## PROXY STATEMENT

Relating to  
Annual Meeting of Stockholders  
To be held on May 13, 2010

We are sending this proxy statement to the holders of our common stock, \$0.001 par value, in connection with the solicitation by our Board of Directors (the "Board") of proxies to be voted at the General Moly, Inc. (the "Company," "we," or "us," or "our") Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 13, 2010 at 9:00 a.m., local Colorado time, at the Marriott Denver West, 1717 Denver West Boulevard, Golden, Colorado 80401, and any postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the accompanying proxy card are first being mailed to our stockholders on or about April 15, 2010.

A proxy card is enclosed for your use. **The Board requests that you sign, date, and return it in the enclosed postage paid return envelope, which does not require postage if mailed in the United States.** Your execution of the enclosed proxy will not affect your right as a stockholder to attend the Annual Meeting and to vote in person.

## PURPOSE OF THE ANNUAL MEETING

At the Annual Meeting, stockholders entitled to vote will be asked to consider and take action on the following matters:

- election of two Class III members to our Board to serve until the 2013 Annual Meeting of Stockholders and until their respective successors are elected and qualified or until their earlier death, resignation, or removal in accordance with our Certificate of Incorporation, bylaws, and Corporate Governance Guidelines;
- approval of the General Moly, Inc. 2006 Equity Incentive Plan, as Amended and Restated;
- approval of the potential issuance of shares of our common stock, exceeding 20% of the number of shares outstanding on April 5, 2010, pursuant to the Securities Purchase Agreement dated March 4, 2010 between the Company and Hanlong (USA) Mining Investment, Inc.;
- ratification of the selection of PricewaterhouseCoopers LLP as our independent auditor for fiscal year 2010; and
- action on such other matters as may properly come before the meeting or any adjournment thereof.

**As your vote is important, we are requesting that you complete and sign the enclosed proxy card and mail it promptly in the enclosed postage paid return envelope, which does not require postage if mailed in the United States. Shares cannot be voted at the meeting unless the owner is present to vote or is represented by proxy.**

## Shares Outstanding and Voting Rights

*Record Date; Quorum.* Our Board has fixed the close of business on April 5, 2010 as the record date for the purpose of determining stockholders of the Company entitled to notice of and to vote at the Annual Meeting. At the close of business on that date, we had 72,567,538 issued and outstanding shares of common stock. A majority of votes that could be cast by holders of all outstanding shares of stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. Proxies that are submitted but are not voted for or against (whether by abstentions, broker non-votes, or otherwise) will be treated as present for all matters considered at the meeting, and will be counted for determining whether we have a quorum.

*Solicitation of Proxies.* The accompanying proxy is solicited on behalf of our Board and the entire cost of solicitation will be borne by us. Following the original mailing of the proxies and soliciting materials, our directors, officers and employees may solicit proxies by mail, telephone, telegraph, or personal interviews. We may utilize the services of a proxy solicitation firm. We will request brokers, custodians, nominees, and other record holders to forward copies of the proxies and soliciting materials to persons for whom they hold shares of the Company and to request authority for the exercise of proxies. In such cases, the Company will reimburse such holders for their reasonable expenses.

*Revocation of Proxy.* Any proxy delivered in the accompanying form may be revoked by the person executing the proxy by either (i) providing our Corporate Secretary a later-dated proxy prior to the Annual Meeting or presenting a later-dated proxy at the Annual Meeting, (ii) providing our Corporate Secretary a written revocation prior to the Annual Meeting, or (iii) attending the Annual Meeting and voting in person.

*How Proxies will be Voted.* Assuming a quorum is present, proxies received by our Board in the accompanying form will be voted at the Annual Meeting as specified by the person giving the proxy. All shares represented by a valid proxy will be voted at the discretion of the proxy holders on any other matters that may properly come before the meeting. The Board, however, does not know of any matters to be considered at the meeting other than those specified in the Notice of Annual Meeting.

*Required Votes.* With respect to the election of directors, the two candidates receiving the highest number of votes will be elected. Our stockholders may vote for or against each of the nominees, or may abstain. If the number of shares voted "for" a nominee does not exceed the number of shares voted "against" the nominee, under our Corporate Governance Guidelines adopted by the Board, he or she must submit his or her resignation from the Board. See Proposal 1 for further discussion of the majority voting provisions of the Corporate Governance Guidelines. The affirmative vote of the holders of a majority of the shares entitled to vote that are present in person or represented by proxy is required to approve each of Proposals 2, 3 and 4.

*Effect of Abstentions and Broker Non-Votes.* Abstentions will have no effect on the election of directors. Abstentions may be specified and will be counted as present for the purposes of Proposals 2, 3 and 4. For purposes of determining whether Proposals 2, 3 and 4 have received the requisite vote, an abstention by a stockholder will have the same effect as a vote against the proposal.

Brokers and other intermediaries, holding shares in street name for their customers, are generally required to vote the shares in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares if (i) the broker holds the shares in a fiduciary capacity, or (ii) the broker is acting pursuant to the rules of any national securities exchange of which it is a member. On certain routine matters, brokers may, at their discretion, vote shares on behalf of their customers. Prior to 2010, the election of directors was considered a routine matter for which brokers were permitted to vote shares without customer direction. Beginning this year, brokers are no longer permitted to vote shares for the election of directors without customer direction. **Therefore, we urge you to give voting instructions to your broker on all four proposals.** Shares that are not voted by a broker given the absence of customer direction are called "broker non-votes." Broker non-votes are not considered votes for or against a proposal and therefore will have no direct effect on whether any proposal is approved.

*Voting Power.* Holders of our common stock are entitled to one vote for each share held. There is no cumulative voting for directors.

## VOTING SECURITIES AND PRINCIPAL HOLDERS

The following table sets forth information as of April 5, 2010 regarding the ownership of our common stock by:

- each person who is known by us to own more than 5% of our shares of common stock;
- each of our named executive officers and directors; and
- all of our current executive officers and directors as a group.

For the purposes of the information provided below, beneficial ownership is determined in accordance with the rules of the SEC, and for each person includes shares of our common stock that person has the right to acquire within 60 days following April 5, 2010, upon exercise of options or warrants. Except as indicated in the footnotes to these tables, and as affected by applicable community property laws, all persons listed have sole voting and investment power for all shares shown as beneficially owned by them.

We have no knowledge of any arrangements, including any pledge by any person of our securities, the operation of which may at a subsequent date result in a change in our control. We are not, to the best of our knowledge, directly or indirectly owned or controlled by another corporation or foreign government.

## PROPOSAL 1 - ELECTION OF DIRECTORS

Our Board currently consists of eight members. Pursuant to our bylaws, the members of our Board have been divided into three classes. The term of office for the Class III members of our Board, consisting of two members, expires at our 2010 Annual Meeting of Stockholders. The term of office of the Class I members of our Board, consisting of three members, expires at the 2011 Annual Meeting. The term of office for the Class II members of our Board, consisting of three members, expires at our 2012 Annual Meeting of Stockholders. At each of our Annual Meetings of Stockholders, the number of directors equal to the number of directors in the class whose term is scheduled to expire on the day of such meeting will be elected for a term of three years and will hold office until expiration of the terms for which they were elected and qualified. In each case, a director's term will continue until the director's successor is elected and has qualified. Any director may be removed from office as a director at any time by our stockholders, but only for cause, and only by the affirmative vote of a majority of the outstanding voting power entitled to elect such director.

At this Annual Meeting, two Class III directors are to be elected and will serve for a term of three years and until their successors are elected and qualified. The following nominees for election as Class III directors at this Annual Meeting are recommended by our Board:

Bruce D. Hansen  
Mark A. Lettes

If any of the nominees for director should become unable or decline to serve if elected, it is intended that shares represented by proxies that are executed and returned will be voted for any substitute nominee(s) as may be recommended by our existing Board. The two nominees receiving the highest number of votes cast at the Annual Meeting will be elected as Class III directors for a term of three years and until their successors are elected and qualified.

Pursuant to our Corporate Governance Guidelines adopted by our Board, if a director nominee does not receive a majority of the votes cast, the director is required to promptly tender his or her resignation to the Board. For purposes of the policy, a majority of votes cast means that the number of shares voted "for" a director's election exceeds the number of votes cast "against" that director's election. The Governance and Nominating Committee will consider the resignation and make a recommendation to the Board as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board will act on the tendered resignation, taking into account the recommendation of the Governance and Nominating Committee, within 90 days from the date of the certification of the election results, and publicly disclose its decision promptly thereafter. The Governance and Nominating Committee, in making its recommendation, and the Board in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation will not participate in the recommendation of the Governance and Nominating Committee or the decision of the Board with respect to his or her resignation. If no director receives a majority of shares cast in an uncontested election, then the incumbent directors will nominate a new slate of directors and hold a special meeting for the purpose of electing those nominees within 180 days after certification of the stockholder vote.

### Information About the Nominees

We have provided information below about our director nominees, both of whom are incumbent directors, including their names, years of service as directors, business experience and service on other boards of directors, including any other directorships held during the past five years. In addition, we have included information about each nominee's specific experience, qualifications, attributes or skills that led the Board to conclude that the nominee should serve as a director of the Company at the time we are filing this proxy statement, in light of our business and corporate structure.

**Bruce D. Hansen** has been our Chief Executive Officer and a member of our Board since January 2007. Mr. Hansen has also been appointed as our interim Chair of the Board until such time as a new, non-executive Chair is appointed. From September 2005 through November 2006, Mr. Hansen served as Senior Vice President, Operations Services and Development at Newmont Mining Corporation. From July 1999 to September 2005, Mr. Hansen served as Senior Vice President and Chief Financial Officer at Newmont Mining Corporation. Mr. Hansen also served as the Vice President of Project Development for Newmont and previously was the Senior Vice

President of Corporate Development for Santa Fe Pacific Gold Corporation. Mr. Hansen is a director of Energy Fuels Inc.

As our Chief Executive Officer, Mr. Hansen has detailed knowledge of the Company's development, strategy and projects. Mr. Hansen also has extensive mining industry background, having worked in the mining industry for 29 years in a variety of financial, technical and leadership roles. Mr. Hansen has demonstrated success in these various industry roles over the years. Mr. Hansen's knowledge of the Company's development efforts as well as his industry experience at both large and small mining companies and his demonstrated past successes give him the necessary background, experience and leadership to be an effective director and interim Board Chair.

**Mark A. Lettes** has been a member of our Board since April 2007. Mr. Lettes served as Chief Financial Officer of Apex Silver Mines from June 1998 to June 2006, and was responsible for the financing of Apex Silver Mines' large-scale San Cristobal silver and zinc mine in Bolivia. Prior to joining Apex Silver Mines, Mr. Lettes held senior financial positions with Cyprus Amax, Amax, Inc., and Amax Gold. Mr. Lettes served as a director of Yukon Zinc Corporation from October 2006 to June 2008. In addition, Mr. Lettes served as a director of Century Mining Corporation from March 2008 to October 2008.

Mr. Lettes has extensive mining and financial experience gained in his eight years as a chief financial officer at a mining company where he was also responsible for a major financing. In this role, Mr. Lettes was involved in all aspects of financial reporting and compliance. In addition, Mr. Lettes served on the audit, governance and compensation committees of Yukon Zinc Corporation and on the audit, governance and compensation committees of Century Mining Corporation. Mr. Lettes' experiences in these roles are directly relevant and important to Mr. Lettes' current roles as our Audit Committee Chair and our audit committee financial expert. Mr. Lettes' mining and financial experience, as well as his significant past board experience, enhance the knowledge of the Board as the Company works toward financing of the Mt. Hope Project and commencing operations.

Also set forth below is information about each of our executive officers and our Secretary. Officers are appointed annually by the Board and serve at the pleasure of the Board.

**Ricardo M. Campoy** has been a member of our Board since August 2006. Corporation from March 2007 to January 2010 and on the Board of Directors of Kilgore Minerals Ltd. from July 2003 to July 2007: both are Canadian companies listed on the TSX Venture Exchange.

Mr. Campoy has extensive mining and international business experience, as well as engineering experience. He brings an international perspective to the Board, which is relevant to our business given the global market for molybdenum. Mr. Campoy also has 27 years of experience in the banking industry, where he focused on financings of natural resource projects, as well as significant leadership experience in a variety of roles at different companies, all of which makes Mr. Campoy well-suited to serve as an effective Chair of our Compensation Committee.

## **THE BOARD, BOARD COMMITTEES AND DIRECTOR INDEPENDENCE**

During the year ended December 31, 2009, our Board held seven meetings. Each of the incumbent directors who was on our Board during 2009 attended at least 75% of the total number of meetings of the Board and the committees of the Board on which such director served for the full year. In 2008, we adopted a policy requiring members of our Board to attend each annual meeting of stockholders. All of our directors attended our annual meeting of stockholders held on June 18, 2009.

Currently, Mr. Hansen, our Chief Executive Officer, also serves as the Chair of the Board. Mr. Hansen will serve as our interim Chair of the Board until such time as a new, non-executive Chair is appointed. Mr. Campoy currently serves as our independent lead director. Our lead director is responsible for coordinating the activities of the other independent directors and for performing such other duties assigned to the lead director from time to time by the Board. In addition, our lead director presides at all meetings of the Board at which the Chair is not present,

including executive sessions; serves as a liaison between the Chair and the independent directors; approves information sent to the Board; approves meeting agendas for the Board; approves meeting schedules to assure that there is sufficient time for discussion of all agenda items; has the authority to call meetings of the independent directors; and, if requested by major stockholders, ensures that he is available for consultation and direct communication.

As a development stage company, our resources are limited and we believe that our current structure of a combined Chair of the Board and Chief Executive Officer is appropriate. The Board believes that when we become an operating company having an independent chair would be advisable and intends to recruit an independent Chair of the Board.

Our Board has a standing Audit Committee, Compensation Committee, and Governance and Nominating Committee. Each committee is described more fully below. In addition, our Board has a standing Finance Committee and a Technical Committee. The Finance Committee provides assistance to the Board with respect to any transactions that occur outside of the ordinary course of business such as mergers or acquisitions and “financing transactions” as that term is defined in the committee charter. Our Finance Committee members are: R. David Russell (Chair), Ricardo M. Campoy, Jean-Pierre M. Ergas, Bruce D. Hansen and Mark A. Lettes. The Technical Committee provides assistance to the Board with respect to technical studies and evaluations of the Company’s projects, environmental and permitting compliance programs and safety and health programs. Our Technical Committee members are: Gary A. Loving (Chair), Bruce D. Hansen, Richard F. Nanna and R. David Russell. A copy of the written charter for each of these committees is available on our website at [www.generalmoly.com](http://www.generalmoly.com) under the “Investors” tab in the “Committees” subsection.

Our Board has determined that Ricardo M. Campoy, Jean-Pierre M. Ergas, Mark A. Lettes, Gary A. Loving, Richard F. Nanna and Andrew G. Sharkey, III, are independent directors in accordance with the listing standards of the NYSE Amex. There are no family relationships among any of our current directors and officers.

Stockholders may communicate with our Board or our non-management directors by sending written correspondence to General Moly, Inc. Board, c/o Corporate Secretary, 1726 Cole Blvd., Suite 115 Lakewood, CO 80401, or by sending an email to [info@generalmoly.com](mailto:info@generalmoly.com). Our Corporate Secretary will receive the correspondence and forward it to the Chair of the applicable Board Committee or to any individual director or directors to whom the communication is directed.

### **Audit Committee**

Our Audit Committee members are: Mark A. Lettes (Chair), Ricardo M. Campoy, and Jean-Pierre M. Ergas, all being independent directors in accordance with the listing standards of the NYSE Amex. Our Board has determined that Mark A. Lettes is the audit committee financial expert. The Audit Committee held nine meetings in 2009. As set forth in its charter, the Audit Committee: (i) provides independent review and oversight of the Company’s financial reporting process, the system of internal control and management of financial risks; (ii) manages the audit process, including the selection, oversight and compensation of the Company’s independent auditors; (iii) assists the Board in monitoring compliance with the law and its code of business conduct; (iv) establishes procedures for the receipt and treatment of any complaints received by management regarding its accounting or internal controls; and (v) reviews and evaluates annually the adequacy of its charter. A copy of the written Audit Committee Charter, as approved by our Board, is available on our website at [www.generalmoly.com](http://www.generalmoly.com).

### **Compensation Committee**

Our Compensation Committee members are: Ricardo M. Campoy (Chair), Mark A. Lettes, Gary A. Loving, Richard F. Nanna and Andrew G. Sharkey, III, all being independent directors in accordance with the listing standards of the NYSE Amex. The Compensation Committee held six meetings in 2009. Our Board has approved a written Compensation Committee Charter, a copy of which is available on our website at [www.generalmoly.com](http://www.generalmoly.com). The primary purposes of the Compensation Committee, as set forth in its charter, are to: (i) establish, administer and evaluate the compensation philosophy, policies and plans for non-employee directors and executive officers; (ii) make recommendations to the Board regarding director and executive compensation; (iii) review the performance and determine the compensation of the Chair and Chief Executive Officer, based on the criteria including the Company’s performance and accomplishment of long-term strategic objectives; and (iv) prepare an

annual report on executive compensation for inclusion in the Company's proxy statement. The Compensation Committee also reviews and, if appropriate, approves any employment agreements, severance arrangements, retirement arrangements, change in control agreements and provisions and any special or supplemental benefits for each officer of the Company. The committee administers the Company's stock option and equity incentive plans.

The Compensation Committee's evaluation is based on criteria designed to help ensure that our Chief Executive Officer's interests are aligned with the long-term interests of our stockholders, including the performance of our business, accomplishment of long-term strategic objectives, the handling of extraordinary events, and the development of management.

In February 2008, the Compensation Committee engaged Watson Wyatt as its compensation consultant and directed it to help develop and implement a sound executive compensation framework that will enable growth, reinforce consistency and support transparency. The goals of the engagement included the development of a performance and rewards strategy and a competitive compensation framework.

Our Human Resources Department and Senior Paralegal assist the Compensation Committee in its work.

### **Governance and Nominating Committee**

Our Governance and Nominating Committee members are: Jean-Pierre M. Ergas (Chair), Ricardo M. Campoy, Mark A. Lettes, Gary A. Loving, Richard F. Nanna, and Andrew G. Sharkey, III all being independent directors in accordance with the listing standards of the NYSE Amex. The Governance and Nominating Committee held three meetings in 2009. Our Board has approved a written Governance and Nominating Committee Charter, a copy of which is available on our website at [www.generalmoly.com](http://www.generalmoly.com). The primary responsibilities of the Governance and Nominating Committee, as set forth in its charter, are to: (i) establish criteria for selection of directors to serve on the Board; (ii) identify, evaluate and recommend candidates for membership on the Board; (iii) ensure that the Board, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant skills, knowledge, experience and qualifications; (iv) consider independence and any possible conflicts of interest for Board members and executive officers; (v) review and make recommendations regarding the size and composition of the Board; (vi) conduct an annual evaluation of the performance and effectiveness of the Board; (vii) recommend members of the Board to serve on Board committees and as committee chairs; and (viii) review, evaluate and recommend changes to corporate governance principles to the Company.

While the selection of qualified directors is a complex, subjective process that requires consideration of many intangible factors, the Governance and Nominating Committee and our Board take into account the following criteria, among others, in considering directors and candidates for the Board:

- judgment, experience, skills and personal character of the candidate;
- diversity of the Board in its broadest sense; and
- the needs of the Board.

The Governance and Nominating Committee conducts a preliminary assessment of each proposed nominee based upon the proposed nominee's resume and biographical information, the individual's willingness to serve as a director of the Company, and other background information. This information is evaluated against the criteria set forth above and our specific needs at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet our needs may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the Governance and Nominating Committee determines which nominee(s) to recommend to the Board to submit for election at the next annual meeting. The Governance and Nominating Committee uses the same process for evaluating all nominees, regardless of the original source of the nomination. The Governance and Nominating Committee has approved the nominees included on our proxy card.

The Governance and Nominating Committee will consider nominees recommended by stockholders. To date, we have not received any recommendations from our stockholders requesting that the Board, or any of its committees, consider a nominee for inclusion among the Board's slate of nominees in this proxy statement. A stockholder wishing to submit a director nominee recommendation should comply with the provisions of our bylaws and the provisions set forth in this proxy statement under the heading "Stockholder Proposals and Recommendations

for Director Nominees for the 2011 Annual Meeting.” Under the terms of our Governance and Nominating Committee Charter, we evaluate all nominees, including those recommended by stockholders, by conducting appropriate inquiries into their backgrounds and qualifications; however, the Governance and Nominating Committee may prefer nominees who are personally known to the existing directors and whose reputations are highly regarded. The Governance and Nominating Committee will consider all relevant qualifications as well as the needs of the Company in terms of compliance with applicable SEC and stock exchange rules.

Diversity is considered in the nominating process as described above and in our Governance and Nominating Committee Charter, which provides that we will seek directors with diverse experience, perspectives and skills appropriate to create a Board that can best perpetuate the success of the Company’s business and represent stockholder interests. We do not have a separate Board diversity policy.

### **Risk Oversight**

Our senior management manages the risks facing the Company under the oversight and supervision of the Board, which has appointed Andrew Sharkey, effective February 25, 2010, as the director in charge of coordinating risk oversight by the Board. Mr. Sharkey is expected to coordinate the work of the two Board committees with risk assessment responsibilities, with management, and the Board. While the full Board is ultimately responsible for risk oversight at our Company, two of our Board committees assist the Board in fulfilling its oversight function in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk in the areas of financial reporting and internal controls. The Technical Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks related to operations and safety. Other general business risks such as economic, regulatory and permitting are monitored by the full Board. Risk management and assessment reports are regularly provided by management to these committees and the full Board.

### **Compensation Risk Assessment**

Our Compensation Committee considered whether our compensation program encouraged excessive risk taking by employees at the expense of long-term Company value. Based upon its assessment, the committee does not believe that our compensation program encourages excessive or inappropriate risk-taking. The committee believes that the design of our compensation program, which includes a mix of annual and long-term incentives, cash and equity awards and retention incentives, is balanced and does not motivate imprudent risk-taking.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 (the “Exchange Act”) requires our officers, directors, and any person who beneficially owns more than 10% of our common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors, and more than 10% stockholders are required by regulation to furnish us with copies of all Section 16(a) forms which they file. During 2009, certain of our directors and executive officers who own our stock filed Forms 3 or Forms 4 with the Securities and Exchange Commission. The information on these filings reflects the current ownership position of all such individuals. To the best of our knowledge and based solely on a review of the forms submitted to the Company, during 2009 all such filings by our officers and directors were timely made.

### **Code of Business Conduct and Ethics**

We have adopted a Code of Conduct and Ethics for our Chief Executive Officer and our senior financial officers. A copy of our Code of Conduct and Ethics is available on our website at [www.generalmoly.com](http://www.generalmoly.com) and can also be obtained at no cost, by telephone at (303) 928-8599 or by mail at: General Moly, Inc., 1726 Cole Blvd., Suite 115 Lakewood, CO 80401, attention: Investor Relations. We believe our Code of Conduct and Ethics is reasonably designed to deter wrongdoing and promote honest and ethical conduct; provide full, fair, accurate, timely and understandable disclosure in public reports; comply with applicable laws; ensure prompt internal reporting of code violations; and provide accountability for adherence to the code.

**Vote Required**

The two candidates receiving the highest number of votes will be elected. If any candidate does not receive at least a majority of the votes cast in the election, he or she must submit his or her resignation from the Board as described above.

**Recommendation**

The Board recommends that stockholders vote **FOR** each of the nominees for director. If not otherwise specified, proxies will be voted **FOR** each of the nominees for director.

## **PROPOSAL 2 - APPROVAL OF THE GENERAL MOLY, INC. 2006 EQUITY INCENTIVE PLAN, AS AMENDED AND RESTATED**

The Board recommends that stockholders approve the General Moly, Inc. 2006 Equity Incentive Plan, as amended and restated (which we refer to as the 2006 Plan). The 2006 Plan is being amended to increase the aggregate number of shares authorized for issuance by 4,500,000 shares to 9,600,000 shares, to change the share counting provision to provide for net share counting with respect to stock appreciation rights, to make other technical changes relating primarily to tax law and accounting rule changes and to make other administrative changes intended to clarify certain provisions of the 2006 Plan. The 2006 Plan was approved by our Board on February 25, 2010.

