**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Stockholder and Directors  
Harvestons Securities, Inc.

I have audited the accompanying statement of financial condition of **Harvestons Securities, Inc.**, as of August 31, 2010, and the related statement of operations, statement of changes in stockholder's equity and statement of cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Harvestons Securities, Inc.** as of August 31, 2010, and the results of its operations, changes in stockholder's equity, and its cash flows for the year then ended, in conformity with generally accepted accounting principles.

My audit was conducted for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in Schedules I, II, III and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**HARVESTONS SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2010**

**1. Organization and Summary of Significant Accounting Principles**

Organization:

Harvestons Securities, Inc. (Harvestons or the Company) was incorporated in the State of Colorado on January 15, 1993, for the purpose of conducting business as a registered fully-disclosed broker/dealer in securities.

Harvestons has claimed an exemption from Rule 15c3-3 of the Securities and Exchange Commission. The Company does not hold cash or securities for the account of customers.

The Company clears certain of its proprietary and customer transactions through a clearing organization on a fully disclosed basis. The amounts receivable from and/or payable to the clearing organization relates to these transactions. In addition, the Company maintains a deposit of \$100,000 with the clearing organization at August 31, 2010.

Depreciation and Amortization:

Depreciation is provided on a straight-line basis using estimated useful lives of three to five years. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease.

Marketable Securities:

Marketable securities are valued at quoted market values. The resulting difference between cost and market is treated as unrealized gain or loss at the year end. Net unrealized gains/losses for the year ended August 31, 2010 are included in trading revenue in the accompanying financial statements.

Income Taxes:

Income taxes are provided at the statutory rate, and are based on earnings reported in the financial statements. Deferred income taxes are provided using a liability approach based upon enacted tax laws and rates applicable to the periods in which the taxes become payable.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Statement of Cash Flows:

For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. FASB ASC 940-320-45-7 states that broker-dealers should report trading securities activities in the operating section of the statement of cash flows.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**HARVESTONS SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2010**

**Securities Owned**

Proprietary securities transactions in trades are recorded on the trade date, as if they had settled. Profit and loss arising from all securities and commodities transactions entered into for the account and risk of the Company are recorded on a trade date basis. Transactions for customers with related commission income and expenses are reported on a trade date basis. Amounts receivable and payable for securities transactions that have not reached their contractual settlement date are recorded net on the statement of financial condition. Securities are recorded at fair value in accordance with FASB ASC 820, Fair Value Measurements and Disclosures.

**Investment Banking**

Investment banking revenues include gains, losses, and fees, net of syndicate expenses, arising from securities offerings in which the Company acts as an underwriter or agent. Investment banking revenues also include fees earned from providing merger-and-acquisition and financial restructuring advisory services. Investment banking management fees are recorded on offering date, sales concessions on settlement date, and underwriting fees at the time the underwriting is completed and the income is reasonably determinable.

**Commissions Expense**

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

**Concentrations of Credit Risk**

The Company engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

**2. Net Capital Requirements**

Harvestons is subject to the Securities and Exchange Commission Uniform Net Capital Rule for fully disclosed broker/dealers (Rule 15c3-1) which requires the maintenance of minimum net capital of \$100,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At August 31, 2010, Harvestons had net capital of \$210,980, of which \$110,980 was in excess of its required net capital of \$100,000. Harvestons had aggregate indebtedness in the amount of \$14,782. Therefore, its net capital ratio was .7 to 1 at August 31, 2010.

**3. Property and Equipment**

Property and equipment consists of the following at August 31, 2010:

Furniture and Fixtures	\$ 35,333
Computers and Equipment	160,183
Leasehold Improvements	15,194
	<hr/>
	210,710
Less: Accumulated Depreciation and Amortization	( 195,327)
	<hr/>
	\$ 15,383

**HARVESTONS SECURITIES, INC.**  
NOTES TO FINANCIAL STATEMENTS  
AUGUST 31, 2010

**4. Income Taxes**

No provision for income taxes is required for the period ended August 31, 2010, because Harvestons has accumulated net operating losses for tax purposes of approximately \$54,000 from inception through August 31, 2010, which expire in varying amounts through 2029. The deferred tax asset and valuation allowance decreased in 2010 by \$106,000 due to net income being offset by operating loss carryforwards. As of August 31, 2010 deferred tax assets and valuation allowance are as follows:

Deferred tax assets:	
Operating loss carry forwards	\$ 21,600
Valuation Allowance	<u>(21,600)</u>
Net Deferred Income Tax Asset	<u>\$ -</u>

**5. Related Party Transactions and Commitments**

The Company leases its corporate office space from a company owned in part by the shareholder of Harvestons Securities. Harvestons paid rent of \$30,952 to this related company during the year ended August 31, 2010. The future minimum lease payments for office space under the lease at August 31, 2010 aggregate \$103,600 as follows:

	<u>Lease Payments</u>
2011	\$ 30,400
2012	31,000
2013	31,600
2014	<u>10,600</u>
	<u>\$ 103,600</u>

**6. Contingencies**

The Company has been named as a defendant in a case incidental to its securities business. Management of the Company, after consultation with outside legal counsel, believes that the resolution of this case will not result in any material adverse effect on the Company's financial position.

**7. Subsequent Events**

The Company has evaluated events and transactions that occurred subsequent to August 31, 2010, for possible disclosure or recognition in the financial statements. The Company has determined that there were no such events or transactions that warrant disclosure or recognition in the financial statements through the date the financial statements were available to be issued, October 27, 2010.

**DONNA L. JOHNSON, CPA, PC**

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING  
FIRM ON INTERNAL CONTROL**

Board of Directors  
Harvestons Securities, Inc.:

In planning and performing my audit of the financial statements of Harvestons Securities, Inc. (the Company), as of and for the year ended August 31, 2010 in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

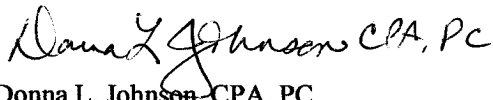

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at August 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

2. Compared the amounts reported on the audited Form X-17A-5 for the year ended August 31, 2010, as applicable, with the amounts reported in Form SIPC-7T for the year ended August 31, 2010, noting no differences;
3. There were no adjustments reported in Form SIPC-7T for comparison with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers, including internally prepared balance reconciliations and the general ledger supporting the adjustments noting no differences; and
5. There was no amount of any overpayment applied to the current assessment with the Form SIPC-7T.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
