INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Freimark Blair & Company, Inc.
Ramsey, New Jersey 07446

I have audited the accompanying Statement of Financial Condition of Freimark Blair & Company, Inc., as of December 31, 2009 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion of these financial statements based on my audit.

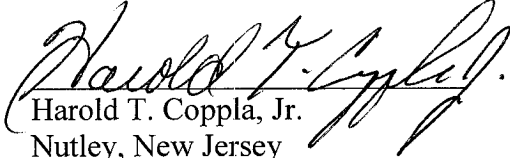

I conducted my audit in accordance with generally accepted auditing standards. These statements require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that our audit provides a reasonable basis for our opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Freimark Blair & Company, Inc. as of December 31, 2009, and the results of its operations and cash flows for the year then ended, in conformity with generally accepted accounting principles.

The Company, with the consent of its shareholders, has elected under the Internal Revenue Code to be an S Corporation. In lieu of corporation income taxes, the shareholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income has been included in these financial statements.

INDEPENDENT AUDITOR'S REPORT

My audit was made for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Freimark Blair & Company, Inc.
Ramsey, New Jersey 07446

In planning and performing my audit of the Financial Statements of Freimark Blair & Company, Inc., for the year ended December 31, 2009, I considered its internal control structures, including procedures for safeguarding securities in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure.

I also made a study of the practices and procedures followed by the Company and making periodic computation of aggregate indebtedness and net capital under Rule 17a3 (a)(11) and the procedures for determining compliance with the exemption provisions of Rule 15c3-3. At December 31, 2009, the Company was in compliance with the conditions of the exemption, and no facts came to my attention that would indicate that such conditions had not been complied with during the year. I did not review the practices and procedures followed by the Company (i) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or (ii) in complying with the requirements for prompt payment of securities of Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally

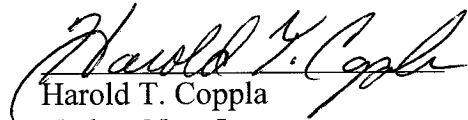

accepted accounting principles. Rule 27 (a) -5-(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of the inherent limitations in any internal control structure of the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of the design and operation may deteriorate.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving the internal control structure, including procedures for safeguarding securities, that I consider to be material weaknesses as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at December 31, 2009 to meet the commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, FINRA and other regulatory agencies which rely on Rule 17-(a)-5-(g) under the Securities and Exchange Act of 1934 and should not be used for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Freimark Blair & Company, Inc.
Ramsey, New Jersey 07446

I have audited the accompanying Statement of Financial Condition of Freimark Blair & Company, Inc., as of December 31, 2009 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion of these financial statements based on my audit.

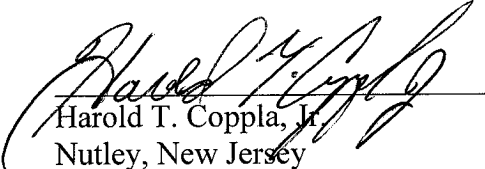

I conducted my audit in accordance with generally accepted auditing standards. These statements require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that our audit provides a reasonable basis for our opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Freimark Blair & Company, Inc. as of December 31, 2009, and the results of its operations and cash flows for the year then ended, in conformity with generally accepted accounting principles.

The Company, with the consent of its shareholders, has elected under the Internal Revenue Code to be an S Corporation. In lieu of corporation income taxes, the shareholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income has been included in these financial statements.

Gentlemen:

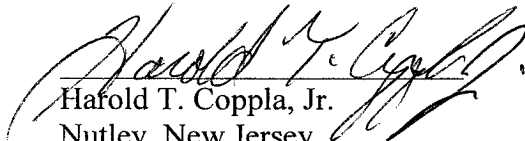

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Transitional Assessment Reconciliation, Form SIPC-7T to the Securities Investor Protection Corporation (SIPC) for the period from April 1, 2009 to December 31, 2009 which were agreed to by Freimark Blair & Company, Inc., and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Freimark Blair & Company, Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). Freimark Blair & Company, Inc.'s management is responsible for the Freimark Blair & Company, Inc.'s compliance with those requirements. This agreed upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries and noted **No Differences**.

2. Compared the Total Revenue amounts of the audited Form X-217A-5 for the year ended December 2009 less revenues reported on the FOCUS reports for the period from January 1, 2009 to March 31, 2009 with the amounts reported in Form SIPC-7T for the period from April 1, 2009 to December 31, 2009 noting **No Differences**.
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting **No Differences**.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting **No Differences**.
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting **No Differences**.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly we do not express such an opinion. Had we performed additional procedures, other matter might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