The 2006 Plan was most recently amended in October 2007, to increase the maximum number of shares of Company common stock that may be issued pursuant to stock awards to 5,100,000 shares plus the number of shares remaining from the General Moly, Inc. 2003 Stock Plan (which we refer to as the 2003 Plan).

We have historically made grants of equity awards under two plans, the 2003 Plan, from which no further grants can be made, and the 2006 Plan. We have also made stock option grants to officers, directors and consultants outside of any plan. See "Equity Compensation Plan Information." As of April 5, 2010, the Company had 72,567,538 shares outstanding (excluding 6,455,434 shares issuable upon exercise of outstanding warrants and 1,000,000 shares issuable upon the exercise of a warrant that will become exercisable upon our completion of one or more financing transactions that result in net proceeds sufficient to commence commercial production at the Mt. Hope Project). As of April 5, 2010, (i) no shares of common stock were subject to outstanding awards under the 2003 Plan, (ii) 2,918,143 shares of common stock were subject to outstanding awards under the 2006 Plan (excluding 520,889 stock appreciation rights which are payable in shares of common stock, cash or a combination of cash and shares in the discretion of the Compensation Committee), (iii) 528,526 shares remained available for issuance under the 2006 Plan, and (iv) 250,000 shares of common stock were subject to outstanding equity compensation awards entered into outside of either the 2003 Plan or 2006 Plan. Based on the foregoing, if the amendment and restatement of the 2006 Plan is approved, the total aggregate number of shares issuable under the 2006 Plan and pursuant to outstanding options granted outside of the Company's equity compensation plans will represent 12.6% of the Company's total outstanding shares (11.4% of outstanding shares assuming exercise of all outstanding warrants). Additionally, provided that the 2006 Plan, as amended and restated, is approved, the Hanlong transaction as set forth in Proposal 3 is approved and if the Company issues 25% of its common stock to Hanlong pursuant to the transaction, the total aggregate number of shares issuable under the Company's equity compensation plans and pursuant to outstanding options granted outside of the Company's equity compensation plans will decrease to approximately 9.1% of the Company's shares anticipated to be outstanding following the Hanlong transaction (8.5% of shares assuming exercise of all outstanding warrants).

We are a development stage company with a strong, proven management team with experience in mine development and corporate and project finance operations. We anticipate transitioning into a construction phase upon receipt of our permits and completion of project financing and will, at that time, be hiring a substantial number of employees. The purpose of the increase in authorized shares for the 2006 Plan is to reserve shares sufficient to make awards to attract, retain and motivate our employees, directors and consultants during our transition from a development stage company to an operating company. Because of our modest size, stage of development and cash conservation measures, our Board has determined that it is in the best interests of the Company to approve the amendment and restatement of our 2006 Plan. The Board believes that the increase in shares provided for in the amended and restated 2006 Plan represents a reasonable amount of potential equity dilution and allows the Company to continue awarding equity incentives, which are an important component of our overall compensation program.

### **Summary of the 2006 Plan, as Amended and Restated**

A summary of the 2006 Plan, as amended and restated follows. This summary is qualified in its entirety by reference to the General Moly, Inc. 2006 Equity Incentive Plan, as Amended and Restated, a copy of which is attached to this proxy statement as Annex A.

*Eligibility and Types of Awards.* The 2006 Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock awards, restricted stock units and stock appreciation rights, which may

be granted to our employees (including officers), directors and consultants. Each award is subject to an agreement between the Company and the recipient that reflects the terms and conditions of the award. As of April 5, 2010, approximately 40 participants are eligible to receive awards under the 2006 Plan.

*Shares Subject to the Plan; Reversion of Shares.* The aggregate number of shares of the Company's common stock, par value \$0.001 per share, that may be issued pursuant to awards granted under the 2006 Plan will not exceed 9,600,000, including 430,000 shares that reverted from our 2003 Plan. The number of shares of common stock that may be issued pursuant to incentive stock options is limited to the above maximum shares issuable under the 2006 Plan.

*Reversion of Shares; Share Reserve.* Any stock award granted under the 2006 Plan or the 2003 Plan may again become available for the grant under the 2006 Plan if the award expires or terminates, in whole or in part, without having been exercised or if any shares issued under the award are forfeited or repurchased due to failure to meet the vesting or exercise conditions. In addition, the number of shares underlying a stock award not issued as a result of the following actions will again be available for issuance under the 2006 Plan: (i) a payout of a stand-alone stock appreciation right, or a performance-based award of restricted stock or restricted stock units in the form of cash; (ii) a cancellation, termination, expiration, forfeiture, or lapse of an award; (iii) payment of the option exercise price and/or payment of any taxes arising upon exercise of the option by withholding shares of common stock which would otherwise be acquired on exercise or issuance upon payout; or (iv) upon the exercise of a stock appreciation right settled in shares of common stock, the number of shares related to the exercise that were not issued to the participant.

*Maximum Award Amounts.* In no event can a participant receive one or more stock awards during any one calendar year that cover in the aggregate more than 1,000,000 shares of Company common stock.

*Administration.* The Board has delegated authority to administer the 2006 Plan to the Compensation Committee. Subject to the terms of the 2006 Plan, the Board or the Compensation Committee, as plan administrator, has full authority to determine participants and the type, terms and conditions and number of shares subject to awards. The plan administrator also has authority to construe and interpret the 2006 Plan and awards.

*Significant Features of Awards.* The following is a description of significant features that apply to each type of award issued under the 2006 Plan. Stock awards are granted pursuant to the terms and conditions set forth in each stock award agreement.

*Stock Options.* Both nonqualified stock options and incentive stock options, or ISOs, may be granted under the 2006 Plan. The plan administrator determines the exercise price for stock options, which cannot be less than 100% of the fair market value of a share of common stock underlying the option on the date of grant (except for substituted or assumed options). The option term is determined by the plan administrator, is set forth in the award agreement and cannot exceed ten years from the date of grant. The option exercise price may be paid in cash, or at the discretion of the plan administrator (i) by delivery of shares, (ii) pursuant to a cashless exercise program implemented by the Company or (iii) any other form of legal consideration acceptable to the Board. The plan administrator determines the vesting period. An option designated as an incentive stock option may be subject to additional terms and conditions. Generally, stock options are not transferable other than by will or the laws of descent and distribution unless provided otherwise in the award agreement.

Unless the award agreement provides otherwise, if an optionee's service relationship with us, or any of our affiliates, ceases due to disability or death or the optionee dies within a specified period after termination of service, the optionee, or his or her beneficiary, may exercise any vested portion of the option for a period of 12 months in the event of disability or 18 months in the event of death, after the date the service relationship ends or after death, as applicable. If an optionee's relationship with us, or any of our affiliates, ceases for any reason other than disability or death, the optionee may exercise any vested portion of the option for a period of three months from cessation of service, unless the terms of the stock option agreement provide for earlier or later termination. In no event, however, may an option be exercised after the expiration of its term, as set forth in the stock option agreement.

*Restricted Stock and Restricted Stock Units.* A restricted stock award is an award of shares of our common stock, subject to specified restrictions. A restricted stock unit award is an award of the right to receive shares of our common stock (or the cash equivalent) in the future. Restricted stock and restricted stock units are granted pursuant

to stock award agreements with a purchase price, if any, determined by the plan administrator. Upon termination of a recipient's service with us, shares of restricted stock that are unvested as of the date of such termination may be reacquired by us subject to the terms of the restricted stock award agreement. Restricted stock awards may be subject to a repurchase right in accordance with a vesting schedule determined by the plan administrator. Restricted stock and restricted stock units may be transferable only to the extent provided in the stock award agreement.

*Performance Criteria.* Restricted Stock and Restricted Stock Units granted under the Plan that are intended to qualify as "performance based compensation" under Section 162(m) of the Code shall be subject to the attainment of performance goals relating to the Performance Criteria selected by the Compensation Committee and specified at the time such Restricted Stock and Restricted Stock Units are granted. For this purpose, "Performance Criteria" means one or more of the following: (1) cash flow; (2) earnings per share; (3) earnings before interest, taxes, and amortization; (4) return on equity; (5) total shareholder return; (6) share price performance; (7) return on capital; (8) return on assets or net assets; (9) revenue; (10) revenue growth; (11) earnings growth; (12) operating income; (13) operating profit; (14) profit margin; (15) return on operating revenue; (16) return on invested capital; (17) market price; (18) brand recognition; (19) customer satisfaction; (20) operating efficiency; or (21) productivity. Any of these Performance Criteria may be used to measure the performance of the Company as a whole or any business unit or division of the Company. For stock awards not intended to be performance-based compensation for purposes of Section 162(m) of the Code, the Board or committee may designate such other performance criteria as it deems appropriate.

*Stock Appreciation Rights.* Stock appreciation rights entitle a participant to receive a payment equal in value to the difference between the fair market value of a share of common stock on the date of exercise of the stock appreciation right over the grant price of the stock appreciation right. The appreciation will be paid in shares of common stock, in cash, or any combination, as the plan administrator determines. Stock appreciation rights are granted pursuant to stock award agreements. The plan administrator may grant a stock appreciation right in connection with a stock option or as a stand-alone award. The plan administrator determines the grant price, which cannot be less than 100% of the fair market value of a share of common stock on the date of grant, the number of shares subject to the stock appreciation right, the term of the stock appreciation right, and other terms and conditions of the award. With respect to a stock appreciation right that is granted in connection with a stock option, such stock appreciation right will be exercisable only to the extent that the related stock option is exercisable and will expire no later than the date on which the related stock option expires. If a recipient's relationship with us, or any of our affiliates, ceases for any reason, any unvested stock appreciation rights will be forfeited and any vested stock appreciation rights will be automatically redeemed.

*Capitalization Adjustments.* In the event of a dividend or other distribution (whether in the form of cash, shares of common stock, other securities, or other property), recapitalization, stock split, reorganization, merger, consolidation, exchange of our common stock or our other securities, or other change in our corporate structure, the plan administrator will appropriately adjust the number and class of shares that may be delivered under the 2006 Plan and the number, class and price of the shares covered by each outstanding stock award.

*Change in Control.* In the event of a change in control (as defined in the 2006 Plan), all outstanding awards under the 2006 Plan may be assumed, continued or substituted for by any surviving or acquiring entity. If the surviving or acquiring entity elects not to assume or continue the stock awards, or to substitute similar stock awards, the vesting of such awards held by award holders whose service with us or any of our affiliates has not terminated will be accelerated and such awards will be fully vested and exercisable immediately prior to the consummation of such transaction, and the stock awards shall automatically terminate upon consummation of such transaction if not exercised prior to such event.

*Amendment and Termination.* The Board may amend (subject to stockholder approval as required by applicable law, regulation or rule of a stock exchange on which our shares are listed that requires stockholder approval for the amendment to be effective), suspend or terminate the 2006 Plan at any time. We will not make any stock awards under the 2006 Plan after December 12, 2016.

### **Federal Income Tax Consequences**

The following is intended only as a brief summary of the material U.S. federal income tax consequences of awards granted under the 2006 Plan. The applicable tax rules are complex and subject to change. The tax

consequences to a participant will generally depend upon the type of award granted to the participant. In general, if a participant recognizes ordinary income in connection with the grant, vesting or exercise of an award, the Company will be entitled to a corresponding tax deduction equal to the amount of the income recognized by the participant, subject to the limitations of Section 162(m) of the Internal Revenue Code of 1986, as amended (which we refer to as the Code). This summary does not address the effects of other federal taxes (including possible “golden parachute” excise taxes) or taxes imposed under state, local or foreign laws.

*Options and Stock Appreciation Rights.* In general, a participant does not have taxable income upon the grant of an option or a stock appreciation right. The participant will recognize ordinary income upon exercise of a nonqualified stock option equal to the excess of the fair market value of shares acquired on exercise over the aggregate option price for the shares. Upon exercising a stock appreciation right, the participant will recognize ordinary income equal to the cash or fair market value of the shares received. A participant will not recognize ordinary income upon exercise of an incentive stock option, or ISO, except that the alternative minimum tax may apply. If a participant disposes of shares acquired upon exercise of an ISO before the end of the applicable holding periods, the participant will recognize ordinary income. Otherwise, a sale of shares acquired by exercise of an option or a stock appreciation right generally will result in short-term or long-term capital gain or loss measured by the difference between the sale price and the participant’s tax basis in the shares. We normally can claim a tax deduction equal to the amount recognized as ordinary income by the participant in connection with an option or stock appreciation right, but no tax deduction relating to a participant’s capital gains. We will not be entitled to any tax deduction with respect to an ISO if the participant holds the shares for the applicable ISO holding periods before selling or transferring the shares.

*Restricted Stock and Restricted Stock Units.* If an award is subject to a restriction on transferability and a substantial risk of forfeiture (for example, restricted stock), the participant generally must recognize ordinary income equal to the fair market value of the transferred amounts at the earliest time either the transferability restriction or risk of forfeiture lapses. If an award has no restriction on transferability or is not subject to a substantial risk of forfeiture, the participant generally must recognize ordinary income equal to the cash or the fair market value of shares received. We can ordinarily claim a tax deduction in an amount equal to the ordinary income recognized by the participant, except as discussed below regarding Section 162(m) of the Code. A participant may irrevocably elect to accelerate the taxable income to the time of grant of restricted stock rather than upon lapse of restrictions on transferability or the risk of forfeiture (Section 83(b) election).

*Section 409A.* Section 409A of the Code imposes certain election, payment and funding requirements on “nonqualified deferred compensation” arrangements. If a nonqualified deferred compensation arrangement subject to Section 409A of the Code fails to meet, or is not operated in accordance with, the requirements of Section 409A, then compensation deferred under the arrangement may become immediately taxable and subject to a 20% additional tax. Certain awards that may be issued under the 2006 Plan may constitute a “deferral of compensation” subject to the requirements of Section 409A of the Code. The Company has adopted amendments to the 2006 Plan intended to satisfy the Section 409A plan document requirements.

*Section 162(m).* Compensation of persons who are “covered employees” of the Company is subject to the tax deduction limits of Section 162(m) of the Code (the \$1 million deduction limit). Awards that qualify as “performance-based” compensation are exempt from this limit. The 2006 Plan is designed to permit the Compensation Committee, in its discretion, to grant awards that are intended to satisfy the “performance-based” compensation requirements under Section 162(m) of the Code. For purposes of Section 162(m) of the Code, the terms of an award must state, in terms of an objective formula or standard, the method of computing the amount of compensation payable under the award, and must preclude discretion to increase the amount of compensation payable under the terms of the award (but may give the Compensation Committee discretion to decrease the amount of compensation payable). A number of requirements must be met in order for particular compensation to qualify, and we cannot assure you that compensation under the equity incentive plan will be fully deductible by us under all circumstances.

## **New Plan Benefits**

Future benefits under the 2006 Plan are not currently determinable. With respect to fiscal year 2009, stock appreciation rights and restricted stock awards were granted under the 2006 Plan to the Company’s named executive

officers, non-executive directors and other employees as set forth below. The per share closing price of our common stock on April 5, 2010 was \$3.49 per share.

**PROPOSAL 3 - APPROVAL OF THE POTENTIAL ISSUANCE OF  
APPROXIMATELY 27.8 MILLION SHARES OF OUR COMMON STOCK, EXCEEDING 20% OF THE  
NUMBER OF SHARES OUTSTANDING ON APRIL 5, 2010, PURSUANT TO THE SECURITIES  
PURCHASE AGREEMENT DATED MARCH 4, 2010 BETWEEN THE COMPANY AND  
HANLONG (USA) MINING INVESTMENT, INC.**

**Introduction**

On March 4, 2010, we signed a Securities Purchase Agreement (the "Purchase Agreement") with Hanlong (USA) Mining Investment, Inc. ("Hanlong"), an affiliate of Sichuan Hanlong Group, a large privately held Chinese company. The Purchase Agreement and the related agreements described below form the basis of a significant investment by Hanlong in the Company that is intended to provide the Company with adequate capital to develop the Mt. Hope Project, a molybdenum deposit near Elko, Nevada, that is the Company's primary asset. The Purchase Agreement provides for the investment by Hanlong of \$80 million to acquire a number of shares of our common stock that will equal 25% of our outstanding stock on a fully-diluted basis in two tranches. The average price per share, based on the anticipated number of shares to be issued, is approximately \$2.88. The average price will be reduced if ArcelorMittal S.A. ("Arcelor") exercises its preemptive right to acquire additional shares of stock because Hanlong will receive additional shares to bring its ownership to 25% of our fully-diluted outstanding shares. If Arcelor exercises its preemptive right, the average price of the shares purchased by Hanlong will be approximately \$2.77. The closing price of our common stock as reported on the NYSE Amex on March 4, 2010, prior to the signing of the Purchase Agreement with Hanlong, was \$2.60. The share issuance is part of a larger transaction that includes the commitment by Hanlong to use its commercially reasonable efforts to procure a \$665 million bank loan for the Company (the "Term Loan") from a prime Chinese bank that will be guaranteed by an affiliate of Hanlong, a \$20 million bridge loan from Hanlong to the Company, and a long-term molybdenum supply off-take agreement pursuant to which a Hanlong affiliate will agree to purchase a substantial part of the molybdenum production from the Mt. Hope Project at specified prices.

We are seeking stockholder approval, pursuant to Rule 713 of the NYSE Amex Company Guide, of the initial sale of shares of our Company's stock to Hanlong and the other issuances that may occur in connection with the Purchase Agreement that are described below. The description below covers the material provisions of the transaction and is qualified in its entirety by reference to the Securities Purchase Agreement attached to this proxy statement as Annex B, the Bridge Loan Agreement attached to this proxy statement as Annex C, the Pledge Agreement attached to this proxy statement as Annex D and the Stockholder Agreement attached to this proxy statement as Annex E.

**Background**

The Company owns an indirect 80% interest in the Mt. Hope Project. In February 2008, we formed a limited liability company (the "LLC") to develop the Mt. Hope Project with POS-Minerals Corporation, an affiliate of POSCO, a Korean company that is one of the world's largest steel producers. We contributed the Mt. Hope Project to the LLC in exchange for an 80% interest in the LLC and POS-Minerals contributed \$100 million to the LLC for a 20% interest. Each of us and POS-Minerals has obligations to contribute funds to the LLC in the future to pay for the development of the Mt. Hope Project, which we estimate will cost approximately \$1.15 billion. To fund our obligation, which we estimate to be about \$923 million before financing costs, we sought equity and bank financing from several institutional sources. We began discussions with Hanlong in November 2009.

**Purchase Agreement**

*Stock Purchase.* The Purchase Agreement provides, subject to terms and conditions of the Purchase Agreement, for the purchase by Hanlong for an aggregate price of \$80 million, of approximately 27.8 million shares of our common stock which will equal 25% of our outstanding common stock on a fully-diluted basis following the purchase, or approximately 38.3% of our currently outstanding common stock. Fully-diluted means all of our outstanding common stock plus all outstanding options and warrants, whether or not currently exercisable. Hanlong is obligated to purchase the first 12.5% of our fully-diluted shares, or approximately 11.9 million shares ("Tranche 1") for \$40 million, or approximately \$3.36 per share, following satisfaction of certain conditions, including receipt of stockholder approval of the equity issuances in connection with the transaction, publication of the notice of availability of the Draft Environmental Impact Statement (the "DEIS") concerning the Mt. Hope

Project by the Bureau of Land Management (the "BLM"), receipt of necessary Chinese government approvals for certain portions of the transaction, assurances from Hanlong as to the availability of the Term Loan, approval of the shares for listing on the NYSE Amex and absence of certain defaults. The actual number of shares and price per share will be adjusted for any change in the number of fully-diluted shares before the closing of Tranche 1. The parties may waive the conditions to their respective obligations. The Company anticipates that Tranche 1 will close in the third or fourth quarter of 2010.

The second tranche ("Tranche 2"), which will involve the purchase of approximately 15.9 million additional shares, will be for a purchase price of an additional \$40 million, or approximately \$2.52 per share. Issuance of a larger number of shares in Tranche 2 is necessary to bring the total Hanlong holdings to 25% of our outstanding shares on a fully-diluted basis because the issuance of the Tranche 1 shares will increase the number of our outstanding common shares. The actual number of shares and price per share will also be adjusted for any change in the number of fully-diluted shares before the closing of Tranche 2. Significant conditions to the closing of Tranche 2 include issuance of the Record of Decision for the Mt. Hope Project by the BLM, approval of the plan of operation for the Mt. Hope Project by the BLM, and the completion of documentation for and satisfaction of conditions precedent to lending under the Term Loan. The Purchase Agreement may be terminated by either party (provided the terminating party is not in default) if the closings of Tranche 1 and Tranche 2 have not occurred by January 31, 2011, and September 30, 2011, respectively, subject to extension under some circumstances to January 31, 2012.

The purchase of common stock by Hanlong will give Arcelor, which presently owns approximately 10.0% of our common stock on a fully-diluted basis, the right to acquire additional shares so that it can maintain its current level of ownership. We are negotiating with Arcelor as to the terms on which it will purchase additional shares of common stock, if any. If Arcelor acquires more shares pursuant to its pre-emptive right, Hanlong will receive an additional number of shares that will maintain its percentage interest at 25% of the fully-diluted common stock without additional payment.

Hanlong will have the right to purchase a portion of any additional shares of common stock that we issue so that it can maintain its percentage ownership unless its ownership at the time is below 5%. It may also acquire additional shares so that it maintains a 20% indirect interest in the Mt. Hope Project if our interest in the LLC is reduced below 80%. If we issue shares to fund our obligation to fund the Mt. Hope Project under certain circumstances and Hanlong exercises its rights to maintain its percentage interest, we will be obligated to refund to Hanlong the cost of such shares over a three-year period up to an aggregate of \$9 million.

*Loan Procurement.* Pursuant to the Purchase Agreement, Hanlong is obligated to use its commercially reasonable efforts to procure the Term Loan in an amount of at least \$665 million with a term of at least 14 years after commercial production begins at the Mt. Hope Project. The Term Loan is expected to bear interest at a rate of LIBOR plus a spread of between 2% and 4% per annum. The Purchase Agreement provides that the Term Loan will have customary covenants and conditions; however, the terms of the Term Loan have not been negotiated with the lender and we have no assurance as to the final terms of the Term Loan. Hanlong or an affiliate is obligated to guarantee the Bank Loan. When funds can be drawn by the Company under the Term Loan, the Company will pay a \$15 million arrangement fee to Hanlong who will pay all fees and expenses associated with the Term Loan before the Term Loan closing, including those charged by the Chinese bank.

*Break Fees.* A break fee is payable by each of us and Hanlong if the Purchase Agreement terminates because of the failure of certain conditions to the closing of Tranche 1 or Tranche 2. A break fee of \$10 million is payable to the Company if the Purchase Agreement is terminated because Hanlong fails to obtain necessary Chinese government approvals or to give its assurances about the availability of the Term Loan. The Company has agreed to pay \$5 million to Hanlong if the conditions concerning our stockholder approval, the publication of the DEIS or the Record of Decision are not timely satisfied or waived and the Purchase Agreement is terminated. The Company break fees may be increased by \$5 million if the Purchase Agreement is terminated and the Company has violated the "no-shop" provisions of the Purchase Agreement and may be increased in other circumstances not to exceed an additional \$3 million if the Company requests and Hanlong grants certain extensions of deadlines concerning the DEIS and up to an additional \$2 million if the Company requests and Hanlong grants certain extensions concerning the Record of Decision. In addition, the Company must pay a \$2 million fee to Hanlong if it grants the extension concerning the Record of Decision, which fee can be credited against the arrangement fee described above. The break fee payable by the Company to Hanlong may be paid in cash, or, in certain circumstances, in shares of our

common stock at our option. If paid in shares, the price would be the volume weighted average of our common stock on the NYSE Amex for the five days ending six days after the announcement of the termination.

*No Shop.* The Company has agreed that it will not seek alternative proposals that would supplant the proposed transaction with Hanlong until the closing of the transactions contemplated by the Purchase Agreement or the earlier termination of the Purchase Agreement. The Board may, in the exercise of its fiduciary obligations, consider an unsolicited offer that it views as superior to the Hanlong transaction.

