Independent Accountants' Report

Member
FSI Securities, LLC
New York, New York

We have audited the accompanying statement of financial condition of FSI Securities, LLC as of December 31, 2009. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of FSI Securities, LLC as of December 31, 2009, in conformity with accounting principles generally accepted in the United States of America.

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

FSI Securities, LLC (FSI Securities) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Commissions are recorded on a trade-date basis as securities transactions occur.

Income Taxes

The Company's member has elected to have the Company's income taxed as a partnership under provisions of the Internal Revenue Code and a similar section of the state income tax law. Therefore, taxable income or loss is reported to the member for inclusion in their respective tax returns and no provision for federal and state income taxes is included in these statements.

The Company's tax years still subject to examination by taxing authorities are years subsequent to 2005.

Subsequent Events

Subsequent events have been evaluated through February 24, 2010 which is the date the financial statements were available to be issued.

Note 2: Related Party Transactions

FSI Securities is a wholly-owned subsidiary of FSI Capital Holdings, LLC (FSI Capital). FSI Securities has entered into a facilities and services agreement with FSI Capital whereby FSI Capital, through its affiliates, provides office space and equipment, administrative and technological support, executive personnel and other general and administrative expenses.

Note 3: Regulatory Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. In addition, equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2009 the Company had net capital of \$669,193 which exceeded the minimum required amount by \$664,193; and the Company's ratio of aggregate indebtedness to net capital was 0.02 to 1.

Note 4: Significant Estimates and Concentrations

Current Economic Conditions

The current economic environment presents financial institutions with unprecedented circumstances and challenges which in some cases have resulted in large declines in the fair values of investments and other assets, constraints on liquidity and significant credit quality problems, including severe volatility in the valuation investments and underlying assets. The financial statements have been prepared using values and information currently available to the Company.

Given the volatility of current economic conditions, the financial results of the Company could be impacted in the future.
