Lemont Inc
Notes to Condensed Financial Statement
(Unaudited)

Note 1. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying unaudited condensed financial statements have been prepared in accordance with generally accepted accounting principles in the United States (GAAP) and applicable rules and regulations of the Securities and Exchange Commission regarding interim financial reporting. Certain information and note disclosures normally included in the financial statements prepared in accordance with GAAP have been condensed or omitted pursuant to such rules and regulations.

This is the first condensed financial statements of the Corporation.

The Corporation started to operation its business since October 6, 2014, and the Corporation started to test trading foreign exchange since November 17, 2014.

The condensed financial statements include the accounts of Lemont Inc. All intercompany balances and transactions have been eliminated.

The accompanying condensed financial statements reflect all normal recurring adjustments necessary to present fairly the financial position, results of operations, and cash flows for the periods.

Use of Estimates

Conformity with GAAP requires the use of estimates and judgments that affect the reported amounts in the condensed financial statements and accompanying notes.

These estimates form the basis for judgments we make about the carrying values of our assets and liabilities, which are not readily apparent from other sources.

We base our estimates and judgments on historical information and on various other assumptions that we believe are reasonable under the circumstances.

GAAP requires us to make estimates and judgments in several areas, including, but not

limited to, those related to revenue recognition, collectability of accounts receivable, contingent liabilities, fair value of financial instruments, fair value of acquired intangible assets and goodwill, useful lives of intangible assets and property and equipment, and income taxes.

These estimates are based on management's knowledge about current events and expectations about actions we may undertake in the future. Actual results could differ materially from those estimates.

Note 2. Acquisitions

The Corporation didn't have any acquisitions.

Note 3. Earnings per Share

Basic EPS is computed by dividing net income attributable to common stockholders by the weighted-average number of shares of our Class A common stock outstanding, adjusted for outstanding shares that are subject to repurchase.

For the calculation of diluted EPS, net income attributable to common stockholders for basic EPS is adjusted by the effect of dilutive securities, including awards under our equity compensation plans.

Diluted EPS attributable to common stockholders is computed by dividing the resulting net income attributable to common stockholders by the weighted-average number of fully diluted common shares outstanding. Basic and dilutive securities in our basic and diluted EPS calculation for from the October 6, 2014 to December 31, 2014.

Basic and diluted EPS are the same for each class of common stock because they are entitled to the same liquidation and dividend rights.

The numerators and denominators of the basic and diluted EPS computations for our Class A common stock were calculated as follows:

	Ended December 31, 2014

Note 10. Income Taxes

Our tax provision for interim periods is determined using an estimate of our annual effective tax rate, adjusted for discrete items arising in that quarter. In each quarter we update our estimate of the annual effective tax rate, and if our estimated annual tax rate changes, we make a cumulative adjustment in that quarter. Our quarterly tax provision, and our quarterly estimate of our annual effective tax rate, are subject to significant volatility due to several factors, including our ability to accurately predict our income (loss) before provision for income taxes in multiple jurisdictions, including the portions of our share-based compensation that will not generate tax benefits, and the effects of acquisitions and the integration of those acquisitions. In addition, our effective tax rate can be more or less volatile based on the amount of income before provision for income taxes.

We are subject to taxation in the United States and various other state jurisdictions. We are under examination by the Internal Revenue Service (IRS). We remain subject to possible examinations or are undergoing audits in various other jurisdictions that are not anticipated to be material to our financial statements.

Although the timing of the resolution, settlement, and closure of any audit is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. However, given the number of years remaining that are subject to examination, we are unable to estimate the full range of possible adjustments to the balance of gross unrecognized tax benefits.

to be offered by the registrant
Registrant: Lemont Inc.
Offering Statement on Form 1-A
Filed on: 02/18/2015
File No.: **024-10437**

To Whom It May Concern:

I, the undersigned, who am an attorney and counselor at law in good standing duly registered in the States of New York and New Jersey, have been requested as outside counsel by Mr. Wangjun Xie, President of Lemont Inc. ("Lemont, Inc.", "company", "issuer", or "registrant"), to prepare a legal opinion, and have undertaken to do so pro bono to the best of my information and professional judgment, in order to satisfy the specific requirement by the United States Securities & Exchange Commission ("Commission") for such a legal opinion (1) "as required under Item 2 of Part III of Form 1-A" which has been filed by the company as its offering statement ("Offering Statement" or "statement") to state for the purpose of said statement whether or not Rule 262 is applicable to any of the significant parties as identified under Item 1, Part III of Form 1-A, as already filed by the issuer with the Commission; and (2) as required by Item 2(11) of Part III of Form 1-A, as to the "legality of the securities to be offered" by the registrant.

I further affirm to the Commission under penalties of perjury that I have never been, and I am not currently, subject to any of the disqualification provisions for reasons or circumstances as identified under Rule 262(a), (b), and (c).

