REVOCABILITY OF PROXY

A proxy for use at the Meeting is enclosed. Any shareholder who executes and delivers such Proxy has the right to revoke it, at any time before it is exercised, by filing with the Vice President – Secretary of the Company an instrument revoking it, or a duly executed Proxy bearing a later date. In addition, the powers of the proxy holders will be revoked if the person executing the Proxy is present at the Meeting and elects to vote in person. Subject to such revocation or suspension, all shares represented by a properly executed Proxy received in time for the Meeting will be voted by the proxy holders, in accordance with the instructions on the Proxy. **IF NO INSTRUCTION IS SPECIFIED WITH REGARD TO A MATTER TO BE ACTED UPON, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF MANAGEMENT AND IN FAVOR OF SUCH MATTER.**

PERSONS MAKING THE SOLICITATION

This solicitation of Proxies is being made by the Board of Directors of the Company. The expense of preparing, assembling, printing and mailing this Proxy Statement and the materials used in the solicitation of Proxies for the Meeting will be borne by the Company. It is contemplated that proxies will be solicited principally through the use of the mail, but officers, directors, and regular employees of the Company may, for no additional compensation, solicit Proxies personally or by telephone, without receiving special compensation.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

There were issued and outstanding 1,787 shares of the Company's common stock on December 2, 2013, which has been fixed as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the Meeting (the "Record Date"). Each holder of the Company's common stock will be entitled to one vote, in person or by Proxy, for each share of common stock held of record on the books of the Company as of the Record Date, on any matter submitted to the vote of the shareholders, except in the election of Directors, where cumulative voting is permitted. See "Cumulative Voting" on page 6 hereof.

The presence in person or by Proxy of the holders of 33.33% (one-third) of the outstanding shares of stock entitled to vote at the Annual Meeting will constitute a quorum for the purpose of transacting business at the Meeting. Proxies received but marked as "withhold authority" or "abstain" will be counted as shares that are present for the purposes of determining the presence of a quorum, but will not be voted on that proposal and will have no direct effect on the outcome of the election of directors, the ratification of the appointment of Brown Armstrong Accountancy Corporation as our independent registered public accounting firm, or the advisory vote on executive compensation. A plurality of the votes cast at the meeting by shareholders entitled to vote on Item 4, the advisory vote on frequency of vote on executive compensation, will determine whether future shareholder advisory votes on executive compensation will occur every year, every two years, or every three years.

If you are a shareholder of record, you may vote your shares in person or by mail:

To vote in person, you must attend the meeting, and then complete and submit the ballot provided at the meeting. Directions to attend the Annual Meeting, where you may vote in person, are attached to this Proxy Statement as Appendix B.

To vote by mail, you must mark, sign, and date the enclosed proxy card and then mail the proxy card in the enclosed postage-paid envelope. Your proxy will be valid only if you complete and return the signed proxy card before the meeting. By completing and returning the proxy card, you will direct the designated persons to vote your shares at the meeting in the manner you specify in the proxy card.

If you indicate a choice on the proxy card with respect to any matter to be acted upon, the shares will be voted as specified. If you sign and return your proxy card and do not specify a choice, your shares will be voted according to our board of directors' recommendations, as indicated in this proxy statement. As to any matters properly brought before the shareholders at the Meeting which are not specifically described on the proxy, all duly signed, dated and returned proxies will be voted in accordance with the recommendations of management in such matters.

For Proposal 1 – Election of Directors – shareholders may vote for all nominees, withhold votes for all nominees or withhold a vote for one or more nominees. To withhold a vote for a specific nominee, draw a line through the nominee's name on the Official Proxy Card.

For Proposal 2 – Selection of Independent Public Accountants (the ratification of the appointment of our independent registered public accounting firm) -- shareholders may vote For, Against, or Abstain. The affirmative vote of a majority of the votes properly cast is required to ratify the selection of Brown Armstrong Accountancy Corporation as the Company's independent public accounting firm for fiscal year 2014.

