Total liabilities and capital	<u>\$ 1,194,375</u>
-------------------------------	---------------------

The accompanying notes are an integral part of this statement.

GRENEL & CO. LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

Note 1- Nature of Business

Grenel & Co., a Limited Liability Company (“The Company”) is a New York company conducting business as a broker/dealer in securities.

The Company operates under the provisions of Paragraph (k) (2) (ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule.

Note 2- Summary of Significant Accounting Policies

a) Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a trade date basis.

b) Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Company considers demand deposited money market funds to be cash and cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

c) Depreciation

Depreciation of equipment is computed on the straight-line method over the estimated useful lives of the assets of five years.

d) Income Taxes

Income taxes are not payable by, or provided for, the Company. Members are taxed individually on their share of Company earnings for federal and state income tax purposes. The accompanying financial statements have been adjusted to provide for unincorporated business tax based upon Company income, if applicable.

e) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

f) Subsequent Event

The Company has evaluated events and transactions that occurred between December 31, 2009 and February 8, 2010, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Note 3- Liabilities Subordinated to the Claims of General Creditors

The subordinated borrowing is covered by an agreement approved by the National Association of Securities Dealers, Inc. and is thus available in

GRENEL & CO., LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

Note 3- Liabilities Subordinated to the Claims of General Creditors (continued)

computing net capital under the Securities and Exchange Commission's Uniform Net Capital rule. To the extent that such borrowing is required for the Company's continued compliance with minimum net capital requirements, it may not be repaid.

The borrowing, under a subordination agreement, as of December 31, 2009 is as follows:

Secured demand note agreement due June 1, 2012, with interest at the Federal Funds rate plus ½%	<u>\$700,000</u>
---	------------------

Note 4 Financial Instruments with Off-Balance Sheet Credit Risk

As a securities broker, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company's transactions are collateralized and are executed with and on behalf of banks, brokers and dealers and other financial institutions. The Company introduces these transactions for clearance to another broker/dealer on a fully disclosed basis. The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair customers' ability to satisfy their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers.

The Company seeks to control the aforementioned risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing brokers internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customers to deposit additional collateral, or reduce positions when necessary.

Note 5 Net Capital Requirement

The Company is subject to the Securities and Exchange Commission's Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At December 31, 2009, the Company's net capital of \$1,181,796 was \$1,081,796 in excess of its required net capital of \$100,000. The Company's capital ratio was 1.03%.

A copy of the Company's Statement of Financial Condition as of December 31, 2009, pursuant to SEC Rule 17a-5 is available for examination at the Company's office and at the regional office of the Securities and Exchange Commission and the office of Financial Industry Regulatory Authority.

INDEPENDENT AUDITORS' REPORT

To the Members of
Grenel & Co. LLC
31-33 Crestwood Drive
West Orange, NJ 07052

Gentlemen:

We have audited the accompanying statement of financial condition of Grenel & Co. LLC as of December 31, 2009. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Grenel & Co. LLC as of December 31, 2009, in conformity with accounting principles generally accepted in the United States of America.

Gentlemen:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2009, which were agreed to by **GRENEL & CO., LLC** ("Company") and the Securities and Exchange Commission ("SEC"), Financial Industry Regulatory Authority, Inc. ("FINRA") and SIPC., solely to assist you in evaluating the Company's compliance with Rule 17a-5(e)(4). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed are as follows:

- 1- Compared the listed assessment payments with respective cash disbursement records entries, noting no exceptions;
- 2- Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2009, with the amounts reported in the Transitional Assessment Reconciliation (Form SIPC-7T) for the year ended December 31, 2009, noting no exceptions;
- 3- Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers, noting no exceptions;
- 4- Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments, noting no exceptions; and
- 5- Compared the amount of any overpayment applied with the Form SIPC-7T on which it was computed, noting no exceptions.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Lerner & Sipkin, CPAs, LLP (NY)

SIPC Net Operating Revenues as computed above	<u>70,189</u>
Difference	<u>\$ 43,904</u>

GRENEL & CO. LLC
INDEPENDENT AUDITORS' REPORT ON
INTERNAL ACCOUNTING CONTROL

FOR THE YEAR ENDED DECEMBER 31, 2009

LERNER & SIPKIN
CERTIFIED PUBLIC ACCOUNTANTS LLP

132 Nassau Street, New York, NY 10038 Tel 212.571.0064 / Fax 212.571.0074
E-mail: LS@lernersipkin.com

To the Members of
Grenel & Co. LLC
31-33 Crestwood Drive
West Orange, NJ 07052

Gentlemen:

In planning and performing our audit of the financial statements of Grenel & Co. LLC as of and for the year ended December 31, 2009, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion of the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5 (g) (1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5 (g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3 (a) (11); and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons, and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2009, to meet the SEC's objectives.

Further, that no material differences existed between our computations of your net capital, or determination of the reserve requirements, and your corresponding FOCUS Report Part IIA filing.

This report recognizes that it is not practicable in an organization the size of the Company to achieve all the divisions of duties and cross checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies, that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
