Dear Ms. Peters:

By letter dated February 10, 2009, I advised you that the Exchange had received a Form 8-A from The O'Gara Group, Inc. for registration of its common stock and the Exchange had approved the security for listing and registration upon official notice of issuance.

Since then, we have been advised that the company has determined not to proceed with listing at this time and has requested withdrawal of the previously submitted certification. Accordingly, we hereby withdraw our earlier certification of approval.

Sincerely,

William Slattery
