Independent Auditor's Report

To the Member of
Capital Path Securities, LLC
Rocky Point, NY

I have audited the accompanying statement of financial condition of Capital Path Securities, LLC as of September 30, 2010 that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statement referred to above present fairly, in all material respects, the financial position of Capital Path Securities, LLC as of September 30, 2010 in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statement, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statement and, in my opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

The Company was organized on August 7, 2000 as a Connecticut Limited Liability Company to conduct business as a registered broker-dealer under the Securities Act of 1934. Related commission revenue and expenses are recorded on a trade date basis. As a Limited Liability Company the member's liability is limited to their investment.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Organizational Structure

The Company has been organized as a Limited Liability Company. Under this form of organization, the member is not liable for the debts of the Company.

Fixed Assets

Furniture and equipment are being depreciated using the straight-line method over their estimated useful lives, ranging from five to seven years.
