Media Release May/10

**SATS' SUBSIDIARY SIGNS JOINT VENTURE AGREEMENT
TO DEVELOP AN INTEGRATED PIG FARM IN THE PEOPLE'S REPUBLIC OF CHINA**

Singapore, 21 May 2010 – Singapore Airport Terminal Services Limited (SATS) announces that its wholly-owned subsidiary, Singapore Food Industries Pte Ltd (SFI), has signed a joint venture agreement today with Jilin China-Singapore Food Zone Development Construction Investment Co. Ltd (JCS) and DaChan Food (Asia) Co. Ltd (DaChan) to set up a modern, integrated pig farm (IPF) in Yongji County, Jilin Province, the People's Republic of China (JV Agreement).

The new JV company – Jilin Zhong Xin Cheng Food Co. Ltd – is expected to be incorporated in the next few months, with a registered capital of RMB160 million (approximately S\$32 million). State-owned enterprise JCS will hold a 40 percent stake in the JV company, while SFI and DaChan will each take a 30 percent equity stake.

First mooted by the Jilin City Government, the IPF will constitute an integrated end-to-end supply chain, from feed mill and breeding to slaughtering and meat processing. The IPF will be developed over approximately six years in three phases. The first phase will involve the start-up of pig breeder and model finisher farms for 100,000 pigs annually as well as a slaughterhouse. In the second phase, pig production is expected to increase to 300,000 pigs annually and a feed production facility will be set up. In the final phase, the pig production is expected to rise to 1 million pigs annually.

The development of the IPF will see SFI sharing its expertise in food safety and in the production, marketing and distribution of food products. Together, the JV partners aim to have the IPF project recognised as the first food and mouth disease-free zone in the People's Republic of China by both the Chinese Ministry of Agriculture and the World Organisation for Animal Health, through traceability in the entire pork production process. The IPF will comply with the international animal health and food safety standards as well as those standards and requirements of the Agri-Food & Veterinary Authority of Singapore (AVA).

Ms Tan Poh Hong, Chief Executive of AVA said: "The IPF will enable Singapore to diversify its sources of pork supply to meet the growing consumption needs of Singaporeans. It represents an important and strategic step towards securing a safe, reliable and sustainable supply of pork for our country in the long term."

Mr Poon Choon Liang, Chief Operating Officer of SFI remarked: “We are pleased to work with our partners, alongside the AVA, to spearhead this ground-breaking investment in Jilin Province towards an end-to-end supply of pork. Endowed with huge land space and rich natural resources, Jilin Province is sparsely populated, making it conducive for animal farming and in meeting the requisite bio-security isolation requirements.”

To market and distribute the meat products from the IPF in the domestic market as well as overseas, SFI intend to set up a separate JV company with a local partner in Jilin. It also aims to secure distribution rights to help other establishments in the China Jilin (Singapore) Modern Agricultural Cooperation Food Zone to market and distribute their products in the region.

In addition to the signing of the JV Agreement, SFI has, on behalf of JCS and DaChan, inked the Investment Agreement for the development of the IPF with the Yongji County Government.

The JV Agreement is not expected to have any material impact on the consolidated net tangible assets per share and earnings per share of SATS for the current financial year.

The Group has applied the same accounting policies and methods of computation in the preparation of the financial statements for the current reporting period compared with the audited financial statements as at 31 March 2009 except for the adoption of the Financial Reporting Standards (FRS) and INT FRS that are mandatory for financial years beginning on or after 1 January 2009. The adoption of these FRS and INT FRS has no significant impact on the financial statements, except for FRS 1 and FRS 108 as indicated below:

In addition, the revised standard introduces the statement of comprehensive income: it presents all items of income and expense recognized in profit or loss, together with all non-owner changes in equity, either in one single statement, or in two statements. The Group is presenting the statement of comprehensive income in two statements.

FRS 108 Operating Segments

GROUP FINANCIAL PERFORMANCE

Financial Year 2009-10

Group net profit attributable to equity holders for the full year was \$181.2 million, \$34.5 million or 23.5% higher than the year before. The increase was mainly due to the full year consolidation of Singapore Food Industries (SFI) which was acquired in February 2009.

Group revenue rose \$476.8 million or 44.9% to \$1,538.9 million despite a \$50 million or 5.4% drop in aviation revenue. SFI contributed \$634.4 million to Group revenue.

The inclusion of SFI also saw group expenditure rising \$463.3 million or 52% to \$1,354.5 million, with raw material and staff costs being the key contributors to higher expenditure.

As a result, Group operating profit grew \$13.5 million or 7.9% to \$184.4 million.

