CROWE CAPITAL MARKETS, LLC
NOTES TO STATEMENT OF FINANCIAL CONDITION
MARCH 31, 2010

NOTE 1 **ORGANIZATION AND NATURE OF BUSINESS**

The Company was formed on March 17, 2000 as a Limited Liability Company under the provisions of the Indiana Business Flexibility Act.

The term of the Company is perpetual unless and until dissolved in accordance with the provision of the member's operating agreement.

The Company is registered as a non-clearing broker/dealer and was approved as a member of the Financial Industry Regulatory Authority, Inc. (FINRA) in September, 2003.

The Company was formed for the purpose of assisting in the private placement of securities, along with other securities business activities such as mergers, acquisitions and other corporate reorganization transactions including financial advisory services.

The Company is wholly owned by Crowe Horwath LLP.

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Revenues from fees arising from private securities placement in which the Company acts as an agent are recorded pursuant to the terms of the Company's agreements with the respective offering parties. Typically, fees are recorded based on the capital commitments obtained as of the end of a commitment closing for a respective offering.

Retainer based and success based fees are recorded as of a given date for the non-refundable, non-contingent retainer fees, while the success based fees are recorded upon the achievement of a criteria agreed upon with the client (such as closing of the transaction.)

Fees for services are recorded in the period the hours are worked.

Accounts Receivable

Accounts receivable are stated at face amount net of any allowance for doubtful accounts for possible uncollectible amounts.

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Property and Equipment

Property and equipment items are stated at cost and are depreciated over their estimated useful lives using the straight-line depreciation method.

Maintenance and repairs are charged to income as incurred.

Income Taxes

The Company has elected to be treated as a partnership for income tax purposes. Generally, any taxable income of a partnership flows through to the member and is reported on personal income tax returns.

Management has evaluated the effects of adoption of FASB ASC 740, *Income Taxes* (formerly FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes*) to the Company, and as of March 31, 2010, has determined no provision for income tax is required in the Company's financial statements. Uncertain tax positions are evaluated in accordance with FASB ASC 450, *Accounting for Contingencies* (formerly FASB Statement No. 5, *Accounting for Contingencies*) which requires the Company to record a liability for an estimated contingent loss if the information available indicates that it is probable that there is a tax liability incurred at the date of the financial statements, and the amount of the tax liability can be reasonably estimated.

No income tax liability for uncertain tax positions has been recognized in the accompanying financial statements. Each member of the Company is generally responsible for reporting taxable income or loss, to the extent required by federal and state income tax laws and regulations, based upon its respective share of the Company's income and expense as reported for income tax purposes.

Statement of Cash Flows

For purposes of the statement of cash flows, the Company considers only bank accounts to be cash equivalents.

NOTE 3 **COMMITMENTS AND CONTINGENCIES**

The Company operates out of offices leased by the sole member of the Company. During the fiscal year ended March 31, 2010, the Company paid \$23,333 to the sole member for office rent pursuant to an inter-company service agreement.

NOTE 4 **NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1). Under this rule, the Company is required to maintain "net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness", whichever is greater, as these terms are defined.

NOTE 4 **NET CAPITAL REQUIREMENTS** (Continued)

Net capital and aggregate indebtedness change from day to day, but at March 31, 2010, the Company had net capital and net capital requirements of \$148,168 and \$6,215, respectively. The net capital rule may effectively restrict the payment of member capital withdrawals.

NOTE 5 **RELATED PARTY TRANSACTIONS**

Pursuant to an inter-company service agreement, the Company engages in transactions with the sole member.

During the fiscal year ended, March 31, 2010, the sole member provided office rent, office supplies, telephone, administrative and other professional services to the Company.

Purchases for these various services were approximately \$36,800 for the year ended March 31, 2010. At March 31, 2010, there was \$23,216 in outstanding accounts payable as a result of these transactions.

The Company conducts its operations from facilities leased from the sole member described more fully in NOTE 3 above.

NOTE 6 **EMPLOYEE BENEFIT PLAN**

The Company sponsors 401K plans that provide for salary deferrals and Company contributions for all eligible employees. Company contributions consist of two components: an age-based formula, and a matching contribution of up to 2.50% (computed as 50% of the first 5.00%) of base salary. Company contributions are vested at 100% after three (3) years for both the age-based contributions and matching contributions. There were no Company contributions made for the year ended March 31, 2010.

NOTE 7 **SUBSEQUENT EVENTS**

In accordance with the provisions set forth in FASB ASC Topic 855, Subsequent Events, management has evaluated subsequent events through May 17, 2010, the date the financial statements were available for issuance. Management has determined that there are no material events that would require adjustment to or disclosure in the Company's financial statements.