*Registration Rights.* We have agreed to register for sale the shares purchased by Hanlong at its request.

### **Bridge Loan**

Hanlong has also agreed to provide a \$20 million bridge loan (the "Bridge Loan") to the Company which will be available in two equal \$10 million tranches. Both loan tranches are subject to the receipt of requisite Chinese government approvals, and Arcelor's election concerning its anti-dilution rights. The second loan tranche will be available five business days after receipt of stockholder approval. In each case, advances under the Bridge Loan are subject to the satisfaction of customary conditions. The first tranche of the Bridge Loan will bear interest at LIBOR plus 2% per annum. The second tranche of the Bridge Loan will bear interest at 10% per annum. The Bridge Loan will be repaid from the proceeds of the Term Loan. If Hanlong agrees, the second tranche also may be repaid, at the Company's election, in shares of the Company's common stock. If paid in shares, the price would be the volume weighted average of our common stock on the NYSE Amex for a five-day period after public announcement of the event that required repayment. The Company may offset its right, if any, to receive a break fee against its obligations to repay borrowings under the Bridge Loan. If not sooner repaid, the Bridge Loan will mature on the earliest of 120 days after the issuance of the Record of Decision, the date on which the Purchase Agreement terminates, and January 31, 2012. The Bridge Loan and our obligation to pay a break fee to Hanlong under the Purchase Agreement will be secured by a pledge by us of a 10% limited liability company interest in the LLC.

### **Supply Agreement**

The Company has signed a molybdenum supply agreement (the "Supply Agreement") with a Hanlong affiliate (referred to in this subsequent discussion as "Hanlong"), which will be effective upon the later of the Tranche 2 closing, the Term Loan closing, or the Company's election not to enter into the Term Loan. Until the expiration of certain existing molybdenum supply agreements by which the Company is currently bound (the "Existing Supply Agreements"), Hanlong will be required to purchase all the Company's share of the Mt. Hope molybdenum production above that necessary for the Company to meet its existing supply commitments. After the expiration of the Existing Supply Agreements, until the original scheduled maturity date of the Term Loan, or if the Company elects not to enter into the Term Loan, 14 years after commencement of commercial production from the Mt. Hope Mine, Hanlong must annually purchase the greater of 16 million pounds and 70% of the Company's share of Mt. Hope production. Following the original scheduled maturity date of the Term Loan, or if the Company elects not to enter into the Term Loan, 14 years after commencement of commercial production from the Mt. Hope Mine, Hanlong must purchase a percentage of the Company's share of Mt. Hope production equal to 2.5 times Hanlong's fully-diluted percentage ownership of our common stock. Subject to certain exceptions, the Supply Agreement will terminate once Hanlong's fully-diluted percentage ownership of the Company falls below 5%, provided that Hanlong is no longer a guarantor of the Term Loan. If the cause of Hanlong's ownership falling below 5% is a change of control of the Company or a dilutive transaction in which Hanlong does not have the right to participate, the Supply Agreement will not terminate and Hanlong will be obligated to continue to purchase a percentage of the Company's share of Mt. Hope production equal to 2.5 times Hanlong's fully-diluted percentage ownership of the Company as it existed immediately prior to such change of control or dilutive transaction. If the Company elects not to enter into the Term Loan, and Tranche 2 does not close, Hanlong's obligation to purchase the Company's share of Mt. Hope production in each of the periods described above will be half of the obligations described above.

Prices under the Supply Agreement are at two levels. Twenty-five percent of the production Hanlong receives will be sold at a fixed-floor price per pound subject to adjustment, which pricing is similar to floor-price protected contracts that the Company has in place with other large steel producers and metal traders. Those contracts have fixed-floor prices ranging from \$12.50 to \$13.50 per pound and incremental discounts above the floor price. For the remaining 75% of the production Hanlong receives, it will pay spot prices for molybdenum, less a small discount.

The result of the transaction will be that if the Company elects to enter into the Term Loan, or if the Tranche 2 closing occurs, all of Mt. Hope's production will be committed for the first five years of operation, approximately half of which will contain floor price protection to help support the Company's ability to service its debt in periods of low metal prices.

### **Stockholder Agreement**

In connection with the Tranche 1 closing, Hanlong will sign a Stockholder Agreement with the Company that limits Hanlong's future acquisitions of our common stock, provides for designation of up to two directors to our Board, and places some restrictions on Hanlong's voting and disposition of our shares.

After the Tranche 1 closing, Hanlong will be entitled to nominate one director to our Board so long as it maintains at least a 10% fully-diluted interest in the Company. After the Tranche 2 closing, and so long as Hanlong retains fully-diluted stock ownership of at least 20%, Hanlong will be entitled to nominate a second director. The Company has agreed to assure that each Hanlong nominee is included in the Board's slate of nominees submitted to our stockholders, subject to the Board's fiduciary obligations and compliance by the nominee with applicable law and Company requirements concerning disclosure of information. The Hanlong nominees will also serve on committees for which they are eligible. Following the Tranche 1 closing and until its guaranty has expired or otherwise been terminated, Hanlong will have the right to appoint one representative to the management committee of the LLC.

Hanlong has also agreed not to purchase additional shares, except as permitted by the Purchase Agreement, without the Company's prior consent following the Tranche 1 closing, and has agreed that it will not solicit proxies, join a group with respect to our equity securities, solicit or encourage an offer from another person for the Company, call a meeting of the Company's stockholders or make a proposal to the Company's stockholders, except to the Board. If our Board receives an offer for the Company, its assets or a merger that the Board determines is in the best interests of the Company's stockholders, Hanlong is required to vote in favor of such a transaction or tender its shares unless it proposes an alternative transaction that our Board determines is more favorable to our stockholders than the offer received. If Hanlong makes an offer that our Board determines is more favorable to our stockholders, our Board is required to waive any provisions of the Stockholder Agreement that would restrict Hanlong's actions with respect to pursuing the offer.

Under the Stockholder Agreement, Hanlong may not, without the prior written consent of the Board, transfer ownership in the securities if the recipient would acquire beneficial ownership of more than 5% of our common stock as of the date of such transfer. The restrictions on Hanlong's share ownership, voting, disposition and drag-along rights will terminate on the earlier of the time that Hanlong owns less than 12% of our common stock, the date that commercial production begins at the Mt. Hope Project, and June 30, 2014.

### **Effect on Existing Stockholders**

Issuance of shares of common stock under the Purchase Agreement will have a dilutive effect on the ownership percentage of the Company's existing stockholders. If our stockholders approve the proposal, we will have satisfied one condition precedent to the Tranche 1 closing. Other significant conditions precedent will remain as described above. If we are able to obtain the requisite permits to develop Mr. Hope and satisfy the other conditions of closing of the Purchase Agreement and Term Loan, we expect the development of the Mt. Hope Project will be funded and that we will be able to meet substantially all of our obligations to the LLC for additional contributions. The terms of the transaction are, we believe, very favorable and could be obtained only because of the unique mix of favorable financing and a commitment to supply molybdenum to Hanlong under the Supply Agreement. If the transaction closes, we will have commitments to purchase our production from the Mt. Hope Project for the initial five years of operations at prices that we believe are attractive and provide floor pricing at a cost that is reasonable.

If our stockholders fail to approve the proposal, we will not satisfy a condition to the obligation of Hanlong to proceed with the transaction, will lose the potential of attractive financing for the Mt. Hope Project, and we will be required to pay a \$5 million break fee. We have no immediate prospects for alternative financing, and we would face substantial delays in commencing production at the Mt. Hope Project while we attempt to obtain more financing. Alternative financing is expected to take a substantial amount of time to negotiate and close, thus

delaying production at Mt. Hope. Pending additional financing, the Company would continue to operate in a cash conservation mode with virtually no progress on development of the Mt. Hope Project.

While the Stockholder Agreement limits the ability of Hanlong to control us, it will expire no later than June 30, 2014 (which is expected to be two years after commercial production has commenced at the Mt. Hope Project). At that time, Hanlong will be free from the limitations in the Stockholder Agreement on voting and acquiring additional shares of our common stock. The large ownership of our common stock by Hanlong and the right of Hanlong to make a competing offer in the event that any offer is made to acquire the Company may discourage a sale of the Company at attractive terms if Hanlong opposes the sale, and will otherwise give Hanlong the ability to exercise significant control over us.

#### **Vote Required**

The affirmative vote of holders of a majority of the shares of common stock entitled to vote that are present in person or by proxy at the Annual Meeting is required to approve the potential issuance of shares of our common stock, exceeding 20% of the number of shares outstanding on April 5, 2010, pursuant to the Purchase Agreement.

#### **Recommendation**

The Board of Directors recommends that stockholders vote **FOR** Proposal 3. If not otherwise specified, proxies will be voted **FOR** Proposal 3.

## **PROPOSAL 4 - RATIFICATION OF INDEPENDENT AUDITOR**

The Audit Committee of our Board selected PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2010. Our Board is asking stockholders to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2010. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to appoint, retain, and supervise our independent auditor, our Board considers the selection of our independent registered public accounting firm to be an important matter of stockholder concern and is submitting the selection of PricewaterhouseCoopers LLP for ratification by stockholders as a matter of good corporate practice. If the stockholders do not ratify the selection of PricewaterhouseCoopers LLP as our independent auditors, the Audit Committee will reconsider whether to retain PricewaterhouseCoopers LLP. Even if the selection of PricewaterhouseCoopers LLP is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions.

## COMPENSATION DISCUSSION AND ANALYSIS

### Introduction

This Compensation Discussion and Analysis provides information regarding the executive compensation program for our principal executive officer, principal financial officer and the three executive officers (other than the principal executive officer and principal financial officer) who were the most highly compensated executives of the Company during fiscal 2009, our “named executive officers” or NEOs. During fiscal 2009, these individuals were:

- Bruce D. Hansen, Chief Executive Officer or CEO;
- David A. Chaput, Chief Financial Officer or CFO;
- Robert I. Pennington, Vice President of Engineering and Construction;
- Gregory E. McClain, Vice President of Business Development; and
- Lee M. Shumway, Controller and Treasurer.

Compensation information for Daniel G. Zang, a former executive officer of the Company, is also included in the executive compensation tables. Mr. Zang terminated employment with the Company effective May 15, 2009. Prior to his termination, he was our Controller and Treasurer during fiscal 2009.

This Compensation Discussion and Analysis provides an overview of our executive compensation philosophy and objectives. It describes the material elements of our executive compensation program during fiscal 2009 and information about our compensation decisions.

### Executive Compensation Philosophy and Objectives

We are a development stage company. Our business is the exploration, development and future mining of properties primarily containing molybdenum. Our primary asset is an 80% interest in the Mt. Hope Project, a primary molybdenum property, located in Eureka County, Nevada.

Our corporate strategy has been to acquire and develop highly profitable advanced stage mineral deposits. In the short-term, we are focused on raising additional capital sufficient to complete the development of the Mt. Hope Project based on our current schedule, while at the same time conserving our cash resources until such additional capital can be raised. We have a strong, proven management team with experience in mine development, corporate and project finance and operations.

Because of our modest size and stage of development, we do not have an extensive executive compensation program. Instead, we have a fairly simple executive compensation program that is intended to provide appropriate compensation for our executive officers. Our executive compensation program currently has three primary elements: base salary, annual cash incentives and equity-based incentives. The program’s overall objective is to enable us to obtain and retain the services of experienced executives. The compensation packages for our executive officers are designed to promote teamwork as well as individual initiative and achievement. The compensation program seeks to enhance stockholder value by aligning the financial interests of our executive officers with those of our stockholders. Our equity-based compensation element is designed to attract and retain our executive officers and to align the executive’s long-term financial interests with those of our stockholders. We have also designed our compensation program to motivate and reward executives whose knowledge, skills and performance are critical to our success. Compensation depends to a significant extent on the achievement of annual and long-term performance goals.

We have entered into employment agreements or offer letters and change of control severance agreements with each of our named executive officers. A summary of our agreements with each of our named executive officers is included following the executive compensation tables under the heading “Potential Payments Upon Termination or Change in Control.” We believe that these agreements are necessary to attract and retain executives

experienced in mine development, corporate and project finance and operations to help grow the Company and increase our stockholder value. Each agreement sets the compensation for the individual executive officer. In establishing the agreement with each executive officer, the Compensation Committee takes into account many factors, including the individual's prior business experience, historical compensation levels, work performance, retention considerations and our business need for the executive's skills. The Compensation Committee also considered external market data, market trends, and the individual experience of the Compensation Committee members. During 2009, we entered into Stay Bonus Agreements with each of our named executive officers. A summary of the Stay Bonus Agreements is included under the heading "Stay Bonus Agreements" below.

### **Role of Compensation Committee and Executive Officers**

Our Compensation Committee has overall responsibility for (a) establishing, administering and evaluating the compensation philosophy, policies and plans for non-employee directors and executive officers, (b) making recommendations to the Board regarding director and executive compensation and (c) reviewing the performance and determining the compensation of our CEO and the other executive officers. The committee administers our equity incentive plans, reviews and approves any employment, severance or change in control agreements and performs other functions set forth in its charter.

In carrying out its responsibilities, the committee works with members of our management team, including our CEO. The management team assists the committee by providing information on Company and individual performance, market data and management's perspective and recommendations on compensation matters. Although the committee solicits and reviews management's recommendations, the committee considers management's recommendations as merely one factor in making compensation decisions for our executive officers. The committee regularly reports to, and sometimes consults with, our Board on the results of its reviews and any actions it takes or proposes to take with respect to compensation policies and executive officer compensation decisions. Our human resources department and our senior paralegal assist the committee in its work.

### **Role of Compensation Consultant**

In February 2008, the committee engaged Watson Wyatt, a national compensation consulting firm, to provide it with information, recommendations and other advice relating to executive and director compensation. In fiscal 2008, Watson Wyatt participated in three committee meetings and provided assistance to the committee regarding a review of recommendations related to our executive officer base salaries, annual cash incentive compensation and long-term equity awards levels and design for a three year period, 2009-2011.

One of the purposes of the committee in hiring Watson Wyatt as its compensation consultant was to assist the committee in comparing our executive compensation program with executive compensation programs of other companies. As we progress from a development stage company to a mining operations company, the committee intends to adjust our executive compensation elements and pay levels based on market data and relevant trend information for our peer group. In 2008, we benchmarked salaries and target annual cash pay (salary plus target annual incentive) to use as a starting point to adjust compensation over the next three years.

The committee reviewed market data provided by Watson Wyatt in 2008 to compare our executive compensation elements and levels to those of similar sized companies with which we compete for talent and business. The committee, with the assistance of Watson Wyatt, selected designated mining industry compensation surveys and peer group companies consisting of North American companies primarily engaged in the hard rock mining of metals and coal mining, as well as other general industry companies, to use for comparison.

The data compiled by Watson Wyatt consisted of publicly-available compensation data compiled in 2008 (e.g., from proxy statements) and surveys published by Watson Wyatt and third parties. Watson Wyatt adjusted the data (via regression analyses and/or selection of appropriate size "cuts") to reflect comparator companies similar to our size, targeting companies approximately one-half to two times our projected post-operational annual revenue of \$1 billion. For purposes of this comparison, we define the "market value" for each executive position as the average of data from two sources: 1) published compensation surveys, and 2) proxy statements from a selected group of "peer" companies.

For 2008, the mining industry compensation surveys included: Hay Group 2007 Global Mining Compensation Review, Country Report – USA, October, 2007; McDermott International North American Mining Industry Compensation Report, 2007; CostMine U.S. Metal & Industrial Mineral Mine Salaries, Wages & Benefits, December 2007; and CostMine U.S. Coal Mine Salaries, Wages & Benefits, January 2008. The general industry surveys included: Watson Wyatt Data Services Survey Report on Top Management Compensation, 2007/08; US Mercer Benchmark Database: Executive, 2007; and Watson Wyatt Data Services Report on Long-Term Incentives, Policies & Practices.

For 2008, the peer companies included: Alliance Resource Partners, L.P.; Alpha Natural Resources, Inc.; AMCOL International Corporation; Cameco Corporation; Century Aluminum Company; Cleveland-Cliffs Inc. (name changed to Cliffs Natural Resources Inc. in October, 2008); Compass Minerals International Inc.; Foundation Coal Holdings, Inc.; International Coal Group, Inc.; Massey Energy Company; Stillwater Mining Company; and USEC Inc.

Early in 2009, the Compensation Committee decided to postpone most compensation adjustments for our executives due to the status of the Company's development of the Mt. Hope mine and our cash conservation measures. Accordingly, we did not engage Watson Wyatt during 2009 to update peer group and benchmark compensation information for our overall executive compensation program. During 2009, Watson Wyatt provided information and recommendations to management regarding the Company's share overhang as compared to its 2008 peer group, updated peer group compensation information for the Controller and Treasurer position and provided other equity compensation information and advice.

### **Elements of Compensation and 2009 Compensation Decisions**

Our compensation program has three primary elements: base salary, annual cash incentives (bonus) and equity-based incentives. Our executive officers also participate in employee benefits that are generally available to all our employees, plus additional life insurance benefits. Each of these elements is discussed further below.

*Base Salary.* Base salary represents the fixed portion of our executive officers' compensation and is an important element of compensation to attract, retain and motivate experienced executives. We establish our executives' salaries based on consideration of, among other things, the scope of their responsibilities, taking into account competitive market compensation for similar positions determined in the collective judgment of the committee and information provided by Watson Wyatt, seniority of the individual, and our ability to replace the individual. The committee reviews base salaries annually and makes adjustments from time to time. An adjustment to an executive's salary may be made, for example, to align that salary with the committee's perception of market levels, taking into account the individual's responsibilities, performance and experience. As a development stage company with limited financial resources, the salaries for our executive officers were initially established at levels the committee believes were below the median salaries for comparable positions with operating companies. During 2006-2010, the committee has made periodic adjustments to some executive salaries to bring the salaries closer to amounts the committee believes more closely reflect salaries paid to individuals in operating companies with similar positions and responsibilities.

We target the salary range midpoints for each executive position at the median of the competitive peer group. The committee guideline for the salary range for each executive position is  $\pm 20\%$  of the midpoint (80% to 120% of the median). For 2009, salaries were below these ranges for Mr. Hansen, Mr. Chaput, Mr. Pennington and Mr. McClain; they were within these ranges for Mr. Zang and Mr. Shumway.

For 2009, salaries and target annual incentives for our named executive officers compared to the median of our peer group were as follows: Mr. Hansen, 55% and 33%; Mr. Chaput, 73% and 54%; Mr. Pennington, 79% and 48%; Mr. McClain, 64% and 42%; Mr. Shumway, 77% and 64% and Mr. Zang, 76% and 63%.

For 2009, there were no salary increases for Mr. Hansen and Mr. Chaput. Mr. Pennington received a 25% salary increase (from \$200,000 to \$250,000), Mr. McClain initially received an 18% increase (from \$170,000 to \$200,000), but he voluntarily elected to reduce his salary by 25% to \$160,000. Mr. Shumway's duties expanded in June of 2009 to include that of Controller and Treasurer; his compensation was not increased in 2009. Mr. Zang received a 6% increase (from \$165,000 to \$175,000).

For 2010, there were no salary increases for Mr. Pennington or Mr. McClain. Mr. Hansen received a 29% salary increase (from \$350,000 to \$450,000), Mr. Chaput received a 22% increase (from \$225,000 to \$275,000), and Mr. Shumway received an 11% increase (from \$175,780 to \$195,000).

*Annual Cash Incentives.* Our executive officers have the opportunity to earn annual cash incentives for achievement of corporate and individual goals and objectives. Annual bonuses have traditionally been paid to executive officers to recognize specific accomplishments and overall performance, as determined by the committee in its discretion. For 2009, the Company did not use quantitative targets to determine incentive compensation. The committee determined not to award any annual cash incentives to our named executive officers for fiscal 2009.

*Long-Term Equity Incentives.* As a development stage company with limited financial resources, long-term equity awards are a significant element of our executive compensation program. Equity awards have been a key component in attracting and retaining our executive officers. Each of our named executive officers negotiated equity awards in his employment or offer letter agreement.

We believe that stock-based incentives through stock options, stock appreciation rights and restricted stock awards ensure that our executive officers have a continuing stake in our long-term success, which will enable us to transition from a development stage company to an operating company. We focus on creating long-term value for our stockholders by aligning the financial interests of our executive officers with those of our stockholders, since the price of our stock is the principal factor in stockholder value over time.

Historically, we have issued stock options and restricted stock awards to our executive officers and key employees under our 2003 Stock Option Plan (the 2003 Plan) and our 2006 Equity Incentive Plan (the 2006 Plan). Following the adoption and stockholder approval of the 2006 Plan, no additional awards were granted under the 2003 Plan, however, awards outstanding under the 2003 Plan continue in accordance with their terms. For a limited period of time, we issued stock options pursuant to individual option agreements that were not approved by our stockholders. See "Equity Compensation Plan Information." Stock options have been principally awarded at the start of employment with a two- to three-year vesting period. The purpose of the 2006 Plan is to provide us with a greater ability to attract, retain, and motivate our officers, directors and key employees.

Our 2006 Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock awards, restricted stock units and stock appreciation rights, which may be granted to our employees (including officers), directors and consultants. Each award is subject to an agreement between the Company and the recipient of the grant reflecting the terms and conditions of the award. Subject to the terms of the 2006 Plan, the Compensation Committee establishes grant dates, the numbers and types of stock awards to be granted and the terms and conditions of the stock awards, including the period of their exercisability and vesting. The Compensation Committee also determines, in accordance with the 2006 Plan, the option exercise price, the purchase price, if any, for restricted stock and restricted stock units, and, if applicable, the strike price for stock appreciation rights.

We target annual and long-term equity incentives for target levels within 10% of the median target levels for the competitive peer group (90% to 110% of the median). For 2009, target annual incentive opportunities were below these ranges for Mr. Hansen, Mr. Chaput, Mr. Pennington, Mr. McClain and Mr. Zang; the target was within the range for Mr. Shumway.

For fiscal 2009, our executive officers received stock appreciation rights (SARs) with respect to the following share amounts: Mr. Hansen, 200,000; Mr. Chaput, 80,000; Mr. Pennington, 80,000; Mr. McClain, 60,000; and Mr. Zang, 30,000. These awards are scheduled to vest over a period of three years. Mr. Shumway received a restricted stock award of 54,732 shares that is scheduled to vest on January 1, 2011. In April 2009, Mr. Pennington became vested in 10,000 shares of his restricted stock award granted in 2007. That portion of the award vested upon the Board's determination that the related performance goal regarding phase 2 engineering and procurement was satisfied.

*Stay Bonus Agreements.* During 2009, the Company entered into Stay Bonus Agreements with certain employees, including certain of its named executive officers in order to provide an incentive for each individual to continue his employment with the Company through the critical phase of obtaining permitting and construction financing for, and the construction of, the Mt. Hope mine. The Stay Bonus Agreements provide for the payment of a cash bonus to the covered executive if he remains continuously employed by the Company from May 7, 2009

through January 1, 2011. The cash bonus amounts for the covered executives are \$262,500 for Mr. Hansen, \$112,500 for Mr. Chaput, \$125,000 for Mr. Pennington and \$100,000 for Mr. McClain. Mr. Shumway's agreement provides for the payment of a cash bonus of \$43,945 and a restricted share award of 54,732 shares of restricted stock that vests if he remains continuously employed by the Company from May 7, 2009 to January 1, 2011.

*Employee Benefits.* Our executive officers generally participate in the same employee benefit programs (401(k) plan, health, dental, vision, life, accident and disability insurance) as other employees, except the named executive officers receive additional life insurance benefits.

### **Employment and Change of Control Agreements**

In order to attract and retain key executives, the Company previously entered into employment agreements with Mr. Hansen and Mr. Chaput. In February 2009, the agreements for Mr. Hansen and Mr. Chaput were amended to extend the term of the agreements to December 31, 2011 and to revise the change of control definition and benefits. As amended, upon a change of control, Mr. Hansen and Mr. Chaput are each entitled to: (i) a lump sum payment of (a) three times the executive's annual base compensation and (b) the executive's cash incentive award for major financing, if it has not previously been paid and (ii) full vesting of all outstanding stock-based equity awards. The definition of change of control was modified to include a change in the composition of the Company's Board such that if current members of the Board no longer constitute a majority of the Board (except for new directors whose election or nomination was approved by at least a majority of the incumbent board).

