NOT FOR RELEASE OR DISTRIBUTION IN THE UNITED STATES

BRAMBLES CLOSSES US\$750 MILLION OF GUARANTEED SENIOR NOTES

Brambles refers to its announcement on 25 March 2010 concerning the issue of US\$250 million of 5 year and US\$500 million of 10 year guaranteed senior notes (Notes) into the United States 144A bond market.

Brambles announces it has now received the proceeds from the Notes and is using them to repay floating rate borrowings under its revolving bank credit facilities. This new source of funding will replace certain bank credit facilities, including facilities that expire in November 2010.

The Notes will increase the weighted duration of Brambles' credit facilities to approximately 4.2 years, compared with 2.8 years at 31 December 2009.

Brambles has entered into interest rate swap agreements under which it has swapped US\$450 million of the fixed interest rate Notes to a floating interest rate for five years.

After the above transactions, the percentage of total debt Brambles holds at fixed interest rates is approximately 60% on a weighted basis.

The securities referenced above have not been and will not be registered under the United States Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Details of correction

Supporting documentation is required for a correction to a **date of change**. Documentation is defined as a copy of any company record (minutes, resolution, file note, memorandum, letter etc) evidencing the company's decision relating to the event seeking to be corrected.

The copy of the information being provided as evidence to support the correction to a date of change must be duly authorised by a current director or secretary of the company (signed, dated, signatory capacity).

The Form 492 cannot be used to notify of events that:

- were omitted from a previously lodged document e.g. appointment of an officeholder, change of address or transfer of shares—in that case a new document advising the change must be lodged
- did not happen but were previously notified, such as change of address—in that case the previous document should be withdrawn.

Charges form

See the guide for a list of corrections that can and can't be made by lodging a Form 492.