The segmental revenue by business is summarised below:

	Revenue				
	FY2009-10 \$M	%	FY2008-09 \$M	%	Growth %
Airport Services	495.3	32.2	508.2	47.9	(2.5)
Food Solutions	1,031.7	67.0	541.0	50.9	90.7
Corporate	11.9	0.8	12.9	1.2	(7.8)
Total	1,538.9	100.0	1,062.1	100.0	44.9

Due to contribution from SFI, revenue from Food Solutions increased significantly by \$490.7 million or 90.7% to \$1,031.7 million. For the year under review, Airport Services and Food Solutions constituted 32.2% and 67% respectively of group revenue.

With better performance reported by ground handling associates in Hong Kong and Indonesia, contribution from overseas associates grew \$19.7 million or 88.7% to \$41.9 million.

The loss on disposal of short-term non-equity investments of \$10.8 million in FY2008-09 was abnormal and did not recur in this financial year.

Consequently, profit before tax for the Group grew \$39.5 million or 21.5% to \$223.0 million. Net profit attributable to equity holders rose \$34.5 million or 23.5% to \$181.2 million.

Fourth Quarter 2009-10

Group net profit attributable to equity holders for the fourth quarter was \$46.5 million, \$4.3 million or 10.2% higher than the same period last year. This was mainly due to the full consolidation of SFI and higher profit contribution from overseas associated companies.

Group revenue rose \$64.1 million or 19.6% to \$390.6 million. This was due to the full consolidation of SFI which contributed revenue of \$165.1 million, compared to the two-month revenue contribution of \$110.2 million in the fourth quarter of FY2008-09. Higher aviation revenue of \$9.6 million also led to the higher Group revenue.

Group expenditure was up \$69.5 million or 24.8% due mainly to higher staff cost and raw material cost. The higher staff cost was attributed mainly to lower jobs credit benefit of \$1.5 million for the quarter under review, down from \$12.3 million a year ago for a six-month period from October 2008 to March 2009.

As a result, the Group posted a lower operating profit of \$40.3 million, \$5.4 million or 11.8% lower from a year ago.

The segmental revenue by business is summarised below:

	Revenue				
	4QFY2009-10 \$M	%	4QFY2008-09 \$M	%	Growth %
Airport Services	122.2	31.3	115.2	35.3	6.1
Food Solutions	265.2	67.9	205.0	62.8	29.4
Corporate	3.2	0.8	6.3	1.9	(49.2)
Total	390.6	100.0	326.5	100.0	19.6

With better performance reported by ground handling associates in Hong Kong and Indonesia, contribution from overseas associates grew \$9 million or 225% to \$13 million.

Balance Sheet Review

Total equity of the Group stood at \$1,500.1 million, an increase of \$83.8 million or 5.9% compared to \$1,416.3 million as at 31 March 2009. The increase was mainly from the profits made during the year but was partially offset by the payment of final dividend of \$64.7 million in respect of FY2008-09 and interim dividend of \$54.2 million for FY2009-10.

Current assets and current liabilities fell \$114.6 million or 19.1% and \$215.4 million or 43.7% respectively primarily from the repayment of the \$200 million medium-term note in September 2009.

Cash Flow Review

Reflecting the improved operating performance, cash flow from operating activities for the year increased by 38.5% to \$254.2 million.

Group's cash and cash equivalents decreased \$79.9 million to \$195.8 million mainly because of repayment of \$200 million medium-term notes in September 2009.

OUTLOOK

With the current economic rebound in Asia, including Singapore, the aviation industry appears to be on the path to recovery. Across the regions, the Group expects to see an improvement in activity levels in this financial year as airlines gradually reinstate capacity with increased flights and cargo throughput.

In Singapore, the opening of the two integrated resorts and the hosting of iconic events including the inaugural Youth Olympic Games and the 2010 F1 Singapore Grand Prix are expected to drive growth in tourism and traffic at Changi Airport. SATS is poised to leverage on its core competencies in Airport Services and Food Solutions to access opportunities arising in the areas of hospitality and tourism across the regions.

Whilst striving to improve productivity and operational excellence, SATS will continue to be on the lookout for opportunities in and outside of Singapore to deliver sustained growth and profitability.

GROUP EARNINGS

FY2009-10 (1 April 2009 - 31 March 2010)

Group revenue rose 45% (+\$476.8 million) to \$1.54 billion for the full year despite a 5% drop (-\$50.0 million) in aviation revenue. This was due to the full consolidation of Singapore Food Industries (SFI) which contributed revenue of \$634.4 million. As a result, Group operating profit increased to \$184.4 million, up 8% (+\$13.5 million) over the year before.

Better performance reported by ground handling associates in Indonesia and Hong Kong saw contribution from overseas associates grew 89% (+\$19.7 million) to \$41.9 million.