For Proposal 3 – Advisory Vote on Executive Compensation – shareholders may vote For, Against, or Abstain to approve, in an advisory and non-binding vote, the compensation of the Company's named executive officer.

For Proposal 4 – Advisory Vote on Frequency of Vote on Executive Compensation – shareholders may recommend, in an advisory and non-binding vote, whether a non-binding shareholder vote to approve the compensation of the Company's named executive officer should occur every one, two or three years.

If a shareholder does not provide a proxy or vote in person at the annual meeting, your shares will not be voted.

ELECTION OF DIRECTORS OF COMPANY (Proposal 1)

The Bylaws of the Company provide that the number of directors shall be eighteen (18) until changed by an amendment to the Articles of Incorporation or by the Bylaws duly adopted by the Company's shareholders. Pursuant to Section 3.2.3 of the Bylaws, in order to be elected as a Director of the Company, an individual must own at least one share of the Common Stock of the Company. At the Annual Meeting, eighteen (18) directors (the entire Board of Directors) are to be elected to serve until the next Annual Meeting of the Shareholders or until their successors are elected and qualified.

A shareholder may withhold authority for the proxy holders to vote for any one or more of the nominees identified below by so indicating on the enclosed Proxy in the manner instructed on the proxy. Unless authority to vote for the nominees is so withheld, the proxy holders will vote the proxies received by them for the election of the nominees identified below as directors of the Company. Proxy holders do not have an obligation to vote for nominees not identified on the preprinted card (that is, write-in candidates). Should any shareholder attempt to "write in" a vote for a nominee not identified on the preprinted card (and described in these proxy materials), the proxy holders will not vote the shares represented by that proxy for any such write-in candidate, but will instead vote the shares for any and all other validly indicated candidates. If any of the nominees should be unable or decline to serve, which is not now anticipated, the proxy holders shall have discretionary authority to vote for a substitute who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all of the proxies received by them in such a manner, in accordance with cumulative voting, as will assure the election of as many of the nominees identified below as possible. In such event, the specific nominees to be voted for will be determined by the proxy holders, in their sole discretion.

None of the directors or executive officers of the Company were selected pursuant to any arrangement or understanding between themselves and any other individual (other than arrangements or understandings with directors or officers acting solely in the capacities as such). There is no familial relationship among any of the directors, executive officers of the Company, or the nominees for such offices, and except as noted below, none serves as directors of any company which has a class of securities registered under, or which is subject to the periodic reporting requirements of the Securities Exchange Act of 1934 or any investment company registered under the Investment Company Act of 1940.

VOTING RIGHTS – CUMULATIVE VOTING

All voting rights are vested in the holders of the common stock of the Company, each share being entitled to one vote, except with respect to the election of directors, as to which cumulative voting applies as described below.

California law provides that a shareholder of a California corporation, or his/her proxy, may cumulate votes in the election of Directors. That is, each shareholder may cast that number of votes equal to the number of shares owned by him or her, multiplied by the number of Directors to be elected, and he or she may cumulate such votes for a single candidate or distribute such votes among as many candidates as he or she deems appropriate.

Certain affirmative steps must be taken by the shareholders of the Company in order to be entitled to vote their share cumulatively in the election of Directors. At the shareholders' meeting at which Directors are to be elected, no shareholder shall be entitled to cumulate votes (i.e., cast for any one or more candidates a number of votes greater than the number of the shareholder's shares) unless the candidates' names have been placed in nomination prior to the commencement of the voting and at least one shareholder has given notice prior to commencement of the voting of the shareholder's intention to cumulate votes. If any shareholder has given such notice, then every shareholder entitled to vote may cumulate votes for candidates in nomination and give one candidate a number of votes equal to the number of Directors to be elected multiplied by the number of votes to which that shareholder's shares are entitled, or distribute the shareholder's votes on the same principle among any or all of the candidates, as the shareholder thinks fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, shall be elected.