The terms of employment for Mr. Pennington, Mr. McClain, Mr. Shumway and Mr. Zang are covered by offer letter agreements, which included certain change of control benefits. In 2009, the Company entered into new change of control severance agreements with Mr. Pennington, Mr. McClain, Mr. Shumway and Mr. Zang, which amended certain terms contained in the offer letter agreements, including change of control benefits. The change of control severance agreements generally expire on December 31, 2011 and include the same definition of change of control as the agreements for Mr. Hansen and Mr. Chaput. Generally, if a change of control occurs and the Company (or its successor) terminates the employment of the covered executive without cause during the one-year period following the closing of the change of control event or the executive terminates employment for good reason during the one-year period, the executive will be entitled to a lump sum severance payment. The severance payment is subject to execution of a binding termination release agreement. The amount of the severance payment will be equal to two times the executive's annual base salary plus 100% of his target annual bonus for one year, if any. In addition, all outstanding stock-based awards will vest.

Mr. Zang terminated employment with the Company effective May 15, 2009. In connection with his termination of employment, Mr. Zang entered into a Waiver and Release Agreement with the Company. See "Summary Compensation Table, All Other Compensation" for additional information regarding the severance benefits provided to Mr. Zang.

### **Timing of Compensation Decisions**

Salary adjustments and bonus awards have typically been made at the Compensation Committee and Board meetings held in January or February and have been based, in part, on the individual executive officer's performance in the prior fiscal year.

### **Individual Executive Officers**

Each of our executive officers is considered individually in the compensation setting process. In setting cash compensation, the primary factors are the scope of the executive officer's duties and responsibilities, the executive officer's performance of those duties and responsibilities, the executive officer's experience level and tenure with us, and a general evaluation of the competition in the market for key executives with the executive officer's experience. Long-term equity incentives are focused largely on retention of our executive officers and matching the financial interests of our executive officers with those of our stockholders.

### Employment Agreements

The following is a summary of the employment agreements and offer letter agreements that were in effect between us and each of our named executive officers during the last fiscal year. For information regarding changes to the agreements effective during 2009, see "Compensation Discussion and Analysis, Employment and Change of Control Agreements."

*Bruce D. Hansen.* On January 30, 2007, we entered into an employment agreement with Mr. Hansen to serve as our Chief Executive Officer for a term of three years. Mr. Hansen's agreement was subsequently amended and restated effective September 13, 2007. The agreement was further amended in 2009 to extend the term and to modify and clarify the Company's obligations under the agreement upon a change of control of the Company. The following is a description of the terms of his agreement, as in effect on December 31, 2009.

The term of the agreement generally expires on December 31, 2011. Under this agreement, Mr. Hansen is paid an annual base salary of \$350,000, subject to annual review and adjustment by the Board. Mr. Hansen is eligible to receive a discretionary cash bonus in an amount, if any, as determined by the Board from time to time. In addition, Mr. Hansen was granted a stock option to purchase 750,000 shares of stock, of which 500,000 shares were scheduled to vest upon grant and 250,000 shares were scheduled to vest on the first anniversary of the grant. Mr. Hansen was also granted a restricted stock award of 250,000 shares that vested upon completion of a financing that satisfied the cash requirements in our 2007 budget. Upon the completion of an equity or debt financing that raises sufficient capital to commence production at the Mt. Hope Project, Mr. Hansen is entitled to a cash payment of \$1,000,000. If a "change of control" occurs, Mr. Hansen will be entitled to receive a payment equal to three years of annual base salary and the vesting of all outstanding unvested equity awards will accelerate. In addition, he will be paid the cash incentive award of \$1,000,000 for major financing if it has not previously been paid. In the event the Company terminates Mr. Hansen's employment without cause, Mr. Hansen will be entitled to any base compensation earned but not yet paid and a severance payment in an amount equal to two years of his annual base salary. If Mr. Hansen terminates his employment for "good reason," which includes a substantial diminution of Mr. Hansen's duties, a direction to Mr. Hansen that would violate local, state or federal law, or a failure by the Company to pay Mr. Hansen's base salary, Mr. Hansen will be entitled to any base compensation earned but not yet paid and a severance payment in an amount equal to one year of his annual base salary.

*David A. Chaput.* On April 25, 2007, we entered into the three-year employment agreement with David A. Chaput pursuant to which Mr. Chaput serves as our Chief Financial Officer. The agreement was further amended in 2009 to extend the term and to modify and clarify the Company's obligations under the agreement upon a change of control of the Company. The following is a description of the terms of his agreement, as in effect on December 31, 2009.

The term of the agreement generally expires on December 31, 2011. Pursuant to the terms of his agreement, Mr. Chaput is paid a minimum base salary of \$225,000 per year. His agreement includes a cash bonus of \$50,000 upon his establishment of a dwelling at his assigned location, which was paid to him during 2007. In addition, the agreement provides for other cash bonuses as our Board may determine from time to time. In

accordance with the agreement, Mr. Chaput received an option to purchase 400,000 shares of common stock under the 2006 Plan, 150,000 of which were scheduled to vest on the grant date, 100,000 of which were scheduled to vest on the first anniversary of the grant date, and 150,000 of which were scheduled to vest upon completion of a financing which raises sufficient capital to commence production of the Mt. Hope Project. Mr. Chaput will also receive a cash payment of \$400,000 within 45 days of the completion of a financing which raises sufficient capital to commence production at the Mt. Hope Project. Upon a "change of control" of the Company, Mr. Chaput will receive three years of his annual base compensation, and any outstanding unvested equity awards that Mr. Chaput holds will vest on the effective date of the closing of the change of control event. In the event the Company terminates Mr. Chaput's employment without cause, Mr. Chaput will be entitled to his base compensation earned but not yet paid and a severance payment in an amount equal to two years of his annual base salary. If Mr. Chaput terminates his employment for "good reason," which includes a substantial diminution of Mr. Chaput's duties, a direction to Mr. Chaput that would violate local, state or federal law, or a failure by the Company to pay Mr. Chaput's base salary, Mr. Chaput will be entitled to receive any base compensation earned but not yet paid and a severance payment equal to one year of his annual base salary.

*Robert I. Pennington.* On October 5, 2007, we entered into an offer letter agreement with Robert I. Pennington pursuant to which Mr. Pennington serves as our Vice President of Engineering and Construction. Pursuant to the terms of this agreement, Mr. Pennington is paid a base salary of \$200,000 per year. Mr. Pennington received an option to purchase 150,000 shares of common stock under the 2006 Plan, 50,000 of which were scheduled to vest on the grant date, 50,000 of which were scheduled to vest on the first anniversary of the grant date, and 50,000 of which were scheduled to vest on the second anniversary of the grant date, so long as Mr. Pennington is an employee of the Company on the vesting date. In addition, Mr. Pennington is also eligible to receive up to 165,000 shares of restricted common stock upon reaching certain pre-determined specific goals. If Mr. Pennington's employment is terminated by the Company as a result of a change of control, upon the effective date of the change of control, Mr. Pennington will be paid two years of his annual salary and all of his outstanding stock options will vest.

*Gregory E. McClain.* On July 25, 2007, we entered into an offer letter agreement with Gregory E. McClain pursuant to which Mr. McClain serves as our Vice President of Business Development. Pursuant to the terms of this agreement, Mr. McClain is paid a base salary of \$170,000 per year. Effective April 1, 2009, Mr. McClain voluntarily reduced his hours and his pay to 80% of his base salary and Mr. McClain's salary for 2009 was \$160,000. Mr. McClain's offer letter agreement also provided Mr. McClain a cash sign-on bonus of \$75,000. In addition, Mr. McClain received an option to purchase 150,000 shares of common stock under the 2006 Plan, 50,000 of which were scheduled to vest on the grant date, 50,000 of which were scheduled to vest on the first anniversary of the grant date, and 50,000 of which were scheduled to vest on the second anniversary of the grant date, so long as Mr. McClain is an employee of the Company on the vesting date. If Mr. McClain's employment is terminated by the Company as a result of a change of control, upon the effective date of the change of control, Mr. McClain will be paid two years of his annual salary and all of his outstanding stock options will vest.

*Lee M. Shumway.* On November 6, 2007, we entered into an offer letter agreement with Lee M. Shumway pursuant to which Mr. Shumway initially served as the Director of Business Process/Information Technology. Mr. Shumway now serves as our Controller and Treasurer. Pursuant to the terms of this agreement, Mr. Shumway is paid a base salary of \$165,000 per year. Mr. Shumway's offer letter agreement also provided Mr. Shumway an option to purchase 100,000 shares of common stock under the 2006 Plan, 50,000 of which were scheduled to vest on the first anniversary of the grant date and the other 50,000 of which were scheduled to vest on the second anniversary of the grant date, so long as Mr. Shumway is an employee of the Company on the vesting date. If Mr. Shumway's employment is terminated by the Company as a result of a change of control, upon the effective date of the change of control, Mr. Shumway will be paid two years of his annual salary and all of his outstanding stock options will vest.

#### **Change of Control – Employment Agreements**

Generally, for purposes of the executive employment and change of control severance agreements, a change of control occurs if:

- Any single holder (or group acting in concert) acquires ownership of 50% or more of the outstanding common stock or combined voting power of the Company (under the present capitalization, outstanding

stock and voting power are the same). The following acquisitions are excluded: (a) acquisition of shares from the Company; and (b) acquisition of shares by the Company or by any employee benefit plan sponsored by the Company; or

- There is a business combination (a merger, reorganization, etc.) involving the Company and another company unless substantially all of the holders who owned shares of the Company before the combination own more than half of the shares of the company resulting from the combination in substantially the proportion that they owned our shares and no one (including a group acting in concert) owns more than one-half of the resulting company. In other words, generally, if we merged with another company and our stockholders owned more than one-half of the resulting company there would not be a change of control. If they owned less than 50%, a change of control would have occurred; or
- The current (incumbent) members of the Company's Board no longer constitute at least a majority of the Board; provided, however, that an individual that becomes a director whose election or nomination was approved by at least a majority of the directors serving on the incumbent Board is considered as though such individual was a member of the incumbent Board unless the individual assumed the office as a result of an actual or threatened election contest or solicitation of proxies or consents on the person's behalf; or
- All or substantially all of our operating assets are sold to an unrelated party; or
- Our stockholders approve a liquidation or dissolution of the Company.

#### **2006 Equity Incentive Plan and 2003 Stock Option Plan**

In general, under the terms of the 2006 Equity Incentive Plan and the 2003 Stock Option Plan, in the event of a change in control (as defined in each of the plans), outstanding awards will either be assumed or substituted by the surviving corporation or automatically become fully vested and exercisable for a limited period of time.

#### **Severance and Change in Control Payments**

The following is a summary of potential payments payable to our named executive officers upon termination of employment or a change in control of the Company under each circumstance assuming the event occurred on December 31, 2009. Actual payments will be paid in a lump sum and may be more or less than the amounts described below. In addition, the Company may enter into new arrangements or modify these arrangements, from time to time.

(a) **Share Reserve.** Subject to the provisions of Section 12 relating to adjustments upon changes in Common Stock, the Common Stock that may be issued pursuant to Stock Awards shall not exceed in the aggregate 9,600,000 shares of Common Stock, including 430,000 Former Plan Shares. The number of shares of Common Stock that may be issued pursuant to Incentive Stock Options shall be limited to the above maximum number of shares issuable under the Plan.

(b) **Reversion of Shares and Availability of Shares to the Share Reserve.** If any Stock Award granted under the Plan or under the Former Plan shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, or if any shares of Common Stock issued to a Participant pursuant to a Stock Award granted under the Plan or under the Former Plan are forfeited back to or repurchased by the Company, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting or exercise of such shares, then the shares of Common Stock not acquired under such Stock Award (the "**Former Plan Shares**"), shall become available for issuance under the Plan. Former Plan Shares shall include reserved shares of Common Stock that are not subject to a grant under the Former Plan. The number of shares of Common Stock underlying a Stock Award not issued as a result of any of the following actions shall again be available for issuance under the Plan: (i) a payout of a Stand-Alone Stock Appreciation Right, or a performance-based award of Restricted Stock or Restricted Stock Units in the form of cash; (ii) a cancellation, termination, expiration, forfeiture, or lapse for any reason (with the exception of the termination of a Tandem Stock Appreciation Right upon exercise of the related Options, or the termination of a related Option upon exercise of the corresponding Tandem Stock Appreciation Right) of any Stock Award; (iii) payment of the Option exercise price and/or payment of any taxes arising upon exercise of the Option by withholding shares of Common Stock which otherwise would be acquired on exercise or issued upon such payout; and (iv) upon the exercise of a Stock Appreciation Right settled in shares of Common Stock, the number of shares related to the exercise that were not issued to the Participant.

(c) **Source of Shares.** The shares of Common Stock subject to the Plan may be unissued shares or reacquired shares, bought on the market or otherwise.

#### 5. ELIGIBILITY.

(a) **Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to Employees. Stock Awards other than Incentive Stock Options may be granted to Eligible Recipients.

(b) **Ten Percent Shareholders.** A Ten Percent Shareholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least 110% of the Fair

Market Value of the Common Stock at the date of grant and the Option is not exercisable after the expiration of five years from the date of grant.

(c) **Consultants.** A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act ("**Form S-8**") is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, or because the Consultant is not a natural person, or as otherwise provided by the rules governing the use of Form S-8, unless the Company determines both (i) that such grant (A) shall be registered in another manner under the Securities Act (e.g., on a Form S-3 Registration Statement) or (B) does not require registration under the Securities Act in order to comply with the requirements of the Securities Act, if applicable, and (ii) that such grant complies with the securities laws of all other relevant jurisdictions. Form S-8 generally is available to consultants and advisors only if (i) they are natural persons, (ii) they provide bona fide services to the issuer, its parents, its majority-owned subsidiaries or majority-owned subsidiaries of the issuer's parent, and (iii) the services are not in connection with the offer or sale of securities in a capital-raising transaction, and do not directly or indirectly promote or maintain a market for the issuer's securities.

(d) **Foreign Participants.** Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its subsidiaries operate or have Employees, Directors or Consultants, the Board, in its sole discretion, shall have the power and authority to: (i) determine which subsidiaries shall be covered by the Plan; (ii) determine which Employees, Directors or Consultants outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Stock Award granted to Employees, Directors or Consultants outside the United States to comply with applicable foreign laws; (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable (any such subplans and/or modifications shall be attached to this subplan as appendices); *provided, however*, that no such subplans and/or modifications shall increase the number of shares reserved for the Plan as set forth in Section 4 of the Plan; and (v) take any action, before or after a Stock Award is made, that it deems advisable to obtain approval or comply with any applicable foreign laws.

## 6. OPTION PROVISIONS.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for shares of Common Stock purchased on exercise of each type of Option. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option Agreement or otherwise) the substance of each of the following provisions:

(a) **Term.** Subject to the provisions of Section 5(b) regarding Ten Percent Shareholders, no Option shall be exercisable after the expiration of ten years from the date it was granted.

(b) **Exercise Price of an Incentive Stock Option.** Subject to the provisions of Section 5(b) regarding Ten Percent Shareholders, the exercise price of each Incentive Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock

Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

**(c) Exercise Price of a Nonstatutory Stock Option.** The exercise price of Nonstatutory Stock Options shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.

**(d) Consideration.** The purchase price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (i) in cash at the time the Option is exercised, or (ii) at the discretion of the Board at the time of the grant of the Option (or subsequently in the case of a Nonstatutory Stock Option) (A) by delivery to the Company of other Common Stock, (B) according to a deferred payment or other similar arrangement with the Optionholder, (C) pursuant to a cashless exercise program implemented by the Company in connection with the Plan, or (D) in any other form of legal consideration that may be acceptable to the Board. Unless otherwise specifically provided in the Option Agreement, the purchase price of Common Stock acquired pursuant to an Option that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock of the Company that have been held for more than six months (or such longer or shorter period of time required by the Board).

In the case of any deferred payment arrangement, interest shall be compounded at least annually and shall be charged at the minimum rate of interest necessary to avoid the treatment as interest, under any applicable provisions of the Code, of any amounts other than amounts stated to be interest under the deferred payment arrangement.

**(e) Transferability of an Incentive Stock Option.** An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

**(f) Transferability of a Nonstatutory Stock Option.** A Nonstatutory Stock Option shall be transferable only to the extent provided in the Option Agreement (subject to applicable securities laws). Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

**(g) Vesting Generally.** The total number of shares of Common Stock subject to an Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(g) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

**(h) Termination of Continuous Service.** In the event an Optionholder's Continuous Service terminates (other than upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on

the earlier of (i) the date three months following the termination of the Optionholder's Continuous Service (or, except with respect to Incentive Stock Options, such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate.

**(i) Extension of Termination Date.** Except with respect to Incentive Stock Options, an Optionholder's Option Agreement may also provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than upon the Optionholder's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of the term of the Option set forth in Section 6(a), or (ii) the expiration of a period of thirty days after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements.

**(j) Disability of Optionholder.** In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (i) the date 12 months following such termination (or, except with respect to Incentive Stock Options, such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein, the Option shall terminate.

**(k) Death of Optionholder.** In the event (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death pursuant to Section 6(e) or 6(f), but only within the period ending on the earlier of (A) the date 18 months following the date of death (or, except with respect to Incentive Stock Options, such longer or shorter period specified in the Option Agreement) or (B) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

**(l) Early Exercise.** The Option may, but need not, include a provision whereby the Optionholder may elect at any time before the Optionholder's Continuous Service terminates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to the full vesting of the Option. The early purchase of any unvested shares of Common Stock will be pursuant to an early exercise provision in the Option Agreement which may provide for a repurchase option in favor of the Company and other restrictions the Board determines to be appropriate. Any repurchase option so provided for will be subject to the repurchase provisions set forth in Section 11(h).

**(m) Substitution of Stock Appreciation Rights for Options.** The Board shall have the sole discretion to substitute without receiving Participants' permission, Stock Appreciation Rights paid only in stock for outstanding Options; provided, the terms of the substituted Stock Appreciation Rights are substantially the same as the terms of the Options, the number of shares

underlying the number of Stock Appreciation Rights equals the number of shares underlying the Options and the difference between the Fair Market Value of the underlying shares of Common Stock and the grant price of the Stock Appreciation Rights is equivalent to the difference between the Fair Market Value of the underlying shares of Common Stock and the exercise price of the Options.

**(n) Re-Load Options.**

**(i)** Without in any way limiting the authority of the Board to make or not to make grants of Options hereunder, the Board shall have the authority (but not an obligation) to include as part of any Option Agreement a provision entitling the Optionholder to a further Option (a "*Re-Load Option*") in the event the Optionholder exercises the Option evidenced by the Option Agreement, in whole or in part, by surrendering other shares of Common Stock in accordance with this Plan and the terms and conditions of the Option Agreement. Unless otherwise specifically provided in the Option Agreement, the Optionholder shall not surrender shares of Common Stock acquired, directly or indirectly from the Company, unless such shares have been held for more than six months (or such longer or shorter period of time as determined by the Board).

**(ii)** Any such Re-Load Option shall (i) provide for a number of shares of Common Stock equal to the number of shares of Common Stock surrendered as part or all of the exercise price of such Option, (ii) have an expiration date which is the same as the expiration date of the Option the exercise of which gave rise to such Re-Load Option, and (iii) have an exercise price which is equal to 100% of the Fair Market Value of the Common Stock subject to the Re-Load Option on the date of exercise of the original Option. Notwithstanding the foregoing, a Re-Load Option shall be subject to the same exercise price and term provisions heretofore described for Options under the Plan.

Any such Re-Load Option may be an Incentive Stock Option or a Nonstatutory Stock Option, as the Board may designate at the time of the grant of the original Option; *provided, however*, that the designation of any Re-Load Option as an Incentive Stock Option shall be subject to the \$100,000 annual limitation on the exercisability of Incentive Stock Options described in Section 11(d) of the Plan and in Section 422(d) of the Code. There shall be no Re-Load Options on a Re-Load Option. Any such Re-Load Option shall be subject to the availability of sufficient shares of Common Stock under Section 4(a) and shall be subject to such other terms and conditions as the Board may determine that are not inconsistent with the express provisions of the Plan regarding the terms of Options.

**7. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.**

**(a) Restricted Stock and Restricted Stock Units.**

**(i) Designation.** Restricted Stock or Restricted Stock Units may be granted under the Plan. After the Board determines that it will offer Restricted Stock or Restricted Stock Units, it will advise the Participant in writing or electronically, by means of a Stock Award Agreement, of the terms, conditions and restrictions, including vesting, if any, related to the offer, including the number of shares of Common Stock that the Participant shall be entitled to receive or purchase, the price to be paid, if any, and, if applicable, the time within which the Participant must accept the offer. The offer shall be

accepted by execution of a Stock Award Agreement or as otherwise directed by the Board. The term of each award of Restricted Stock or Restricted Stock Units shall be at the discretion of the Board.

**(ii) Restrictions.** Subject to Section 7(b)(iii), the Board may impose such conditions or restrictions on the Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may determine advisable, including the achievement of specific performance goals, time based restrictions on vesting, or others. If the Board or the Committee establishes performance goals, the Board or the Committee shall determine whether a Participant has satisfied the performance goals.

**(iii) Performance Criteria.** Restricted Stock and Restricted Stock Units granted pursuant to the Plan that are intended to qualify as “performance based compensation” under Section 162(m) of the Code shall be subject to the attainment of performance goals relating to the Performance Criteria selected by the Committee specified at the time such Restricted Stock and Restricted Stock Units are granted. For purposes of this Plan, “*Performance Criteria*” means one or more of the following (as selected by the Board or the Committee: (1) cash flow; (2) earnings per share; (3) earnings before interest, taxes, and amortization; (4) return on equity; (5) total shareholder return; (6) share price performance; (7) return on capital; (8) return on assets or net assets; (9) revenue; (10) revenue growth; (11) earnings growth; (12) operating income; (13) operating profit; (14) profit margin; (15) return on operating revenue; (16) return on invested capital; (17) market price; (18) brand recognition; (19) customer satisfaction; (20) operating efficiency; or (21) productivity. Any of these Performance Criteria may be used to measure the performance of the Company as a whole or any business unit or division of the Company. For Stock Awards not intended to be performance-based compensation for purposes of Section 162(m) of the Code, the Board or the Committee may designate such other performance criteria as it deems appropriate.

**(iv) Transferability.** Restricted Stock and Restricted Stock Units shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Award Agreement, as the Board shall determine in its discretion.

**(v) Vesting.** Unless the Board determines otherwise, the Stock Award Agreement shall provide for the forfeiture of the non-vested shares of Common Stock underlying Restricted Stock or the termination of unvested Restricted Stock Units upon termination of a Participant’s Continuous Service. To the extent that the Participant purchased the shares of Common Stock granted under any such Restricted Stock award and any such shares of Common Stock remain non-vested at the time of termination of a Participant’s Continuous Service, the termination of Participant’s Continuous Service shall cause an immediate sale of such non-vested shares of Common Stock to the Company at the original price per share of Common Stock paid by the Participant.

**(b) Stock Appreciation Rights.** Grants of Stock Appreciation Rights shall be pursuant to a Stock Award Agreement, which shall be in such form and shall contain such terms and conditions, as the Board deems appropriate. The Board may grant Stock Appreciation Rights in connection with all or any part of an Option (“*Tandem Stock Appreciation Rights*”) to a Participant or in a stand-alone grant (“*Stand-Alone Stock Appreciation Rights*”). The terms and conditions of a Stock Appreciation Right shall include (through incorporation of the provisions hereof by reference in the Stock Award Agreement or otherwise) the substance of each of the following provisions:

(i) **Calculation of Appreciation.** Each Stock Appreciation Right will be denominated in shares of Common Stock equivalents. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of shares of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) an amount that will be determined by the Board at the time of grant of the Stock Appreciation Right (which amount shall not be less than the Fair Market Value of such shares of Common Stock at the time of grant of the Stock Appreciation Rights).