I further affirm to this Commission under penalties of perjury that I am not an interested party in the course of preparing this legal opinion, in that I have never owned, nor do I presently own any shares in the issuer's equity, or any of its shares of any class

or any such shares of its affiliate's equity or any of the affiliate's shares of any class; and that I have never served in any capacity for any purpose of the issuer's operations including its pending Offering Statement before the Commission, other than in my present capacity as pro bona counsel for the purpose of preparing the within legal opinion.

1. Legal Opinion As Required by Item 2 of Part III of Form 1-A As to the Applicability of Rule 262 to Any Significant Parties Identified Under Item 1 of Part III of Form 1-A

I hereby affirm to the Commission that my within legal opinion in this capacity is based on factual representations affirmed to me as complete, accurate and truthful, by means of oral, telephonic or e-mail communication as provided to me by the following individuals in their designated capacities:

- 1) **Wanjun Xie** as (a) the issuer's co-director and officer; (b) beneficiary owner as shareholder of 36% of Lansdale Inc. ("affiliate") which has been identified in the offering statement as "a record owner of 90% of any class of the issuer's equity securities" and thus the issuer's affiliate; and (c) promoter of the issuer;
- 2) **Liuyan Li** as (a) the issuer's co-director; and (b) beneficiary order who "owns indirectly 54% shares of the issuer's equity securities" through the affiliate; and
- 3) **Jie Du** as record and beneficiary owner who owns directly 5% of the issuers' equity shares.

I further affirm to the Commission that on basis of the information as provided to me as preparer of this legal opinion by the foregoing individuals who have affirmed to me the accuracy and truthfulness of any and all such information under penalties of perjury, the following is a truthful, complete and accurate statement with respect to the applicability of Rule 262 to any and all significant parties identified under Item 1, Part III of Form 1-A as filed by the issuer with the Commission:

- 1) None of the circumstances or situations as identified under Rule 262(a)(1), (2), (3), (4), or (5) is true of, or applicable to, the issuer, or any of its predecessors or any of its affiliated issuers, such that any of these entities is subject to any of the disqualification provisions under Rule 262.
- 2) None of the three aforementioned individuals, namely, Wanjun Xie, Liuyan Li, and Jie Du, (a) is known to have ever been convicted, within 10 years prior to the filing of the issuer's offering statement, of any crime or offense as identified under Rule 262(b)(1), in his or her present capacity as director, officer or general partner of the issuer, or beneficial owner of 10 percent or more of any class of its equity securities, or promoter of the

issuer presently connected with it in any capacity, any underwriter of the securities to be offered, or any partner, director or officer of any such underwriter; or (b) is ever known to be subject to any order, judgment or decree of any court of competent jurisdiction of such a nature as identified under Rule 262(b)(2); or (c) is ever known to be subject to any order as entered by the Commission of such a nature as identified under Rule 262(b)(3); or (d) is ever known to have been suspended or expelled from membership in, or suspended or barred from association with a member of, a national securities exchange registered under section 6 of the Exchange Act or a national securities association registered under section 15A of the Exchange Act for any act or omission to act constituting conduct inconsistent with just and equitable principles of trade; or (e) is ever known to be subject to a United States Postal Service false representation order entered under 39 U.S.C. § 3005 within 5 years prior to the filing of the offering statement required by § 230.252, or is subject to a restraining order or preliminary injunction entered under 39 U.S.C. § 3007 with respect to conduct alleged to have violated 39 U.S.C. § 3005.

- 3) Rule 262(c) does not apply to the issuer or any of these individuals on basis of the issuer's representations under Item 1(i), (j), (k), (l), and (m), as part of Item 1, Part III of Form 1-A as filed by the issuer with the Commission.

I therefore affirm to the Commission that on basis of the foregoing I am of the following legal opinion, as required under Item 2, Part III of Form 1-A to be made part of said form as Exhibit 11, that neither the issuer, nor any of its affiliates, nor any of the three individuals as identified in response to Item 1, Part III of Form 1-A, namely, Wanjun Xie, Liuyan Li, and Jie Du, whether acting or serving as director, officer, general partner if any, record owner, beneficiary owner, promoter, counsel if any, of the issuer should be deemed disqualified under Rule 262 for the purpose of filing the issuer's Offering Statement with this Commission.

Should any of the foregoing information presently known to me to be true and accurate subsequently changes to any extent or for any reason, I will amend this legal opinion and forward it to the Commission in due time accordingly.

2. Legal Opinion As Required by Item 2(11) of Part III of Form 1-A As to the Legality of the Securities to Be Offered by the Registrant

I hereby affirm to the Commission that my within legal opinion in this capacity has been formed on basis of (1) my review and examination of the following documents provided to me by the registrant company and as affirmed to me by the registrant through its President Wanjun Xie to be an authentic, complete and accurate copy of each corresponding original document, and (2) instructions provided in pertinent part by Division of Corporate Finance, U.S. Securities and Exchange Commission, in its Legality

2.A Whether Lemont Inc. May “Legally Issue” Securities

Pursuant to *Staff Legal Bulletin No. 19* (“Bulletin”), securities are “legally issued” when:

(1) the registrant is validly existing under the laws of the jurisdiction in which it is incorporated, and the securities are duly authorized; (2) the actions required by applicable state corporation law to approve the issuance of the securities have been taken; and (3) the securities have been or will be issued in compliance with the requirements of that law, and the registrant’s certificate or articles of incorporation and bylaws, and the resolutions approving the issuance of those securities.

