To the Members  
Toussaint Capital Partners, LLC  
New York, New York

We have audited the accompanying balance sheet of Toussaint Capital Partners, LLC as of December 31, 2009 and the related statements of operations, changes in members' equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Toussaint Capital Partners, LLC as of December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedule of Computation of Net Capital for Broker Dealers Pursuant to Rule 15c3-1, the Reconciliation to the Computation of Net Capital Included in Part IIA of Form X-17A-5, and the Schedule of Computation for Determination of Reserve Requirements Pursuant to Rule 15c3-3 are presented for purposes of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**TOUSSAINT CAPITAL PARTNERS, LLC**  
**NOTES TO THE FINANCIAL STATEMENTS**

---

*Organization*

Toussaint Capital Partners, LLC (“the Company”) is registered as a broker-dealer in securities under the provisions of the Securities and Exchange Act of 1934 and is a member of the National Association of Securities Dealers, Inc.

The Company has an agreement (“Agreement”) with a clearing broker (“Broker”) to clear securities transactions, carry customers’ accounts on a fully disclosed basis and perform certain record keeping functions. Accordingly, the Company operates under the exemptive provisions of Securities and Exchange Commission (“SEC”) Rule 15c3-3(k)(2)(ii).

The Company was formed on May 27, 2003 pursuant to the Delaware Limited Liability Company Act, with Toussaint Capital Holdings, LLC as its sole member.

*Securities transactions*

Securities transactions and related commission revenues and expenses are recorded on a trade date basis. Securities listed on a national exchange are valued at the last sales price on the date of valuation. Securities not listed on a national exchange are valued at the last sales price on the date of valuation or, if such price is not available, at the bid price for securities owned and the ask price for securities sold but not yet purchased at the close of business.

*Cash and cash equivalents*

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents are carried at cost, which approximates market value.

*Accounting basis*

The Company uses the accrual basis of accounting for financial statement and income tax reporting. Accordingly, revenues are recognized when services are rendered and expenses realized when the obligation is incurred.

**TOUSSAINT CAPITAL PARTNERS, LLC**  
**NOTES TO THE FINANCIAL STATEMENTS**

---

*Fixed assets*

Fixed assets are stated at cost. Depreciation is computed using the straight-line method over the following estimated useful lives:

<i>Description</i>	<i>Estimated useful life</i>
Furniture and fixtures	7 years
Equipment	5 years

*Income taxes*

The Company has elected to be treated as a limited liability company under the applicable provisions of the Internal Revenue Code. Accordingly, items of income, loss, credits and deductions are not taxed within the company but are reported on the income tax returns of the individual members.

*Fair value of financial instruments*

The carrying amounts reported in the balance sheet for cash and cash equivalents, and accounts payable approximate fair value because of the immediate or short-term maturity of these financial instruments. The carrying amount reported for long-term debt approximates fair value because, in general, the interest on the underlying instruments fluctuates with market rates.

*Collateral Agreement*

In accordance with the agreement, all the Company's property held by the broker including, but not limited to, securities, deposits, monies and receivables are used as collateral to secure the Company's liabilities and obligations to the broker.

*See auditors' report.*

**TOUSSAINT CAPITAL PARTNERS, LLC**  
**NOTES TO THE FINANCIAL STATEMENTS**

---

*Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results may differ from these estimates.

**TOUSSAINT CAPITAL PARTNERS, LLC**  
**NOTES TO THE FINANCIAL STATEMENTS**

*NOTE 1 – REGULATORY NET CAPITAL AND RESERVE REQUIREMENTS*

The Company is subject to the SEC's uniform net capital rule, which requires the maintenance of minimum regulatory net capital and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. As of December 31, 2009, the Company has regulatory net capital of approximately \$301,082 and a minimum regulatory net capital requirement of \$100,000.

Under the provisions of rule 15c3-3, the Company is not required to segregate funds in a special reserve account for the exclusive benefit of customers and is not subject to certain other requirements of the consumer protection rule.

*NOTE 2 – CUSTOMER TRANSACTIONS*

In the normal course of business, the Company executes, as agent, securities transactions on behalf of its customers. If the agency transactions do not settle because of failure to perform by either the customer or the counter party, the Company may be obligated to discharge the obligation of the non-performing party and, as a result, is subject to market risk if the market value of the securities is different from the contract amount of the transactions.

The Company does not anticipate nonperformance by customers or counter parties in the above situations. The Company's policy is to monitor its market exposure and counter party risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counter party and customer with which it conducts business.

*NOTE 3 – OPERATING LEASE*

The Company leased office space under a lease agreement in which the Company was paying \$3,358 per month plus utilities as a base rent. The lease expired in March 2007. The Company entered into a new lease that commenced on March 31, 2007 and is scheduled to expire on May 31, 2012. Under the lease the Company paid \$11,979 with respect to the period (referred to as the "first rent period") from March 31, 2007 to and including May 31, 2007. Commencing June 2007, the fixed annual rent was \$143,748 with respect to the remainder of the demised term (referred to as the "second rent period").

Future minimum lease payments are as follows:

December 31, 2010	\$ 143,748
2011	143,748
2012	59,895

*See auditors' report.*

*NOTE 3 – OPERATING LEASE (CONTINUED)*

Rent expense was \$143,748 for the year ended December 31, 2009.

The Company subleased a portion of its office on August 1, 2008 with its landlord's approval through July 31, 2010, with an annual base rent of \$35,700. Subtenant shall have the option to renew this sublease for an additional twelve months by giving the sublandlord a written notice at least thirty days prior to the term expiration date. In addition to the minimum lease agreement the Company will also receive a proportionate payment of telephone and other occupancy expenses.

The total future minimum lease rental income under the rental lease agreement is as follows:

## Independent Auditors' Report on Internal Control

---

To the Members  
Toussaint Capital Partners, LLC  
New York, New York

In planning and performing our audit of the financial statements and supplemental schedules of Toussaint Capital Partners, LLC (the Company), for the year ended December 31, 2009, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding

## Independent Auditors' Report on Internal Control

---

paragraph. Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above. We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009 to meet the SEC's objectives. This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers (NASD) and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

SUPPLEMENTAL SIPC REPORT  
FOR THE YEAR ENDED  
DECEMBER 31, 2009**

## Supplemental SIPC Report

---

To the Members  
Toussaint Capital Partners, LLC  
New York, New York

In accordance with Rule 17a-5(e)(4) of the Securities and Exchange Commission, we have performed the following procedures with respect to the accompanying schedule (Form SIPC-7T) of Securities Investor Protection Corporation assessments and payments of Toussaint Capital Partners, LLC for the year ended December 31, 2009. Our procedures were performed solely to assist you in complying with Rule 17a-5(e)(4) and our report is not to be used for any other purpose. The procedures we performed are as follows:

- 1) Compared listed assessment payments with respective cash disbursement records entries;
- 2) Compared amounts included with the amounts reported on the audited Form X-17A-5 for the period January 1, 2009 to December 30, 2009 with the amounts reported in the General Assessment Reconciliation (Form SIPC-7T);
- 3) Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting adjustments; and
- 5) Compared the amount of any overpayment applied with the Form SIPC-7T on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, nothing came to our attention that caused us to believe that the amounts shown on Form SIPC-7T were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of Toussaint Capital Partners, LLC taken as a whole.
