Dear Mr. Thomas:

By letter dated April 9, 2013, we advised you that The Nasdaq Stock Market (the "Exchange") had received a Form 8-A from Harvard Apparatus Regenerative Technology, Inc. for registration of its common stock and the Exchange had approved the security for listing and registration upon official notice of issuance.

Since then, we have been advised that the company has determined not to proceed with the offering at this time. Accordingly, we hereby withdraw our earlier certification of approval.

Sincerely,

*William Slattery*
