To the Dealers appointed
from time to time pursuant to a
Terms Agreement or Appointment Agreement
under the Global Debt Program of the
Inter-American Development Bank

Ladies and Gentlemen:

I have participated in the proceedings of the Inter-American Development Bank (the "Bank") to establish the Global Debt Program of the Bank, as it may be amended, restated, or superseded from time to time (the "Program"), and to authorize the issue and sale of Notes thereunder (the "Notes") with reference to a Prospectus dated January 8, 2001 (the "Prospectus"). In connection with such proceedings, I have examined, among other documents, the following:

- 1) The Agreement Establishing the Inter-American Development Bank (the "Bank Agreement") and the By-Laws of the Bank;
- 2) The Global Borrowing Authorization, Resolution DE-17/09, authorizing the issuance and sale of the Notes;
- 3) The Prospectus;
- 4) The Standard Provisions, dated as of January 8, 2001 (the "Standard Provisions");
- 5) The Global Agency Agreement, dated January 8, 2001, as amended, among the Bank, Kredietbank S.A. Luxembourgeoise, and Citibank, N.A. (the "Global Agency Agreement"); and
- 6) The Uniform Fiscal Agency Agreement, dated as of July 20, 2006, as amended, between the Bank and the Federal Reserve Bank of New York (the "FRBNY Fiscal Agency Agreement").

Pursuant to Section 5(e)(ii) of the Standard Provisions, I am of the opinion that:

- a) The Bank is an international organization duly established and existing under the Bank Agreement;
- b) The Bank has obtained all governmental approvals required pursuant to the Bank Agreement in connection with the offering, issue and sale of the

Notes;

- c) The creation, issue, sale and delivery of the Notes, and the execution of any Notes in definitive form, have been duly authorized, and when duly issued and delivered, and in the case of Notes in definitive form, duly executed, authenticated, issued and delivered, the Notes will constitute valid and legally binding obligations of the Bank in accordance with their terms;
- d) Any applicable Terms Agreement or Appointment Agreement, as the case may be, as of its date, will be duly authorized, executed and delivered by the Bank;
- e) Each of the Global Agency Agreement, and the FRBNY Fiscal Agency Agreement has been duly authorized, executed and delivered by the Bank and constitutes a valid and legally binding obligation of the Bank;
- f) Under existing law, it is not necessary in connection with the public offering and sale of the Notes to register the Notes under the U.S. Securities Act of 1933, as amended, or to qualify an indenture with respect thereto under the U.S. Trust Indenture Act of 1939, as amended.

While I assume no responsibility with respect to the statements in the Prospectus, nothing has come to my attention which has caused me to believe that the Prospectus, as of its date and as of the date hereof, and excluding the financial statements or other financial data, contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

This letter does not relate to the financial statements or other financial data contained in the Prospectus.

In rendering the foregoing opinion, I have relied, with respect to matters of New York law, upon the opinion of Sullivan & Cromwell LLP and, with respect to matters of English law, upon the opinion of Linklaters LLP, each delivered on this date in accordance with the Standard Provisions. Also, I have assumed that signatures on all documents examined by me are genuine.

This letter is furnished by me as Chief Counsel of the Bank to Dealers appointed from time to time under the Program and is solely for their benefit.

Very truly yours,

John S. Scott
Chief Counsel

the final Interest Period will end on but exclude the Maturity Date.

For the purposes of the calculation of the Interest Amount payable for any Interest Period, there shall be no adjustment pursuant to the Business Day Convention specified above.

(e) Fixed Rate Day Count Fraction(s):

Actual/Actual (ICMA)

(f) Calculation of Interest Amount:

As soon as practicable and in accordance with the procedure specified herein, the Calculation Agent will determine the Reference Rate and calculate the amount of interest payable (the "Interest Amount") with respect to each Authorized Denomination for the relevant Fixed Rate Interest Period ("Interest Period").