It is intended that shares represented by proxies in the accompanying form will be voted for the election of persons nominated by management. Although the Board of Directors does not know whether there will be any nominations for directors other than those nominated by management, as set forth below, if any such nomination is made, or if votes are cast for any candidates other than those nominated by the Board of Directors, the persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of Directors or for any particular nominee is not withheld) will have full discretion and authority to vote cumulatively and allocate votes among any or all of the nominees of the Board of Directors in such order and in such numbers as they may determine in their sole discretion, provided all the above-listed requirements are met.

The following table sets forth as to each current Director (each of whom has been nominated for reelection as a Director of the Company at the upcoming Meeting) and as to each new nominee for office, such person's age, such person's principal occupations during the past five years, the period during which such person has served as a Director of the Company, and other pertinent information. Pursuant to California law and the Bylaws of the Company, Directors shall be elected at each Annual Meeting of the shareholders and hold office until the next Annual Meeting. All of the nominees, except as designated, were elected as Directors of the Company at the 2013 Annual Meeting of the Company's Shareholders. He worked on the ranch throughout his childhood and after college. The family business was sold in 1983, at which time Mr. Jamison was hired by Thousand Trails, Inc., a private membership resort, as a Resort Operations Manager. His last ten years at Thousand Trails were spent managing a 200-acre, 518-site, full-service resort near Hollister, California. He also managed Thousand Trails resorts in Acton and Idyllwild in Southern California. Prior to his employment with the Company, Mr. Jamison was a General Manager with Skycrest Enterprises in Redding and managed Sugarloaf Marina and Resort on Lake Shasta in Northern California between January 1995 and June 1997. Mr. Jamison was appointed to and served as a commissioner on the Pismo Beach Conference and Visitors Bureau from February 1998 to January 2010, serving as Chair from August 1999 until February 2009. At the 1999 National Association of RV Parks and Campgrounds Annual Convention, he was elected to serve on the Board of Directors representing the ten western states. During his two terms on the Board, he served four years as Treasurer of the National Association, a position he held until he termed out December 2005. In June of 2002, Mr. Jamison was installed as a Director on the Board for the San Luis Obispo County Chapter of the American Red Cross, and served until June 2011, including from June 2006 until July 2008 as Board Chairman. In February 2006, Mr. Jamison was elected to serve as a commissioner on the California Travel and Tourism Commission, which markets California to potential domestic and international visitors, a position he still holds. He has been Chairman of the California Travel and Tourism Commission's Audit Committee the last two years and was elected to the Commission's Executive Committee in October 2012. In July 2012, Mr. Jamison was installed as a member of the Board of Directors for the San Luis Obispo County Conference and Visitors Bureau.

THE COMPANY'S DIRECTOR NOMINATIONS PROCESS

Nominating Committee: The Company has a standing Nominating Committee whose task it is to actively seek out and consider potential candidates for office on the Board of Directors. The Nominating Committee does not have a formal charter, but operates under the direction and authority of the Board as a whole, pursuant to Committee Procedures adopted by the Board.

Director Nominations: The Nominating Committee will consider as a candidate any existing director of the Company who has indicated to the Nominating Committee that he or she is willing to stand for reelection, as well as any other interested shareholder who provides the required information and displays the qualifications and skills to effectively represent the best interests of all shareholders within the specified time requirements. Under no circumstances will the Nominating Committee evaluate any nominee pursuant to a process substantially different than that used for the other nominees for the same election or appointment of directors. Shareholder recommendations are treated identically with all other candidate recommendations.

The Nominating Committee solicits director candidates by word-of-mouth and through the Corporate Newsletter. The candidates are interviewed by two or more members of the Nominating Committee, who then compile a list from which future candidates may be chosen for board member nominees. In addition, the Nominating Committee reviews the attendance and contributions of the present seated board members. After completing this evaluation, a list of eighteen potential nominees is selected and presented to the full board for approval and placed on the proxy card for the annual election.

