UNITED STATES TAXATION

The Notes are intended to be issued in a “qualified reopening” for United States federal income tax purposes, and therefore the Corporation will treat the Notes as being part of the same issue as the notes issued by the Corporation on February 2, 2015.

A portion of the purchase price of the Notes is attributable to interest accrued for the period starting from and including the Interest Commencement Date to but excluding the Issue Date. Accordingly, a portion of the interest received on the Interest Payment Date scheduled for April 2, 2015 equal to such accrued interest should not be taxable when received but should instead reduce the holder’s adjusted tax basis in the Notes by a corresponding amount.

The following paragraphs supplement the discussion under “Tax Matters” in the Prospectus dated as of June 3, 2008, and reflect recently enacted legislation.

Capital gain of a non-corporate U.S. Holder is generally taxed at preferential rates where the property is held for more than one year.

Medicare Tax

A U.S. Holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax on the lesser of (1) the U.S. Holder’s “net investment income” (or “undistributed net investment income” in the case of an estate or trust) for the relevant taxable year and (2) the excess of the U.S. Holder’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual’s circumstances). A holder’s net investment income generally includes its interest income and its net gains from the disposition of the Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). If you are a U.S. Holder that is an individual, estate or trust, you are urged to consult your tax advisors regarding the applicability of the Medicare tax to your income and gains in respect of your investment in the Notes.

Information with Respect to Foreign Financial Assets

Owners of “specified foreign financial assets” with an aggregate value in excess of \$50,000 (and in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. “Specified foreign financial assets” may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by

non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the Notes.

In so purchasing the Notes, each of the undersigned understands and agrees that it is not acting as an agent of the Corporation in the sale of the Notes.
- 2** When used herein and in the Standard Provisions as so incorporated, the term "**Notes**" refers to the Notes as defined herein, the term "**Time of Sale**" refers to March 9, 2015, 4:00 p.m. New York time and the term "**Dealers**" refers to the undersigned. All other terms defined in the Prospectus, the Final Terms relating to the Notes and the Standard Provisions shall have the same meaning when used herein.

- 4** The obligation of each of the undersigned to purchase Notes hereunder is subject to the accuracy, on the date hereof and on the Settlement Date, of the Corporation's representations and warranties contained in Clause 2 of the Standard Provisions and to the Corporation's performance and observance of all applicable covenants and agreements contained therein, in each case with respect to the Notes. The obligation of each of the undersigned to purchase Notes hereunder is further subject to the receipt by the undersigned of an officer's certificate of the Corporation substantially in the form referred to in Clause 6.1 of the Standard Provisions, dated as of the Settlement Date.

- 5** The Corporation agrees that it will issue the Notes and each of the undersigned severally and not jointly agree to purchase the Notes at the purchase price specified above (being equal to the issue price of 100.001 per cent. of the nominal amount of the Notes (U.S. \$250,002,500) plus 14 days' accrued interest (U.S. \$17,500)).

The respective nominal amounts of the Notes that each of the undersigned commits to underwrite are set forth opposite their names below in Schedule I hereto.

- 6** The purchase price specified above will be paid by The Royal Bank of Scotland plc on behalf of the Dealers by wire transfer in same-day funds to the Corporation for value on the Settlement Date.

- 7** The Corporation hereby appoints each of the undersigned as a Dealer under the Standard Provisions solely for the purpose of the issue of Notes to which this Terms Agreement relates. Each of the undersigned accepts such appointment, whereupon it shall be vested, solely with respect to this issue of Notes, with all authority, rights and powers of a Dealer purchasing Notes as principal set out in the Standard Provisions, a copy of which it acknowledges it has received.

All notices and other communications hereunder shall be in writing and shall be transmitted in accordance with Clause 10 of the Standard Provisions.

- 11** If a default occurs with respect to one or more of the several underwriting commitments to purchase any Notes under this Agreement, Dealers who have not defaulted with respect to their respective several underwriting commitments will take up and pay for, as nearly as practicable in proportion to their respective several underwriting commitments, Notes as to which such default occurred, up to but not exceeding in the aggregate 20% of the nominal amount of the Notes for which the non-defaulting Dealers were originally committed; provided, however, that if the aggregate nominal amount of Notes as to which such default occurred exceeds 16.667% of the principal amount of the Notes, the non-defaulting Dealers shall be entitled to terminate this Agreement without any liability on the part of any
