INDEPENDENT ACCOUNTANTS' REPORT ON FINANCIAL STATEMENTS AND SUPPLEMENTAL SCHEDULES

Executive Committee and Member Curtiswood Capital, LLC Nashville, Tennessee

We have audited the accompanying statement of financial condition of Curtiswood Capital, LLC (the "Company") as of September 30, 2010, and the related statements of operations, changes in member's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Curtiswood Capital, LLC as of September 30, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplemental schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. These schedules are the responsibility of the Company's management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

<u>SEPTEMBER 30, 2010</u>

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Curtiswood Capital, LLC (the "Company"), a Tennessee limited liability company, is an introducing broker-dealer registered with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company's office is located in Nashville, Tennessee. The Company is wholly-owned by Trace Partners, LP, a Nevada limited partnership.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Accounting Standards Codification

In June 2009, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 168, *The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, a Replacement of FASB Statement No. 162.* This statement modifies the GAAP hierarchy by establishing only two levels of GAAP, authoritative and nonauthoritative accounting literature. Effective July 2009, the FASB Accounting Standards Codification (the "Codification") is considered the single source of authoritative U.S. accounting and reporting standards, except for additional authoritative rules and interpretive releases issued by the Securities and Exchange Commission. Nonauthoritative guidance and literature include, among other things, FASB Concepts Statements, American Institute of Certified Public Accountants Issues Papers and Technical Practice Aids, and accounting textbooks. The Codification was developed to organize GAAP pronouncements by topic so that users can more easily access authoritative accounting guidance.

Fiscal Year

The Company has adopted a September 30 fiscal reporting year for financial statement purposes. Tax returns are filed on a December 31 calendar year basis.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Deposits with Clearing Broker

The Company cleared its accounts through another broker-dealer, Sterne, Agee and Leach, Inc. ("SAL") on a fully disclosed basis via a correspondent clearing agreement which expired on July 23, 2010. On January 15, 2010, the Company executed a correspondent clearing agreement on a fully disclosed basis with Legent Clearing, LLC ("Legent"), which expires on January 15, 2015. The Company has agreed to maintain a deposit account with Legent equal to or greater than the margin requirements on securities with a minimum balance of \$250,000. As of September 30, 2010, all trading accounts had been fully moved from SAL to Legent.

Securities Transactions

Gains and losses arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade-date basis. All of the Company's trading activities are cleared by Legent Clearing, LLC.

Marketable securities are valued at market value, and any securities not readily marketable are valued at estimated fair value as determined by management. Marketable securities sold, not yet purchased are reported at the current market value at which the related securities could be purchased on the measurement date. See Note 4 for additional information.

Fair Value Measurements

Financial accounting standards relating to fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Marketable securities owned and marketable securities sold, not yet purchased: Securities for which quotations are readily available in active markets are valued at the most recent quote in the principal market in which such securities are normally traded, and are classified within Level 1 of the valuation hierarchy. These investments also include securities valued on the basis of information provided by pricing services that employ valuation matrices that may incorporate both broker/dealersupplied valuations as well as valuation models reflecting such factors as benchmark yields, reported trades, broker/dealer quotes, bid/offer data, and other relevant elements, and are classified within Level 2 of the valuation hierarchy. The fair value of certain other securities is based on unobservable inputs and, in those circumstances, the securities are classified within Level 3 of the valuation hierarchy.

Securities not readily marketable: Securities not readily marketable are valued from unobservable inputs and classified as Level 3.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Furniture and Equipment

Furniture and equipment are reported at cost less accumulated depreciation. Depreciation is computed on an accelerated method over the estimated useful lives of the assets, which range from 3 to 7 years.

Trading Income and Loss

Trading income (loss) is recorded as the difference between the acquisition cost of the security and the selling price or current fair market value and consists of realized and unrealized gains (losses).

Interest and Dividend Income

Interest income is recognized in the period earned. Dividend income is accrued and recognized as of the ex-dividend date.

Commission Income

Commission income and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

<u>Taxes</u>

The Company is treated as a partnership for federal income tax purposes. Consequently, all federal tax effects of the Company's income, gains and losses are passed through to its sole member, Trace Partners, LP. Substantially all of the member's taxable income is self-employment income to the owners and not subject to state excise tax under current state law.

On October 1, 2009 the Company adopted new guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions. Income tax positions must meet a morelikely-than-not recognition threshold to be recognized. The adoption of this guidance did not have a material effect on the Company's financial position and results of operations.

As of September 30, 2010 the Company did not have any accrued interest or penalties related to income tax liabilities, and no interest or penalties have been charged to operations for the year then ended.

