## Report of Independent Registered Public Accounting Firm

To the Shareholder of J.M. Lummis Securities, Inc. New Canaan, Connecticut

We have audited the accompanying financial statements of J.M. Lummis Securities, Inc. (the "Company"), which comprise the statement of financial condition as of December 31, 2014, and the related statements of operations, changes in shareholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of J.M. Lummis Securities, Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information contained on pages 10-12 has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

J.M. Lummis Securities, Inc. (the "Company"), was incorporated on June 19, 1997 and is a wholly-owned subsidiary of J.M. Lummis and Company, Inc. (the "Parent"). The Company is a broker dealer registered with the Securities and Exchange Commission ("SEC) and a member of the Financial Industry Regulatory Authority ("FINRA").

The Company's operations consist primarily of brokering corporate bonds, money market instruments and U.S. Treasury obligations.

#### Revenue Recognition

The Company records commissions when earned which is generally on the date the trade closes.

#### Cash and Cash Equivalents

The Company has defined cash equivalents as highly liquid investments, with original maturities of three months or less.

#### Due from Clearing Organization

Due from clearing organization primarily represents cash held on deposit at a clearing organization to facilitate settlement and clearance of matched principal transactions and spreads on matched principal transactions that have not yet been remitted from/to the clearing organization. Included in due from clearing organization is a \$100,000 required deposit.

#### Accounts Receivable

Accounts receivable includes commissions which represent amounts due from other broker dealers for the execution of brokering transactions.

Accounts receivable are carried at the original amount less an estimate made for the allowance for doubtful accounts based on a review of outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by regularly evaluating individual customer receivables and considering the customer's financial condition, credit history, and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded as a reduction to bad debt expense when received. At December 31, 2014 there was no allowance for doubtful accounts.

#### Federal and State Income Taxes

The Company files a consolidated Federal income tax return with its Parent and combined State and local tax returns. The Parent has elected under the Internal Revenue Code to be taxed as an S Corporation. All Federal and Connecticut State taxes owed by the Company will be the responsibility of the Parent or its shareholders. Based upon various apportionment rules and State and city income

## J.M. Lummis Securities, Inc. Notes to Financial Statements December 31, 2014

tax laws, the Company may be responsible for income taxes in States and cities in which the Company does business.

Management has evaluated the Company's tax positions and concluded that the Company has taken no uncertain tax positions that require adjustment to or disclosure in the financial statements. The Company's 2011 through 2014 tax years are open for examination by Federal, State and local tax authorities.

#### Concentration of Credit Risk

The Company maintains its cash balances in accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes there is little or no exposure to any significant credit risk.

#### Use of Estimates

The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### 2. Related Party Transactions

The Company has entered into an Expense Sharing Agreement (the "Agreement") with the Parent because the Company and the Parent use all of the same vendors and the Parent processes all of the Company's vendor payments. These shared expenses include telephone, Bloomberg, information technology, insurance, office equipment and office expense. In addition, the Company shares office space with the Parent. The Company pays the Parent \$7,000 per month for these expenses as well as \$10,000 per month for salaries. The Company was charged \$204,000 during 2014 under this Agreement. No amounts were owed at December 31, 2014.

The Company did not declare or pay a dividend to the Parent during the year ending December 31, 2014.

#### 3. Net Capital and Aggregate Indebtedness Requirement

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1 (SEC rule 15c3-1), which requires the Company to maintain a minimum net capital balance and a ratio of aggregated indebtedness to net capital not exceeding 15 to 1.

At December 31, 2014, the Company's net capital balance as defined by SEC Rule 15c3-1 was \$215,424, which exceeded the minimum requirement of \$5,000. At December 31, 2014, the Company's aggregate indebtedness to net capital as defined by SEC Rule 15c3-1 was .0608 to 1.0.

The Company is exempt from the provisions of Part 240 Rule 15c3-3 of the Securities Exchange Act of 1934 (SEC Rule 15c-3-3) under paragraph (k)(2)(ii) in that the Company, as an introducing broker or dealer, clears all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and who promptly transmits all customer funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements, as are customarily made and kept by a clearing broker or dealer.

#### 5. Off Balance Sheet Risk

Pursuant to a clearance agreement, the Company introduces all of its securities transactions to a clearing organization on a fully-disclosed basis. Therefore, all of the customers' account balances and long and short security positions are carried on the books of the clearing organization. In accordance with the clearance agreement, the Company has agreed to indemnify the clearing organization for losses, if any, which the clearing organization may sustain from carrying securities transactions introduced by the Company. To the Shareholder of J.M. Lummis Securities, Inc. New Canaan, Connecticut

We have reviewed management's statements, included in the accompanying Report on Rule 15c3-3 Exemption, in which (1) J.M.