See id., B(1)(a).

According to the registrant company’s Certificate of Amendment of the Certificate of Incorporation and its Certificate of Change as filed with the State of New York Department of State respectively on October 10, 2014, and April 3, 2015, on behalf of Lemont, Inc., the registrant company has been incorporated in the State of New York as of August 15, 2014, and is currently located at 61-12 288th Street, 1st Floor, Bayside, NY 11364. Hence, the registrant is validly existing under the laws of the State of New York.

Further, in light of the terms of the “Third” paragraph of the registrant’s aforementioned Certificate of Amendment of the Certificate of Incorporation, which in pertinent part amends “Paragraph Fourth” thereof to the following effect:

The total number of shares which the corporation shall have authority to issue will be 380,000,000.
All the shares will be common shares (Class A).
The par value of each share will be \$0.0001.

the conclusion necessarily follows that the registrant’s securities as designated in said number of common shares with designated value have been duly authorized by the company’s Certificate of Incorporation as amended as of October 10, 2014.

According to Broker-Dealer and Securities Registration Information Sheet released by Mr. Eric T. Schneiderman, Attorney General of the State of New York as revised in June of 2104 and accessed on April 14, 2015, at www.ag.ny.gov¹, in order for any issuer of securities to do so in the State of New York, such a prospective issuer must

¹ See id., at <http://www.ag.ny.gov/investor-protection/broker-dealer-and-securities-registration-information-sheet>.

file (1) M-11 Issuer Statement, or Form 99, (2) State Notice and Further State Notice, and, where necessary, (3) Consent to Service of Process, or Form U-2 for non-resident issuer.

Upon review and examination of a copy of the first two aforementioned documents as filed by the registrant company with the New York Department of State, it appears that the registrant has taken all necessary actions required by applicable state corporation law in the State of New York for approval of the issuance of the securities to be offered by Lemont, Inc.

Further, upon examination of the registrant's Articles of Bylaws as approved on September 14, 2014, in pertinent part, namely, *Section 7. Quorum*, it appears that pursuant to said provision of the registrant's Articles of Bylaws:

A majority of the authorized number of directors constitutes a quorum of the Board for the transaction of business, except to adjourn as hereafter provided. Every action or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board, unless a greater number be required by law or the Articles of Incorporation.

As of September 20, 2014, per a Resolution of the Board of Directors of Lemont, Inc. as adopted and co-signed on that date by Liuyan Li and Wanjun Xie as co-directors of the Board of Lemont, Inc., who are the only members of said Board, the registrant company "will issue 380,000,000 class A shares" in accordance with the registrant's Certificate of Amendment to Certificate of Incorporation as subsequently filed on October 10, 2014.

Hence, it appears that any securities in the form of 380,000,000 Class A shares to be offered by Lemont, Inc. will be issued in compliance with the state law, the company's Certificate of Incorporation as amended, its Articles of Bylaws as well as the company's September 20, 2014, resolution authorizing issuance of such securities.

In light of the foregoing, it is my legal opinion that any securities to be offered by Lemont, Inc. in the designated number and value will be legally issued.

2.B Whether Shares to Be Offered by the Registrant Will be "Fully Paid"

For the purpose of the Bulletin's requirement that the shares to be offered by the registrant will be "fully paid", it is assumed that the registrant company will receive the required consideration for any and all of its shares to be offered.

2.C Whether Any Shares to Be Offered by the Registrant Are “Non-Accessible”

As of September 20, 2014, per a Resolution of the Board of Directors of Lemont, Inc. as adopted and co-signed on that date by Liuyan Li and Wanjun Xie as co-directors of the Board of Lemont, Inc., who are the only members of said Board, it appears that per said decision of the Board of Directors for Lemont, Inc., “the security holder is not liable solely because of security holder status for additional assessment or calls on the security or its creditors”.

It therefore appears to the undersigned that any and all of the shares to be offered by the registrant will meet the “non-accessible” requirement as defined by Staff Legal Bulletin No. 19 in pertinent part.

In light of the foregoing, I hereby affirm to the Commission that on basis of the information and documentary evidence which I have received from the registrant company, and further on basis of the assurance by the registrant company to me as to the truthfulness of said information and the authenticity of each of said documents, I am of the legal opinion, as required under Item 2(11) of Part III of Form 1-A, that the registrant company has met all three requirements for satisfying the legality of its securities to be offered to the public in the form of 380,000,000 Class A shares with the par value of \$0,0001, as stated in the company’s Certificate of Incorporation as amended.

Should any of the foregoing information presently known to me to be true and accurate subsequently change to any extent or for any reason, or the authenticity of any of the aforementioned documents become questionable, I will amend this legal opinion and forward it to the Commission in due time accordingly.

Respectfully,
