**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Partners of  
Brimberg & Co., L.P.

We have audited the accompanying balance sheet of Brimberg & Co., L.P. as of October 31, 2011 and the related statements of operations, changes in partners' capital, and cash flows for the year then ended. These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brimberg & Co., L.P. at October 31, 2011, and the results of its operations, changes in partners' capital, and cash flows for the year then ended in conformity with U.S. generally accepted accounting principals.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information contained on page 9 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**BRIMBERG & CO., L.P.**  
**NOTES TO FINANCIAL STATEMENTS**  
**OCTOBER 31, 2011**

**1. ORGANIZATION AND NATURE OF BUSINESS**

Brimberg & Co., L.P. (the "Company") was organized in the State of New York on November 24, 1993, as a limited partnership, and is registered as a broker-dealer in securities transactions under the Securities Exchange Act of 1934. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

The Company clears all of its transactions through a securities clearing broker. The Company acts as a broker-dealer and is exempt from Securities and Exchange Commission Rule 15c3-3 under paragraph k(2)(ii) since it uses other security firms for clearing.

Pursuant to an agreement between the Company and Pershing LLC, a subsidiary of The Bank of New York Mellon Corporation (Pershing), securities transactions of the Company are cleared through Pershing and its customers are introduced and cleared on a fully disclosed basis. The Company is exempt from provisions of Rule 15c3-3 and is not responsible for compliance with Section 4(c) of Regulation T of the Board of Governors of the Federal Reserve System, as all customers' accounts, as defined by such rules, are carried by Pershing.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Revenues**

Securities transactions and the related revenue and expenses are recorded on a trade date basis.

**Securities owned**

Securities owned are carried at quoted market values, and securities not readily marketable are valued at fair value as determined by management. The resulting difference between cost and market value is included in income.

**Property and equipment**

Property and equipment are carried at cost. Depreciation is provided using accelerated methods over their estimated useful lives of five years.

**Income Taxes**

The Company is taxed as a partnership and the accompanying financial statements do not include any provision for federal or state income taxes. Each partner of the Company is individually responsible for reporting his share of the Company's income or loss. The Company is responsible for New York City Unincorporated Business Taxes.

**BRIMBERG & CO., L.P.**  
**NOTES TO FINANCIAL STATEMENTS**  
**OCTOBER 31, 2011**

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**3. NET CAPITAL REQUIREMENTS**

The Company is a member of the FINRA and subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At October 31, 2011 the Company had net capital of \$27,642 which was \$22,642 in excess of the amount required.

**4. COMMITMENTS AND CONTINGENCIES**

The Company clears all transactions with and for customers on a fully disclosed basis with a clearing broker and promptly transmits all customer funds and securities to the clearing broker who carries all of the accounts of such customers. These activities may expose the Company to off-balance-sheet risk in the event that the customer and/or clearing broker is unable to fulfill its obligations.

The Company does not maintain margin accounts for its customers; and, therefore there were no excess margin securities.

The Company seeks to control off-balance-sheet risk by monitoring the market value of securities held in compliance with regulatory and internal guidelines. The uncertain financial market could adversely affect the Company's operations.

From time to time, the Company has cash at a bank in excess of FDIC insured limits resulting from this concentration.

**LEASE COMMITMENT**

The Company entered into a rental agreement with Sutton Capital, LLC at 666 Fifth Avenue, NY, NY beginning August 1, 2010 on a month to month basis thereafter at a monthly rate of \$6,153.

The Company does not have any other commitments or contingent liabilities.

**BRIMBERG & CO., L.P.**  
**NOTES TO FINANCIAL STATEMENTS**  
**OCTOBER 31, 2011**

**5. MINIMUM NET CAPITAL REQUIREMENT**

On November 18, 2010, FINRA amended the Company's net minimum net capital requirement under SEC Rule 15c3-1. Specifically, the Firm's minimum net capital would be reduced from \$100,000 under SEC Rule 15c3-1(a)(2)(iii) to \$5,000 under SEC Rule 15c3-1(a)(2)(vi) as a result of the Firm no longer operating in a dealer capacity or engaging in firm commitment underwritings.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5**

To the Partners of  
Brimberg & Co.

In planning and performing our audit of the financial statements and supplementary information of Brimberg & Co.(the "Company") for the year ended October 31, 2011, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following: 1) Making quarterly securities examinations, counts, verifications and comparisons; 2) Recordation of differences required by Rule 17a-13, or, 3) Complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

**Registered with the Public Company Accounting Oversight Board  
Member: American Institute of Certified Public Accountants**

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at October 31, 2011, to meet the Commission's objectives.

This report is intended solely for the information and use of the General Partners, management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority (FINRA), and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
