Independent Auditor's Report

To the Members of  
**Profor Securities, LLC**

I have audited the accompanying statement of financial condition of Profor Securities, LLC (formerly Aurelius Securities, LLC) as of December 31, 2009, and the related statement of operations and retained earnings, changes in liabilities subordinated to claims of creditors, changes in stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Profor Securities, LLC as of December 31, 2009 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

For the Year Ended

NOTE 1. NATURE OF BUSINESS

Profor Securities, LLC (formerly Aurelius Securities, LLC), was organized in November 2004 under the laws of the State of New York. The Company is a financial services firm specializing in the placement of alternative investment offerings to a global investor base. The Company primarily focuses on raising capital among institutional investors, and is a member of the National Association of Securities Dealers Inc. (NASD).

NOTE 2. Summary of SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

Securities transactions (and related commission revenue and expense, if applicable) are recorded on a settlement date basis, generally the fifth business day following the transaction date. All other accounts of the Company are maintained on the accrual basis of accounting.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed principally by the straight line method, based on the estimated useful life of the related asset. Expenditures for maintenance, repairs, renewals and betterments that do not materially prolong the useful lives of the assets are expensed.

Income Taxes

The Company is treated as a disregarded entity for federal income tax purposes. Consequently, federal income taxes are not payable by, or provided for, the Company. Members are taxed individually on their shares of the Company's earnings. The Company's net income or loss is allocated to the member in accordance with the regulations of the Company.

Cash

For purposes of the statement of cash flows, the Company considers all investments with a term to maturity of three months or less at the time of acquisition to be cash equivalents. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements. There were no cash equivalents at December 31, 2009.

Accounts Receivable

The Company establishes an allowance for uncollectible trade accounts receivable based on managements evaluation of the collectibility of outstanding accounts receivable. Accounts receivable are not collateralized.

**NOTES TO FINANCIAL STATEMENTS**  
For the Year Ended  
December 31, 2009

Revenue Recognition

The Company recognizes revenue from fees in the period they are earned.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Comprehensive Income:

In June 1997, the FASB issued Statement of Financial Accounting Standards No. 130, "*Reporting Comprehensive Income*" ("SFAS 130"), that establishes standards for reporting and display of comprehensive income and its components. SFAS 130 requires unrealized gains or losses on available-for-sale securities, foreign currency translation adjustments, minimum pension liability adjustments and changes in the market value of certain futures contracts that qualify as a hedge to be included in other comprehensive income. The adoption of this statement effective April 1, 1998 had no impact on the companies results of operations or financial position since the statement requires only additional financial information disclosure. As of the date of these financial statements the company had no components of comprehensive income.

Note 3. LEASES

The Company currently conducts its operations from facilities that are leased under a one year license agreement dated April 1, 2009 and expiring on March 31, 2010.

Rental expense for the year ended December 31, 2009 was \$23,753..

NOTE 4. CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to credit risk consist principally of cash and accounts receivable. Cash exceeding federally insured limits at financial institutions totaled \$0. at December 31, 2009.

**PROFOR SECURITIES, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

Independent Auditors Report on  
Internal Accounting Control

To the Member of  
**Profor Securities, LLC**

I have audited the financial statements of Profor Securities, LLC as of December 31, 2009 and have issued my report thereon dated March 1, 2010. As part of my audit, I reviewed and tested the system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards and by Rule 17a-5 under the Securities Exchange Act of 1934. Rule 17a-5 contemplates that the scope of the review and tests should be sufficient to provide reasonable assurance that any material weakness existing at the date of my examination would be disclosed. Under these standards and that Rule the purposes of such evaluation are to establish a basis for reliance thereon in determining the nature, timing and expression of an opinion on the financial statements and to provide a basis for reporting material weakness in internal accounting control.

The objective of internal accounting control is to provide reasonable, but not absolute assurance as to the safeguarding of assets against unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgements by management. However, for the purposes of this report under Rule 17a-5, the cost-benefit relationship has been disregarded in determining weaknesses to be reported.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect either to the execution and recording of transactions or respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, and that the degree of compliance with the procedures may deteriorate.

A study and evaluation of the system of internal accounting control for the year ended December 31, 2009, which was made for the purposes set forth in the first paragraph above and would not necessarily disclose all weaknesses in the system which may have existed during the period under review, disclosed no weaknesses that I believe to be material.

REQUIREMENTS PURSUANT TO RULE 17a-5(e)4  
For the Year Ended  
December 31, 2009

In accordance with Rule 17a-5(e)4, of the Securities and Exchange Commission, I have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of Profor Securities, LLC for the year ended December 31, 2009. My procedures were performed solely to assist you in complying with Rule 17a-5(e)4, and my report is not to be used for any other purpose. The procedures I performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the audited Form X-17A-5 for the period January 1, 2009 to December 31, 2009, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, I do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, nothing came to my attention that caused me to believe that the amounts shown on Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of Profor Securities, LLC taken as a whole.