(ii) **Vesting.** At the time of the grant of a Stock Appreciation Right, the Board may impose such restrictions or conditions to the vesting of such Stock Appreciation Right as it deems appropriate.

(iii) **Exercise.** To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Award Agreement evidencing such Stock Appreciation Right.

(iv) **Payment.** The appreciation distribution in respect of a Stock Appreciation Right may be paid in Common Stock, in cash, or any combination of the two, as the Board deems appropriate.

(v) **Termination of Continuous Service.** If a Participant's Continuous Service terminates for any reason, any unvested Stock Appreciation Rights shall be forfeited and any vested Stock Appreciation Rights shall be automatically redeemed.

(vi) **Transferability.** Stock Appreciation Rights shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Award Agreement, as the Board shall determine in its discretion.

(vii) **Tandem Stock Appreciation Rights.** A Tandem Stock Appreciation Right shall be exercisable only to the extent that the related Option is exercisable and a Tandem Stock Appreciation Right shall expire no later than the date on which the related Option expires.

## 8. COVENANTS OF THE COMPANY.

(a) **Availability of Shares.** During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) **Securities Law Compliance.** The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; *provided, however*, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the

Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained.

**9. USE OF PROCEEDS FROM STOCK.**

Proceeds from the sale of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

**10. EFFECTIVE DATE OF PLAN.**

The Plan shall become effective as determined by the Board, but no Stock Award shall be exercised (or, in the case of a stock bonus, shall be granted) unless and until the Plan has been approved by the shareholders of the Company, which approval shall be within twelve months before or after the date the Plan is adopted by the Board.

**11. MISCELLANEOUS.**

**(a) Acceleration of Exercisability and Vesting.** The Board shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

**(b) Shareholder Rights.** No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms.

**(c) No Employment or other Service Rights.** Nothing in the Plan or any instrument executed or Stock Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

**(d) Incentive Stock Option \$100,000 Limitation.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

**(e) Maximum Award Amounts.** In no event shall a Participant receive a Stock Award or Stock Awards during any one calendar year covering in the aggregate more than 1,000,000 shares of Common Stock.

(f) **Investment Assurances.** The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award, and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (A) the issuance of the shares of Common Stock upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(g) **Withholding Obligations.** To the extent provided by the terms of a Stock Award Agreement, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of Common Stock under a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) tendering a cash payment, (ii) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to the Participant as a result of the exercise or acquisition of Common Stock under the Stock Award, *provided, however*, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law, or (iii) delivering to the Company owned and unencumbered shares of Common Stock.

(h) **Repurchase Provisions.** The Company shall exercise any repurchase option specified in the Stock Award by giving the holder of the Stock Award written notice of intent to exercise the repurchase option. Payment may be cash or cancellation of purchase money indebtedness for the Common Stock. The terms of any repurchase option shall be specified in the Stock Award and may be either at Fair Market Value at the time of repurchase or at not less than the original purchase price.

(i) **Plan Unfunded.** The Plan shall be unfunded. Except for the Board's reservation of a sufficient number of authorized shares to the extent required by law to meet the requirements of the Plan, the Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure payment of any Stock Award under the Plan.

## 12. ADJUSTMENTS UPON CHANGES IN STOCK.

(a) **Capitalization Adjustments.** In the event that any dividend or other distribution (whether in the form of cash, shares of the Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, exchange of Common Stock or other securities of the Company, or other change in the corporate structure of the Company affecting the Common Stock occurs, the Board, in order to prevent diminution or enlargement of the benefits or potential

benefits intended to be made available under the Plan, shall appropriately adjust the number and class of Common Stock that may be delivered under the Plan and/or the number, class, and price of Common Stock covered by each outstanding Stock Award; provided however that no such adjustment shall be made to any Stock Award to the extent that it would, in the view of the Company, cause such Stock Award to be subject to Section 409A of the Code. The Board shall provide holders of Restricted Stock Units a dividend equivalent right, pursuant to a separate arrangement between the Company and any such holder, in the form of additional shares of Common Stock or units, with respect to the unvested shares of Common Stock or unvested units the Participant shall be entitled to receive or purchase.

**(b) Dissolution or Liquidation.** In the event of the proposed dissolution or liquidation of the Company, the Board will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, a Stock Award will terminate immediately prior to the consummation of such proposed action.

**(c) Change in Control.** In the event of Change in Control, then, to the extent permitted by applicable law: (i) any surviving corporation may assume any Stock Awards outstanding under the Plan or may substitute similar stock awards (including an award to acquire the same consideration paid to the shareholders in the transaction described in this Section 12(c)) for those outstanding under the Plan, or (ii) in the event any surviving corporation does not assume or continue such Stock Awards, or to substitute similar stock awards for those outstanding under the Plan in accordance with the preceding clause, then the time during which such Stock Awards may be exercised automatically will be accelerated and become fully vested and exercisable immediately prior to the consummation of such transaction, and the Stock Awards shall automatically terminate upon consummation of such transaction if not exercised prior to such event.

**(d) No Limitations.** The grant of Stock Awards will in no way affect the Company's right to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

### **13. AMENDMENT OF THE PLAN AND STOCK AWARDS.**

**(a) Amendment of Plan.** The Board at any time, and from time to time, may amend the Plan. However, except as provided in Section 12 relating to adjustments upon changes in Common Stock, no amendment shall be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy the applicable requirements of Section 422 or 162(m) of the Code and the Treasury Regulations thereunder, Rule 16b-3 or any Nasdaq or securities exchange listing requirements. For purposes of clarity, any increase in the number of shares reserved for issuance hereunder in accordance with the provisions of Section 4(a) shall not be deemed to be an amendment to the Plan; provided that any such adjustment that would increase the number of shares of Common Stock that may be issued pursuant to Incentive Stock Options (other than an increase merely reflecting a change in the number of outstanding shares, such as a stock dividend or stock split), shall constitute an amendment to the Plan requiring shareholder approval.

**(b) Contemplated Amendments.** It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the

Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Plan and/or Incentive Stock Options granted under it into compliance therewith.

(c) **No Impairment of Rights.** Rights under any Stock Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

(d) **Amendment of Stock Awards.** The Board at any time, and from time to time, may amend the terms of any one or more Stock Awards; *provided, however*, that the rights under any Stock Award shall not be impaired by any such amendment unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

#### 14. TERMINATION OR SUSPENSION OF THE PLAN.

(a) **Plan Term.** The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth anniversary of the date the Plan is adopted by the Board or approved by the shareholders of the Company, whichever is later. No Stock Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) **No Impairment of Rights.** Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the Participant.

#### 15. CHOICE OF LAW.

The law of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.

#### 16. SECTION 409A.

(a) **Time and Form of Payment.** Notwithstanding anything contained in this Plan or in a Stock Award Agreement to the contrary, the time and form of payment of a Stock Award that is subject to the limitations imposed by Section 409A of the Code, shall be set forth in the applicable Stock Award Agreement on or before the time at which the Participant obtains a legally binding right to the Stock Award (or such other time permitted under Section 409A of the Code) and such time and form of payment shall comply with the requirements of Section 409A of the Code.

(b) **Delay in Payment.** Notwithstanding anything contained in this Plan or a Stock Award Agreement to the contrary, if the Participant is deemed by the Company at the time of the Participant's "separation from service" with the Company to be a "specified employee" as determined under Section 409A of the Code, any "nonqualified deferred compensation" to which the Participant is entitled in connection with such separation from service after taking into account all applicable exceptions from Section 409A, shall not be paid or commence payment until the date that is the first business day following the six month period after the Participant's separation from service (or if earlier, the Participant's death). Such delay in payment shall only be effected with respect to each separate payment to the extent required to avoid adverse tax treatment to the Participant under Section 409A of the Code. Any compensation which would have otherwise been paid during the delay period (whether in a lump sum or in installments) in the absence of this Section 16(b) shall be paid to the Participant (or his or her beneficiary or

estate) in a lump sum payment on the first business day following the expiration of the delay period.

**(c) Key Definitions.** For purposes of this Plan, the term “termination of employment” shall mean “separation from service” and the terms “separation from service,” “specified employee” and “nonqualified deferred compensation” shall have the meanings ascribed to the terms pursuant to Section 409A and other applicable guidance.

**2.1 Organization and Standing.** Each of the Company and its Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority necessary for it to own or lease its properties and assets and to carry on its business as it is now being conducted (and, to the extent described therein, as described in the SEC Reports). Each of the Company and its Subsidiaries is duly qualified to transact business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or the nature of its businesses makes such qualification necessary, except where any failure to so qualify or be in good standing, individually or in the aggregate, would not have a material adverse effect on the business, assets, operations, properties or condition (financial or otherwise) of the Company and its Subsidiaries, taken as a whole, or on the Company's ability to consummate the transactions contemplated by this Agreement (a "Material Adverse Effect").

**2.2 Capitalization.** The authorized capital stock of the Company consists of 200,000,000 shares of Common Stock and 10,000,000 shares of preferred stock, par value \$0.001 per share ("Preferred Stock"). As of March 1, 2010, (i) 72,547,538 shares of Common Stock were issued and outstanding, and (ii) no shares of Common Stock were held in the treasury of the Company or by any Subsidiary of the Company. As of March 1, 2010, 3,044,989 shares of Common Stock were issuable (and such number was reserved for issuance) upon exercise of outstanding stock options granted pursuant to the Company's equity incentive plans (the "Plans"), restricted stock units covering 218,154 shares of Common Stock were issued under the Company's Plans and 7,455,434 shares of Common Stock are issuable upon exercise of outstanding warrants to purchase

Since September 30, 2009, the Company has not issued any shares of its capital stock, or securities convertible into or exchangeable or exercisable for such capital stock, other than those shares of capital stock reserved for issuance as set forth in this Section 2.2. As of the Signing Date, no shares of Preferred Stock are issued and outstanding. The Company has no stock option, incentive or similar plan other than the Plans, and intends to seek stockholder approval of amendments to its existing 2006 Equity Incentive Plan, as amended in order to increase the number of available shares to 4,948,936. All of the outstanding shares of capital stock of the Company have been duly and validly authorized and issued, and are fully paid and nonassessable. The Offered Shares have been duly and validly authorized and when issued, sold and delivered by the Company in accordance with this Agreement, will be validly issued, fully paid and nonassessable. Except as set forth in this Section 2.2, there are no outstanding options, warrants, conversion rights, subscription rights, preemptive rights, rights of first refusal or other rights or agreements of any nature outstanding to subscribe for or to purchase any shares of Common Stock or any other securities of the Company of any kind binding on the Company, except pursuant to rights issued under the Company’s Stockholder Rights Plan set forth in the Stockholder Rights Agreement, dated March 4, 2010 (the “Stockholder Rights Agreement”). The issuance by the Company of the Offered Shares is not subject to any preemptive rights, rights of first refusal or other similar limitation or any other claim, Lien, charge, encumbrance or security interest applicable to the assets of the Company, except those which have been waived. There are no restrictions upon the voting or transfer of any shares of Common Stock pursuant to the Company’s certificate of incorporation or bylaws. There are no agreements or other obligations (contingent or otherwise) that may require the Company to repurchase or otherwise acquire any shares of Common Stock.

**2.3 Authorization; Enforceability.** The Company has the corporate power and authority to execute, deliver and perform this Agreement and the other Transaction Documents to which it is a party and has taken all necessary corporate action to authorize the execution, delivery and performance by it of, and the consummation of the transactions contemplated by, this Agreement and such other Transaction Documents, except Stockholder Approval. No other corporate proceeding on the part of the Company is necessary for the valid execution and delivery by the Company of this Agreement and the other Transaction Documents to which it is a party, and the performance and consummation by the Company of the transactions contemplated by this Agreement and such other Transaction Documents to be performed by the Company, except as has been obtained or waived. The Company has duly executed and delivered this Agreement and, when executed and delivered by it, will have duly executed and delivered the other Transaction Documents to which it is a party. Assuming the due execution and delivery of this Agreement by Purchaser, this Agreement constitutes a legal, valid and binding

obligation of the Company, enforceable against the Company in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar Laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at Law). Assuming the due execution and delivery of the Transaction Documents to which the Company is a party (other than this Agreement) by Purchaser or an Affiliate of Purchaser, as applicable, each of such Transaction Documents, when executed and delivered by the Company, will constitute a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar Laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

#### **2.4 No Violation; Consents.**

(a) The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby to be performed by the Company do not and will not (i) assuming that all consents, approvals, authorizations and other actions described in Section 2.4(b) have been obtained and all filings and obligations described in Section 2.4(b) have been made, conflict with, violate or contravene the applicable provisions of any Law of any court or any federal or state government or political subdivision thereof and any agency or other entity exercising executive, legislative, judicial, regulatory or administrative functions of or pertaining to government (a "Governmental Authority") to or by which the Company or any of its Subsidiaries or any of its or their respective assets is bound, (ii) violate, result in a breach of or constitute (with due notice or lapse of time or both) a default or give rise to an event of acceleration under, or give to others any right of termination, amendment, or cancellation of, or give to others a right to require any payment to be made under, any contract, lease, license, permit, loan or credit agreement, mortgage, security agreement, trust indenture or other agreement or instrument to which the Company is a party or by which it or any of its Subsidiaries is bound or to which any of their respective assets is subject, nor result in the creation or imposition of any lien, security interest, charge or encumbrance of any kind upon any of the assets or capital stock of the Company or any of its Subsidiaries, or (iii) conflict with or violate any provision of the organizational and other governing documents of the Company or any of its Subsidiaries, except in the case of each of clauses (i), (ii) and (iii) above as would not have a Material Adverse Effect.

(b) Subject to the accuracy of Purchaser's representations and warranties herein, no consent, approval, authorization or order of, or filing or registration with, any Governmental Authority or other Person is required to be obtained or made by the Company for the execution, delivery and performance of this Agreement or the

(b) Except and to the extent set forth on the consolidated balance sheet of the Company and its Subsidiaries as at September 30, 2009 included in the Company Form 10-Q for the quarterly period ended September 30, 2009, neither the Company nor any of its Subsidiaries has any liability or obligation of any nature, except for liabilities or obligations incurred in the ordinary course of business consistent with past practice since September 30, 2009, that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

To the Company’s knowledge the Intellectual Property Rights that the Company (or any of its Subsidiaries) owns are valid and enforceable. To the Company’s knowledge the use of such Intellectual Property Rights by the Company (or any of its Subsidiaries) does not infringe upon or conflict with any license, copyright or trademark of any third party, and neither the Company nor any of its Subsidiaries has received written notice of any such infringement or conflict other than with respect to alleged infringements or conflicts that, individually or in the aggregate, if determined adversely to the Company would not reasonably be expected to have a Material Adverse Effect. reasonably be expected to have a Material Adverse Effect. To the knowledge of the Company, neither the Company nor any of its Subsidiaries is in conflict with, or in default or violation of, any of the Company Permits, which conflict or default or violation would, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

**2.11 Subsidiaries.** As of the Signing Date, the Company has no subsidiaries other than those set forth in the SEC Reports.

**2.12 Related Party Transactions.** None of the officers, directors or employees of the Company is presently a party to any transaction with the Company or any of its Subsidiaries (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or the advances of money or otherwise requiring payments to or from any such officer, director, employee or shareholder or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any such officer, director, employee or shareholder has a substantial interest or is an officer, director, trustee or partner.

Except for any required demand or notice or any demand or notice a true and correct copy of which has been or will be provided to Purchaser, POS-Minerals has not delivered any demand or notice to the Company, Nevada Moly or Eureka Moly under the provisions of the Eureka Moly LLC Agreement or the Contribution Agreement.

(b) furnish to Purchaser such number of Registration Statements and prospectuses and other documents incident thereto, including any amendment of or supplement to the prospectus, as Purchaser may from time to time reasonably request;

(c) promptly furnish to Purchaser copies of any comments that the SEC provides in writing to the Company pertaining to a Registration Statement, and any responses thereto from the Company to the SEC;

(d) promptly provide notice to Purchaser when a Registration Statement or any post-effective amendment thereto the same has become effective;

(e) use its commercially reasonable efforts to qualify the Registrable Securities for offer and sale under such other securities or blue sky laws of such jurisdictions in the United States as Purchaser reasonably requests;

(f) use its commercially reasonable efforts to cause all such Registrable Securities to be listed on NYSE Amex Equities market or the Toronto Stock Exchange or any other applicable securities exchange or quoted on each inter-dealer quotation system on which the Common Stock is then listed or quoted;

(g) pay all expenses incurred in connection with such registration, including registration and filing fees with the SEC, fees and expenses of compliance with securities or blue sky laws and fees and expenses incurred in connection with the listing or quotation of the Registrable Securities; and

(h) enter into customary agreements (including underwriting agreements in customary form) if requested by Purchaser, including such representations and warranties by the Company and such other terms and provisions as are customarily contained in underwriting agreements generally with respect to secondary distributions, including customary lock up provisions, indemnification and contribution provisions in

favor of the underwriters and customary agreements as to the provision of opinions of counsel and accountants' letters.

#### **4.3 Registration Statement Effectiveness.**

(a) The Company shall use commercially reasonable efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after filing thereof with the SEC (the date the SEC declares the Registration Statement effective, the "Effective Date"). The Company shall use commercially reasonable efforts to cause the Registration Statement to continue to be effective until the earlier to occur of (i) six months after the Effective Date and (ii) the date that Purchaser has either disposed of or has had the ability to dispose of all Registrable Securities within a single three-month period pursuant to Rule 144 of the Securities Act ("Effective Period"), and, during such period, to cause the Registration Statement and the prospectus contained therein to be updated as reasonably deemed necessary by the Company or required by the Securities Act or the Exchange Act to enable Purchaser to resell the Registrable Securities.

(b) If at any time during the period commencing 12 months after the Tranche 2 Closing Date and ending on the termination of the Company's obligations under this Article IV there is not an effective Registration Statement covering all of the Registrable Securities and the Company shall determine to prepare and file with the SEC a registration statement relating to an offering for its own account or the account of others under the Securities Act of any of its equity securities, other than on Form S-4 or Form S-8 (each as promulgated under the Securities Act) or their then equivalents relating to equity securities to be issued solely in connection with any acquisition of any entity or business or equity securities issuable in connection with the stock option or other employee benefit plans, then the Company shall send to Purchaser a written notice of such determination and, if within ten (10) Business Days after the date of such notice, Purchaser shall so request in writing, the Company shall include in such registration statement all or any part of such Registrable Securities Purchaser requests to be registered; provided, however, that, the Company shall not be required to register any Registrable Securities pursuant to this Section 4.3 that are then eligible for resale within a single month period pursuant to Rule 144 promulgated under the Securities Act or that are the subject of a then effective Registration Statement; provided further, that it shall be a condition to the inclusion of such Registrable Securities on such registration statement that Purchaser agrees to the same terms and conditions regarding method of sale applicable to the securities otherwise being sold through such registration. If such Registration Statement relates to an underwritten public offering and the underwriter of such proposed offering advises the Company and Purchaser that, in its opinion, the number of securities requested to be included in the Registration Statement (including securities to be sold by Purchaser or any other security holder) exceeds the number which can be sold in such offering within an acceptable price range, then the Company shall

include in such Registration Statement first the registrable securities required to be registered pursuant to a request under the Arcelor Securities Agreement, second the Registrable Securities Purchaser proposes to register, and third any securities the Company or any other security holder proposes to register.

(c) Promptly upon any registration statement filed pursuant to this Section 4.3 being declared effective by the SEC, the Company will file a related form of final prospectus pursuant to Rule 424(b) promulgated under the Securities Act.

(d) Purchaser agrees to indemnify (to the fullest extent permitted by applicable law) the Company, its officers and directors, each underwriter and selling broker, if any, and each person, if any, who controls the Company (within the meaning of the Securities Act), against liability, losses, claims, damages, actions or expenses (including, in each case, under the Securities Act or the Exchange Act) arising by reason of any statement contained in a registration statement (including any Registration Statement), or any amendment or supplement thereto, that Purchaser provided to the Company in writing explicitly for use in such registration statement, being actually or allegedly false or misleading or actually or allegedly omitting to state a material fact necessary to be stated in order that the statements made in such registration statement, in the circumstances in which they are made, not be misleading; provided that in no event will the aggregate amount Purchaser is required to pay pursuant to such indemnification obligations exceed the greater of the aggregate purchase price paid by Purchaser hereunder and the amount of the net proceeds received by Purchaser upon the sale of the Registrable Securities giving rise to such indemnification obligation. The Company hereby agrees to indemnify (to the fullest extent permitted by applicable law) Purchaser, its officers and directors, each underwriter and selling broker, if any, and each person, if any, who controls Purchaser (within the meaning of Securities Act) against liability, losses, claims, damages, actions or expenses (including, in each case, under the Securities Act or the Exchange Act) arising by reason of (i) any statement (other than a statement provided by Purchaser as described above) in or incorporated by reference in a registration statement (including any Registration Statement), or any amendment or supplement thereto, being actually or allegedly false or misleading or actually or allegedly omitting to state a material fact necessary to be stated in order that the statements made in or incorporated by reference in such registration statement, in the circumstances in which they are made, not be misleading, or (ii) any actual or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities laws or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities laws in connection with a registration statement.

(e) To the extent a claim for indemnification under this Section 4.3 is unavailable (by reason of public policy or otherwise) or insufficient to hold harmless an indemnified party in respect of any losses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or

payable by the indemnified party as a result of such losses, in such proportion as is appropriate to reflect the relative fault of the indemnifying party and indemnified party as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, was taken or made by, or relates to information supplied by, such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any losses shall be deemed to include, subject to the limitations set forth herein, any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for herein was available to such party in accordance with its terms.

(f) The parties to this Agreement hereby acknowledge that they are sophisticated business persons who were represented by counsel during the negotiations regarding the provisions hereof, including the provisions of this Section 4.3, and are fully informed regarding such provisions.

**4.4 Suspension.** Upon receipt of a notice (a "Suspension Notice") from the Company, after consultation with counsel, of the happening of any event that makes any statement made in the Registration Statement or related prospectus untrue or which requires the making of any changes in such Registration Statement or prospectus so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under which they were made not misleading, Purchaser shall forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement until Purchaser's receipt of the copies of the supplemented or amended prospectus (which the Company shall use commercially reasonable efforts to prepare and distribute promptly) or until it is advised in writing by the Company that the use of the prospectus may be resumed, and has received copies of any additional or supplemental filings which are incorporated by reference in the prospectus. Notwithstanding anything to the contrary in this Agreement, upon the delivery of a Suspension Notice the Company may delay the filing of any required amendment or supplement to the Registration Statement if: (a) in the good faith and reasonable judgment of the Board of the Company, after consultation with counsel, disclosure of such amended information could be seriously detrimental to the Company, and the Board of the Company concludes, as a result, that it is in the best interest of the Company to defer the filing of such amendment or supplement at such time, and (b) the Company furnishes to Purchaser a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Board of the Company, it could be seriously detrimental to the Company for such amendment or supplement to be filed at such time and that it is, therefore, in the best

interest of the Company to defer the filing of such amendment or supplement to the Registration Statement; provided, however, that (i) the Company shall have the right to defer such filing for a period of not more than 60 days, (ii) the Company shall not defer its obligation in this manner more than two times during any 12-month period and (iii) the Effective Period shall be extended for the amount of time that the Registration Statement is unavailable due to such a deferral. The Company shall be permitted to enter stop transfer instructions with the Company's transfer agent with respect to the Registrable Securities during any period under which a Suspension Notice shall be in effect.

**4.5 Termination of Obligations.** The obligations of the Company under this Article IV shall terminate on the last to occur of (i) a Purchaser Nominee is no longer a director of the Company; (ii) Purchaser and any of its Affiliates collectively hold less than 10% of the issued and outstanding Common Stock of the Company; or (iii) when Purchaser is no longer an "affiliate" of the Company within the meaning of Rule 144 of the Securities Act.