The Company files tax returns in the State of Tennessee. The State of Tennessee has a statute of limitations of four years.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Events Occurring After Reporting Date

The Company has evaluated events and transactions that occurred between September 30, 2010 and November 18, 2010, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - CONCENTRATION OF RISK

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains cash accounts at financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. As of September 30, 2010, all depositor accounts of the Company are fully insured.

Investments are subject to market risk, the risk inherent in a fluctuating market. The broker/dealer that is the custodian of the Company's securities is covered by the Securities Investor Protection Corporation ("SIPC"), which provides limited protection to investors. SIPC coverage is limited to specified investor-owned securities (notes, bonds, mutual funds, investment company securities and registered securities) held by an insolvent SIPC member at the time a supervising trustee is appointed. The SIPC also protects against unauthorized trading in the Company's security account. SIPC coverage is limited to \$500,000 per customer, including \$250,000 for cash that is on deposit as the result of a security transaction. Accounts held by the broker-dealer are also covered through the Customer Asset Protection Company. Under this program, cash and fully paid securities are not subject to any dollar amount limitation. The SIPC and additional protection do not insure against market risk.

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. The Company's policy is periodically to review the credit standing of each counterparty.

The Company routinely sells securities that it does not currently own and, therefore, will be obligated to purchase such securities at a future date. The Company has recorded these obligations in the financial statements at September 30, 2010 at the current market values of the related securities and will incur a loss if the market value of the securities is higher at the purchase date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 4 - SECURITIES OWNED AND SOLD, NOT YET PURCHASED

Securities owned and sold, not yet purchased, consist of the following at September 30, 2010:

		Owned		d, Not Yet urchased
Corporate stocks and warrants Corporate bonds, debentures and notes	\$ 	2,905,047 2,774,511	\$ 	548,375
	<u>\$</u>	5,679,558	<u>\$</u>	548,375

	<u>\$</u>	\$ 548,375	<u>\$</u>	\$ 548,375

The following is a reconciliation of the beginning and ending balances for assets and liabilities measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended September 30, 2010:

	Aarketable Securities		urities not / Marketable
Balance, beginning of year	\$ 11,183	\$	127
Realized gains	-		-
Unrealized gains (losses) relating to instruments still held at reporting date and included in			
net income	(11,183)		8,307
Purchases, sales, and transfers - net	 678,787	<u></u>	
Balance, end of year	\$ 678,787	\$	8,434

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 6 - PAYABLE TO CLEARING BROKER, NET

Amounts receivable from and payable to the Company's clearing broker, Legent, consist of the following at September 30, 2010:

Payable to clearing broker	\$	5,250,527
Monthly trading loss payable to clearing broker		115,651
Interest receivable from clearing broker		(66,364)
Payable to clearing broker, net	<u>\$</u>	5,299,814

NOTE 7 - BORROWING ARRANGEMENTS

The Company may from time to time finance its security positions through a margin account with its clearing broker. The margin account bears interest at a current market rate that fluctuates daily.

NOTE 8 - COMMITMENTS

The Company leases office space in Nashville, Tennessee, under an operating lease that expires April 30, 2011, and calls for escalating monthly lease payments plus additional fees for parking. Aggregate future rental payments required under the lease amount to \$18,139.

Total rent expense incurred under all operating leases for the year ended September 30, 2010, amounted to \$31,853.

NOTE 9 - RELATED PARTY TRANSACTIONS

Total salaries and benefits included in other expenses that were applicable to partners of an affiliated company, amounted to approximately \$126,000 for the year ended September 30, 2010.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2010

NOTE 10 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. The rule of the "applicable" exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At September 30, 2010, the Company had regulatory net capital of \$6,543,511 which was \$6,293,511 in excess of its required net capital of \$250,000. The Company's percent of aggregate indebtedness to net capital ratio was .02 to 1.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL

Executive Committee and Member Curtiswood Capital, LLC Nashville, Tennessee

In planning and performing our audit of the financial statements of Curtiswood Capital, LLC (the "Company") as of and for the year ended September 30, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications and comparisons and the recordation of differences required by Rule 17a-13.
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the Company's Executive Committee and Member, management, the SEC, the New York Stock Exchange, Financial Industry Regulatory Authority and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

Executive Committee and Member Curtiswood Capital, LLC Nashville, Tennessee

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended September 30, 2010, which were agreed to by Curtiswood Capital, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Curtiswood Capital, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Curtiswood Capital, LLC's management is responsible for Curtiswood Capital, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
- 2. Compared the amounts reported on the audited Form X-17A-5 for the year ended September 30, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended September 30, 2010 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5. Noted that there were no overpayments applied to the current assessment on Form SIPC-7.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