Independence of Nominating Committee: Of the five directors serving on the Nominating Committee during 2013, Rodney Enns, William Fischer, R. Elaine Harris, Dennis Hearne, and Garry Nelson, all are deemed "independent" directors, pursuant to standards of independence promulgated by the NASD [NASD Rule 4200(a)(15)].

Nominees Proposed by Committee: The Nominating Committee recommended for nomination each of the candidates described above. Each of those nominees were prior directors standing for reelection and approved for inclusion on the recommended slate of director nominees at the Board of Directors' meeting held November 9, 2013.

The only standing committees of the Company during 2013 were the Nominating Committee, Audit Committee, Personnel and Compensation/Benefits Committee, Finance Committee, Operations Committee, Environmental, Health and Safety Advisory Committee and the Executive Committee.

Independence of Personnel and Compensation/Benefits Committee: Of the six directors serving on the Personnel and Compensation/Benefits Committee during 2013, listed above, director George Pappi, Jr. is deemed an "independent" director, pursuant to standards of independence promulgated by the NASD [NASD Rule 4200(a)(15)]. Mr. Hughes, Mr. Hardesty, Mr. Nunlist, Mr. Plumley and Mr. Willems are not deemed independent, by reason of their uncompensated service as executive officers of the Company.

A. Hospital in Long Beach, California, from March 19 to July 26, 2013.

Although Board members are not required to attend the Annual Meeting of Shareholders as a matter of policy, directors regularly attend the Annual Meeting unless personal circumstances do not so permit. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, officers, and persons who beneficially own more than ten percent of a registered class of our equity securities within specified time periods to file with the SEC initial reports ("Form 3") of beneficial ownership and reports of changes ("Form 4" and "Form 5") in beneficial ownership of Common Stock of the Company. To the Company's knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, all of the Company's officers, directors and beneficial owners of greater than ten percent of the outstanding Common Stock complied with the Section 16(a) filing requirements for the fiscal year ended September 30, 2013.

BOARD LEADERSHIP AND ROLE IN RISK OVERSIGHT

The Board believes that an effective board leadership structure depends on the experience, skills, and personal interaction between persons in leadership roles and the needs of the Company. The positions of Chairman of the Board and Chief Executive Officer are held by two different people based on the recognition of the differences between the two responsibilities. Mr. Jay Jamison, our Chief Executive Officer, is responsible for setting our strategic direction and for day-to-day leadership and performance of the Company. He possesses extensive knowledge of the hospitality industry and in-depth knowledge of the issues, opportunities, and challenges facing the Company, as well as the Company's customers and suppliers. The Board of Directors, at the Reorganizational Meeting held immediately following the Annual Shareholders' Meeting, elects the Company's five officers, which include the Chairman of the Board and President, Executive Vice President, Vice President - Secretary, Vice President - Finance and Chief Financial Officer, and Vice President - Operations. The Chairman of the Board presides over meetings of the full Board. The members of our Board of Directors bring experience, oversight and expertise from outside our company and industry.

The Company faces a number of risks, including general economic risks, operational risks, financial risks, competitive risks and reputational risks. The Board is responsible for oversight of the Company's risk management practices, assessing the Company's approach to risk management, and oversees the business of the Company, including CEO performance, to assure that the long-term interests of the shareholders are being served. A key responsibility of the Board is to review the Company's strategic direction and hold management accountable for the execution of strategy once it is developed. Our CEO is primarily responsible for the day-to-day risk management processes.

Each Committee of the Board is also responsible for reviewing risk exposure of the Company related to the committee's areas of responsibility and providing input to management on such risks. For example, the Audit Committee is responsible for oversight of our accounting and financial reporting processes, internal controls, and discussions with management and the Company's independent auditors regarding our financial statements, internal controls and other accounting and related matters and risk management. The Personnel and Compensation/Benefits Committee oversees certain risks related to compensation policies and programs.

The entire Board of Directors meets six times per year to review the operations of the Company, and is regularly informed through committee reports and reports from the Company's CEO on significant risks facing the Company, including financial, operational and strategic risks.