**4.6 Current Public Information.** As long as Purchaser owns any Registrable Securities that are not otherwise eligible for sale as contemplated by Rule 144(k) under the Securities Act, the Company shall use commercially reasonable efforts to file all required reports with the SEC, or otherwise make available "adequate current public information" about itself, within the meaning of Rule 144(c) under the Securities Act, to potentially make available to Purchaser the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities without registration. Notwithstanding the foregoing, to the extent that a holder of Registrable Securities may dispose of such Registrable Securities pursuant to a Registration Statement, the Company shall not be liable to any such holder for any breach of the provisions of this Section 4.6.

**ARTICLE V**  
**CONDUCT OF BUSINESS PENDING THE CLOSINGS**

The Company agrees that, between the Signing Date and each of the Tranche 1 Closing and the earlier of the Tranche 2 Closing and the expiration or termination of this Agreement, except as contemplated by any other provision of this Agreement, the business of the Company and its Subsidiaries shall be conducted in, and the Company and its Subsidiaries shall not take any action except in, the ordinary course of business consistent with past practice, and as the Company considers appropriate to develop the Mount Hope Project.

**ARTICLE VI**  
**ADDITIONAL AGREEMENTS**

The Company will, through its Board, subject to its fiduciary obligations, recommend to its stockholders the approval of the issuance of the Offered Shares and each such other matter and the Company shall use commercially reasonable efforts to solicit proxies in favor of the issuance of the Offered Shares and each such other matter and otherwise to secure the required vote of its stockholders; provided, however, the Company may, through its Board, withhold or terminate its recommendation that its stockholders approve the issuance of the Offered Shares and each such other matter, terminate solicitation of proxies and withdraw such proposal at the meeting of stockholders if the Board reasonably believes such actions are required or are consistent with its fiduciary obligations and if the Company has complied with the provisions of Section 6.11(c) and the applicable provisions of Section 8.4(a).

**6.2 Proxy Statement; Other Commission Filings.**

(a) As soon as reasonably practicable after the execution of this Agreement, the Company shall file with the SEC a preliminary proxy statement (the “Proxy Statement”) for the Stockholders meeting which may be combined with the Company’s annual meeting of Stockholders in which case the Company shall file the Proxy Statement after the information required for the annual meeting has been completed. The Proxy Statement shall be in form and substance reasonably satisfactory to the parties. The Company shall respond promptly to any comments of the SEC and shall use commercially reasonable efforts to cause the Proxy Statement to be cleared by the SEC as promptly as practicable after such filing after which the Company shall promptly mail the definitive Proxy Statement to its stockholders. The Company will notify Purchaser promptly of the receipt of any comments from the SEC or its staff or any

other government officials and of any request by the SEC or its staff or such other government officials for amendments or supplements to the Proxy Statement or any filing incorporated therein or for additional information, and will supply Purchaser with copies of all correspondence between it and any of its representatives, on the one hand, and the SEC or its staff or any other government officials on the other hand, with respect to the Proxy Statement and the transactions contemplated by this Agreement. Whenever any party hereto becomes aware of any event that is required to be set forth in an amendment or supplement to the Proxy Statement or any other filing with the SEC in connection with this Agreement, or the transactions contemplated hereby or thereby, such party shall promptly inform the other parties of such occurrence. The Company shall promptly prepare and file with the SEC any such amendment or supplement and, following clearance thereof, if applicable, mail such amendment or supplement to its stockholders. To the extent information regarding Purchaser or its affiliates is required for the preparation of the Proxy Statement, Purchaser shall promptly provide such information to the Company upon request.

(b) Until consummation of the transactions contemplated by this Agreement or earlier termination of this Agreement, the Company shall timely file all reports, registration statements, proxy or information statements and other documents required to be filed by it with the SEC, each of which filings shall comply with all applicable requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC under each such act. The Company shall each promptly notify Purchaser and its counsel of all filings with the SEC made by such party prior to the consummation of the transactions contemplated by this Agreement or earlier termination of this Agreement.

(c) The information supplied by Purchaser in writing expressly for the purpose of inclusion in the Company's Proxy Statement shall not, on the date the Proxy Statement is first mailed to the Company's stockholders, and at the time of the Company's stockholders meeting contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

**6.3 Listing Applications.** The Company shall apply to list the Offered Shares for trading on the NYSE Amex Equities market and will use all commercially reasonable efforts to cause such listing to be effective as of the Tranche 1 Closing, subject to issuance.

**6.4 Rights to Maintain Percentage Interest.** From the Effective Date (as defined in the Molybdenum Supply Agreement), until the date on which the Hanlong Ownership Percentage first falls below 5%:

(a) If the Company issues any shares of Common Stock of the Company, whether now authorized or not ("New Securities"), Purchaser shall have the right to purchase, in accordance with Section 6.4(c), such number of additional New Securities as necessary to ensure that Purchaser maintains the Hanlong Ownership Percentage in effect on the date of the Notice of Issuance. In no event shall Purchaser be entitled to purchase pursuant to this Section 6.4(a) additional New Securities that would result in the Hanlong Ownership Percentage exceeding 25% immediately after the completion of the issuance of New Securities unless the Hanlong Ownership Percentage exceeds 25% due to the issuance of shares of Common Stock by the Company to Purchaser pursuant to this Agreement or the Bridge Loan Agreement in which event Purchaser shall be entitled to purchase additional New Securities to maintain such Hanlong Ownership Percentage.

(b) The term "New Securities" shall not include: (i) Common Stock of the Company issued after the Signing Date to its employees, consultants, officers or directors of the Company or any of its Subsidiaries, or that have been reserved for issuance, pursuant to any employee stock option, employee stock purchase, employee stock bonus plan, or other similar employee stock arrangement approved by the Board, (ii) Common Stocks of the Company issued in connection with any pro rata stock split, stock dividend or recapitalization of the Company, (iii) Common Stock of the Company issued upon the exercise of Rights that are outstanding as of the Signing Date, (iv) the Bridge Loan Shares and (v) Common Stock issued as the Company Break Fee.

Purchaser shall have 20 days from the date of receipt of the Notice of Issuance to agree to purchase all of its pro rata share of New Securities (as determined pursuant to Section 6.4(a)) for the same consideration, if such consideration shall consist solely of cash, or, if the consideration is in whole or in part for consideration other than cash, for consideration having an equivalent value to the consideration payable by the person to whom the Company proposes to issue such New Securities at the time of payment (which may be paid in cash or marketable securities), and otherwise upon the terms specified in the Notice of Issuance, by giving written notice to the Company, and stating therein the quantity of New Securities that Purchaser is electing to purchase. If the issuance of New Securities is for other than cash, the cash equivalent for purposes of this Section 6.4, shall be determined in good faith by the Board.

For the avoidance of doubt, purchases of additional shares of Common Stock under this Section 6.4(d) are not subject to any limitation set forth in the last sentence of Section 6.4(a) above.

The obligation of the Company to issue Make Whole Promissory Notes shall terminate upon the Company's receipt of \$36,000,000 in net proceeds from the issuance of New Securities. Notwithstanding the foregoing, this Section 6.4(f) shall not apply to issuances of New Securities the use of proceeds from which primarily are to be used by the Company to fund development of projects other than the Mount Hope Project.

Each notice delivered under this Section shall be accompanied by a statement of an officer of Purchaser setting forth the details of the event or development requiring such notice.

(b) Purchaser shall act in good faith and use commercially reasonable efforts to facilitate the completion of the transactions contemplated under this Agreement and the Transaction Agreements on the terms and conditions set forth in this Agreement.

(c) Purchaser acknowledges that some of the information disclosed by the Company pursuant to this Agreement will be confidential information or material non-public information of the Company. Purchaser shall keep all such information confidential in accordance with the provisions of the NDA Agreement. Purchaser acknowledges that disclosure of such information could result in illegal trading in the Company's securities. Purchaser shall assure that each Person who receives information pursuant to the provisions of this Agreement is aware of the confidential nature of the information and that acting on that information or further disclosure of the information may be illegal.

#### **6.11 Alternative Proposals.**

(a) From the Signing Date until the earlier of (i) the Bank Loan Closing, (ii) the termination of this Agreement and (iii) the date that is six months after the ROD is issued (the "No Shop Period"), the Company shall immediately cease and cause to be terminated any solicitation, encouragement, discussions, or negotiations with any Person with respect to an alternative financing proposal, or another proposal that would make it impossible for the Company to carry out its obligations hereunder, conflicts with the transactions contemplated by this Agreement or the Transaction Documents, or relates to an acquisition by a Person or group (as defined in Section 13(d) of the Securities Exchange Act) of either (i) more than 50% of the voting securities of the Company pursuant to a tender offer, equity issuance, merger or otherwise, or (ii) more than 50% of the assets used in the conduct of the business of the Company, or (iii) a financing proposal that would provide financing to the Company more favorable than that contemplated by this Agreement (including the Bank Loan) (an "Alternative Proposal"),

and except as expressly permitted by this Agreement, the Company shall not (x) solicit, initiate, facilitate, or encourage (including by way of furnishing non-public information or providing access to its properties, books, records, or personnel) any inquiries regarding an Alternative Proposal or any offer constituting, or that could reasonably be expected to lead to, an Alternative Proposal or (y) have any discussions or participate in any negotiations regarding any Alternative Proposal, or execute or enter into any agreement, understanding, or arrangement with respect to an Alternative Proposal.

(b) Notwithstanding the preceding Section, if during the No Shop Period, the Board determines in good faith, after consultation with its financial advisors and its outside legal counsel, that (i) such Alternative Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and (ii) the failure to take the actions set forth in clauses (x) and (y) of this Section could be inconsistent with its fiduciary duties, then the Company may in response to such Alternative Proposal (x) furnish information with respect to the Company to the Person who has made such Alternative Proposal and (y) participate in discussions and negotiations regarding such Alternative Proposal. From and after the date of this Agreement, the Company shall promptly advise Purchaser orally and in writing of the receipt of any Alternative Proposal or any inquiry with respect to, or that could reasonably be expected to lead to, any such proposal, specifying the material terms and conditions thereof and the identity of the party making such proposal or inquiry.

In no event shall the Company give Purchaser notice of the first Offer less than twenty-one days prior to acceptance of such Offer. Purchaser shall have twenty-one days from the receipt of the first Offer Notice to deliver a competing offer to the Superior Proposal to the Board (the "Competing Offer") and the Board shall, in the exercise of its fiduciary duties, consider in good faith whether the Competing Offer is more favorable to the Company's stockholders than the terms of the Offer and any other competing proposals to the Superior Proposal before accepting the Competing Offer. If the Board (a) determines that the Competing Offer, or any subsequent Competing Offer from Purchaser, is more favorable to the Company's stockholders consistent with the methodology contained in the definition of "Superior Proposal" contained herein, and (b) acting reasonably and in good faith concludes that it is unlikely that the Company will receive any other proposals that would constitute a Superior Proposal, then the Company shall accept the applicable Competing Offer. All

information provided to Purchaser under this Section 6.11(c) shall be held in confidence in accordance with the terms of the NDA Agreement (whether or not then in effect).

**6.12 Certain Tax Covenants.** Notwithstanding any provision in this Agreement, the Company will deduct and withhold any and all amounts required to be withheld and paid to any taxing authority in respect of any payments to be made to Purchaser (including any amounts paid by the Company in respect of the Arrangement Fee, the Company Break Fee). In no event will Company pay any “additional amounts” or “gross-up” payments to any party under this Agreement in order to compensate such party for any reduction in the net after-tax proceeds it receives as a result of any amounts deducted and withheld by Company.

**6.13 Further Assurances.** In case at any time after the Tranche 1 Closing or the Tranche 2 Closing any further action is necessary or desirable to carry out the purposes of this Agreement, the Company and Purchaser will take such further action as the other party may reasonably request, all at the sole cost and expense of the requesting party.

**(to Securities Purchase Agreement)**

**Regulatory Approvals**

1. Approval from the National Development Reform Commission of the People's Republic of China
2. Approval from the Ministry of Commerce of the People's Republic of China
3. Approval from the State Administration of Foreign Exchange of the People's Republic of China

**SCHEDULE 4**  
**(to Securities Purchase Agreement)**

**Dispute Resolution**

(a) All Disputes not otherwise settled by agreement between the parties shall be finally settled by binding arbitration under the Rules of Arbitration (the “Rules”) of the International Chamber of Commerce (the “ICC”) by arbitrators appointed in accordance with the Rules then in effect, except to the extent the Rules conflict with the provisions of this Schedule 4, in which event the provisions of this Schedule 4 shall control. The parties specifically agree that any time before the Tribunal has been appointed, a party may seek a preliminary injunction or other interim relief before a court of competent jurisdiction to the extent necessary to preserve the status quo or to preserve a party’s ability to obtain meaningful relief pending the outcome of the arbitration under this Schedule 4.

(b) In the event of any Dispute and before arbitration may be commenced, upon notice by any party to the other party to such Dispute (the “Dispute Negotiation Notice”), such Dispute must immediately be referred to one representative of the executive management of the Company designated by the Company and one representative of the executive management of Purchaser designated by Purchaser, who must be authorized to settle the Dispute. Such representatives must promptly meet in a good faith effort to resolve the Dispute. If the representatives so designated do not resolve the Dispute within ten (10) Business Days after the delivery of the Dispute Negotiation Notice, the Dispute will be exclusively and finally resolved by binding arbitration as described in this Schedule 4.

(c) The arbitration shall be conducted before a panel of three arbitrators, each of whom must be fluent in English, have experience in the mining industry in the United States, and be neutral and independent of the parties to the Dispute (the “Tribunal”). The claimant shall appoint one arbitrator and the respondent must appoint one arbitrator, as provided in the Rules. The third arbitrator shall be selected by the two arbitrators so appointed; provided that if the two arbitrators so appointed fail to select the third arbitrator within thirty (30) days after the date on which the second of such two arbitrators is appointed, then the third arbitrator shall be appointed by the ICC Court. The third arbitrator, regardless of how selected, shall chair the Tribunal.

(d) The place of arbitration shall be Hong Kong SAR. The arbitration shall be conducted in English; provided that (i) any party thereto, at its cost, may provide for the translation of the proceedings into a language other than English,

and (ii) any party thereto may elect to submit documents or other information to the Tribunal in English, (iii) any witness whose native language is not English may elect to give testimony in English or in such witness's native language, with simultaneous interpretation into English if such testimony is given in such native language. If simultaneous interpretation is so made, the interpreter will be appointed by the Tribunal. Each party to any arbitration or its legal counsel may also hire an interpreter at such party's own expense, and may participate in the examination and cross-examination of witnesses at any hearing.

(e) Unless the Tribunal orders an earlier date or the parties to the arbitration otherwise agree, not less than thirty (30) days before the beginning of the evidentiary hearing, each party to the arbitration shall submit to the other parties to the arbitration the documents that it may use at the hearing and a list of the witnesses whom such party may call at the hearing.

(f) The Tribunal shall have no authority to award any indirect, incidental, special, consequential, or punitive damages, and each Party irrevocably waives its right to recover any such damages.

(g) The decision of the Tribunal will be final and binding. Any award made in the arbitration will be enforceable in any court of competent jurisdiction, including without limitation in any jurisdiction where one or more of the parties is domiciled or has assets. For purposes of an action for recognition or enforcement of the award, each party irrevocably waives any objection that it might have to personal jurisdiction in the courts of a jurisdiction where one or more of the parties is domiciled or has assets.

(h) Notwithstanding the pendency of any arbitration, the obligations of the Parties under this Agreement will remain in full force and effect; provided that no Party will be considered in default under this Agreement (except for defaults for the payment of money) during the pendency of an arbitration specifically relating to the default. Each party to any arbitration must bear its own costs and expenses in connection with such arbitration, unless the Tribunal determines otherwise.

The parties shall use their commercially reasonable efforts to encourage the Tribunal to enter a final award resolving the Dispute within 180 days from the appointment of the Tribunal. Notwithstanding any provision to the contrary in this Schedule 4, the parties to any arbitration under this Schedule 4 may agree at any time to discontinue and terminate such arbitration.

## **BRIDGE LOAN AGREEMENT**

THIS BRIDGE LOAN AGREEMENT (this "Agreement"), dated March 4, 2010 (the "Signing Date"), is between General Moly, Inc., a Delaware corporation (the "Company"), and Hanlong (USA) Mining Investment, Inc., a Delaware corporation ("Lender").

### **RECITALS**

A. Simultaneously with the execution and delivery of this Agreement, the Company and Lender will enter into a securities purchase agreement, dated as of the date hereof (the "Securities Purchase Agreement") and upon closing of Tranche 1 (as defined in the Securities Purchase Agreement) under the Securities Purchase Agreement, a stockholder agreement, dated as of such date (the "Stockholder Agreement").

B. This Agreement is the "Bridge Loan Agreement" referred to in the Securities Purchase Agreement and sets forth the terms and conditions on which Lender will provide financing to the Company for the development of the Mount Hope Project.

In consideration of the mutual covenants contained in this Agreement, the parties, intending to be legally bound, agree as follows:

## **AGREEMENT**

### **ARTICLE I DEFINITIONS**

Capitalized terms used herein shall have the respective meanings set forth in Schedule A.

### **ARTICLE II BRIDGE LOANS**

**2.1 Commitments.** Subject to the terms and conditions of this Agreement, Lender shall make:

(a) revolving credit bridge loans ("Tranche A Bridge Loans") to the Company from time to time during the Tranche A Availability Period in an aggregate principal amount at any time outstanding that does not exceed the amount of US\$10,000,000 (the "Tranche A Commitment"), and

(b) revolving credit bridge loans ("Tranche B Bridge Loans") to the Company from time to time during the Tranche B Availability Period in an aggregate principal amount at any time outstanding that does not exceed the amount of US\$10,000,000 (the "Tranche B Commitment"), which is the amount of the Purchaser Break Fee to be advanced to the Company once the Tranche A Commitment has been drawn down.

The Company may use each Commitment during the applicable Availability Period therefor by borrowing, prepaying and, except as otherwise expressly set forth herein, reborrowing the Bridge Loans in whole or in part, all in accordance with the terms and conditions hereof. The Bridge

Loans may from time to time be Tranche A Bridge Loans or Tranche B Bridge Loans, as determined by the Company and notified to Lender in accordance with Sections 2.2 and 2.3.

## **2.2 Procedures for Borrowing.**

(a) The Company may borrow under one or more of the Commitments on any Business Day during the applicable Availability Period therefor, provided that the Company shall deliver to Lender a Borrowing Request signed by an officer of the Company (which Borrowing Request must be received by Lender at least five Business Days prior to the requested Borrowing Date).

(b) Each Borrowing Request shall specify, as applicable, (i) the requested Bridge Loan, (ii) the requested Borrowing Date, (iii) the principal amount of the requested Bridge Loan, which shall be in an amount equal to US\$100,000 or a whole multiple of US\$100,000 in excess thereof (or, if the then Commitment therefor is less than US\$100,000 or such incremental amount, such lesser amount), (iv) the Interest Period of the Bridge Loan, in the case of any Tranche A Bridge Loan, (v) unless previously notified to Lender in writing and not revoked, the details of the bank and Funding Account to which the proceeds of the requested Bridge Loan are to be wired in accordance with Section 2.2(c); and (vi) shall certify that all conditions precedent under Article IV to Lender's extension of credit hereunder as of such Borrowing Date have been satisfied.

(c) Upon receipt of any such Borrowing Request from the Company and subject to the satisfaction or waiver of the other conditions precedent set forth in Article IV (including the condition that no Event of Default shall have occurred and be continuing on the date the Company delivers such Borrowing Request and on the Borrowing Date), Lender shall wire the amount of the applicable Bridge Loan to the Company at the Funding Account prior to 12:00 Noon, New York City time, on the Borrowing Date requested by the Company in Dollar funds immediately available to the Company.

(d) Notwithstanding anything to the contrary hereunder, the obligation of Lender to make any extension of credit requested to be made by it hereunder is subject to Lender having received the Required Chinese Approvals on or before the first Borrowing Date.

## **2.3 Interest.**

(a) The outstanding principal amount of each Tranche A Bridge Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to LIBOR applicable to such Interest Period plus 2%. The outstanding principal amount of each Tranche B Bridge Loan shall bear interest at a rate per annum equal to 10%.

(b) The first Interest Period in the case of each Tranche A Bridge Loan shall be the period (which period shall be a period contemplated by the definition of "Interest Period") selected in the Borrowing Request for such Bridge Loan and each subsequent

Interest Period shall be the period (which period shall be a period contemplated by the definition of "Interest Period") selected by the Company by written notice (a "Selection Notice") to Lender received not later than the third Business Day before the end of the then current Interest Period; provided, however, that (i) if no Interest Period shall have been selected in the Borrowing Request for such Bridge Loan, the first Interest Period for such Bridge Loan shall be one month, and (ii) if no Selection Notice shall have been received by Lender with respect to a subsequent Interest Period for such Bridge Loan, the subsequent Interest Period shall be one month. If an Interest Period for a Tranche A Bridge Loan would otherwise extend beyond the Maturity Date, it shall be shortened so that it ends on the Maturity Date.

(c) Interest payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed.

(d) Notwithstanding anything herein to the contrary, if any principal of, or interest on, any Bridge Loan payable by the Company hereunder is not paid when due (including failure to pay each of the Bridge Loans payable by the Company on the Maturity Date or earlier upon acceleration of any Bridge Loan in accordance with Article VI), and, as a result, an Event of Default shall have occurred and is continuing, such overdue amount shall bear interest at a rate per annum equal to the rate otherwise applicable to such Bridge Loan under Section 2.3(a), plus, in each case, 4%.

(e) Notwithstanding anything herein to the contrary, the Company shall not be required to pay, and Lender shall not be permitted to collect, any amount of interest in excess of the maximum amount of interest permitted by Law ("Excess Interest"). If any Excess Interest is provided for, or determined by a court of competent jurisdiction or in an arbitration to have been provided for, in this Agreement then in such event: (i) the Company shall not be obligated to pay any Excess Interest, (ii) any Excess Interest that Lender may have received hereunder shall be, at Lender's option, (A) applied as a credit against the principal of any Bridge Loan due and owing to Lender or for accrued and unpaid interest thereon (not to exceed the maximum amount permitted by Law), (B) refunded to the Company, or (C) any combination of the foregoing, (iii) the applicable interest rate or rates provided for herein shall be automatically reduced to the maximum lawful rate allowed from time to time under applicable Law (the "Maximum Rate"), and this Agreement shall be deemed to have been and shall be, reformed and modified to reflect such reduction, and (iv) the Company shall not have any action against Lender for any damages arising out of the payment or collection of any Excess Interest. Notwithstanding the immediately preceding sentence of this Section 2.3(e), if for any period of time interest on any Bridge Loan is calculated at the Maximum Rate rather than the applicable rate under this Agreement, and thereafter such applicable rate becomes less than the Maximum Rate, the rate of interest payable on such Bridge Loan shall, to the extent permitted by Law, remain at the Maximum Rate until Lender shall have received or accrued the amount of interest which Lender would have received or accrued during such period on Bridge Loans due and owing to Lender had the rate of interest not been limited to the Maximum Rate during such period.

**2.4 Security.** The Bridge Loans shall be secured, pursuant to the Pledge Agreement, by Nevada Moly's pledge of a 10% Percentage Interest (as defined in the Eureka Moly LLC Agreement) in Eureka Moly.

**2.5 Purpose.** The Company shall use the proceeds of the Bridge Loans to finance the development of the Mount Hope Project.

### ARTICLE III PAYMENTS

#### 3.1 Repayment; Evidence of Debt.

(a) The Company shall repay the outstanding principal amounts of, and pay all accrued and unpaid interest on, the Bridge Loans on the earliest of (i) 120 days after the ROD has become effective, (ii) the date on which the Securities Purchase Agreement is terminated, and (iii) January 31, 2012 (such earlier date, the "Maturity Date").

(b) Lender shall maintain in accordance with good commercial practice an account or accounts evidencing indebtedness of the Company to Lender resulting from each Bridge Loan from time to time, including the amounts of principal and interest payable and paid to Lender from time to time under this Agreement. The failure of Lender to maintain any such account under this Section 2.1(b), or any error therein, shall not in any manner affect the obligation of the Company to repay (with applicable interest) the Bridge Loans made to the Company by Lender in accordance with the terms of this Agreement.