The Interest Amount with respect to any Interest Period shall be a USD amount calculated on the relevant Rate Fixing Date (as defined below) and equal to the following product:

Interest Rate *multiplied by* Authorized Denomination *divided by* Reference Rate,

and rounding, if necessary, the entire resulting figure to the nearest 2 decimal places, with USD 0.005 being rounded upwards.

Where:

"Reference Rate" in respect of any Determination date means the offered rate for U.S. Dollars (referred to herein as "BRL PTAX"), expressed as the amount of Brazilian Reais per one U.S. Dollar, for settlement in two New York and Brazilian Business Days (as defined below), reported by the Banco Central do Brasil on the SISBACEN Data System

under transaction code PTAX-800 (“*Consultas de Cambio*” or “Exchange Rate Enquiry”), Option 5 (“*Cotacões para Contabilidade*” or “Rates for Accounting Purposes”) at approximately 6:00 p.m. São Paulo time, on such date; *provided however* that if BRL 12 (as defined below) is available on such date and BRL PTAX is either unavailable or differs by more than 3% from BRL 12, then BRL 12 shall be substituted for BRL PTAX as the BRL Reference Rate for such date.

“BRL12” on a specified date means the foreign exchange rate as specified in the ISDA 1998 FX and Currency Options Definitions updated as of January 12, 2007, which is the BRL/USD specified rate for USD, expressed as the amount of BRL per one USD, for settlement in two New York and Brazilian Business Days, as calculated by EMTA (or a service provider EMTA may in its sole discretion select) pursuant to the EMTA BRL Industry Survey Methodology (as defined below), and published on EMTA’s website (www.emta.org) at approximately 3:45 p.m. São Paulo time or as soon as practicable thereafter on such date.

“EMTA BRL Industry Survey Methodology” means a methodology, dated as of March 1, 2004, as amended from time to time, for a centralized industry-wide survey of financial institutions in Brazil that are active participants in the BRL/USD spot rate markets for the purposes of determining BRL12.

“Rate Fixing Date” is a date that is five New York and Brazilian Business Days prior to any Fixed Rate Interest Payment Date and/or the Maturity Date.

In the event that both the PTAX Rate and the BRL12 are unavailable on the relevant Reference Rate Fixing Date, the BRL Reference Rate will be determined by the Calculation Agent on such Reference Rate Fixing Date, acting in good faith and in a commercially reasonable manner, having taken into account relevant market practice, by reference to the quotations received from three leading Brazilian Banks as shall be selected by the Calculation Agent in its sole discretion (collectively, the “Brazilian Reference Banks”). The Calculation Agent will ask for quotations of each of the Brazilian Reference Banks for calculating the BRL/USD exchange rate for the purchase of USD in connection with obligations that are of the same nature as the Notes and which are payable or mature on the same date as the Maturity Date of the Notes.

The BRL Reference Rate will then be the average of the BRL/USD offered rate obtained from the Brazilian Reference Banks. If only two quotations are provided, the BRL Reference Rate will then be the average BRL/USD rates obtained. If only one quotation is obtained, the BRL Reference Rate will be that quotation. Where no such quotations are obtained from the Brazilian Reference Banks, if the Calculation Agent determines in its sole discretion that there are one or two suitable replacement banks active in the BRL/USD currency and foreign exchange market that could provide quotations of the BRL/USD rate, the Calculation Agent shall ask such banks to provide such quotations and shall use such quotations it receives to determine the BRL Reference Rate (taking an average rate, as set forth above, if applicable).

- (g) Calculation Agent (if not the Global Agent): See “7. Identity of Calculation Agent” under “Other Relevant Terms”
- (h) Notification: If the Interest Amount payable on any Fixed Rate Interest Payment Date or the Redemption Amount, as the case may be, is calculated in any manner other than by utilizing the BRL PTAX and the Reference Rate, the Global Agent on behalf of the Bank shall give notice as soon as reasonably practicable to the Noteholders in accordance with Condition 14 (*Notices*).
14. Relevant Financial Center: New York and Brazil
15. Relevant Business Day(s): “Relevant Business Day” means a day that is both (i) a day other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in New York and (ii) a Brazilian Business Day (as defined below).