The Board of Directors believes that the risk management processes in place for the Company are appropriate and that this division of responsibilities is the most effective approach for addressing the risks facing the Company.

COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis describes the material elements of compensation for the executive officer identified in the Summary Compensation Table contained above.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Personnel and Compensation/Benefits Committee consists of Terris Hughes (Chairman), who is an executive officer of the Company serving as Executive Vice President; George Pappi, Jr., director of the Company; Ronald Nunlist, who is an executive officer and serves as President and Chairman of the Board; Gary Willems, who is an executive officer of the Company serving as Vice President – Secretary; Dwight Plumley, who is an executive officer of the Company and serves as Vice President – Operations; and Wayne Hardesty, who is an executive officer of the Company and serves as Chief Financial Officer and Vice President – Finance. All of the members of the Personnel and Compensation/Benefits Committee during 2013 were non-employee directors. There are no other compensation committee interlocks between the Company and other entities involving the Company's executive officers.

COMPENSATION COMMITTEE REPORT

The Personnel and Compensation/Benefits Committee of the Company's Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Securities and Exchange Commission Regulation S-K with management, and based on such review and discussion, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's 10-K report, incorporated by reference to this Definitive Proxy Statement.

As more fully described below, the Personnel and Compensation/Benefits Committee, made up of members of the Board of Directors, reviews the total direct compensation programs for the CEO.

Notably the salary and other benefits payable to the named executive officer are set forth in an employment agreement which is discussed below.

The CEO reviews the base salary, annual bonus and long-term compensation levels for other employees of the Company. The Personnel and Compensation/Benefits Committee reviews and approves the compensation received by the CEO's direct reports. The entire Board of Directors remains responsible for significant changes to or adoption of new employee benefit plans.

a. CASH COMPENSATION PAYABLE TO OUR NAMED EXECUTIVE OFFICER

The named executive officer receives a base salary payable in accordance with the Company's normal payroll practices and pursuant to a contract between this officer and Pismo Coast Village, Inc. (which contract is described in more detail below). Based on knowledge of the industry and Pismo Coast Village, Inc. performance (including its earnings and stock price performance, and successful resort operations), the Board believes that the CEO's base salary is less than those that are received by comparable officers with comparable responsibilities in similar companies.

In the future, when reconsidering salaries for executives, the Board will do so by evaluating their responsibilities, experience and the competitive marketplace. More specifically, the Board expects to consider the following factors in determining the executive officers' base salaries:

- The executive's leadership and operational performance and potential to enhance long-term value to the Company's shareholders;
- Performance compared to the financial, operational and strategic goals established for the Company;
- The nature, scope and level of the executive's responsibilities;
- Competitive market compensation paid by other companies for similar positions, experience and performance levels; and
- The executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

b. STOCK OPTION PLAN BENEFITS

Not applicable

c. ELEMENTS OF "ALL OTHER COMPENSATION"

The amounts reflected in the column labeled "other compensation" in the above Summary Compensation Table consist of compensation paid to the named executive officer from benefits received from our 401(k) plan.

The Company provides a 401(k) Safe Harbor Plan which was adopted effective October 1, 2005. All employees are eligible to participate in this Plan after one year of employment and work at least 1,000 hours per year and attained age 21. Employees are fully vested when their participation begins. The Company matches employee contributions up to 4% of compensation.

d. EMPLOYMENT AGREEMENT WITH OUR NAMED EXECUTIVE OFFICER

The Company has entered into an employment agreement with the named executive officer. The material terms of this agreement is summarized as follows:

Mr. Jamison is the Chief Executive Officer/General Manager, Assistant Corporate Secretary. On October 1, 2013, the Company entered into an employment contract with Mr. Jamison. The Board of Directors extended this contract through September 30, 2017, and provided Mr. Jamison with a salary increase effective October 1, 2013. This currently provides for a salary of \$152,000, plus health insurance, cost reimbursement, and certain other benefits.

