Report of Independent Accountants on Applying Agreed-Upon Procedures

To the Board of Directors and Management of Symetra Investment Services, Inc.:

We have performed the procedures enumerated below, which were agreed to by the Board of Directors and management of Symetra Investment Services, Inc., the Securities Investor Protection Corporation (SIPC), the Securities and Exchange Commission, the Financial Industry Regulatory Authority, and other state regulatory agencies, in accordance with Rule 17a-5(e)(4) of the Securities Exchange Act of 1934. We performed the procedures solely to assist the specified parties in evaluating Symetra Investment Services Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T) for the period from April 1, 2009 through December 31, 2009 covered by Form SIPC-7T. Symetra Investment Services, Inc.'s management is responsible for Symetra Investment Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement record entries in Lawson, noting no differences;
- 2. Compared the Total Revenue amounts reported on the audited Form X-17A-5 for the year ended December 31, 2009 less revenues reported on the FOCUS reports for the period from January 1, 2009 through March 31, 2009 with the amounts reported in Form SIPC-7T for the period from April 1, 2009 to December 31, 2009 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7T with the following supporting schedules and working papers noting no differences;
 - a. Lawson Balance Sheet and Income Statement Detail
 - b. Lawson Account Detail
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related supporting schedules and working papers supporting the adjustments noting no differences.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T) for the period from April 1, 2009 through December 31, 2009. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