(c) Except as provided in Section 3.3, all payments of principal of, and interest on, the Bridge Loans shall be made by wire transfer to Lender at such account or accounts at a bank in the United States as Lender shall have specified by notice to the Company in Dollar funds immediately available to Lender; provided, however, that the Company may offset the obligation of Lender, if any, to pay the Company the Purchaser Break Fee against the outstanding principal amount of, and accrued and unpaid interest on, any or all of the Bridge Loans.

#### 3.2 Prepayments.

(a) Optional Prepayment. The Company may at any time and from time to time prepay the outstanding principal amounts of, and accrued and unpaid interest on, the Bridge Loans, in whole or in part, without premium or penalty. Except to the extent of the amount, if any, the Company has offset the obligation of Lender, if any, to pay the Company the Purchaser Break Fee against the outstanding principal amount of the Bridge Loans, the principal amounts prepaid on account of the Bridge Loans may be reborrowed subject to the satisfaction or waiver of the conditions precedent set forth in Article IV (including the condition that no Event of Default shall have occurred and be continuing on the date the Company delivers its Borrowing Request and on the Borrowing Date).

(b) Mandatory Prepayment. Subject to the Company's rights under Section 3.1(c) or 3.3, within five Business Days following the date the Company shall

have received the proceeds from any borrowing under the Bank Loan, the Company shall apply such proceeds (or such lesser amount of such proceeds as is necessary to prepay the principal of, and accrued and unpaid interest on, the Bridge Loans in full) to prepay the outstanding principal amount of, and accrued and unpaid interest on, the Bridge Loans and the applicable Commitments shall be permanently reduced by the aggregate of the principal amounts of the Bridge Loans repaid.

### **3.3 Option to Pay in Common Stock.**

(a) Notwithstanding anything in Section 3.1(c) or 3.2(b) to the contrary, if consented to by Lender in writing, which consent may be granted or withheld in Lender's sole discretion, the Company may pay or prepay all or any part of the principal amount of, and accrued and unpaid interest on, the Tranche B Bridge Loans with shares of the common stock of the Company, par value \$0.001 per share ("Common Stock"), but only as a final satisfaction of the principal amount of, and accrued and unpaid interest on, the Tranche B Bridge Loans. Notwithstanding anything to the contrary herein, if any payment in Common Stock has been made under this Section 3.3, thereafter no Tranche B Bridge Loan may be borrowed hereunder. If the Company elects to pay in Common Stock and such payment has been consented to by Lender in writing, then the Company shall issue and deliver to Lender a number of shares of Common Stock ("Bridge Loan Shares") equal to the quotient of (i) the aggregate principal amount of, and accrued and unpaid interest on, the Tranche B Bridge Loans that the Company is paying or prepaying in Common Stock divided by (ii) the Bridge Loan Shares Price.

(b) The "Bridge Loan Shares Price" for the shares of Common Stock, if any, issued under this Section 3.3 shall be 5-Day VWAP determined as of the sixth Business Day after public disclosure regarding the circumstances that have led to the repayment of the Bridge Loans has been made.

(c) With respect to Bridge Loan Shares, Lender hereby acknowledges, represents, warrants and agrees to the matters set forth in Section 3.2 of the Securities Purchase Agreement; provided, however, that if Lender has received only Bridge Loan Shares and not any Offered Shares pursuant to the Securities Purchase Agreement, (i) Bridge Loan Shares shall not be "Registrable Securities" under the Securities Purchase Agreement, (ii) Lender shall have no registration rights with respect to Bridge Loan Shares under the Securities Purchase Agreement and (iii) neither the Company nor Lender shall have its respective rights or obligations under the Stockholder Agreement with respect to Bridge Loan Shares; provided, further, however, that if Lender has received Bridge Loan Shares under this Agreement and Offered Shares under the Securities Purchase Agreement, (x) Bridge Loan Shares shall be "Registrable Securities" under the Securities Purchase Agreement, (y) Lender shall have registration rights with respect to Bridge Loan Shares under the Securities Purchase Agreement and (z) each of the Company and Lender shall have its respective rights or obligations under the Stockholder Agreement with respect to Bridge Loan Shares.

(d) If at any time after the date hereof, the Company effects any stock dividend, stock split, reverse stock split, recapitalization or reclassification affecting the

Common Stock, then the Bridge Loan Shares Price and Bridge Loan Shares (including the number and kind of shares) shall, as appropriate, be adjusted to reflect such event.

**3.4 Application of Payments.** Each payment by the Company on account of the outstanding principal amount of the Bridge Loans shall be allocated among the Bridge Loans as specified by the Company by written notice to Lender with respect to such payment and, if the Company has not specified an allocation with respect to such payment, pro rata to all the Bridge Loans according to the respective outstanding principal amounts thereof immediately prior to such payment. Each payment by the Company of interest with respect to the Bridge Loans shall be allocated among the amounts of accrued and unpaid interest on the Bridge Loans as specified by the Company by written notice to Lender with respect to such payment and, if the Company has not specified an allocation with respect to such payment, pro rata to all the amounts of accrued and unpaid interest on the Bridge Loans according to the respective amounts thereof immediately prior to such payment. Each payment of the principal amount of the Bridge Loans shall be accompanied by accrued and unpaid interest thereon to but excluding the date of such payment. Notwithstanding the foregoing to the contrary, following acceleration of any Bridge Loan in accordance with Article VI, all sums collected by Lender from the Company or from the proceeds of any collateral shall be applied in such order of priority to such items set forth below as Lender shall determine in its sole discretion: (a) to the costs and expenses, including attorneys' fees, court costs and costs of appeal, incurred in the collection of any or all of the Bridge Loans due, and (b) to any or all unpaid amounts owing pursuant to this Agreement in any order of application as Lender, in its sole discretion, shall determine.

**3.5 Taxes.**

(a) Lender (or any permitted transferee of Lender) shall provide any such forms or statements that are reasonably requested by Company in order for Company to properly determine and comply with its Tax withholding and Tax information reporting requirements under applicable Law (including, without limitation, Internal Revenue Service Form W-9, W-8BEN, or W-8ECI, as may be applicable). Such forms or statements shall be delivered by Lender (or any permitted transferee of Lender) on or before the date it becomes a party to this Agreement. In addition, Lender (or any permitted transferee of Lender) shall deliver such new forms or statements as may be required promptly upon the obsolescence or invalidity of any form or statement previously delivered by such party. Lender (or any permitted transferee of Lender) shall promptly notify the Company at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Company (or any other form of certification adopted by the U.S. taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, Lender (or any permitted transferee of Lender) shall not be required to deliver any form or statement pursuant to this paragraph that such party is not legally able to deliver.

(b) The Company shall make all payments to be made by it under this Agreement without deduction for any Tax unless the Company is required by Law to deduct any such Tax from such payment; provided, that if the Company is required by Law to deduct any such Tax from such payment, then (a) the Company shall make such deductions and (b) the Company shall pay the full amount deducted to the relevant

Governmental Authority in accordance with applicable Law. In no event shall the Company be required to pay any "additional amounts" or "gross-up" payments to Lender (or any permitted transferee of Lender) in order to compensate such party for any reduction in the net after-tax proceeds it receives as a result of any amounts deducted and withheld by the Company.

#### **ARTICLE IV CONDITIONS PRECEDENT**

The agreement of Lender to make any extension of credit requested to be made by it hereunder on any Borrowing Date (including its initial extension of credit) is subject to the satisfaction or waiver of the following conditions:

(b) Lender shall have received from the Company a copy of the Title Reports in form and substance reasonably satisfactory to Lender showing that Mount Hope Mines, Inc. has title to the properties covered by the Title Reports and that there are no liens or encumbrances on such title beyond those which existed as referenced in the Title Opinion and the Commitment for Title Insurance issued by First American Title Insurance Company on September 26, 2007 and the Title Opinion included in the Title Reports shall provide that Lender is entitled to rely upon such Title Opinion,

(c) Lender shall have received from the Company, within 45 days after the Signing Date, the Arcelor Consent and Waiver,

(d) Lender shall have received from POS-Minerals an executed subordination agreement pursuant to Section 5.7 of the Eureka Moly LLC Agreement with respect to the Collateral,

(f) the Company shall, in all material respects, have performed and complied with its covenants or agreements in the Securities Purchase Agreement, and Nevada Moly shall, in all material respects have performed and complied with its covenants and agreements in this Pledge Agreement,

(g) no Event of Default shall have occurred and be continuing on the date the Company delivers such Borrowing Request and on the Borrowing Date,

(h) the Securities Purchase Agreement shall not have been terminated in accordance with the provisions in Article VIII thereof, and

(i) Nevada Moly shall have executed and delivered to Lender the Pledge Agreement substantially in the form attached as Exhibit E to the Securities Purchase Agreement.

## **ARTICLE V REPRESENTATIONS AND WARRANTIES**

The Company represents and warrants to Lender that the representations and warranties set forth in Sections 2.1 (Organization and Standing), 2.3 (Authorization and Enforceability), 2.4 (No Violations; Consents), 2.5 (SEC Reports; Financial Condition; No Adverse Changes), 2.6 (Securities Laws) and 2.13 (Securities Compliance) of the Securities Purchase Agreement are true and correct in all material respects as of the date hereof, as of the date of each Borrowing Request as though made on and as of such date (except that those representations and warranties which address matters only as of a particular date need only be true and correct as of such date) and as of each Borrowing Date as though made on and as of such date (except that those representations and warranties which address matters only as of a particular date need only be true and correct as of such date); provided, however, that with respect to Section 2.5 of the Securities Purchase Agreement, the reference to SEC Reports shall mean the Company's most recently filed Annual Report on Form 10-K and subsequent reports on Form 10-Q and Form 8-K, in each case file with the SEC, and that with respect to Section 2.13 of the Securities Purchase Agreement, all references to the Toronto Stock Exchange shall not apply.

## **ARTICLE VI EVENTS OF DEFAULT**

If any of the following events shall occur and be continuing:

(a) The Company shall fail to pay any principal amount of any Bridge Loan or any interest on any Bridge Loan by the date the same becomes due under this Agreement, and such failure continues for more than ten Business Days thereafter,

B. Lender is willing to enter into the Bridge Loan Agreement only if Nevada Moly executes and delivers this Pledge Agreement. In consideration of the mutual covenants contained in this Pledge Agreement, the parties, intending to be legally bound, agree as follows:

### **Agreement**

1. **Incorporation of Other Definitions.** Reference is hereby made to the Bridge Loan Agreement for a statement of the terms thereof. 2. **Security Interest.**

2.1 **Grant of Security Interest.** Nevada Moly hereby pledges to Lender, and hereby grants to Lender a security interest in, all of Nevada Moly's right, title and interest in and to the following items, whether now owned or hereafter acquired by Nevada Moly (all of the following, collectively, the "Collateral"):

(a) limited liability company ownership interests in Eureka Moly, LLC, a Delaware limited liability company ("Eureka Moly"), representing a 10% Percentage Interest (as defined in that certain Amended and Restated Limited Liability Company Agreement of Eureka Moly, dated February 26, 2008, as amended by that certain Amendment No. 1 to Limited Liability Company Agreement, dated October 28, 2008, and as amended by that certain Amendment No. 2 to Limited Liability Company Agreement, dated January 20, 2010 (collectively, the "Eureka Moly LLC Agreement")) (the "10% Interest"),

(c) any and all voting and other consensual rights of Nevada Moly of, in, or with respect to Eureka Moly with respect to the 10% Interest, as an owner of the 10% Interest, and whether provided for under the Eureka Moly LLC Agreement or Eureka Moly's other organizational documents (the "Organizational Documents") or applicable Law (the "Consensual Rights"),

**2.3 Nevada Moly Remains Liable.** The granting of any Lien (as defined below) under this Pledge Agreement does not make Lender a successor to Nevada Moly as a member of Eureka Moly, and Lender shall not be deemed to have become a member of Eureka Moly by accepting this Pledge Agreement or exercising any right granted herein unless and until such time, if any, when Lender becomes a member of Eureka Moly pursuant to the Organizational Documents after a foreclosure upon the Collateral. Anything herein to the contrary notwithstanding (except to the extent, if any, debts or obligations arise after the date Lender becomes a member of Eureka Moly pursuant to the Organizational Documents), Lender shall not be deemed to have assumed or otherwise become liable for any debts or obligations of Eureka Moly or of Nevada Moly to or under the Organizational Documents, and the definition of "Collateral" under Section 2.1 shall be deemed modified, if necessary, to prevent any such assumption or other liability. (c) Collection Rights. Lender shall have the right at any time, upon the occurrence and during the continuance of an Event of Default, to notify (or require Nevada Moly to notify) any or all Persons (including Eureka Moly) obligated to make payments which are included among the Collateral (whether accounts, general intangibles, dividends, distribution rights, or otherwise) of the assignment thereof to Lender under this Pledge Agreement and to direct such obligors to make payment of all amounts due or to become due to Nevada Moly thereunder directly to Lender and, upon such notification and at the expense of Nevada Moly and to the extent permitted by Law, to enforce collection thereof and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as Nevada Moly could have done.

**5.2 Default Remedies.** If an Event of Default shall have occurred and is continuing, Lender may: (a) exercise with respect to the Collateral, in addition to any other rights and remedies provided for herein, under the Bridge Loan Agreement or otherwise available to it at law or in equity, all the rights and remedies of a secured party on default under the UCC (whether or not the UCC applies to the affected Collateral) and such additional rights, powers, privileges and remedies to which a secured party is entitled under the Laws in effect in any jurisdiction where any rights, powers privileges and remedies hereunder may be asserted, including the right, to the maximum extent permitted by Law and the Organizational Documents, to exercise all Consensual Rights as if Lender were the sole record and beneficial owner of the 10% Interest, (b) reduce its claim to judgment or foreclose or otherwise enforce, in whole or in part, the security interest created hereby by any available judicial procedure, (c) dispose of, at its office, on the premises of Nevada Moly or elsewhere, all or any part of the Collateral, as a unit or in parcels, by public or private proceedings, and by way of one or more contracts (it being agreed that the sale of any part of the Collateral shall not exhaust Lender's power of sale, but sales may be made from time to time, and at any time, until all of the Collateral has been sold or until the Secured Obligations have been paid and performed in full), and at any such sale it shall not be necessary to exhibit any of the Collateral, (d) buy the Collateral, or any part thereof, at any public sale, (e) buy the Collateral, or any part thereof, at any private sale if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, (f) apply by appropriate judicial proceedings for appointment of a receiver for the Collateral, or any part thereof, and Nevada Moly hereby consents to any such appointment, and (g) at its discretion, retain the Collateral in satisfaction of the Secured Obligations whenever the circumstances are such that Lender is entitled to do so under the UCC or otherwise. Nevada Moly agrees that, to the extent notice of sale shall be required by Law, at least 10 days' notice to Nevada Moly of the time and place of any public sale

or the time after which any private sale is to be made shall constitute reasonable notification. Lender shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

**5.3 Application of Proceeds.** If an Event of Default shall have occurred and be continuing, Lender may in its discretion apply any cash held by Lender as Collateral, and any cash proceeds received by Lender with respect to any sale of, collection from, or other realization upon all or any part of the Collateral, to any or all of the following in such order as Lender may elect: (a) to the payment or other satisfaction of any Liens or adverse claims upon or against any of the Collateral, (b) to the satisfaction of any Secured Obligation, (c) to the payment of any other amounts required by applicable Law (including any provision of the UCC), and (d) by delivery to Nevada Moly or to whomever shall be lawfully entitled to receive the same.

**5.4 Deficiency.** In the event that the proceeds of any sale, collection or realization of or upon Collateral by Lender are insufficient to pay all Secured Obligations and any other amounts to which Lender is legally entitled, Nevada Moly shall be liable for the deficiency, together with interest thereon as provided in the Bridge Loan Agreement or (if no interest is so provided) at such other rate as shall be fixed by applicable Law, together with the costs of collection and the reasonable fees of any attorneys employed by Lender to collect such deficiency.

**5.5 Other Recourse.** Nevada Moly waives any right to require Lender to proceed against any other Person, to exhaust any Collateral or other security for the Secured Obligations, or to have any other liable party joined with Nevada Moly in any arbitration or suit arising out of the Secured Obligations or this Pledge Agreement, or pursue any other remedy in Lender's power. Nevada Moly further waives any and all notice of acceptance of this Pledge Agreement and of the creation, modification, rearrangement, renewal or extension for any period of any of the Secured Obligations of any other liable party from time to time. Nevada Moly further waives any defense arising by reason of any disability or other defense of any other liable party or by reason of the cessation from any cause whatsoever of the liability of any other liable party. This Pledge Agreement shall continue until all of the Secured Obligations shall have been paid in full irrespective of the fact that the liability of the Company may have ceased and irrespective of the validity or enforceability of the Bridge Loan Agreement, and notwithstanding any reorganization, bankruptcy or any other event or proceeding affecting the Company. Until all of the Secured Obligations shall have been paid in full, Nevada Moly shall have no right to subrogation and Nevada Moly waives the right to enforce any remedy that Lender has or may hereafter have against the Company, and waives any benefit of and any right to participate in any other security whatsoever now or hereafter held by Lender.

**5.6 Exercise of Rights.** So long as Lender has not exercised remedies with respect to the Collateral under this Pledge Agreement upon the occurrence and during the continuance of an Event of Default, Nevada Moly shall have the right to exercise all Consensual Rights and other rights with respect to the Collateral (except as limited by the Securities Purchase Agreement or this Pledge Agreement) and to receive all interest, profits, payments, distributions,

instruments, options, subscriptions, warrants, interest, profits, and other payments or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Collateral.

**5.7. Private Sale of the Collateral.** Nevada Moly recognizes that Lender may deem it impracticable to effect a public sale of all or any part of the Collateral and that Lender may, therefore, determine to make one or more private sales of the Collateral to a restricted group of purchasers who will be obligated to agree, among other things, to acquire the same for their own account, for investment and not with a view to the distribution or resale thereof. Nevada Moly acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sales shall be deemed to have been made in a commercially reasonable manner. Nevada Moly further acknowledges and agrees that any offer to sell any Collateral that has been (a) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York City (to the extent that such an offer may be so advertised without prior registration under the Securities Act of 1933, as amended (the “Securities Act”), or (b) made privately in the manner described above to not less than 15 bona fide offerees shall be deemed to involve a “public disposition” for the purposes of Section 9.610(c) of the UCC (or any successor or similar, applicable statutory provision), notwithstanding that such sale may not constitute a “public offering” under the Securities Act and that Lender may, in such event, bid for the purchase of such Collateral. Any sale of the Collateral shall be conducted in accordance with all applicable securities and other Laws then in effect.

**5.8 Release of Security and Termination of Pledge Agreement.** This Pledge Agreement and the security interest created in the Collateral shall terminate and the Collateral shall be released when all of the Secured Obligations have been paid in full. Lender hereby appoints Nevada Moly the attorney-in-fact of Lender for the purpose of carrying out the provisions of this Section 5.8 and taking any action and executing any instrument that Nevada Moly may deem necessary or advisable to accomplish the purposes thereof, which appointment, being coupled with an interest, is irrevocable.

**5.9 Limitation on Rights and Waivers.** All rights, powers and remedies herein conferred shall be exercisable by Lender only to the extent not prohibited by applicable Law or the Organizational Documents; and all waivers and relinquishments of rights and similar matter shall only be effective to the extent such waivers or relinquishments are not prohibited by applicable Law.

**5.10. Costs of Enforcement.** Upon the occurrence and during the continuance of an Event of Default, Nevada Moly, upon demand from Lender, shall pay to Lender the amount of any and all expenses, including reasonable fees and disbursements of counsel and of any experts and court costs, which Lender incurs with respect to the exercise or enforcement of any of the rights and remedies of Lender hereunder.

**6. Non-Borrower Pledgor Provisions.**

**6.1 Rights of Lender.** Nevada Moly's obligations under this Pledge Agreement shall not be released, discharged or otherwise affected by Lender: Altering any Secured Obligations described in clause (a) of the definition thereof, including renewing, compromising, extending or accelerating, or otherwise changing the time for payment of, or increasing or decreasing the rate of interest on, all or any part of any Secured Obligations,

(b) Taking and holding security for any Secured Obligations, accepting additional or substituted security therefor, and subordinating, exchanging, enforcing, waiving, releasing, compromising, failing to perfect, and selling or otherwise disposing of any such security,

(c) Applying any payments or recoveries from the Company or any guarantor of any Secured Obligations or any other source, and any proceeds of any security, to the Secured Obligations in such manner, order and priority as Lender may elect, whether or not those obligations are secured at the time of the application,

(d) Releasing the Company, any guarantor or any other Person of its liability for all or any part of any Secured Obligations,

(e) Substituting, adding, or releasing any one or more guarantors or endorsers of any Secured Obligations, and

(f) Extending other credit to the Company, and taking and holding security for such credit.

**6.2 Nevada Moly's Waivers.** Nevada Moly waives:

(a) Any right it may have to require Lender to proceed against the Company or any other Person, proceed against or exhaust any security held from the Company or any other Person, or pursue any other remedy in Lender's power to pursue,

(b) Any defense based on any claim that Nevada Moly's obligations exceed or are more burdensome than those of the Company,

(c) Any defense based on (i) any legal disability of the Company or any other Person, (ii) any release, discharge, modification, impairment, or limitation of the liability of the Company or any other Person to Lender from any cause, whether consented to by Lender or arising by operation of law or from any bankruptcy or other voluntary or involuntary proceeding, in or out of court, for the adjustment of debtor-creditor relationships ("Insolvency Proceeding"), and (iii) any rejection or disaffirmance of all or any part of any Secured Obligation, or any security therefor, in any such Insolvency Proceeding,

(d) Any defense based on any action taken or omitted by Lender in any Insolvency Proceeding involving the Company, including any election to have Lender's claim allowed as being secured, partially secured or unsecured, any extension of credit by

Lender to the Company in any Insolvency Proceeding, and the taking and holding by Lender of any security for any such extension of credit,

(e) All presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, and of the existence, creation, or incurring of new or additional indebtedness, and demands and notices of every kind,

(f) Any defense based on or arising out of any defense that the Company may have to the payment or performance of all or any part of any Secured Obligation,

(g) Any defense based on the unenforceability or invalidity of any collateral assignment or guaranty with respect to any Secured Obligation, or the lack of perfection or continuing perfection or lack of priority of any Lien (other than the Lien of this Agreement) which secures any Secured Obligation, and

(h) Any failure of Lender to marshal assets in favor of Nevada Moly or any other Person.

**6.3 Information Regarding the Company and the Collateral.** Nevada Moly warrants and agrees that Nevada Moly has not relied, and will not rely, on any representations and warranties by Lender to Nevada Moly with respect to the creditworthiness of the Company or the prospects of repayment of any Secured Obligation from sources other than the Collateral. Before signing this Pledge Agreement, Nevada Moly will have investigated the financial condition and business operations of the Company, the present and former condition, uses and ownership of the Collateral, and such other matters as Nevada Moly may deem appropriate to assure itself of the Company's ability to discharge its obligations under or with respect to the Secured Obligations. Nevada Moly assumes full responsibility for such due diligence, as well as for keeping informed of all matters which may affect the Company's ability to pay and perform its obligations to Lender. Lender has no duty to disclose to Nevada Moly any information which Lender may have or receive about the Company's financial condition or business operations, the condition or uses of any of the Collateral, or any other circumstances bearing on the Company's ability to perform. Nevada Moly is familiar with and acknowledges the terms and conditions of the Bridge Loan Agreement.

**7. Miscellaneous.** Article IX of the Securities Purchase Agreement (including the Schedule 4 referred to in Section 9.16 of the Securities Purchase Agreement) hereby is incorporated, *mutatis mutandis*, by reference into this Pledge Agreement; provided, however, that all notices, requests, consents and other communications hereunder to Nevada Moly shall be deemed given and received if given to Nevada Moly at the address and in the manner specified for the Company under Section 9.1 of the Securities Purchase Agreement.

## **STOCKHOLDER AGREEMENT**

THIS STOCKHOLDER AGREEMENT (this "Agreement"), dated \_\_\_\_\_, 2010, is between General Moly, Inc., a Delaware corporation (the "Company"), and Hanlong (USA) Mining Investment, Inc., a Delaware corporation ("Hanlong").