Pismo Coast Village, Inc. may also terminate the contract for cause, upon Mr. Jamison's death or disability, or without cause. If Pismo Coast Village, Inc. terminates the contract for cause, it only must compensate Mr. Jamison through the date of termination. If Pismo Coast Village, Inc. terminates the contract without cause, Pismo Coast Village, Inc. must pay Mr. Jamison twelve month's salary.

STOCK OPTIONS AND STOCK APPRECIATION RIGHTS GRANTED DURING THE LAST FISCAL YEAR

Not applicable.

LONG TERM INCENTIVE PLANS

Except as described in our 401(k) plan, the Company did not have a long-term incentive plan during the fiscal years ended September 30, 2013 or 2012.

REPORT ON RE-PRICING OF OPTIONS/SARS

Not applicable.

COMPENSATION OF DIRECTORS

During fiscal year 2013 none of the Company's directors received cash remuneration for their service. However, the directors are entitled to reimbursement for out-of-pocket costs and expenses incurred on behalf of the Company, and mileage reimbursement for travel to and from meetings upon request. Since this reimbursement is on a fully accountable basis, there is no portion treated as compensation. In addition, they are entitled to use of the Resort for attending meetings and are provided with food and refreshments in connection with Board Meetings. The aggregate value of the foregoing during the fiscal year ended September 30, 2013 was estimated at \$26,153.

During the fiscal years 2013 and 2012, Pismo Coast Village, Inc. paid for various hospitality functions and for travel, lodging and hospitality expenses for spouses who occasionally accompanied directors when they were traveling on company business. Management believes that the expenditures were to Pismo Coast Village, Inc.'s benefit.

OPTIONS, WARRANTS OR RIGHTS

The Company has no outstanding options, warrants or rights to purchase any of its securities.

INDEBTEDNESS OF MANAGEMENT

No member of management was indebted to the Company during its last fiscal year.

TRANSACTIONS WITH PROMOTORS

Not applicable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There have been no transactions during the past two years, or proposed transactions, to which the Company was or is to be a party, in which any of the officers, directors, nominees, named shareholders, or family members of such persons, had or is to have a direct or indirect material interest, other than transactions where competitive bids determine the rates or charges involved, or where the amount involved does not exceed \$120,000, or where the interest of the party arises solely from the ownership of securities of the Company and the party received no extra or special benefit that was not shared by all shareholders.

ADVISORY VOTE ON EXECUTIVE COMPENSATION (Proposal 3)

The Dodd-Frank Act requires that the Company seek a non-binding advisory vote from its shareholders to approve the compensation of its named executive officers as disclosed under "Compensation of Directors and Executive Officers" on pages 15 to 18 in this Proxy Statement in accordance with SEC rules. Because it is a smaller reporting company, this is the first year that the Company is required to seek this advisory vote.

Our executive compensation policy is designed to enable the Company to attract, motivate and retain highly-qualified senior executives by providing a competitive compensation opportunity based on performance. Our intent is to provide fair and equitable compensation in a way that rewards executives for achieving specified financial and non-financial performance goals. Our performance-related awards are structured to link a substantial portion of our executive's total potential compensation to the Company's performance on both a long-term and short-term basis, to recognize individual contribution, as well as overall business results, and to align executive and shareholder interest. Accordingly, we reward performance in excess of pre-established targets of earnings before interest, taxes, depreciation, and amortization ("EBITDA") and we avoid establishing goals that could divert our executive's attention from the fundamentals of effective and efficient operations.

We are requesting shareholder approval of the compensation of our named executive officer as disclosed in this Proxy Statement, including the disclosures under "Compensation of Directors and Officers", the compensation table, and the related information and discussion. The vote is intended to address the overall compensation of our named executive officer and the policies and practices described in this Proxy Statement.

The vote is advisory and therefore not binding on the Company or the Personnel and Compensation/Benefits Committee or the Board. However, we value the opinions of our shareholders, and we will carefully consider the outcome of the advisory vote on executive compensation when making future compensation decisions.