Note: The SATS Group comprises the parent holding unit, its subsidiaries and associated companies. A summary of the financial statistics is shown in Annex A. All monetary figures are in Singapore Dollars.

The \$10.8 million loss on disposal of short-term non-equity investments in FY2008-09 was abnormal and did not recur in this financial year.

Consequently, profit before tax for the Group grew 22% (+\$39.5 million) to \$223.0 million while net profit attributable to equity holders rose 24% (+\$34.5 million) to \$181.2 million.

4Q FY2009-10 (1 January - 31 March 2010)

Group revenue for the fourth quarter increased to \$390.6 million, up 20% (+\$64.1 million) over the same period last year. This was due to the full consolidation of SFI which contributed revenue of \$165.1 million, compared to the two-month revenue contribution of \$110.2 million in the fourth quarter of FY2008-09. Higher aviation revenue of \$218.7 million, up from \$209.1 million, also led to higher Group revenue.

Group operating profit in the fourth quarter was \$40.3 million, 12% (-\$5.4 million) lower than the year before. The decline was attributed mainly to lower jobs credit benefit of \$1.5 million for the quarter, down from \$12.3 million a year ago for a six-month period from October 2008 to March 2009.

Notwithstanding this, higher contribution from overseas associates which grew 225% (+\$9.0 million) to \$13.0 million, helped lift the Group's profit before tax by 13% (+\$6.2 million) to \$52.8 million and net profit attributable to equity holders by 10% (+\$4.3 million) to \$46.5 million.

GROUP FINANCIAL POSITION

As at 31 March 2010, total equity of the Group was \$1.5 billion while net asset value per share stood at \$1.36.

Total assets and cash balance amounted to \$1.91 billion and \$195.8 million respectively. Free cash flow generated during the year was \$190.1 million, up 22% (+\$34.6 million) from the previous year.

Debt equity ratio was 0.02.

OPERATING DATA FOR AVIATION BUSINESS

The fourth quarter of FY2009-10 saw higher business volumes across all operations compared to a year ago. This reflected the recovery of the aviation sector and the Singapore economy.

There were more passengers and flights handled during the financial year ended 31 March 2010. The increase came mainly from the addition of Tiger Airways to the ground handling customer base as well as more passenger and flights from the low-cost carriers. Meals produced and cargo throughput declined compare to the year before, as the volumes have not recovered to the levels prior to the economic downturn.

SFI INTEGRATION

The integration of SFI has been substantially completed. The Group expects savings of \$12.2 million per annum and has so far achieved savings of \$7.0 million.

DIVIDENDS

Taking into consideration the Group's financial performance in FY2009-10 and its capital structure, the Board has recommended a final dividend of 8 cents per share. Including the interim dividend of 5 cents per share paid earlier on 25 November 2009, the proposed total dividend will be 13 cents per share, compared to 10 cents per share paid in FY2008-09. This represents a dividend payout ratio of 78% of net profit attributable to equity holders, up from 73% in FY2008-09. The final dividend, upon shareholders' approval, will be paid on 18 August 2010.

OUTLOOK

With the current economic rebound in Asia, including Singapore, the aviation industry appears to be on the path to recovery. Across the regions, the Group expects to see an improvement in activity levels in this financial year as airlines gradually reinstate capacity with increased flights and cargo throughput.

In Singapore, the opening of the two integrated resorts and the hosting of iconic events including the inaugural Youth Olympic Games and the 2010 F1 Singapore Grand Prix are expected to drive growth in tourism and traffic at Changi Airport. SATS is poised to leverage on its core competencies in Airport Services and Food Solutions to access opportunities arising in the areas of hospitality and tourism across the regions.

Whilst striving to improve productivity and operational excellence, SATS will continue to be on the lookout for opportunities in and outside of Singapore to deliver sustained growth and profitability.

Outlook

With the current economic rebound in Asia, including Singapore, the aviation industry appears to be on the path to recovery. Across the regions, the Group expects to see an improvement in activity levels in this financial year as airlines gradually reinstate capacity with increased flights and cargo throughput.

In Singapore, the opening of the two integrated resorts and the hosting of iconic events including the inaugural Youth Olympic Games and the 2010 F1 Singapore Grand Prix are expected to drive growth in tourism and traffic at Changi Airport. SATS is poised to leverage on its core competencies in Airport Services and Food Solutions to access opportunities arising in the areas of hospitality and tourism across the regions.

Whilst striving to improve productivity and operational excellence, SATS will continue to be on the lookout for opportunities in and outside of Singapore to deliver sustained growth and profitability.

SATS AWARDED TECHNICAL RAMP LICENCE AT CHANGI AIRPORT

Singapore, 27 April 2010 – Singapore Airport Terminal Services Limited (SATS) announced today that it has been granted a technical ramp licence at Changi Airport by Changi Airport Group.

