each committee to consist of at least one or more of the Directors of the Corporation which, to the extent provided in the resolution, shall have and may exercise the power of the Board of Directors in the management of the business and affairs of the Corporation and may have power to authorize the seal of the Corporation to be affixed to all papers which may require it. Such committee or committees shall have such name or names as may be determined from time to time by the Board of Directors. The members of any such committee present at any meeting and not disqualified from voting may, whether or not they constitute a quorum, unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. At meetings of such committees, a majority of the members or alternate members shall constitute a quorum for the transaction of business, and the act of a majority of the members or alternate members at any meeting at which there is a quorum shall be the act of the committee.

The committees shall keep regular minutes of their proceedings and report the same to the Board of Directors.

Section 10. Action Without Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the Board of Directors or of such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

Section 11. Special Compensation. The Directors may be paid their expenses of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as Director. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation. Members of special or standing committees may be allowed like reimbursement and compensation for attending committee meetings.

ARTICLE III

NOTICES

Section 1. Notice of Meetings. Notices of meetings shall be in writing and signed by the President or a Vice President or the Secretary or an Assistant Secretary or by such other person or persons as the Directors shall designate. Such notice shall state the purpose or purposes for which the meeting is called and the time and the place, which may be within or without this State, where it is to be held. A copy of such notice shall be either delivered personally to or shall be mailed, postage prepaid, to each Stockholder of record entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before such meeting. If mailed, it shall be directed to a Stockholder at his address as it appears upon the records of the Corporation and upon such mailing of any such notice, the service thereof shall be complete and the time of the notice shall begin to run from the date upon which such notice is deposited in the mail for transmission to such Stockholder. Personal delivery of any such notice to any Officer of a Corporation or association, or to any member of a partnership shall constitute delivery of such notice to such Corporation, association or partnership. In the event of the transfer of Stock after delivery of such notice of and prior to the holding of the meeting it shall not be necessary to deliver or mail notice of the meeting to the transferee.

Section 2. Effect of Irregularly Called Meetings. likewise valid and the irregularity or defect therein waived by a writing signed by all parties having the right to vote at such meeting; and such consent or approval of Stockholders may be by proxy or attorney, but all such proxies and powers of attorney must be in writing.

Section 3. Waiver of Notice. CAPITAL STOCK

Section 1. Certificates. Every Stockholder shall be entitled to have a certificate signed by the President or a Vice President and the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation, certifying the number of shares owned by him in the Corporation. If the Corporation shall be authorized to issue more than one class of Stock or more than one series of any class, the designations, preferences and relative, participating, optional or other special rights of the various classes of Stock or series thereof and the qualifications, limitations or restrictions of such rights, shall be set forth in full or summarized on the face or back of the certificate, which the Corporation shall issue to represent such Stock.

If a certificate is signed (1) by a transfer agent other than the Corporation or its employees or (2) by a registrar other than the Corporation or its employees, the signatures of the Officers of the Corporation may be facsimiles. In case any Officer who has signed or whose facsimile signature has been placed upon a certificate shall cease to be such Officer before such certificate is issued, such certificate may be issued with the same effect as though the person had not ceased to be such Officer. The seal of the Corporation, or a facsimile thereof, may, but need not be, affixed to certificates of Stock.

Section 2. Surrendered; Lost or Destroyed Certificates. When authorizing such issue of a new certificate or certificates, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost or destroyed certificate or certificates, or his legal representative, to advertise the same in such manner as it shall require and/or give the Corporation a bond

in such sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost or destroyed.

Section 3. Replacement Certificates. Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it shall be the duty of the Corporation, if it is satisfied that all provisions of the laws and regulations applicable to the Corporation regarding transfer and ownership of shares have been complied with, to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

Section 4. Record Date. The Board of Directors may fix in advance a date not exceeding sixty (60) days nor less than ten (10) days preceding the date of any meeting of Stockholders, or the date for the payment of any distribution, or the date for the allotment of rights, or the date when any change or conversion or exchange of capital Stock shall go into effect, or a date in connection with obtaining the consent of Stockholders for any purpose, as a record date for the determination of the Stockholders entitled to notice of and to vote at any such meeting, and any adjournment thereof, or entitled to receive payment of any such distribution, or to give such consent, and in such case, such Stockholders, and only such Stockholders as shall be Stockholders of record on the date so fixed, shall be entitled to notice of and to vote at such meeting, or any adjournment thereof, or to receive payment of such distribution, or to receive such allotment of rights, or to exercise such rights, or to give such consent, as the case may be, notwithstanding any transfer of any Stock on the books of the Corporation after any such record date fixed as aforesaid.

Section 5. Registered Owner. The Corporation shall be entitled to recognize the person registered on its books as the owner of shares to be the exclusive owner for all purposes including voting and distribution, and the Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of Incorporation.

ARTICLE VI

GENERAL PROVISIONS
