We have audited the accompanying statements of financial condition of Googins & Anton, Inc. as of June 30, 2010 and 2009, and the related statements of income (loss), changes in stockholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Googins & Anton, Inc. as of June 30, 2010 and 2009, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

GOOGINS & ANTON, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

The Company operates as a broker in registered securities and other investments. The Company introduces and forwards, as a broker, all security transactions and accounts to Pershing LLC, which carries such accounts on a fully disclosed basis. Commissions receivable consist of amounts due from Pershing LLC, and other companies for whom the Company has sold annuities or mutual funds.

Income Taxes

Deferred income taxes result from the use of the accrual method for financial reporting purposes and the cash basis for tax purposes. Deferred income taxes have been offset by a net operating loss carryforward (Note 4). Deferred income taxes will not be recognized until the carryforward is fully utilized.

Recognition of Revenue

All securities and annuity transactions and related revenue and expenses are generally recorded on a trade-date basis.

Cash Equivalents

All highly liquid securities purchased with an original maturity of three months or less are considered to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Commissions Receivable

Commissions receivable are recorded at the amount the Company expects to collect on balances outstanding at year-end. Management closely monitors outstanding balances and writes off, as of year-end, all balances deemed uncollectable by the time the financial statements are issued.

NOTE 2 - MARKETABLE SECURITIES

Marketable equity securities held by the Company at June 30, 2010, consist of 300 shares of NASDAQ OMX Group common stock which is reported at fair market value (level 1).

GOOGINS & ANTON, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the Uniform Net Capital Rule of the Securities and Exchange Commission, which requires the maintenance of a minimum net capital of \$5,000 at June 30, 2010 and 2009, respectively, and that the ratio of aggregated indebtedness to net capital, both of which are defined, should not exceed 15 to 1. Net capital as of June 30, 2010 and 2009, was \$29,223 and \$27,406, and aggregate indebtedness was \$82,227 and \$59,569, respectively. The ratio of aggregate indebtedness to net capital at June 30, 2010 and 2009, was 2.8 to 1 and 2.2 to 1, respectively.

NOTE 4 - FEES AND REIMBURSEMENT OF EXPENSES TO AFFILIATES

The Company has an operating agreement with an affiliated company. The agreement provides for the affiliated company to pay a substantial portion of Googins & Anton, Inc.'s operating expenses in exchange for a management fee equal to 90.6 percent of revenue received after commissions and certain other expenses are paid. This fee totaled \$1,191,711 and \$1,020,824 for the years ended June 30, 2010 and 2009, respectively, and has been allocated to the appropriate expense category on the statement of income. Accrued management fees due to affiliates at June 30, 2010 and 2009, amounted to \$82,227 and \$59,569, respectively.

NOTE 5 - INCOME TAXES

The Company has adopted the provisions of FASB Interpretation No. (FIN) 48 "Accounting for Uncertainty in Income Taxes". FIN 48 clarifies the accounting for uncertainty in income taxes by prescribing a minimum recognition threshold for a tax position taken or expected to be taken in a tax return that is required to be met before being recognized in the financial statements. The adoption of FIN 48 did not result in the creation of unrecognized tax benefits.

The Company files federal and Wisconsin tax returns. The Company is no longer subject to federal and Wisconsin income tax examinations by tax authorities for the years before 2006.

The Company's income tax expense for the years ended June 30, 2010 and 2009, consist of the following:

	<u>2010</u>	<u>2009</u>
Taxes currently payable (refundable)	\$ -	\$ -
Deferred taxes	-	<u>(8,600)</u>
Income tax expense benefit	<u>\$ -</u>	<u>\$ (8,600)</u>

A net operating loss of approximately \$4,400 is available to offset future taxable income. The net operating loss carryforward expires in 2029.

GOOGINS & ANTON, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 6 - RETIREMENT PLAN

The Company uses the safe harbor method of funding the plan with a minimum 3% contribution for all eligible employees. The Company elected to contribute more than the required 3% for the years ended June 30, 2010 and 2009. The contributions were \$68,677 and \$58,829, respectively.

NOTE 7 - SUBSEQUENT EVENTS

**Report of Independent Accountants on Internal Control Structure
Required by Rule 17A-5 of the Securities and Exchange Commission**

Board of Directors
Googins & Anton, Inc.
Middleton, Wisconsin

In planning and performing our audit of the financial statements of Googins & Anton, Inc. for the year ended June 30, 2010, we considered its internal control structure in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We also made a study of the practices and procedures following by Googins & Anton, Inc. in making the periodic computations of aggregate indebtedness and net capital under Rule 17A-3(a)(11). The management of the Company has indicated that the Company was in compliance with the exemptive provisions of Rule 15C3-3 and no facts came to our attention indicating that the exemptive provisions have not been complied with during the year ended June 30, 2010. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recording of differences required by Rule 17A-13, or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17A-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to

future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within assigned functions. However, we noted no matters involving the internal control structure that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2010, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17A-5(g) under the Securities Exchange Act of 1923 and should not be used for any other purpose.

The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-6 and Form SIPC-7 with respective cash disbursements in the general ledger and to copies of disbursed checks noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the quarters ended September 30, 2009, December 31, 2009, March 31, 2010 and June 30, 2010, as applicable, with the amounts reported in Form SIPC-6 and Form SIPC-7 for the year ended June 30, 2010. We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be or should not be used by anyone other than these specified parties.