### **RECITALS**

A. Pursuant to a Securities Purchase Agreement, dated as of March 4, 2010, between the Company and Hanlong (the "Securities Purchase Agreement"), Hanlong has acquired beneficial ownership of a number of the shares of Common Stock so that the Hanlong Ownership Percentage equals 12.5% and, subject to certain terms and conditions, Hanlong will acquire additional shares of Common Stock so that following the purchase of such shares the Hanlong Ownership Percentage will equal 25% and Hanlong shall have the right to maintain that ownership percentage on the terms of the Securities Purchase Agreement.

B. The Securities Purchase Agreement contemplates that the Company will enter into a loan agreement with a Prime Chinese Bank for \$665,000,000 (the "Bank Loan") which will be guaranteed by one or more of Hanlong and its Affiliates.

C. The parties are entering into this Agreement pursuant to the Securities Purchase Agreement.

In consideration of the mutual covenants contained in this Agreement, the parties, intending to be legally bound, agree as follows:

### **AGREEMENT**

#### **ARTICLE I CERTAIN DEFINITIONS**

Terms used herein shall have the respective meanings set forth in Schedule A.

#### **ARTICLE II ACQUISITION OF EQUITY SECURITIES OR RIGHTS; OTHER COVENANTS**

**2.1 Limits on Acquisitions.** Except as specifically permitted by this Agreement (including Section 2 and Section 6), the Hanlong Parties shall not, and shall not suffer or permit any of their Affiliates to, acquire beneficial ownership of any Shares (an "Acquisition") if the Hanlong Parties and their Affiliates immediately after such Acquisition would beneficially own, in the aggregate, Equity Securities constituting more than the Maximum Percentage. If the Hanlong Parties are in breach of the first sentence of this Section 2.1, then the Hanlong Parties shall, as promptly as practicable and in a

manner consistent with Section 5, dispose of a number of Shares sufficient to cause the Hanlong Parties not to be in breach of the first sentence of this Section 2.1.

**2.2 Permitted Acquisition.** No Hanlong Party shall be in breach of Section 2.1 solely because such Hanlong Parties and their respective Affiliates become the beneficial owners of a number of Equity Securities exceeding the Maximum Percentage after and solely because of (a) any action taken by the Company or any Affiliate of the Company (including the repurchase or redemption by the Company or any of its Affiliates of Equity Securities or Rights, the issuance of Equity Securities or Rights, including pursuant to an offer by the Company or any of its Affiliates to its security holders of rights to subscribe for Equity Securities, the expiration of Rights, or the declaration by the Company of a dividend in respect of any class of Equity Securities payable at the election of such security holders either in cash or in Equity Securities) in respect of which no Hanlong Party or Affiliate thereof shall have taken any action except as permitted to be taken by holders of Equity Securities or Rights in their capacities as such (including as a result of action taken by the Company or any of its Affiliates, as a result of action taken in accordance with Article VI, an election not to tender any of such Hanlong Party's Equity Securities pursuant to any such offer to repurchase or redeem, an election to purchase Equity Securities or Rights pursuant to any such subscription offer or an election to be paid a dividend in respect of the Shares in Equity Securities or Rights instead of cash) or (b) the exercise by Hanlong of its rights to acquire Equity Securities of the Company pursuant to any provisions of the Securities Purchase Agreement, including Sections 6.4(d) and 8.5 of the Securities Purchase Agreement or (c) stock issued to the Hanlong Parties under the terms of the Bridge Loan Agreement; provided, however, that the Hanlong Parties shall be in breach of Section 2.1 if the Hanlong Parties and their Affiliates subsequently acquire additional Equity Securities other than as a result of the actions described in this Section 2.2 and their ownership after such acquisition would exceed the Maximum Percentage.

**2.3 Prohibited Actions.** Except as specifically permitted by Article VI, each Hanlong Party shall not, and such Hanlong Party shall not permit any of its Affiliates to:

(a) solicit proxies with respect to Equity Securities or become a participant in a solicitation of proxies with respect to Equity Securities, in either case within the meaning of Regulation 14A under the Exchange Act, except that any director of the Company may solicit proxies on behalf of the Company or the Hanlong Parties may participate in a solicitation of proxies by the Company, to be voted in accordance with the recommendation of the Board in each case;

(b) form, join, participate in or otherwise encourage the formation of any Group with respect to Equity Securities if the combined Equity Securities beneficially owned by the Hanlong Parties, their Affiliates and such Group would exceed the Maximum Percentage;

(c) deposit any Shares in any voting trust or subject any Shares to a voting agreement or other arrangement, as a method of evading or attempting to evade the requirements of this Agreement;

(d) solicit or encourage an Offer from a Person other than a Hanlong Party or any of their Affiliates; or

(e) call a meeting of the Company's stockholders, make a proposal for consideration by the Company's stockholders (except to the Board), or vote or consent to an amendment of the Company's charter documents or bylaws (except as permitted by this Agreement).

**2.4 Affiliates.** If an Affiliate of a Hanlong Party that has not previously delivered to the Company an undertaking pursuant to this Agreement acquires beneficial ownership of any Equity Securities after the date hereof, the Hanlong Parties shall promptly cause such Affiliate to deliver to the Company an undertaking to be bound by all provisions of this Agreement applicable to the Hanlong Parties. Each Hanlong Party represents that all such Affiliates, if any, are a party to this Agreement.

### ARTICLE III VOTING, APPRAISAL RIGHTS

**3.1 Voting.** Each Hanlong Party shall cause one or more individuals duly authorized by it to vote all of such Hanlong Party's Shares to be present at all meetings of the stockholders of the Company at which such Hanlong Party shall be entitled to vote, or shall cause proxies to be present at all such meetings, so as to enable all of such Hanlong Party's Shares to be counted for quorum purposes. Each Hanlong Party shall cause all of such Hanlong Party's Shares to be voted: (a) with respect to any matter submitted for approval by the stockholders of the Company (except those matters described in clause (b) or (c) of this Section 3.1), in such Hanlong Party's sole discretion, either (i) in the manner recommended by a majority of the Board or (ii) in the same proportion as the holders of the remaining Equity Securities vote with respect to such matter, (b) against any merger, consolidation, recapitalization, dissolution or sale of all or substantially all of the assets of the Company not approved by the Board, and (c) in accordance with the recommendation of the Board with respect to the election, removal or replacement of directors, the filling of any vacancies on the Board, or the increase or decrease in the number of seats on the Board; provided that, the Hanlong Parties shall not be prohibited from voting in their sole discretion with respect to any Hanlong nominee or any matter presented to the stockholders that is contrary to the obligations of the Company under the terms of the Transaction Documents, including the obligations under this Agreement and Article VI of the Securities Purchase Agreement, whether or not recommended by the Board.

**3.2 Appraisals.** No Hanlong Party shall exercise appraisal rights as to any matter.

**ARTICLE IV**  
**COMPANY DIRECTOR NOMINATIONS; EUREKA MOLY DIRECTOR**

**4.1 First Hanlong Nominee.** From the date hereof until the later of: (i) such time as the Hanlong Ownership Percentage first falls below 10%; or (ii) if Hanlong has delivered the Guarantee of the Bank Loan, the subsequent expiration or other termination of the Guarantee, the Hanlong Parties shall be entitled to designate one nominee for election to the Board (each individual nominated by Hanlong pursuant to procedures set forth in Section 4.3, being a "Hanlong Nominee" and collectively, the "Hanlong Nominees"); provided, however, that for purposes of this Section 4.1 only, Hanlong Ownership Percentage shall be calculated without respect to outstanding shares of Common Stock that were issued by the Company after the Tranche 1 Closing and prior to the Effective Date (as defined in the Molybdenum Supply Agreement). Immediately subsequent to the completion of the Tranche 1 Closing, the Company shall take such action as necessary to expand the board of directors or arrange for the resignation of a current director of the Company and appoint the Hanlong Nominee to fill the vacancy created thereby, such Hanlong Nominee to serve until the annual shareholder's meeting of the Company held in 2012 and his or her successor is elected and qualified.

**4.2 Second Hanlong Nominee.** After the Tranche 2 Closing and at all times thereafter until the date that the Hanlong Ownership Percentage first falls below 20%, the Hanlong Parties shall be entitled to designate a second Hanlong Nominee for election to serve on the Board. Immediately subsequent to the Tranche 2 Closing the Company shall take such action as necessary to expand the board of directors or arrange for the resignation of a current director of the Company and appoint the Hanlong Nominee to fill the vacancy created thereby to serve until no sooner than the second annual meeting of the Stockholders of the Company following the appointment and his or her successor is elected and qualified. Notwithstanding the foregoing, in no event shall the second Hanlong Nominee be a member of the same class of directors as the first Hanlong Nominee.

**4.3 Company Obligations.**

(a) Director Slate, Proxy. The Company shall include and recommend the election of each Hanlong Nominee in the Board's slate of nominees submitted and recommended to the Company stockholders for each election of directors in the proxy statement prepared by management of the Company in connection with soliciting proxies for every meeting of the stockholders of the Company called with respect to the election of members of the Board, and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of the Company or the Board with respect to the election of members of the Board.

(b) Exceptions to the Company Obligations. Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be

nominated for election to the Board or recommend to its stockholders the election of any Hanlong Nominee (i) who fails to submit to the Company on a timely basis such questionnaires as the Company may reasonably require of its directors generally and such other information as the Company may reasonably request in connection with its obligations under the Securities Laws, or (ii) the Board or the nominating committee determines in good faith, after consultation with legal counsel, that such action would constitute a breach of its fiduciary duties or applicable law; provided, however, that upon the occurrence of either event set forth in clause (i) or (ii) above, the Company shall promptly notify Hanlong of the occurrence of such event and permit Hanlong to provide an alternative Hanlong Nominee sufficiently in advance of any Board action, the meetings of the stockholders called or written action of stockholders with respect to such election of nominees and the Company shall be subject to its obligations under this Section 4.3 with respect to such alternative Hanlong Nominee.

(c) Designation of Nominee. Subject to Sections 4.1 and 4.2, if the Hanlong Parties wish to designate a Hanlong Nominee for election at any meeting of the stockholders of the Company where an election for directors of the Company shall take place, Hanlong shall provide a written notice (the "Nomination Notice") to the Board, in accordance with the procedures described in the proxy statement for the Company's most recent annual meeting of stockholders, identifying each Hanlong Nominee whom the Hanlong Parties are entitled to designate. Upon receiving a Nomination Notice, the Board shall take all actions reasonably necessary to include such Hanlong Nominees among the candidates in the Company's next election for members of the Board and shall also recommend that the stockholders of the Company vote for each Hanlong Nominee for election to the Board, including providing its written recommendation in any proxy materials presented to the stockholders of the Company for such election.

(d) No Compensation. The Hanlong Nominees shall not be compensated by the Company for their service on the Board but shall be reimbursed for their reasonable costs and expenses involved in attending any meetings of the Board.

(e) Board Size. The size of the Board will not exceed 10 members.

(f) Committees. One or more of the Hanlong Nominees shall be appointed to serve on each committee created by the Board subject to applicable law and exchange regulations. A Hanlong Nominee shall serve on any executive committee or equivalent committees that the Company may establish.

**4.4 Removal, Interim Appointment.** The Company shall take all reasonably necessary action in order to cause the Board to give effect to this Article IV. In the absence of any nomination by the Hanlong Parties of a Hanlong Nominee, the individual

or individuals previously nominated by the Hanlong Parties and then serving shall be re-nominated if still eligible to serve as provided herein. The Hanlong Parties may request, and vote in favor of, the removal of any Hanlong Nominee. The Hanlong Parties (through a written notice to the Company provided by Hanlong) shall have the right to nominate an individual to fill any vacancy on the Board created by the resignation, removal, incapacity or death of any Hanlong Nominee. If the Hanlong ownership drops below that specified in Sections 4.1 and 4.2, Hanlong shall promptly cause the Hanlong Nominee to resign from the Board.

#### **4.5 Eureka Moly Representative.**

(a) Eureka Moly Representative. Following the Tranche 1 Closing until the earlier of (i) the date Hanlong's Guarantee of the Bank Loan has expired or otherwise been terminated and (ii) the date of the Bank Loan Rejection, Hanlong shall have the right to designate one of the Representatives (the "Hanlong Eureka Representative") that Nevada Moly is entitled to appoint to the Management Committee of Eureka Moly (the "Eureka Management Committee"). If the Representatives appointed by Nevada Moly are required to vote as a group with respect to any matter requiring the vote of the Eureka Management Committee, Hanlong shall cause the Hanlong Eureka Representative to vote with the majority of the Representatives in favor or against such matter and if the Hanlong Eureka Representative refuses to so vote, the Company may remove the Hanlong Eureka Representative and such vacancy may be filled by Hanlong under Section 4.5(b). The Company shall reimburse the Hanlong Eureka Representative for the reasonable costs and expenses of attending Eureka Management Committee meetings.

(b) Failure to Nominate. In the absence of any designation by Hanlong of a Hanlong Eureka Representative, the individual previously designated by Hanlong and then serving shall be re-nominated if still eligible to serve. Hanlong may request, and the Company shall cause, the removal of any Hanlong Eureka Representative, with or without cause. Hanlong shall have the right to designate the individual to fill any vacancy on the Eureka Management Committee created by the resignation, removal, incapacity or death of any Hanlong Eureka Representative.

### **ARTICLE V DISPOSITIONS OF EQUITY SECURITIES**

**5.1 Manner of Disposition.** Without the prior written consent of the Board, no Hanlong Party shall Transfer or permit any of its Affiliates to Transfer beneficial ownership of any Equity Securities, unless the Transfer is (i) a Transfer to a Permitted Transferee that is or becomes a party to this Agreement in accordance with Section 2.4 or (ii) a Transfer that would not otherwise result in any Person or Group (other than the

Hanlong Parties or their Affiliates) acquiring beneficial ownership of more than 5% of the outstanding Common Stock fully diluted as of the date of such Transfer.

**5.2 Pledges, Encumbrances.** No Hanlong Party shall, and no Hanlong Party shall permit any of its Affiliates to, pledge or otherwise encumber any Equity Securities or Rights without making arrangements reasonably satisfactory to the Company to ensure that any Transfer upon foreclosure or similar action will satisfy the requirements of Section 5.1 and this Section 5.2, except that it may pledge the Equity Securities to the Bank providing the Bank Loan as the Bank may require.

**5.3 Void Transfers.** Any attempted Transfer in violation of this Agreement shall be void.

**5.4 Confer Prior to Disposition.** Hanlong Parties intending to dispose of Common Stock to anyone except other Hanlong Parties shall confer with the Company regarding such disposition at least 19 days before such disposition so that the Company may solicit prospective buyers to facilitate such disposition.

## ARTICLE VI OFFERS FOR THE COMPANY

**6.1 Notice of Offer.** If any Person shall make a bona fide offer (an “Offer”) (a) to acquire from the Company or one or more stockholders thereof (by tender or exchange offer or otherwise) more than thirty percent of the outstanding Equity Securities, (b) to acquire all, or substantially all, the assets of the Company, or (c) to effect a merger, consolidation, statutory share exchange or similar transaction between or involving the Company and another Person (the “Proposed Transaction”) and the Board determines, in the exercise of its fiduciary duties, that the Offer and the Proposed Transaction is in the best interests of the Company’s stockholders, then the Company shall give Hanlong notice (the “Offer Notice”) of such Offer promptly upon the Board making such determination, subject to the Hanlong Parties agreeing to hold such information confidential and to not trade in the Shares while in possession of such information prior to a public announcement of such Offer. In no event shall the Company give Hanlong notice of such Offer less than twenty-one days prior to acceptance of such Offer.

**6.2 Competing Offer.** The Hanlong Parties shall have twenty-one days from the receipt of the Offer Notice to deliver a competing offer for the Proposed Transaction to the Board (the “Competing Offer”) and the Board shall, in the exercise of its fiduciary duties, consider in good faith whether the Competing Offer is more favorable to the Company’s stockholders than the terms of the Offer and any other competing proposals for the Proposed Transaction. In the event that the Board determines the Competing Offer is more favorable to the Company’s shareholders, any provisions of this Agreement that would restrict actions that might be taken by a Hanlong Party or its Affiliates in

support of such Competing Offer or the Proposed Transaction contemplated thereby shall be waived.

**6.3 Approval of Transaction.** If the Board determines that the Competing Offer is not on terms that the Board determines, in its good faith and reasonable judgment and after consultation with its financial advisor, to be more favorable to the Company's stockholders than the terms of the Offer or any other competing proposals for the Proposed Transaction, then the Hanlong Parties shall vote in favor of any Proposed Transaction ultimately approved by a majority of the Board (the "Recommended Transaction") and shall tender, offer, sell or otherwise transfer their Shares pursuant to the terms and conditions of such Recommended Transaction, provided that the terms on which the Hanlong Parties actually transfer their Shares shall not be less favorable than the terms applicable to other stockholders of the Company. The Hanlong Parties shall, to the same extent as the other stockholders of the Company, execute such other documents and take such other commercially reasonable actions as may be necessary to consummate the tender, sale or other transfer of their Shares pursuant to such Recommended Transaction.

## **ARTICLE VII REPRESENTATIONS AND WARRANTIES**

Each of the Hanlong Parties, and the Company, represents and warrants to the other as of the date of this Agreement as follows:

**7.1 Authority.** Such party has the right, power, legal capacity and authority to enter into and perform its obligations under this Agreement, and this Agreement constitutes its legal, valid and binding obligation, enforceable against such party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar Laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding at Law or in equity).

**7.2 Authorizations, Permits.** Such party has obtained all authorizations, permits, approvals or consents of any Person, as well as all authorizations, permits, approvals or consents of any Governmental Authority, necessary to enter into and perform its obligations under this Agreement.

**7.3 No Conflict.** This Agreement and the transactions it contemplates do not conflict with any Law applicable to it or any agreement to which it is a party or constitute a default under any such agreement.

## **ARTICLE VIII LEGEND**

**8.1 Legend.** The Company shall cause a legend substantially similar to the following to be placed on each certificate representing any Equity Securities or Rights issued to each Hanlong Party or its Affiliates:

“The securities represented by this certificate are subject to a Stockholder Agreement dated as of [\_\_\_\_], 2010, copies of which are available from General Moly, Inc. upon request, and any sale, pledge, hypothecation, transfer, assignment or other disposition of such securities is subject to such Stockholders Agreement.”

**8.2 New Certificates.** Upon surrender to the Company of any certificate representing any Equity Securities or Rights disposed of by a Hanlong Party in a transaction described in Section 5.1(ii) or in clause (a), (b) or (c) of the definition of “Transfer” in Schedule A, the Company shall promptly cause to be issued (a) to the transferee or transferees of such Equity Securities or Rights one or more certificates without the legend set forth in Section 8.1 and (b) to the holder of Equity Securities or Rights represented by such certificates so surrendered one certificate representing such Equity Securities or Rights, if any, as shall not have been so disposed of, with the legend set forth in Section 8.1. Upon termination of this Agreement pursuant to Article IX below and the surrender to the Company of any certificate representing Equity Securities or Rights, the Company shall cause to be issued to the holder of such Equity Securities or Rights one or more certificates without the legend set forth in Section 8.1.

## **ARTICLE IX TERMINATION**

The rights and obligations of the parties hereto under Articles II, III, V and VI shall terminate at the earliest of (a) such time as the Hanlong Parties beneficially own less than 10% of the Common Stock (calculated without regard to the issuance of any shares by the Company that are not subject to the Hanlong Parties right to participate in such issuance under Section 6.4 of the Securities Purchase Agreement), (b) the date of the termination of the Securities Purchase Agreement, (c) the date that is six months after the date of Commercial Production, and (d) June 30, 2014.

## ARTICLE XI MISCELLANEOUS

**11.1 Entire Agreement.** This Agreement, including exhibits or other documents referred to herein, embodies the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Agreement.

**11.2 Amendments.** The terms and provisions of the Agreement may be modified, amended or waived, or consent for the departure from such terms and provisions may be granted, only by written consent of the Company and Hanlong. Each such waiver or consent shall be effective only in the specific instance and for the purpose for which it was given, and shall not constitute a continuing waiver or consent.

**11.3 Parties in Interest.** Nothing in this Agreement, express or implied, is intended to confer upon any Person other than the parties hereto, their Permitted Transferees, in the case of the Hanlong Parties, and their permitted successors and assigns any benefits, rights or remedies. Except as contemplated by the definitions of "Hanlong," "Permitted Transferee" and "Transfer" neither this Agreement nor the rights or obligations of any party may be assigned or delegated (other than, in the case of a Hanlong Party, to a Permitted Transferee), by operation of Law or otherwise without the prior written consent of Hanlong and the Company.

**11.4 Specific Performance.** The parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at Law or in equity.

**11.5 Governing Law; Language.** This Agreement and the rights and obligations of the parties hereunder shall be construed in accordance with and governed by the Laws of the State of New York, including Section 5-1401 of New York General Obligation Law, applicable to agreements made and to be performed entirely within the State of New York, without giving effect to the conflict of law principles thereof that would cause the application of the laws of any jurisdiction other than the State of New York. This Agreement has been negotiated and executed by the parties in English. In the event any translation of this Agreement is prepared for convenience or any other purpose, the provisions of the English version shall govern.

**11.6 Waiver of Jury Trial.** Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby.

**11.7 Severability.** In the event that any court of competent jurisdiction shall determine that any provision, or any portion thereof, contained in this Agreement shall be unreasonable or unenforceable in any respect, then such provision shall be deemed limited to the extent that such court deems it reasonable and enforceable, and as so limited shall remain in full force and effect. In the event that such court shall deem any such provision, or portion thereof, wholly unenforceable, the remaining provisions of this Agreement shall nevertheless remain in full force and effect.

**11.8 Headings and Captions.** The headings and captions of the various subdivisions of this Agreement are for convenience of reference only and shall in no way modify or affect the meaning or constructions of any of the terms or provisions hereof.

**11.9 Interpretation.**

(a) Unless the context of this Agreement otherwise clearly requires, (i) references to the plural include the singular, and references to the singular include the plural, (ii) references to one gender include the other gender, (iii) the words “include,” “includes” and “including” do not limit the preceding terms or words and shall be deemed to be followed by the words “without limitation,” (iv) the terms “hereof,” “herein,” “hereunder,” “hereto” and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement, (v) the terms “day” and “days” mean and refer to calendar day(s), (vi) the terms “year” and “years” mean and refer to calendar year(s) and (vii) all references to “the date hereof,” “the date of this Agreement” or similar terms (but excluding references to the date of execution hereof) refer to the date first above written, notwithstanding that the parties may have executed this Agreement on a later date.

(b) Unless otherwise set forth herein, references in this Agreement to (i) any document, instrument or agreement (including this Agreement) (A) include and incorporate all exhibits, schedules and other attachments thereto, (B) include all documents, instruments or agreements issued or executed in replacement thereof and (C) mean such document, instrument or agreement, or replacement or predecessor thereto, as amended, modified or supplemented from time to time in accordance with its terms and in effect at any given time, and (ii) a particular Law referenced herein means such Law as amended, modified, supplemented or succeeded, from time to time and in effect at any given time. When a reference is made in this Agreement to Articles, Sections or any other subdivision, such reference is to an Article, a Section or other subdivision of this Agreement, unless otherwise indicated. When a reference is made in this Agreement to a party or parties, such reference is to parties to this Agreement, unless otherwise indicated. Unless otherwise specified, all references to “\$” shall be deemed to be references to the lawful currency of the United States.

**11.10 No Waiver of Rights, Powers and Remedies.** No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of the party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

**11.11 Counterparts.** This Agreement may be executed in counterparts (including by facsimile or similar means of electronic communication), each of which shall be deemed an original and all of which together shall constitute one agreement.

**11.12 Rules of Construction.** The parties hereto agree that they have been represented by counsel during the negotiation, preparation and execution of this Agreement and, therefore, waive the application of any Law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document.

**11.13 Dispute Resolution.** All disputes between the parties arising out of, relating to or in connection with this Agreement (a “Dispute”) and not otherwise settled by agreement between the parties shall be exclusively and finally settled in accordance with Schedule D of the Securities Purchase Agreement, which hereby is incorporated, *mutatis mutandis*, by reference into this Agreement.
