APPENDIX I to the Final Terms

SURVIVOR'S OPTION

The authorized representative of a deceased beneficial owner of the Notes or a beneficial interest in the Notes shall have the option to elect repayment of such Notes or interest therein following the death of such beneficial owner (a "Survivor's Option"). No Survivor's Option may be exercised until at least twelve months following the Issue Date of the Notes. No Survivor's Option may be exercised on behalf of a person who has beneficially owned the Notes continuously for less than twelve months.

Upon exercise of the Survivor's Option, the Corporation shall repay any Note (or portion thereof) properly tendered for repayment by or on behalf of the person (the "Survivor Representative") that has authority to act on behalf of the deceased beneficial owner of a Note (including, without limitation, the personal representative or executor of the deceased beneficial owner or the surviving joint owner with the deceased beneficial owner) under the laws of the appropriate jurisdiction at a price equal to 100% of the nominal amount of the beneficial interest of the deceased owner in such Note plus accrued interest to, but excluding, the date of such repayment, subject to the following limitations:

- a) The Corporation may, in its sole discretion, limit the aggregate nominal amount of "Impact Notes" as to which exercises of the Survivor's Option shall be accepted in any calendar year (the "Annual Aggregate Survivor's Option Limitation") to an amount equal to the greater of (a) 1% of the outstanding aggregate nominal amount of "Impact Notes" as of December 31 of the previous year or (b) U.S. \$1,000,000, or such greater amount as the Corporation in its sole discretion may determine for any calendar year, and may limit to U.S. \$250,000, or such greater amount as the Corporation in its sole discretion may determine for any calendar year, the aggregate nominal amount of Notes (or portions thereof) as to which exercise of the Survivor's Option will be accepted with respect to any individual deceased owner or beneficial interests in such Notes (the "Individual Survivor's Option Limitation").
- b) The Corporation shall not permit the exercise of the Survivor's Option in amounts that are less than U.S. \$1,000, or such other minimum Specified Denomination specified herein, or that would result in a Note remaining outstanding after repayment of less than U.S. \$1,000, or such other minimum Specified Denomination specified herein.
- c) Any Note (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option may not be withdrawn and such Note (or portion thereof) may not be transferred prior to repayment.

Each Note (or portion thereof) that is tendered pursuant to valid exercise of the Survivor's Option shall be accepted promptly in the order all such Notes are tendered, except for any Note (or portion thereof) the acceptance of which would contravene any of the limitations described above, if applied, with respect to the relevant individual deceased owner of beneficial interests therein. If, as of the end of any calendar year, the aggregate nominal amount of Notes (or portions thereof) that have been accepted pursuant to exercise of the Survivor's Option during such year has not exceeded the Annual Aggregate Survivor's Option Limitation for that year, any exercise(s) of the Survivor's Option with respect to Notes (or portions thereof) not accepted during such calendar year because such acceptance would have contravened the Individual Survivor's Option Limitation, if applied, shall be deemed to be tendered and accepted in the order all such Notes (or portions thereof) were tendered to the extent that any such acceptance would not trigger the Annual Aggregate Survivor's Option Limitation for such calendar year. Normally, any Note (or portion thereof) accepted for repayment pursuant to exercise of the Survivor's Option shall be repaid quarterly, no later than first January 15, April 15, July 15 or October 15 that occurs at least 20 calendar days after the date of such acceptance. In the event that a Note (or any portion thereof) tendered for repayment pursuant to valid exercise of the Survivor's Option is not accepted, the Corporation (or the Global Agent on its behalf) shall deliver a notice by first-class mail to the registered holder thereof at its last known address as indicated in the Register, that states the reason such Note (or portion thereof) has not been accepted for repayment.

In order for a Survivor's Option to be validly exercised with respect to any Note (or portion thereof), the Corporation must receive from the Survivor Representative of the deceased beneficial owner (i) a written request for repayment signed by the Survivor Representative, and such signature must be guaranteed by a member firm of a registered national securities exchange or of the Financial Industry Regulatory Authority, Inc. (FINRA) or a commercial bank or trust company having an office or correspondent in the United States, (ii) tender of a Note (or portion thereof) to be repaid, (iii) appropriate evidence satisfactory to the Corporation (A) that the deceased owner was a beneficial owner of the Note at the time of death, (B) that the death of such beneficial owner has occurred, (C) as to the date of death of the beneficial owner and (D) that the Survivor Representative has authority to act on behalf of the deceased beneficial owner, (iv) if applicable, a properly executed assignment or endorsement, (v) if the beneficial interest in such Note is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Corporation from such nominee attesting to the deceased's beneficial ownership interest in such

Note, (vi) tax waivers and such other instruments or documents that the Corporation reasonably requires in order to establish the validity of the beneficial ownership of the Note and the claimant's entitlement to repayment and (vii) any additional information the Corporation reasonably requires to evidence satisfaction of any conditions to the exercise of the Survivor's Option or to document beneficial ownership interest in, or authority to make the election and to cause the repayment of the Note (or portion thereof). Subject to the Corporation's right hereunder to limit the aggregate nominal amount of Notes as to which exercises of the Survivor's Option shall be accepted in any one calendar year, all questions as to the eligibility or validity of any exercise of the Survivor's Option will be determined by the Corporation, in its sole discretion, which determination shall be final and binding on all parties. The Survivor Representative's notice of election to exercise shall be in such form as shall be reasonably acceptable to the Corporation.

The death of a person holding a beneficial ownership interest in a Note in joint tenancy or tenancy by the entirety with another or others shall be deemed the death of the beneficial owner of the Note for purposes of the Survivor's Option, and the entire nominal amount of the Note so held shall be subject to repayment. The death of a person holding a beneficial ownership interest in a Note by tenancy in common shall be deemed the death of a beneficial owner of a Note only with respect to the deceased beneficial owner's interest in the Note so held by tenancy in common; except that in the event a Note is held by husband and wife as tenants in common, the death of either shall be deemed the death of the beneficial owner of the Note for purposes of the Survivor's Option, and the entire nominal amount of the Note so held shall be subject to repayment. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial ownership interest in a Note shall be deemed the death of the beneficial owner thereof for purposes of the Survivor's Option, regardless of whether that beneficial owner was the registered holder, if entitlement to those interests can be established to the satisfaction of the Corporation. A beneficial ownership interest shall be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a husband and wife and custodial and trust arrangements where one person has all of the beneficial ownership interests in the Note during his or her lifetime.

With respect to Notes represented by a Global Registered Certificate, DTC or its nominee is treated as the holder of such Note and therefore shall be the only entity that can exercise the Survivor's Option for such Notes. To obtain repayment pursuant to exercise of the Survivor's Option with respect to such a Note, the Survivor Representative must provide to the broker or other entity through which the beneficial interest in such Note is held by the deceased beneficial owner (i) the documents described in the second preceding paragraph and (ii) a written instruction to such broker or other entity to notify DTC of such Survivor Representative's desire to obtain repayment pursuant to exercise of the Survivor's Option.
