- 3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences; and
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences.

#### Nawrocki Smith LLP

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
