## INDEPENDENT AUDITORS' REPORT

To the Member  
PGP Capital Advisors, LLC (Formerly Pacific Gemini Partners, LLC)  
Los Angeles, California

We have audited the accompanying balance sheet of PGP Capital Advisors, LLC (the "Company") as of December 31, 2009, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PGP Capital Advisors, LLC as of December 31, 2009, and the results of its operations, changes in member's equity and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Note 1 - Summary of Significant Accounting Policies**

This summary of significant accounting policies of PGP Capital Advisors, LLC (the "Company") is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Nature of Business Activities

PGP Capital Advisors, LLC (formerly Pacific Gemini Partners, LLC), a Delaware Limited Liability Company, is a wholly owned subsidiary of PGP Holdings, LLC (the "Parent"). The Company is a boutique investment bank that is registered as a Securities Broker-Dealer regulated by the Financial Industry Regulatory Authority and provides high-impact, tailored services in connection with mergers and acquisitions, private placements and corporate finance for publicly-traded and privately-held corporations.

Income Taxes

The Company is a limited liability company taxed as a partnership for income tax purposes and, accordingly, income or loss of the Company flows through to the member of the Company. The Company recorded \$800 in California state taxes for the year ended December 31, 2009.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In accordance with FASB ASC Topic No. 855, Subsequent Events, the Company evaluated subsequent events for recognition or disclosure through February 25, 2010, the date the accompanying financial statements were issued.

**Note 2 - Related Party Transactions and Expense Sharing Agreement**

Effective October 1, 2009, the Company entered into a revised expense sharing agreement (the "Agreement") with the Parent whereby the Company assumed responsibility for paying all of its operating expenses and agreed to allocate certain percentages of common expenses to the Parent, as specified in the Agreement. Prior to September 30, 2009, the Parent had paid most of the Company's operating expenses and allocated a certain percentage of the combined operating expenses to the Company. The total amounts allocated for operating expenses from the Parent to the Company totaled approximately \$16,000 for the year ended December 31, 2009. From October 1, 2009 to the end of the year, the Company allocated approximately \$13,000 of expenses to the Parent. The amount due to the Parent totaled approximately \$72,000 at December 31, 2009.

## **Independent Auditors' Report on Internal Control Required by SEC Rule 17a-5**

To the Member

PGP Capital Advisors, LLC (formerly Pacific Gemini Partners, LLC)

In planning and performing our audit of the financial statements and supplemental schedules of PGP Capital Advisors, LLC (formerly Pacific Gemini Partners, LLC) (the Firm), for the year ended December 31, 2009, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Firm including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Firm does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Firm in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Firm is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Firm has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's

authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standard established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Firm's practices and procedures were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the use of the Member, management, the SEC and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and should not be used for any other purpose.
