**Subject:** Report of factual events relating to the news that the government will revoke the Satellite Concession Agreement with Thaicom Public Company Limited

**To:** The President  
Stock Exchange of Thailand

There was a report in the press (Krungthep Turakit and Matichon on 28 April 2010 and Posttoday and Khaohoon on 29 April 2010 and etc.) mentioning about possibility of revocation of the Satellite Concession Agreement with Thaicom Public Company Limited (the "Company") as the Company did not suspend the broadcasting of People Channel Television ("PTV") as requested by the government, and the Company's notification in Krungthep Turakit on 29 April 2010 stating that the Company did not uplink PTV's signal and PTV is not the Company's customer.

The Company would like to inform that the Company fully co-operate and comply with MICT's and the relevant authorities and the Company took prompt actions upon receipt of order or request from the relevant authorities, and also reported the actions taken by the Company to the relevant authorities on a regular basis, and later there was no service to PTV on Thaicom satellite since.

The company would like to confirm that it has complied with the terms and conditions of the Satellite Concession Agreement, and with MICT's instructions.

Please be informed accordingly.
