Gentlemen:

In accordance with Rule 17a-5 (e) (4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying schedule of Assessment and Payments (Form SIPC-7T) to the Securities Investor Protection Corporation (SIPC) for the period April 1, 2009 to December 31, 2009, which were agreed to by Hunnicutt & Co, LLC and the SEC, FINRA and other designated examining authority, solely to assist you and the other specified parties in evaluating Hunnicutt & Co, LLC compliance with the applicable instructions of Form SIPC-7T. Hunnicutt & Co, LLC management is responsible for its compliance with these requirements. This agreed upon procedures engagement was conducted in accordance with attestation standards established by the AICPA. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report had been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. - Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records (general ledger and copies of checks) noting no differences. The payments were as follows:

<u>Period Ended</u>	<u>Date Paid</u>	<u>Payment Amount</u>
Minimum	1/14/2009	\$ 150.00
9/30/2009	9/26/2009	1,098.00
12/31/2009	2/16/2010	115.00
		<u>\$ 1,363.00</u>

2. - Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2009 less revenue reported on the FOCUS report for the period from January 1, 2009 to March 31, 2009, noting no differences.
3. - Compared any adjustments reported in Form SIPC-7T with supporting schedules and work papers, noting no differences.
4. - Checked the arithmetical accuracy of calculations reflected in the Form SIPC-7T and supporting papers, noting no differences.

We were not engaged to, and did not conduct an examination, the object of which would be the expression of an opinion on compliance. Accordingly, we do not express such opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

ACCOUNTANTS' SUPPLEMENTARY REPORT ON INTERNAL ACCOUNTING CONTROL

To the Partners of  
Hunnicuttt & Co., LLC

We have audited the financial statements of Hunnicutt & Co., LLC for the year ended December 31, 2009 and have issued our report thereon dated February 18, 2010. As part of our audit, we made a study and evaluation of the Company's system of internal accounting control (which includes the procedures for safeguarding securities) to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also, as required by Rule 17a5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by Hunnicutt & Co., Inc., that we considered relevant to the objectives stated in Rule 17a5(g), (i) in making the periodic computations of net capital and aggregate indebtedness under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3; (ii) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13. We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities of Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures, and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Hunnicuttt & Co., LLC

Because of inherent limitations in any internal accounting control structure, procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions that the degree of compliance with them may deteriorate, or the effectiveness of their design and operation may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Hunnicutt & Co., LLC taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

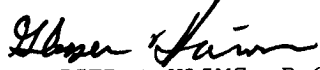

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009 to meet the Commission's objectives.

In addition, our review indicated that Hunnicutt & Co., LLC was in compliance with the conditions of exemptions from Rule 15c3-3 pursuant to paragraph k(2)(ii) as of December 31, 2008 and no facts came to our attention to indicate that such conditions had not been complied with during the period.

This report recognizes that it is not practicable in an organization the size of Hunnicutt & Co., LLC to achieve all the divisions of duties and cross-checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc. and other regulatory agencies which rely on Rule 17a5(g) under the Securities Exchange Act of 1934, and should not be used for any other purpose.

Very truly yours,

GLASSER & HAIMS, P.C.