“Brazilian Business Day” means a day (other than a Saturday or a Sunday) defined by Banco Central do Brasil on which the Brazilian Federal Bank is open for business.
16. Redemption Amount (Condition 6(a)): The Redemption Amount with respect to each Authorized Denomination will be a USD amount calculated by the Calculation Agent on the Rate Fixing Date with respect to the Maturity Date and equal to the following product:

Authorized Denomination
divided by
Reference Rate,

and rounding, if necessary, the entire resulting figure to 2 decimal places USD with USD 0.005 being rounded upwards.
17. Issuer’s Optional Redemption (Condition 6(e)): No

18. Redemption at the Option of the Noteholders (Condition 6(f)): No
19. Early Redemption Amount (including accrued interest, if applicable) (Condition 9):
In the event the Notes become due and payable as provided in Condition 9, the Early Redemption Amount with respect to each Authorized Denomination will be a USD amount equal to the Redemption Amount that is determined in accordance with “16. Redemption Amount” plus accrued and unpaid interest, if any, as determined in accordance with “13. Fixed Interest Rate (Condition 5(I))”; *provided* that for purposes of such determination, the “Reference Rate Fixing Date” shall be the date that is five (5) Brazilian Business Days prior to the date upon which the Notes become due and payable as provided in Condition 9.

General Information

Additional Information regarding the Notes

1. The EU has adopted a Directive regarding the taxation of savings income (the “Savings Directive”). The Savings Directive requires Member States (as defined below) to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

The Bank undertakes that it will ensure that it maintains a paying agent in a country which is a member of the European Union (a “Member State”) that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

2. United States Federal Income Tax Consequences

A) *United States Internal Revenue Service Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, prospective investors are hereby notified that: (a) any discussion of U.S. federal tax issues contained or referred to in this Pricing Supplement, the Prospectus or any other document referred to herein is not intended or written to be used, and cannot be used, by prospective investors for the purpose of avoiding penalties that may be imposed on them under the United States Internal Revenue Code; (b) such discussions are written for use in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax advisor.*

B) The “Tax Matters” section of the Prospectus and any tax disclosure in this pricing supplement is of a general nature only, is not exhaustive of all possible tax considerations and is not intended to be, and should not be construed to be, legal, business or tax advice to any particular prospective investor. Each prospective investor should consult its own tax advisor as to the particular tax consequences to it of the acquisition, ownership, and disposition of the Notes, including the effects of applicable U.S. federal, state, and local tax laws and non-U.S. tax laws and possible changes in tax laws.

C) Due to a change in law since the date of the Prospectus, the second paragraph of “—Payments of Interest” under the United States Holders section should be read as follows: “Interest paid by the Bank on the Notes constitutes income from sources outside the United States but will, depending on your circumstances, be “passive” or “general” income for purposes of computing the foreign tax credit.”

D) Due to a change in law since the date of the Prospectus, the fourth paragraph of “—Purchase, Sale and Retirement of the Notes” under the United States Holders section should be read as follows: “Capital gain of a noncorporate United States holder that is recognized in taxable years beginning before January 1, 2011 is generally taxed at a maximum rate of 15% where the holder has a holding period greater than one year.”

3. *Noteholders should consult their own tax advisors concerning the consequences of owning the Notes in their particular circumstances under the Internal Revenue Code and the laws of any other taxing jurisdiction.*

4. Additional Investment Considerations:

There are significant risks associated with the Notes including but not limited to exchange rate risk, price risk and liquidity risk. Investors should consult their own financial, legal, accounting and tax advisors about the risks associated with an investment in these Notes, the appropriate tools to analyze that investment, and the suitability of the investment in each investor’s particular circumstances.

The methodologies for determining the Reference Rate may result in a Redemption Amount of the Notes, or an interest payment on the Notes, being significantly less than anticipated.