This licence will enable SATS to expand its comprehensive suite of ground handling services to include technical ramp services starting from 1 May 2010. The scope of technical ramp services will encompass the receiving and dispatching of aircraft which covers marshalling and parking, aircraft pushback/towing, aircraft exterior cleaning as well as the provision of ground power and cooling units.

Said Mr Clement Woon, President & Chief Executive Officer of SATS: “In line with our commitment to constantly innovate and broaden our service offerings, the addition of technical ramp services will allow SATS to offer a one-stop seamless ground handling solution to our airline customers at Changi Airport.

“SATS will also leverage on this opportunity to further improve productivity by optimising the utilisation of our resources. We expect that this additional licence will potentially increase our revenue for ground handling, now that we are able to compete on an equal footing with other ground handlers at the airport.”

Media Release April/10

SATS AND AIR INDIA INK JOINT VENTURE AGREEMENT

Singapore, 16 April 2010 – Singapore Airport Terminal Services (SATS) and Air India today signed an agreement to form a single 50:50 joint venture (JV) company that would serve as the vehicle to house their three existing ground and cargo handling JVs in Bangalore and Hyderabad.

To be named Air India SATS Airport Services Private Limited (AISATS), the JV company is in the process of being incorporated in Delhi.

In September 2008, SATS was chosen by Air India as its JV partner for ground handling in India. Prior to that, both companies have already collaborated in Hyderabad and Bangalore under three separate JVs, providing ground and cargo handling services since the opening of the new airports in March and May 2008 respectively. However, the incorporation of these JVs was held back, pending Air India's plans to select a strategic ground handling partner at the other metro airports in India, like Delhi and Mumbai where world class ground handling is required.

The incorporation of AISATS, which is expected to be completed next month, will provide a legal entity to house the existing operations in Bangalore and Hyderabad and potential operations in other metro airports. Air India and SATS will each nominate three representatives as Board members of AISATS.

Said Mr Clement Woon, President & Chief Executive Officer of SATS: "Our successful cooperation with Air India in Bangalore and Hyderabad has demonstrated the vast synergies that our partnership can potentially reap by combining Air India's strong local footprint and knowledge with SATS' experience and know-how in ground handling.

"Through this JV, we look forward to growing further our presence in India to serve our key customers at more locations. We also seek to deepen our participation in the privatisation of India's aviation sector and contribute to the growth of the industry," added Mr Woon.

Mr Arvind Jadhav, Chairman & Managing Director of Air India, said: "SATS is a world class ground handler that is renowned within the industry for its operational excellence, innovation and commitment to customer satisfaction. Combining our knowledge of the market and the strengths SATS has built from its over 60 years of experience, we are confident that this JV will gain superior capabilities and competitiveness."

IT WAS RESOLVED:

(2) (Ordinary Resolution) The Proposed Share Issue Mandate

That authority be and is hereby given to the Directors of the Company to:

- (a) (i) issue shares in the capital of the Company ("shares") whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

provided that:

- (1) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 50 per cent. of the issued share capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares to be issued other than on a *pro rata* basis to shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 10 per cent. of the issued share capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation as may be prescribed by the Singapore Exchange Securities Trading Limited ("SGX-ST")) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the percentage of issued share capital shall be based on the issued share capital of the Company at the time this Resolution is passed, after adjusting for:
 - (i) new shares arising from the conversion or exercise of any convertible securities or employee share options or vesting of share awards which are outstanding or subsisting at the time this Resolution is passed; and
 - (ii) any subsequent consolidation or subdivision of shares;

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the listing manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Articles of Association for the time being of the Company; and
- (4) (unless revoked or varied by the Company in general meeting) the authority conferred by this Resolution shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.

(3) (Ordinary Resolution) The Proposed Modification to, and Renewal of, the Mandate for Interested Person Transactions

That:

- (a) approval be and is hereby given, for the purposes of Chapter 9 of the listing manual ("Chapter 9") of the SGX-ST, for the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9), or any of them, to enter into any of the transactions falling within the types of interested person transactions described in Appendix 2 to the Circular with any party who is of the class of interested persons described in Appendix 2 to the Circular, provided that such transactions are made on normal commercial terms and in accordance with the review procedures for such interested person transactions;
- (b) the approval given in paragraph (a) above (the "IPT Mandate") shall, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next Annual General Meeting of the Company; and
- (c) the Directors of the Company be and are hereby authorised to complete and do all such acts and things (including executing all such documents as may be required) as they may consider expedient or necessary or in the interests of the Company to give effect to the IPT Mandate and/or this Resolution.
