## UNITED STATES TAXATION

The following supplements the discussion under “Tax Matters” in the Prospectus and is subject to the limitations and exceptions set forth therein.

### *Capital Gains*

As discussed in the Prospectus under “Tax Matters—United States Federal Income Taxation—Purchase, Sale and Retirement of the Notes”, a U.S. Holder may recognize capital gain or loss upon a sale of the Notes. Capital gain of a non-corporate U.S. Holder is generally taxed at preferential rates (which may exceed the 15% rate referenced in the Prospectus) where the property is held for more than one year.

### *Medicare Tax*

A U.S. Holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax (the “Medicare tax”) on the lesser of (1) the U.S. Holder’s “net investment income” (or “undistributed net investment income” in the case of an estate or trust) for the relevant taxable year and (2) the excess of the U.S. Holder’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual’s circumstances). A holder’s net investment income generally includes its interest income and its net gains from the disposition of Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). U.S. Holders that are individuals, estates or trusts are urged to consult their tax advisors regarding the applicability of the Medicare tax to their income and gains in respect of their investments in the Notes.

### *Information with Respect to Foreign Financial Assets*

Owners of “specified foreign financial assets” with an aggregate value in excess of \$50,000 (and in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. “Specified foreign financial assets” may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the Notes.

- 4** The obligation of each of the undersigned to purchase Notes hereunder is subject to the accuracy, on the date hereof and on the Settlement Date, of the Corporation's representations and warranties contained in Clause 2 of the Standard Provisions and to the Corporation's performance and observance of all applicable covenants and agreements contained therein, in each case with respect to the Notes. The obligation of each of the undersigned to purchase Notes hereunder is further subject to the receipt by the undersigned of an officer's certificate of the Corporation substantially in the form referred to in Clause 6.1 of the Standard Provisions, dated as of the Settlement Date.

- 5** The Corporation agrees that it will issue the Notes and each of the undersigned severally and not jointly agree to purchase the Notes at the purchase price specified above (being equal to the issue price of 100.00 per cent. of the nominal amount of the Notes).

- 9** Each of the undersigned acknowledges that such appointment is limited to this particular issue of Notes and is not for any other issue of Notes of the Corporation and that such appointment will terminate upon issue of the relevant Notes, but without prejudice to any rights (including, without limitation, any indemnification rights), duties or obligations of each of the undersigned which have arisen prior to such termination.

- 10** For purposes hereof, the notice details of each of the undersigned are set out in Schedule II hereto.

All notices and other communications hereunder shall be in writing and shall be transmitted in accordance with Clause 10 of the Standard Provisions.

- 11** If a default occurs with respect to one or more of the several underwriting commitments to purchase any Notes under this Agreement, Dealers who have not defaulted with respect to their respective several underwriting commitments will take up and pay for, as nearly as practicable in proportion to their respective several underwriting commitments, Notes as to which such default occurred, up to but not exceeding in the aggregate 20% of the nominal amount of the Notes for which the non-defaulting Dealers were originally committed; provided, however, that if the aggregate nominal amount of Notes as to which such default occurred exceeds 16.667% of the principal amount of the Notes, the non-defaulting Dealers shall be entitled to terminate this Agreement without any liability on the part of any

non-defaulting Dealers. Nothing herein will relieve a defaulting Dealer from liability for its default.

- 12** This Terms Agreement shall be governed by and construed in accordance with the laws of New York.

## UNITED STATES TAXATION

The following supplements the discussion under “Tax Matters” in the Prospectus and is subject to the limitations and exceptions set forth therein.

### *Capital Gains*

As discussed in the Prospectus under “Tax Matters—United States Federal Income Taxation—Purchase, Sale and Retirement of the Notes”, a U.S. Holder may recognize capital gain or loss upon a sale of the Notes. Capital gain of a non-corporate U.S. Holder is generally taxed at preferential rates (which may exceed the 15% rate referenced in the Prospectus) where the property is held for more than one year.

### *Medicare Tax*

A U.S. Holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax (the “Medicare tax”) on the lesser of (1) the U.S. Holder’s “net investment income” (or “undistributed net investment income” in the case of an estate or trust) for the relevant taxable year and (2) the excess of the U.S. Holder’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual’s circumstances). A holder’s net investment income generally includes its interest income and its net gains from the disposition of Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). U.S. Holders that are individuals, estates or trusts are urged to consult their tax advisors regarding the applicability of the Medicare tax to their income and gains in respect of their investments in the Notes.

### *Information with Respect to Foreign Financial Assets*

Owners of “specified foreign financial assets” with an aggregate value in excess of \$50,000 (and in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. “Specified foreign financial assets” may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the Notes.

The obligation of each of the undersigned to purchase Notes hereunder is further subject to the receipt by the undersigned of an officer's certificate of the Corporation substantially in the form referred to in Clause 6.1 of the Standard Provisions, dated as of the Settlement Date.

- 5** The Corporation agrees that it will issue the Notes and each of the undersigned severally and not jointly agree to purchase the Notes at the purchase price specified above (being equal to the issue price of 100.00 per cent. of the nominal amount of the Notes).

- 9** Each of the undersigned acknowledges that such appointment is limited to this particular issue of Notes and is not for any other issue of Notes of the Corporation and that such appointment will terminate upon issue of the relevant Notes, but without prejudice to any rights (including, without limitation, any indemnification rights), duties or obligations of each of the undersigned which have arisen prior to such termination.

- 10** For purposes hereof, the notice details of each of the undersigned are set out in Schedule II hereto.

All notices and other communications hereunder shall be in writing and shall be transmitted in accordance with Clause 10 of the Standard Provisions.

- 11** If a default occurs with respect to one or more of the several underwriting commitments to purchase any Notes under this Agreement, Dealers who have not defaulted with respect to their respective several underwriting commitments will take up and pay for, as nearly as practicable in proportion to their respective several underwriting commitments, Notes as to which such default occurred, up to but not exceeding in the aggregate 20% of the nominal amount of the Notes for which the non-defaulting Dealers were originally committed; provided, however, that if the aggregate nominal amount of Notes as to which such default occurred exceeds 16.667% of the principal amount of the Notes, the non-defaulting Dealers shall be entitled to terminate this Agreement without any liability on the part of any

non-defaulting Dealers. Nothing herein will relieve a defaulting Dealer from liability for its default.

- 12** This Terms Agreement shall be governed by and construed in accordance with the laws of New York.
