Independent Auditors' Report

The Board of Directors
Gartmore Distribution Services, Inc.:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the period from April 1, 2009 to December 31, 2009 which were agreed to by Gartmore Distributions Services, Inc. (the "Company"), the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries noting no differences;
- Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2009 less revenues reported on the FOCUS reports for the period from January 1, 2009 to March 31, 2009 as applicable, with the amounts reported in Form SIPC-7T for the period from April 1, 2009 to December 31, 2009 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences;
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences; and
- Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no overpayment was applied.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion.

The Board of Directors Gartmore Distribution Services, Inc. Page 2 of 2

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