RECOMMENDATION OF THE BOARD OF DIRECTORS

For the reasons stated, the Board of Directors recommends a vote FOR the following non-binding resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officer for fiscal year 2014, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables, and related information and discussion, is hereby APPROVED.”

The affirmative vote of a majority of the votes cast is required for advisory approval of the foregoing non-binding resolution. See “Voting Securities and Principal Holders Thereof”, pages 4 and 5.

ADVISORY VOTE ON FREQUENCY OF VOTE ON EXECUTIVE COMPENSATION (Proposal 4)

As required by the Dodd-Frank Act, at least once every six years the Company is required to request its shareholders to recommend, in a non-binding advisory resolution, whether the advisory shareholder vote on executive compensation should occur every one, two or three years.

In formulating its recommendation, our Board believes that a frequency of every three years for the advisory vote on executive compensation is the optimal interval for conducting and responding to a “Say-on-Pay” vote. One of the core principles of our executive compensation program is to ensure management’s interests are aligned with our shareholders’ interests to support long-term value creation. We encourage our officers to focus on long-term performance, and recommend a triennial vote which would allow our executive compensation programs to be evaluated by shareholders over a similar time-frame and in relation to our long-term performance.

Shareholders who have concerns about executive compensation during the interval between “Say-on-Pay” votes are welcome to bring their specific concerns to the attention of the Board. Please refer to “Shareholder Communications” in this Proxy Statement for information about communicating with the Board.

Accordingly, the following resolution is submitted for shareholder vote at the Annual Meeting of Shareholders:

“RESOLVED, that the highest number of votes cast by the shareholders of Pismo Coast Village, Inc. for the option set forth below shall be the preferred frequency selected by shareholders with which the Company is to hold an advisory vote on the approval of the compensation of its named executive officers included in the proxy statement: yearly or every two years or every three years.”

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the preferred frequency for the advisory vote on executive compensation that has been selected by shareholders. However, as this is an advisory vote, the result will not be binding on our Board or the Company. Our Personnel & Compensation/Benefits Committee will consider the outcome of the vote when determining how often the Company should submit to shareholders an advisory vote to approve the compensation of its named executive officer included in the Company’s Proxy Statement. Proxies submitted without direction pursuant to this solicitation will be voted for the option of “EVERY THREE YEARS”.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends that shareholders vote for the option of "Every Three Years" as the frequency with which shareholders are provided an advisory vote on the compensation of the Company's named executive officer included in the Proxy Statement.

The Board will carefully consider the outcome of the vote when making future decisions regarding the frequency of advisory votes on executive compensation. However, because this vote is advisory and non-binding, the Board may decide that it is in the best interest of the Company and its shareholders to hold an advisory vote more or less frequently than the alternative that has been selected by shareholders.

SHAREHOLDER COMMUNICATIONS

Shareholders desiring to send communications to the Board of Directors on any matter of concern may submit correspondence addressed to: Board of Directors, Pismo Coast Village, 165 South Dolliver Street, Pismo Beach CA 93449, c/o Mr. Jay Jamison, Chief Executive Officer/General Manager.

SHAREHOLDER PROPOSALS

The deadline for shareholders to submit proposals to be considered for inclusion in the Proxy Statement for the Company at the Company's 2015 Annual Shareholders' Meeting is August 1, 2014. Shareholder proposals submitted other than in accordance with the foregoing will not be considered timely presented for consideration at the annual meeting if notice thereof is given after October 1, 2014.

LEGAL PROCEEDINGS

No pending legal proceedings against the Company other than routine litigation incidental to business.

OTHER BUSINESS

Management does not know of any matters to be presented at the Meeting, other than those set forth above. However, if other matters come before the Meeting, it is the intention of the persons named in the accompanying Proxy to vote the Proxy in accordance with the recommendations of Management on such matters, and discretionary authority to do so is included in the Proxy.
