Issuers relying on ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix in the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely, failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

\$494,000

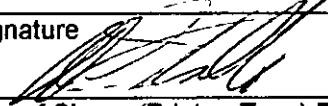

¹ The offering described in this amended Notice was for a combination of convertible promissory notes and/or shares of common stock for aggregate consideration of \$500,000. The original Notice was filed with the Commission on June 5, 2006. At the time of filing of the original Notice, the issuer had issued convertible promissory notes to six accredited investors in the aggregate original principal amount of \$120,000, and these investors had entered into an irrevocable commitment to purchase additional convertible promissory notes in the aggregate original principal amount of \$240,000, which purchases were subsequently made. The original Notice contemplated a recapitalization by the issuer, as a result of which these convertible promissory notes issued prior to such recapitalization would automatically convert into shares of the issuer's common stock, and these purchasers would thereafter be bound to purchase shares of the issuer's common stock in lieu of any convertible promissory notes not yet purchased. The recapitalization was completed in December 2006. The original Notice also contemplated an additional \$140,000 in investments in the issuer's common stock from accredited investors following the recapitalization. The issuer has now received the \$140,000 in contemplated additional investments, of which \$95,000 is from the same investors who had already purchased or committed to purchase convertible promissory notes at the time of the original filing, and \$55,000 is from two additional accredited investors, one of whom is the president of the issuer and the other of whom is an existing stockholder of the issuer.

5. Indicate below the amount of the adjusted gross proceeds to the issuer used or proposed to be used for each of the purposes shown. If the amount for any purpose is not known, furnish an estimate and check the box to the left of the estimate. The total of the payments listed must equal the adjusted gross proceeds to the issuer set forth in response to Part C - Question 4.b above.
